The trustees present their annual report together with the audited financial statements of the charitable company for the year 1 April 2024 to 31 March 2025. The annual report serves the purposes of both a trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The JC Eudaimonia Foundation was incorporated as a company limited by guarantee in England and Wales on 16 July 2014 with company number 09134082. The company is also a charity registered in England and Wales with number 1158814.

The principal object of the Foundation is to apply its income for general charitable purposes.

Methods of appointment or election of Trustees

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

Organisational structure and decision making

The Foundation is governed by its Memorandum and Articles of Association, dated 16 July 2014, by a Board of Trustees, who are recorded on page one. The Trustees are responsible for the management of the Foundation's business, including setting policies and strategy and approving budgets for the Foundation.

Policies adopted for the induction and training of Trustees

All Trustees must have had experience of managing businesses at a senior level and are required to undertake any relevant courses on the structure and operation of charities as are deemed necessary.

Key Management Personnel

The Trustees do not receive any remuneration or benefits. Trustee expenses are disclosed within note 5 of the financial statements.

Risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

OBJECTIVES AND ACTIVITIES

Principal activities

The JC Eudaimonia Foundation is registered as a charity in England and Wales. The Trustees confirm that they have had regard to the Charity Commission guidance on public benefit when reviewing and setting the Foundation's aims and objectives. Its principal activities are focused on supporting a number of registered charities with an emphasis on welfare, education and cultural causes.

Achievements and Performance

The Foundation made grants and donations to 13 (2024: 13) different entities in the period.

FINANCIAL REVIEW

Financial report for the year

During the year, the total income decreased to £230,120 (2024: £1,135,486). The income in the year was driven by a grant from the Jeremy Collier Foundation to the entity to support its grant making operations.

In 2025, JC Eudaimonia made direct grants of £490,000 (2024: £654,208) and incurred other costs of £3,679 (2024: £11,548) and a foreign exchange loss of £2,269 (2024: £6,783) for a total expenditure of £495,948 (2024: £672,540).

Reserves Policy

The Trustees have determined that holding a large quantity of reserves is unnecessary as the benefactors are able to provide additional funding as requirements dictate and there are currently no long term commitments.

At the end of the year, the Foundation held reserves of £233,933 (2024: £499,761). This was entirely comprised of general funds.

Financial position

The business model of the charity is such that its charitable activities are limited to making grants following trustee review of available funds and the funders' intended future donations. To date, it has made no long term commitments, funding only one year grants or shorter. The trustees have reviewed forecasts covering the period of 12 months from the date of approval of these financial statements which indicate the charity will have sufficient funds to meet its liabilities as they fall due for that period, which are £nil, as well as covering a schedule of grants that are under review.

The Trustees consider that as a result of the charity's operating model explained above, even if no further funding is received in the 12 months period, the charity has sufficient cash reserves to pay all committed costs. As a result, the Trustees consider it appropriate for the financial statements to be prepared on a going concern basis.

FUTURE PLANS

The Foundation will continue to develop a grant programme with new and existing grantees, with an emphasis on welfare, education and cultural causes.

Statement of trustees responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently;
- ◆ observe the methods and principles in the Charity SORP (FRS102);
- ◆ make judgements and estimates that are reasonable and prudent;
- ◆ state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- ◆ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with the provisions applicable to the small companies regime as set out in part 15 of the Companies Act 2006.

Approved by order of the members of the Board of Trustees and signed on their behalf by:

Jeremy Coller
Trustee

Date: 03/11/2025

Independent examiner's report to the Trustees of The JC Eudaimonia Foundation

I report to the charity trustees on my examination of the financial statements of the charitable company for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe:

- ◆ accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- ◆ the financial statements do not accord with those records; or
- ◆ the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- ◆ the financial statements have not been prepared in accordance with the methods and principles of the for "Accounting and Reporting by Charities: the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)."

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Financial Statements are prepared under the historical cost convention and in preparing the Financial Statements the Charity follows best practice as laid down in the Statement of Recommended Practice" Accounting and Reporting by Charities" (Charities SORP (FRS 102)) and comply with the charities (Accounts and Reports) Regulations 2008 issued under the Charities Act 2011.

General information

The JC Eudaimonia Foundation is a charity and company limited by guarantee incorporated in England. The charity's registered office is Park House Level 3, 116 Park Street, London, W1K 6AF.

Basis of preparation

The financial statements have been prepared for the accounting period 1 April 2024 to 31 March 2025 with unaudited comparative information provided in respect to the accounting period 1 April 2023 to 31 March 2024.

These financial statements have been prepared in accordance with the Charities SORP (FRS 102) – Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The JC Eudaimonia Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared in sterling and rounded to the nearest pound.

Going concern

After making enquiries, the Trustees have a reasonable expectation that the Charity will have adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Income recognition

Income is recognised once the Charity has entitlement to the income, it is probable that the resources will be received, and the monetary value of income can be measured with sufficient reliability. Income comprises donations, gift aid, and investment income and interest receivable.

Donations are recognised when the charitable company has confirmation of the both the amount and the settlement date. In the event of donations pledged but not received, the amount is accrued for where the receipt is probable.

Investment income is accounted for in the period in which the Charity is entitled to receipt.

Income recognition (continued)

Interest receivable is included when receivable and the amount can be measured reliably by the charitable company; this is normally on notification of the interest paid or payable by the bank.

Foreign currency transactions and balances

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

Charitable activities

Costs of charitable activities include grants made and an apportionment of overhead and support costs where applicable.

Grants payable are payments made to third parties in the furtherance of the charitable objectives of the Foundation. Single or multi-year grants are accounted for when the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Foundation.

Governance costs comprise costs relating to the general running of the charity as opposed to those associated with generating funds or charitable activities.

Expenditure

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis.

Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities and provisions (continued)

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

Charitable status

The Trust is a registered charity, number 1158814, and is exempt from taxation on its income and capital gains.

Judgements and key sources of estimation uncertainty

The preparation of financial statements requires the use of certain accounting estimates. It also requires management to exercise its judgement in the process of applying accounting policies. In the application of the accounting policies, Trustees are required to make judgements, estimates, and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affected current and future periods.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets or liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

The items in the financial statements where these judgements and estimates have been made include the estimate of future income and expenditure flows for the purposes of assessing the going concern status.

1 Income from donations

	Unaudited 2025 £	2024 £
Donations	230,000	909,085

5 Trustees remuneration

The Foundation has no employees.

No trustees (2024 – none) received any remuneration. No expenses (2024 – none) were reimbursed to, or paid on behalf of, any trustees. The key management personnel of the charity are the trustees.

6 Taxation

The JC Eudaimonia Foundation is a registered charity and therefore is not liable to income tax on income derived from its charitable activities, as it falls within the various exemptions available to registered charities.

7 Debtors

	Unaudited 2025 £	2024 £
Gift Aid receivable	225,148	225,148

8 Cash at bank and in hand

	Unaudited 2025 £	2024 £
J P Morgan International Bank Ltd (GBP)	5,042	32,204
J P Morgan International Bank Ltd (USD)	5,193	253,509
	10,235	285,713

9 Creditors (amounts falling due within one year)

	Unaudited 2025 £	2024 £
Accrued expenditure	1,450	11,100

10 Related party transactions

During the year, the charity received a donation of £230,000 (2024: £nil) from the Jeremy Collier Foundation, an entity with which several trustees are in common with the JC Eudaimonia Foundation. The charity received a donation of £nil (2024: £909,085) from Jeremy Collier, a Trustee. A debtor relating to the associated gift aid on the donation made in the prior year remains on the balance sheet at £225,419 (2024: £225,419), this amount we subsequently received on 14 August 2025. There are no further transactions to disclose (2024: none).

11 Controlling party

During the year the affairs of the Charity were managed and controlled by its Trustees.

12 Post balance sheet event

Following the year end the trustees agreed to change the name of the charity to Collier Family Foundation. As at the date of signing, the change had not yet been formally registered at the Charity Commission. This event does not affect the financial position of the charity.
