Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The charity has achieved its objective by helping to bridge the gaps with those who are still suffering from the effects of Covid such as the elderly who are in need of extra support after illness and lack of support. We have also been able to support single parent families with food parcels which has persisted during this accounting year. In particular this has helped the bereaved. We have also helped to support those struggling to pay their rent which has helped them to remain in their property and not become homeless through eviction. It has been a very productive time as we continue to expand our services to those in need. This year we focused more on Life Coaching helping young people to set their goals alongside career advice and financial stability.
