

## Audley Community Centre Trustees Report 2022

The pandemic appears to be behind us now and although perhaps things will never be the same again our Centre is returning to most of its pre covid activities

Whilst we may have lost some of our regular bookings it seems clear that party bookings are increasing and although overall not as many have been made there are clear signs of confidence returning.

Our charity shop, The Attic, although closed for much of last year because of government restrictions has reopened and thanks to village donations and our dedicated volunteers continues to thrive.

Now that stability has been restored we can all look forward to fulfilling our main aims and concentrate on our community work.

As a Community Centre we take very seriously our role as the community hub and the past covid experiences have taught us all that its people that matter.
