---	--

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We have always given serious considerations and referred to the Charity Commission's guidance relating to unacceptable public benefits whenever we planned the activities throughout the year.

We have primarily focused on education advancement both in formal and informal settings including poverty alleviation through the support of orphans for instance.

We organised our annual family fun day, which brought together families from the Leicester area. Both children and adults participated in various games, including tug-of-war, ring toss, sack races, spoon and egg races, and enjoyed a bouncy castle along with other activities. Additionally, adults had the opportunity to meet, greet, and network with one another. The event was well received by all attendees.

We supported orphans in three local areas in Cameroon with food items: Ntaturu Mankon, Bansa and Kumba. Each child received some rice, soap, exercise books and pens and some sweets.

Section C Objectives and activities

<p>Summary of the objects of the charity set out in its governing document</p>	<p>The objects of the CIO (Bongabi CIG UK) are:</p> <ol style="list-style-type: none"> 1. To reduce the severe impact of poverty in Sub-Saharan Africa, particularly by supporting orphans coupled with the provision of basic necessities such as access to drinkable water and sanitation. 2. To provide homework club for children and young people in Leicester, with regards to English, Maths and Science subjects. To provide capacity building courses to adults
---	--

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We have always given serious considerations and referred to the Charity Commission's guidance relating to unacceptable public benefits whenever we planned the activities throughout the year.

We have primarily focused on education advancement both in formal and informal settings including poverty alleviation through the support of orphans for instance.

Due to COVID-19, all our face-to face activities were halted. We organised virtual sessions to sensitize the community and encourage them to follow government and NHS England guidelines. Our volunteers supported other courses by helping to deliver foods, shopping and supported vulnerable people in the community.

We organised a series of structured online seminars and capacity building sessions from October 2020 to March 2021. These were centred around covid awareness and employability. Some of the topics covered were Success at assessment centres, Government covid guideline, Understanding Covid – the science, Writing a CV, Responses to typical job interview questions, mental health awareness, Men's mental health, Importance of physical exercise in times of a pandemic, creativity, leadership, virtual DJ sessions etc. These sessions were facilitated by expert volunteers from the community. We help the community by providing masks, and food items.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- Contribution made by volunteers.

Member have volunteered and impressively contributed towards the success of our activities. We are very grateful for the extensive amount of time, patience, effort and expertise devoted to helping to steer the charity towards attaining its objectives. The generous material and financial donations of the members (volunteers) have been incredible – without which we could not achieved our goals.

We are indebted to other wonderful volunteers from the community who have supported the young people during our annual 'learn through fun' day.

Any surplus funds that are not likely to be used to pay for activities will be kept in a deposit to earn interest for Bongabi CIG UK.

Summary of the main achievements of the charity during the year

BONGABI CIG UK has been holding regular monthly meetings (every first Saturday of the month). These meetings were held face-to-face up until February 2020 before the lockdown due to COVID. These sessions help to bring members together to socialise, network and brainstorm on activities that will further enhance our charity's objectives. The meetings are therefore used as a forum to discuss and agree on activities that would enable the charity to achieve its desirable objectives.

Bongabi members graciously volunteered in the organisation of the events, looked after the young people and as stewards. The games and refreshments were free will donations from Bongabi members. It was fun, yet informative, educative and had positive feedback from the young people and adults alike, and the community always look forard.
