Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Weekly Yoga Classes - A key value of the Ashok Tree Foundation is to ensure yoga is available to all who require it regardless of their mental or physical abilities and financial status. Over 200 people per week participate in 20+ yoga classes across UK, being delivered by volunteer certified teachers.</p> <p>Weekly Meditation Classes – Regular Meditation classes are offered in several London locations with 50+ regular participants weekly. The meditation sessions are offered on a volunteer basis by the certified teachers from the Yogi Ashokananda School who guide the meditation sessions. The meditation on self – ATMA Kriya Meditation - helps to manage stress, still the mind and body and provides a more balanced approach to day to day life. The teachers provide meditation / mindfulness tips and techniques to the participants to encourage their own development through regular practice.</p> <p>Sita Devi Charity School - The Sita Devi Charity School continues to operate as a full primary school. During covid restrictions, primary schools were closed during most of the 2020/21 year and into the 2021/22 start. We were fortunate to continue to educate 70 students with 4 teachers guiding lessons digitally and from home. Receiving a well-rounded education based on the Indian national curriculum, complemented with daily lessons in yoga, meditation, 3 languages, Tamil, Hindi & English. Keeping this going during this difficult time has been a great feat by the administration and teachers of the school, providing much needed focus for the school children and making sure they do not miss their opportunity to grow in a healthy way and avoid the alternative of working in the fields all day with their parents.</p> <p>Healthy Food –We support the Yogi Ashokananda Foundation's food program, where they provide 2 daily hot meals for the 17 adults in need. They were selected due to their varying degrees of disabilities and whom are overlooked by the government food schemes and their own families and communities.</p> <p>We continue to directly support the daily food program</p>
---	-----------	--

		<p>at the school for all students and staff.</p> <p>The Food program was modified over this period also due to covid restrictions, we provided food to the homes where children were being taught by the teachers and meals for the severely at risk adults in the community, with approximately 90 meals daily.</p> <p>Health Clinic - In partnership with Yogi Ashokananda Foundation, the health clinic, 20 metres from the school facilities, provides first aid services to the students and school staff. This facility also provides oversight on the children's nutritional needs.</p> <p>Covid Crisis Campaign – This year we ran a special fundraising campaign, Help Indian Hospitals, in collaboration with Yogi Ashokananda Foundation to provide much needed medical equipment directly to the hospitals with the greatest need. Through the funds raised by very generous supporters for this specific campaign, we chose to provide 7 patient monitors 12.1' and 6 3 channel ECG machines to District Hospital in Betul, Madhya Pradesh. We worked with a local team via Yogi Ashokananda Foundation who purchased directly the equipment and delivered it directly to the hospital for immediate use.</p>
