Policy on social investment including program related investment	Para 1.38	<b>We only invest in our own projects – we make sure that 100% of all funds are used directly on the project. Our work involves investing both money and time into our projects. Often, time is spent helping various young people achieve their goals and develop skills. In the past, we have invested in projects run by our team in India and in the young participants that we recruited to be part of the EU-funded social entrepreneurship seminar in 2019.</b>
Contribution made by volunteers	Para 1.38	<b>The Youth Project thrives entirely on volunteer participation. We have had around 1,600 volunteers involved from around the world, a few hundred of these having been from the UK. We do not have any paid employees.</b>

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<b>We have a small amount of money in our account which is currently used to cover overheads such as account maintenance fees and website hosting. In the future, we hope to top up this sum through donations in order to restart social impact activity locally and abroad. Some funds were used to purchase a new hosting plan as we migrated our website hosting to TSOhost. Some funds were put towards resources for our small homeless drive at the beginning of the year. What remains will continue to cover the aforementioned overheads until the balance is topped up again from a donation or cash injection.</b>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<b>No reserves are held.</b>
Amount of reserves held	Para 1.22	<b>£0.00</b>
Reasons for holding zero reserves	Para 1.22	<b>Our donations and funds that we acquire from fundraising must all be going directly to the cause of helping people or contributing towards fundraisers which in turn raise money for our projects which help people as this is the ethos of our charity. We make sure we have sufficient funds in the account at all times and do not attempt pulling off projects or fundraisers that are out of our budget's reach.</b>
Details of fund materially in deficit	Para 1.24	<b>N/A</b>
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	<b>For the core activity of TYP to continue in the UK, we need to pass responsibilities onto new young people, either at school or university. This will give them a sense of ownership to maintain projects in the UK and work towards fundraisers for existing overseas projects and new initiatives close to their hearts. If this does not take place soon, the directors will no longer be considered young people and the purpose of the charity may start to become unclear. In the meantime, our current trustees are looking to fundraise from their own career activities so that money can be injected into the account for new social action projects that mobilise a new generation of young people.</b>
