

IMPART CHARITY - Yvonne Asumadu

To whom it may concern

This charity has not received any financial support or made any financial transactions since its inception.

I carried out the work with my own private funds as we were unable to secure any grants or aids to carry out the work.

Since 2015, the charity has not been able to participate in any activities due to circumstances beyond our control.

Therefore, we do not have any accounts nor returns to submit.
