

Snap Foundation Activity Report - 2020/2021

Trustees: Graham Dodridge, Matt Hurley, Alison Masters, Remy Whiting, Phil Brown

About Snap

Snap was formed in 2015 by founders Graham Dodridge and Remy Whiting, through a love of photography and the desire to give disadvantaged children a voice through pictures. We use photography as a creative and educational tool to inspire and develop children. Reaching out to volunteer professional photographers, students and enthusiasts, we harness their knowledge and skills to produce our unique photography programmes for 10-16 year olds. All of the children taught in our programmes become part of the Snap network, enabling them to share their photos with each other and the outside world. Their work will be shared, exhibited and sold to further promote what they can do, but also to enable more and more children to picture their world with Snap.

Long-term vision Our long-term vision is to develop and manage our South Africa teaching programme with camera partners for support and volunteer teachers. We are currently concentrating on 1 trip per year to keep our original idea alive and maintain the passion and vision we had when Snap was first formed. We will now begin looking into UK avenues for Snap Foundation.

Overview of trips As expected we didn't run any trips to Africa in 2020/2021 and with the current uncertainty both here in the UK and across Africa we will keep things on hold until we are certain it is safe to run trips. We are now planning a 'test' teaching day with the Imps in London. The Imps are a UK based motorcycle display team working with youngsters in deprived areas of London. If our visit proves successful and worthwhile, we will make a plan to work with their children regularly.

Current cost to volunteers:

South Africa: £1295 for 5 weeks (and they pay for flights on top of that)
£730 goes to United through sports, the rest is split between Snap and Changing Worlds.

Trips for 2022: All being well our next focus can be on at least 1 trip to South Africa for 2022.

Sponsorship Any old or fresh talks for potential sponsorship will need to be picked up once we are certain of our trips running again.

Increasing number of Volunteers

We have a need to increase the numbers of volunteers on each trip, as currently we only just have enough people per expedition. It would be a good idea to tap into photography and art schools, before people leave for their gap years. We need to then invite past volunteers to do talks. They should be sent the newsletter and we need a program for past volunteers so they can

take a sales pack to their colleges etc. We could incentivise them by giving them discounted rates for taking part in another trip.

Website

Once we have some fresh material, we will update the imagery on the website and look at making it as clear and simple to navigate as possible with a clearer route for volunteers to click through to and sponsors too. If we take on some UK based projects, we will ensure the website reflects this.

Social Media

We had begun working with a Social Media specialist to focus and plan our posts just before lockdown 1. This will be picked up again when the time is right and in doing so, we will ensure we are targeting the right people and extending our reach as far as we can. We will also look at the google ads credit given to charities to help this.
