

Snap Foundation Activity Report – 2022/2023

About Snap

Snap was formed in 2015 by Graham Dodridge and Remy Whiting, driven by a shared passion for photography and the desire to empower disadvantaged children by giving them a voice through imagery. Using photography as a creative and educational tool, Snap aims to inspire and develop children worldwide. By engaging volunteer professional photographers, students, and enthusiasts, we create unique photography programs for children aged 10-16. These programs give the children a platform to share their perspectives through photography, allowing their work to be exhibited, shared, and sold, promoting both their talent and the mission of Snap.

Current Status and Review

While Snap was initially focused on a South African teaching program, the foundation has expanded its vision to explore other opportunities globally. At present, Snap Foundation is in a state of stasis, with no current income or expenditures as our volunteer trustees undertake a thorough review of our direction and potential future projects. This review will help determine the next steps for Snap and identify the best path forward in the coming years.

Program Updates

There are no current plans to run any trips or workshops in the immediate future, either internationally or within the UK. Given the uncertainty and evolving global situation, we are pausing all initiatives to ensure the safety and success of any future efforts. Snap's trustees are in the process of evaluating potential avenues for future growth and partnerships, both locally and internationally, and will update stakeholders when a decision has been made.

Future Sponsorship and Volunteer Engagement

As the charity undergoes this period of reflection, discussions around sponsorship and volunteer recruitment are also on hold. Once a clear strategy is in place, we will revisit past conversations and engage new opportunities for sponsorship and volunteer involvement. We remain committed to involving volunteers and supporters when the foundation is ready to move forward with renewed purpose.

Website and Social Media

The Snap Foundation website and social media platforms will remain live, but inactive until we have new material or updates to share. Once our future direction is clearer, we will relaunch these platforms to reflect any changes and re-engage with our audience. Updates to the website will include clearer navigation for potential volunteers and sponsors, as well as any new programs that may arise from our strategic review.

This revised report provides transparency about the charity's current state while keeping stakeholders informed of future possibilities.
