Objectives and Aims

To Advance the Orthodox Jewish Faith in Greater Manchester for the benefit of the public.

Strategies

We want to make our Synagogue an accessible and welcoming place of worship where those who wish to worship in the Orthodox Jewish Faith may do so and further their knowledge and understanding. The Synagogue holds prayers three times a day 365 days a year.

The C.I.O. welcomes and encourages links with other faiths and regularly the C.I.O. welcomes visitors from schools, colleges, and organisations of all faiths. Rabbi Walker takes these visitors on a tour of the Synagogue and delivers talks to them about the Orthodox Jewish Religion. Here there is the opportunity for them to ask questions and gain an understanding of the religion. Rabbi Walker and members of the C.I.O. attend interfaith events in the Greater Manchester area.

An important part of our strategy is community welfare and education. All our community facilities and activities are widely publicised among the community. Many of our activities are free of charge, but where a charge is made concessions are made for children/students and for those who are unable to afford the charge. For some activities we aim to get sponsorships or grants to cover/help towards the cost. The Trustees are appreciative of the Office of the Chief Rabbi's Community Centre of Excellence for their support in helping fund some of our events.

Activities and Achievements

The charity carries out a wide range of activities in pursuance of its charitable aims. The Trustees consider that these activities, summarised below, provide benefit both to those who worship at our Synagogue and the wider community.

Religious Activities

PRAYERS: The Synagogue is open for prayers 3 times a day (morning, afternoon and evening) seven days a week.

FESTIVALS: The Synagogue conducts religious services for every religious festival in the Jewish calendar.

Births: When a baby girl has been born to a member of our Synagogue the father is invited to be "called up" to the Torah when it is being read on a Shabbos and the baby is given her Hebrew name and a special blessing made. In the case of a baby boy, the baby is named at the circumcision ceremony. Sometimes this takes place in the Synagogue.

Bar Mitzvah: Bar Mitzvah and Bat Mitzvah ceremonies take place.

Weddings: Both members and non-members of the Synagogue can get married under the auspices of Heaton Park Hebrew Congregation. This is also accepted for the Civil part of their marriage; both the Rabbi and our Chazzan Yehuda Marx are authorised secretaries of marriages. The Rabbi is authorised by the Chief Rabbi's office to perform the Orthodox Jewish Wedding.

In the lead up to the wedding the Rabbi and Rebbetzen give guidance and lessons to the Bride and Groom in line with the Orthodox Jewish way of life.

Funerals/Death: During times of bereavement the families of the deceased are given pastoral support. They are supported by the Rabbi and Synagogue. The Rabbi officiates at the funeral and ensures the family are able to follow the Orthodox Jewish way in death and mourning. This includes ensuring prayers in the house of mourning can take place. During the year of mourning the Rabbi and the Synagogue are able to guide the family when they arrange for the tombstone to be unveiled. The Rabbi officiates at this ceremony.

Shiurim (Classes): Regular Shiurim are given by Rabbi Walker and sometimes guest speakers.

Tzedoka (Charity): Charity is an important part of Judaism. People are encouraged to give to charity and the Synagogue collects for various Charities, local and international, both Jewish and non-Jewish Charities. Charity boxes are placed in the Synagogue and people are encouraged to give to charity each day following morning prayers. At the beginning of Yom Kippur at Kol Nidrei the Rabbi makes an appeal for people to give to the Yom Kippur Appeal. Members pledge an amount to give to this fund and during the year the Rabbi and Treasurer are authorised to decide which charities monies are to be distributed to.

During the festival of Purim giving to Charity is encouraged. Members who are observing a Yahrzeit (anniversary of the death of a close family member) are encouraged to donate to charity. Members of the Synagogue are sent a reminder letter informing them when they have Yahrzeit.

Community Activities:

Monthly Coffee mornings: The purpose of these is to encourage the elderly members of our community to come along and to socialise. Many of these are unable to attend Synagogue on Shabbos as they are unable to walk to the Synagogue. The coffee mornings are an opportunity for them to speak to the Rabbi. Often a guest speaker attends. The Synagogue provides transport for those who need it. Residents of Heathlands Care Home are invited, many of whom are members of the Synagogue; they are brought by their care workers.

Links with Langdon Community College: This is a college for young adults with special needs; they are aged 18yrs-21yrs. The students along with their care workers are welcome to attend the Synagogue for any of the religious services and activities/events the Synagogue hold.

CTEENS is a youth organisation which engages with teenagers to give them experiences and knowledge and understanding of Orthodox Judaism. Once every 2 weeks during school term time CTEens bring pupils from the local Jewish school for a lunch and learn at our Synagogue social hall. The pupils partake in Pizza and Chips brought in from a local kosher restaurant and learn about aspects of Judaism whilst in a relaxed and informal setting. Many of the pupils that attend are from families who are members of the Synagogue.

Partnership with other agencies: The Synagogue communicates and works with other outside agencies to help benefit the community. We have close links with local Jewish care homes, in particular Heathlands Village which also houses The FED.

The Rabbi visits some of the local Jewish Schools; some of the children's families are members of our Synagogue. He is also the religious advisor to one of the local Jewish school's.

The Friendship circle, an organisation that supports young adults with special needs, join with us to do some events. For example Mitzvah Day (an annual event in November) when collections of non-perishable food, toiletries, clothes in good condition took place in the synagogue social hall and this

was all distributed to a food bank, the homeless and other charities. This year collections of clothes, toiletries and children's stationary items were collected to be sent to help those evacuated from Southern Israel following the atrocities that took place on 7th October. Homemade cards and letters with messages were sent to these evacuees.

On Christmas day our social hall was used by the Manchester Jewish Rep. Council as the North Manchester Hub for volunteers to collect bouquets of chocolate which they delivered to local hospitals, fire stations and care homes to say thank you to those who care for and help our community.

The Rabbi regularly visits our members who are in hospital and the hospital staff will also call upon him if he is needed to visit a patient requiring a Rabbi or if the hospital staff or patient's relative need guidance on the religious rituals when dealing with certain situations e.g. death of a patient.

Financial Review:

Principal Funding Sources

The Charity's main source of income is from Membership fees. Membership income contributed was £201,355. Gift aid brought in £30,578.00 and remaining income was derived from donations and fundraising.

Reserves Policy

The net assets are £338,660.00 of which £276,884.00 are unrestricted funds and £61,776.00 are restricted funds.

Restricted Funds: These comprise of reserves for Burial of £10,000.00 Buildings of £50,000.00 Children's fund of £918.00. Rabbi's book fund of £858.00

Fixed Assets:

Those amount to £292,166.00 which comprise of the land and building at cost and investments of £215,00.00 (COIFF and Cambridge & Counties Bank).

Plans For The Future:

We aim to expand on the activities we already provide. We aim to increase fund raising activities for the Synagogue to have monies to continue to provide, improve and expand on the service we provide for our members.

We aim to expand and improve the pastoral service to our members.

We aim to expand our membership and increase the number of young people becoming members of the Synagogue. Trustees recognise many of our elder members have passed away however we had several new members join the organisation. Trustees continue to look at options to develop the Synagogue to meet the needs/wants of our Membership and the wider community. Trustees are now looking at the age profile and demographics of the organisation for the purpose of strategic planning. It has been identified that the local demographics has very quickly changed over the past couple of years and the population of mainly young Charedi families is continuously growing. Some of these men have been attending Friday night prayers in our Synagogue and have been welcomed into our community. This group are wanting to be able to pray on a Sabbath morning using the style of prayers they like and so we are organising a Sabbath morning service to start earlier than our

service in the Main Synagogue, held in the small synagogue (Bet Hamidrash) which is next to the social hall.

Statement of Trustees' Responsibilities:

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with regulations of the Charities Commission.

The Trustees are responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The year-end accounts for 31st December 2023 were prepared by Edwards Veeder (UK) Ltd. and these were discussed and approved and signed by the Trustees at a meeting of Trustees held on 7th March 2024. The year-end accounts were sent via post to all members of the organisation 1st May 2024. Members were invited to contact the Treasurer if they wished to ask any questions relating to the year-end accounts prior to the A.G.M. on 6th June 2024.

The Trustees are pleased to report that the year end accounts, 31st December 2023 show a surplus of £14,392 thus having turned around the deficit from the previous year. This was achieved by reviewing all contracts and suppliers and where necessary changing suppliers for utilities and other supplies, good housekeeping and a lot of time and effort in reducing debtors and the increase in fees from January 2023 (this didn't generate as much as predicted as not all members were able or refused to pay an increase in fees).

The financial figures are being reviewed monthly. The Trustees are being active in recovering debts from members who owe fees. The Trustees are continually looking at ways to decrease our expenses.

Fundraising activities are being planned. We are also encouraging more sponsorship for events and weekly Kiddushim (food following Sabbath day prayers).

The Trustees recognise their responsibility to ensure they comply with Health and Safety regulations, including safeguarding; policies are reviewed and updated as required and Staff and volunteers are aware of such.

Chair of Trustees and the President have attended courses and information sessions to update their knowledge and skills in relation to being a Trustee of a C.I O. and their roles and responsibilities.

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31ST DECEMBER 2023

We report on the accounts of the Trust for the year ended 31 December 2023, which are set out on pages 3 to 6.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)b of the Act; and
- to state whether particular matters have come to our attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration to any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

- (1) which gives us reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act
- have not been met; or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
