Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	This year Fairbeats Music worked in community settings in Lewisham, Kingston and Wandsworth. Fairbeats Music delivered music making activities in these settings including singing, fife, ukulele, drumming, song-writing, music technology and early years musicianship. Beyond the settings, the participants were supported to take part in additional music-making including ongoing instrumental lessons, performances and recordings. In the period ending 31st August 2024, Fairbeats Music achieved the following: 1. 30 Weekly term-time sessions with children ages 4-11 at the Rainbow Club, Action for Refugees in Lewisham (AFRIL); children ages 4-5 participated in creative music sessions, and children ages 6-11 participated in instrumental lessons (ukulele and fife) and creative sessions on the theme 'River' 2. 20 Weekly term-time sessions at Love To Learn (L2L) at the Katherine Low Settlement, Battersea. They workshopped song ideas using mixed media (for example collage) and wrote a song inspired by pushing through barriers and using love as a source of strength

		3. One songwriting session at Refugee Action Kingston (RAK), supporting language development with singer/songwriter, James Riley 4. Three intensive holiday clubs for Future Leaders (11 - 16) at Lewisham Music and Midi Music. They learnt poly-rhythms, created songs inspired by the genre Soca and wrote poems based on migration and movement. **Progression routes** 1. Trip for 15 Rainbow Club children and their families to the Science Museum's Turn It Up music exhibition 2. Trip for 5 L2L children and their families to World Heart Beat's studio to record their song 3. Future Leaders trips to Horniman Museum, Elephant and Castle food market, and British Library's Beyond the Bassline exhibition 4. Future Leaders workshop with Aga Serugo Lugo and Trinity Laban students as part of Trinity Laban's 'CoLab' programme 5. Three Rainbow Club participants were awarded a bursary at Blackheath Conservatoire or accepted onto Lewisham Music's Furthering Talent scheme (piano and flute). 6. Supported our third Young Music Leader Trainee (a Future Leader and graduate of Fairbeats AFRIL). **Performances and practice sharing** 1. Two sharings with parents and a Refugee Week performance at Rainbow Club 2. L2L performance at Katherine Low Settlement' 100th anniversary celebration 3. Delivered 'They're Playing My Song' workshop at Bristol Beacon's 'Be Kind' event - sharing our practice and multimedia outcomes of this project. 4. Featured in a Refugee Week radio show 5. Featured in newly published research by Sing Up: https://www.singupfoundation.org/a

		bout-singing-for-mental-health/exploring-effective-practice/singing-with-young-refugees **Other** ● Recruited 5 new Trustees (who started mid-way through the year) and developed staffing structure to enhance the governance and operations of a growing and ambitious charity. ● Led and participated in workforce and organisational development including trauma-informed practice, anti-racism, decolonisation and strategic planning **Impact** ● We created a new Theory of Change to better describe the outcomes children and young people experience at Fairbeats in the short- and long-term ● We worked with more than 120 children and young people aged 4-18 and their families and with 3 partner organisations ● Children and young people said they felt calm, happy and excited as a result of taking part in sessions, which they described as fun, interesting and entertaining. They said they feel safe to share their feelings during sessions, and that music helps them to regulate their emotions. ● Children at Rainbow Club value opportunities at the end of each term to share their music with families and friends. Despite some experiencing feelings of nervousness, it gives them a sense of achievement and joy seeing their families and friends enjoy their music. When asked to draw musical memories, many drew pictures of performing, standing on a stage with family members in the audience. ● Youth voice and leadership is a priority at Fairbeats. Over the past year we've developed this by:

		○ Continuing to embed consultation with young people and prioritising giving choice to young people throughout core sessions as key principles in our youth voice work ○ Increasingly involving Future Leaders in planning and designing sessions, with an emphasis on agency and ownership ○ Recruiting a new Young Trainee Music Leader ● Participant, partner and wider community feedback: ○ “Performing makes me feel happy and proud” Rainbow Club participant ○ “We've been exploring different ways to make music with different languages, and joining together to create something new and amazing. It's been exciting because it's given me more chances to input my opinion and things I like and dislike.” Future Leaders participant ○ “We connected over our love of music. Fairbeats makes people feel comfortable and makes a good change for them.” Future Leaders participant ○ “Over the course of the Future Leaders projects this year … I have seen one young person in particular build the confidence to perform and sing solo in front of their peers, when initially they had been too shy to even speak their name” Future Leaders Music Leader ○ "We have been working with Fairbeats for a number of years now and having them at our weekly homework clubs has been absolutely

		brilliant. The children and young people really enjoy the workshops and many have grown in confidence and continue to take part in music in and outside of school. We feel lucky to have the opportunity to have professional musicians come and work with the children, giving them opportunities they otherwise wouldn't have had" Love to Learn, Katherine Low Settlement ● "I've noticed changes. Even in school, the teachers are always commenting on her bravery. I couldn't believe it until I see her when she's on her ukulele and guitar. I see a completely different person. The moment she's playing her instrument, she's beaming with light." Parent of participant

Note 2 **Accounting policies**

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓	✓	✓
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓	✓	✓
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓	✓	✓
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	✓	✓	✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	✓	✓	✓
Government grants	The charity has received government grants in the reporting period	✓	✓	✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓	✓	✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	✓	✓	✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.	✓	✓	✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.	✓	✓	✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	✓	✓	✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	✓	✓	✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	✓	✓	✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	✓	✓	✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	✓	✓	✓
Support costs	The charity has incurred expenditure on support costs.	✓	✓	✓
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓	✓	✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	✓	✓	✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	✓	✓	✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	✓	✓	✓

		Yes	No	N/a
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓

Note 2 Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓	✓	✓
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓	✓	✓
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓	✓	✓
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	✓	✓	✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	✓	✓	✓
Government grants	The charity has received government grants in the reporting period	✓	✓	✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓	✓	✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	✓	✓	✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.	✓	✓	✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.	✓	✓	✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	✓	✓	✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	✓	✓	✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	✓	✓	✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	✓	✓	✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	✓	✓	✓
Support costs	The charity has incurred expenditure on support costs.	✓	✓	✓
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓	✓	✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	✓	✓	✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	✓	✓	✓
	Membership subscriptions which gives a member the right to buy services or other benefits	Yes	No	N/a

		Yes	No	N/a
	are recognised as income earned from the provision of goods and services as income from charitable activities.	✓	✓	✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	✓	✓	✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	✓	✓	✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓	✓	✓
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓	✓	✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓	✓	✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	✓	✓	✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	✓	✓	✓
Redundancy cost	The charity made no redundancy payments during the reporting period.	✓	✓	✓
Deferred income	No material item of deferred income has been included in the accounts.	✓	✓	✓
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓	✓	✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	✓	✓	✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	✓	✓	✓

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least

	They are valued at cost.	✓	✓	✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.	✓	✓	✓
	They are valued at cost.	✓	✓	✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	✓	✓	✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	✓	✓	✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	✓	✓	✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	✓	✓	✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	✓	✓	✓

		Yes	No	N/a
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	✓	✓	✓

		Yes	No	N/a
Current asset investments	The charity has has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	✓	✓	✓

		Yes	No	N/a
	They are valued at fair value except where they qualify as basic financial instruments.	✓	✓	✓

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Note 2 Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.			✓
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.			✓
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓		
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other			

		Yes	No	N/a
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	✓		

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least			
	They are valued at cost.			✓
	The depreciation rates and methods used are disclosed in note 9.2.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5			✓

The depreciation rates and methods used as disclosed in note 9.6.1.4.			✓
	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓

	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	✓	✓	✓

		Yes	No	N/a
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	✓	✓	✓

		Yes	No	N/a
Current asset investments	The charity has has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	✓	✓	✓

		Yes	No	N/a
	They are valued at fair value except where they qualify as basic financial instruments.	✓	✓	✓

Section D Achievements and performance

Summary of the main achievements of the charity during the year

This year Fairbeats Music worked in community settings in Kingston, Lewisham, Wandsworth and Southwark. Fairbeats Music supported music making activities in these settings including singing, fife, ukulele, drums, song writing and early years musicianship. Beyond the settings, the participants were supported to take part in additional music making including ongoing instrumental lessons and performances at some of London's leading venues. As a result of the Covid 19 crisis Fairbeats pivoted much of its activity online, supported the ongoing development of the workforce through training opportunities, and continued to share practice via online and media opportunities.

In the period ended 31 August 2020:

1. Fairbeats Music worked with c.120 children and their families
2. Fairbeats Music delivered 22 weekly workshops at Action for Refugees in Lewisham and presented one performance with participants at this centre.
3. Fairbeats worked with Southwark Day Centre for Asylum Seekers to run 2 holiday clubs.
4. Fairbeats restarted our project at Refugee Action Kingston (but it was delayed due to Covid 19)
5. Fairbeats was awarded funding to support Refugee Action Kingston participants with 12 laptops to enable them to take part in remote learning projects.
6. Fairbeats Music delivered 15 sessions at Love to Learn Homework Club in Wandsworth.
7. Fairbeats worked with Aurora orchestra who brought their family show 'Far, Far Away' to Action for Refugees in Lewisham in Sep 2019.
8. Fairbeats developed their partnership with The Albany Theatre including through visits to see the show Humbug the Hedgehog who couldn't sleep – we were also due to hold our 10 year Birthday Celebration for our work with AFRIL at the Albany in June 2020 – this was postponed because of Covid.
9. Fairbeats supported Pumpkin Jigsaw to develop a new project with participants at Action for Refugees in Lewisham during the summer of 2018 – during Autumn 2019 the Pumpkin Jigsaw team returned to AFRIL to evaluate their work and receive feedback from the Fairbeats team.
10. Fairbeats recruited four artists to work on the '10 Year anniversary songbook project' with each of the four centres we worked in. This project is postponed due to Covid but included plans to perform at The Albany Theatre, Battersea Arts Centre, Theatre Peckham and The Tolbooth Theatre in Kingston. It also included the production of 4 recordings, 4 music videos and a physical songbook resource to share with organisations and schools across the UK showcasing the work Fairbeats does.
11. Fairbeats participants at Love to Learn took part in a sharing workshop with Battersea Arts Centre international artists 'Collectiva'
12. Fairbeats delivered 10 weeks of pre-recorded online activity April – July 2020 (during the first national Covid 19 lockdown)
13. Fairbeats ran a month of live ukulele and fife sessions in July 2020 (during the first national Covid 19 Lockdown)
14. Fairbeats created a remote learning activity 'What's Still

Happening with you?' which was sent out over 60 families for the summer holidays 2020. It included paper copies of all the musical activities produced during lockdown, and a song writing activity based around taking pictures using a disposable camera of what was still happening for participants during the lockdown.

15. Fairbeats Music offered training bursaries to all of the team during the first national Covid 19 Lockdown 2020. These enabled leaders to reskill for online work, to gain additional insight into issues around the Black Lives Matter protests and to develop their practice as workshops leaders more generally.
16. Fairbeats freelance music leader team created practice sharing resources to share knowledge about their work with the music education sector.
17. Fairbeats Music supported participants to take part in further instrumental sessions at Midi Music Co and via school music lessons.
18. Fairbeats young leaders (graduates of the core activity) returned to support projects at AFRIL

Section E Financial review

Brief statement of the charity's policy on reserves	In the Trustees' view, the reserves should provide the charity with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future. The trustees propose to maintain the charity's reserves at a level which is at least equivalent to six months operational expenditure and have done so having regards to its manner of operation of likely funding streams. The trustees review the amount of reserves that are required to ensure that they are adequate to fulfil the charity's continuing obligations on a quarterly basis at their board meeting.
Details of any funds materially in deficit	

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about: • the charity's principal sources of funds (including any fundraising); • how expenditure has supported the key objectives of the charity; • investment policy and objectives including any ethical investment policy adopted.

Note 2 **Accounting policies**

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a

Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.			✓
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓

Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other			

		Yes	No	N/a
	benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	✓	✓	✓

Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	✓	✓	✓

2.3 EXPENDITURE AND LIABILITIES

Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓	✓	✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓	✓	✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	✓	✓	✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	✓	✓	✓
Redundancy cost	The charity made no redundancy payments during the reporting period.	✓	✓	✓
Deferred income	No material item of deferred income has been included in the accounts.	✓	✓	✓
