2 Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows :

Basis of preparation

These financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in the functional currency of the Charity.

Income

All income is recognised once the charity has entitlement to the funds, it is certain that the resources will be received and the monetary value can be measured with sufficient reliability. Income received in advance of a specified service is deferred until the criteria for income recognition are met.

Interest on funds held is included when receivable and the amount can be measured reliably which is normally on notification of the amount by the bank.

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Expenditure on charitable activities comprise the costs incurred by the charity where the primary aim is the delivery of activities and services within the objects of the charity.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the costs linked to the strategic management of the charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Tax

The Charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accounting Policies

Restricted funds are funds which have been given for a particular purpose.

Designated funds comprise those funds which the trustees periodically set aside for specific projects including future projects and property refurbishments.

Debtors

Debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount can be measured or estimated reliably. Creditors and provisions are normally measured at their settlement amount.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recorded at transaction value and subsequently measured at their settlement value.

**Independent Examiner's Report to the Trustees of Alauddin Siddiqui Trust
For the period ended 30/11/2024**

I report on the financial statements of the company for the period ended 30/11/2024

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of financial statements. The trustees consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011 (the '2011 Act') and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under the law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under Section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state where particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- a) which gives me reasonable cause to believe that in any material respect the requirements:
 - keep accounting records in accordance with section 145 of the 2011 charities Act;
- b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Use of my report

This report is made solely to the charity's trustees, as a body, in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.
