Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Our adoption/ appointment to any new trustees is through a vetting procedure and a trustworthy declaration.

Shine Bright Foundation provides complementary/holistic therapy treatments via qualified practitioners.

They are based local to our home area Cheshire East, and occasionally further afield local to where or near to our client's home.

Any risks or judgements are discussed between trustees and then decided upon each situation.

All trustees give their time voluntarily and receive no remuneration other than valid expenses or other benefits.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document**SHINE BRIGHT FOUNDATION'S OBJECTIVES;**

To relieve sickness and to promote and protect good health amongst those who are at risk of, or who have been diagnosed with breast cancer in such ways as the trustees shall see fit.

In particular but not exclusively;

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

- A. Providing and improving resources and equipment for patients and consultants as appropriate to improve care, treatment and diagnosis of breast cancer.
- B. Raising awareness about early diagnosis and treatment and reminding people to check themselves.
- C. Raising funds to support research into all aspects of breast cancer, its causes, diagnosis and treatment and disseminating the useful results of such research.

In planning for 2022-2023 we have kept in mind our main objectives in the governing document – guidance on public health.

Shine Bright Foundation have continued our relationship with the Navitas Holistic centre based in Shavington cum Gresty, additionally with another complimentary therapy company based at the Yard, Burland Nantwich. Each of these therapy centres is proving popular.

The holistic treatments are there for people who have been diagnosed with Breast Cancer or are having medical treatment for Breast Cancer. Up to 12 months post-medical treatment.

The holistic treatments we provide are Reiki, Reflexology and Mindfulness, we will also provide a course to learn Reiki up to level 1 to enable people to self-help (treat themselves). These treatments are always popular and successful, there is always a demand for these therapies.

While our focus is to raise money to provide treatments locally to the Cheshire East area, we are also well placed to give a substantial donation to the Christie Foundation Trust Centre research dept Manchester- Manchester Cancer Research dept headed by Dr Sacha Howell.

We also promote self-care through our leaflets, mostly through social media.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Shine Bright Foundation's policy on grantmaking is entirely based on how much money is raised throughout the year. After of course, our day to day expenditure and commitments.

As a charity Shine Bright Foundation doesn't have any financial investments.

Like most charities, Shine Bright Foundation couldn't operate without the help of volunteers and our trustees, their time, energy and willingness to help Shine Bright Foundation continue to succeed is pivotal to our objectives.

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The Year 2022 to 2023

Our year continued with our set out objectives.

There has still been a noticeable drop in revenue compared to previous years.

Having said that we were able to continue to offer holistic treatments during the course of 2022/23 we provided 80 separate treatments.

We have been able to offer our gift bags, a total of 117, these gift bags contain Aloe Vera products; Tooth gel, Deodorant, Moisturiser, lip balm and antibacterial hand gel. Herbal tea and a pair of cosy socks.

We have also included comfort cushions that sit or are placed under your arm to relieve any soreness or pressure from the chest area where surgery has been needed. This year we have provided 36 cushions.

We didn't give any donations/grants this year to The Christie Research dept. Manchester.

We are very lucky to have a lot of support shown towards Shine Bright Foundation. Fundraising events have been less than in previous years we have still been able to fulfil our commitments. We hope to break this trend.

We are still very humbled and grateful for all the donations received to Shine Bright Foundation.

Section E

Financial review

Brief statement of the charity's policy on reserves

All money raised is held within our NatWest Bank Account.

This account is controlled by two signatures Joshua Bennett and Thomas Baker.

All expenses are reimbursed on validated receipts

Our reserve balance is to be maintained at £7000.00 to enable Shine Bright Foundation to continue our daily/monthly business.

All or any money donated or raised throughout the year determines the sum we can make/grant to research into Breast Cancer.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Our main source of funds is raised through sponsored events.

Fundraising events, community events, business donations, funeral donations and our course individual donations.

Most of these are through a donation platform, Wonderful.org or are paid directly into our bank account.

Our expenditure is determined by the amount of money held in our bank account and relies on the continued support from the public.

We don't have any investment policies as all money raised provides grants into research development of Breast Cancer and other businesses set out in our charity aims and objectives.
