ARMED FORCES PARLIAMENTARY TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 NOVEMBER 2022

The Trustees present their report with the financial statements of the charity for the year ended 30 November 2022. The Trustees have adopted the provisions of Financial Reporting Standard 102 Statement of Reporting Practice (FRS 102 SORP) and the Charities Act 2011 in preparing the annual report and financial statements of the charity.

OBJECTIVES & ACTIVITIES

Objects

The advancement of education for the public benefit in the operation and work of His Majesty's Armed Forces, principally through the medium of the Armed Forces Parliamentary Scheme.

Summary of main activities

The Armed Forces Parliamentary Trust runs the Armed Forces Parliamentary Scheme which offers educational visits to bases and units of all three armed services - Royal Navy, Army and Royal Air Force - the purpose of which is to inform participants about the operation and work of His Majesty's Armed Forces.

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

Achievements and performance

37 students graduated from the Armed Forces Parliamentary Scheme 2021-22 and 4 from the Royal College of Defence Studies 2021-22.

FINANCIAL REVIEW

Financial position

Sponsorship income in the year ended 30 November 2022 was £120,000 (2021: £115,000) and our expenditure was £110,959 (2021: £71,312), resulting in a net surplus of £9,041 for the year (2021: £43,688). The increase in costs was principally due to the charity resuming its event activities following the lifting of coronavirus restrictions.

Reserves policy

The Reserves Policy is to hold a sum equivalent to twelve months' average expenditure. At 30 November 2022, reserves were £131,822 against expenditure for the 12 months of £70,731.

Principal risks and uncertainties

The trustees have considered the effect of the current economic environment, in particular high inflation, rising energy prices and the cost-of-living crisis, on the operation of the charity. Whilst there will be some upward pressure on the expenses of the charity, exposure to energy costs is not significant. There is sufficient flexibility in the cost base, in particular in relation to discretionary spend within events, which when combined with the surplus reserve position, ensures that the charity can continue its activities at the present level.

ARMED FORCES PARLIAMENTARY TRUST

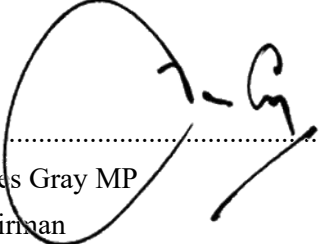

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 NOVEMBER 2022

SPONSORSHIP INCOME

The activities of the Trust are funded principally by sponsorship from industry. The trustees are very grateful to the sponsors of the 2021-22 scheme: Airbus Operations UK, Babcock International, BAE Systems, Boeing Defence UK, DXC Technology, Elbit Systems, General Dynamics UK, Leonardo UK, Lockheed Martin UK, QinetiQ, Raytheon UK and Rolls-Royce.

Sponsors enter into a rolling annual Sponsorship Agreement, which has the nature of a corporate social responsibility donation, with the aim being better education of parliamentarians about defence matters, and expressly excludes any lobbying activities.

The trustees have adopted the policy of recognising sponsorship in the scheme year to which it relates. If sponsorship has been pledged but not yet remitted at the balance sheet date, and where the sponsor has indicated its intention to remit the funds, the amount is recognised as a receivable, though the trustees acknowledge that due to the voluntary nature of the sponsorship such a debtor is not legally enforceable.

ARMED FORCES PARLIAMENTARY TRUST
REPORT OF THE INDEPENDENT EXAMINER
FOR THE YEAR ENDED 30 NOVEMBER 2022

I report to the trustees on my examination of the accounts of the Armed Forces Parliamentary Trust for the year ended 30 November 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 NOVEMBER 2022

Expenditure

Recognition of expenditure	Expenditure is recognised on a cash basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.

Taxation

The charity is exempt from tax on its charitable activities.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Sponsorship amounts receivable are recognised at the amount pledged but not yet remitted. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the charity pays fixed contributions into a separate entity. Once the contributions have been paid the charity has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the charity in independently administered funds.
