THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Achievements and performance

a. Review of activities

During the year the charity received investment income of £34,157 and made grants of £50,000.

The charity's primary assets comprise its holdings of listed investments and cash funds. The trustees are of the opinion that the financial position of the charity at the balance sheet date is sufficient to meet its ongoing objectives.

The trustees are satisfied that the charity has fulfilled its public services obligations and confirm that in accordance with Section 17 of the Charities Act 2011, they have referred to the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning their future grant making activities.

b. Investment policy and performance

Under the terms of the charity's governing document, the trustees have absolute discretion to manage and organise the charity's investments. The trustees have appointed NLP Financial Management as investment management advisors and on appointment granted discretionary powers to NLP Financial Management in order for them to manage the Charity's investments on its behalf.

The charity has a Statement of Investment Principles approved by the trustees. This statement includes the stipulation that in addition to providing income from which the charity can make grants in pursuit of the charity's objectives, the trustees may seek to protect, and ideally grow, the real value (after inflation) of the residual capital for the purposes of making future grants in perpetuity.

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

Any reserves are maintained at the discretion of the trustees. The trustees aim to maintain free reserves at a level that will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds available to cover support and governance costs. The trustees confirm that adequate assets are available to fulfil the obligations of the charity and will continue to review the level of their current and foreseeable expenditure in the light of future investment performance, general economic conditions and implementation of their grant making policies.

c. Financial risk management objectives and policies

The trustees are responsible for the management of risks faced by the charity. All major risks to which the charity may be exposed to have been identified, assessed and controls established as appropriate. Consequently, the trustees are satisfied that the major risks have been mitigated.

THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

d. Principal risks and uncertainties

The trustees consider that principal risk to which the charity is exposed to is investment risk which they have mitigated by having professional investment management advisors manage the charity's investments.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE CAMEO FOUNDATION

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

Independent examiner's report to the trustees of The Cameo Foundation ('the charity')

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities and applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work or for this report.

The trustees confirm that adequate assets are available to fulfil the obligations of the charity and will continue to review the level of their current and foreseeable expenditure in the light of future investment performance, general economic conditions and implementation of their grant making policies.

c. Financial risk management objectives and policies

The trustees are responsible for the management of risks faced by the charity. All major risks to which the charity may be exposed to have been identified, assessed and controls established as appropriate. Consequently, the trustees are satisfied that the major risks have been mitigated.

The trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

Independent examiner's report to the trustees of The Cameo Foundation ('the charity')

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2023.

Responsibilities and basis of report

As the trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities and applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work or for this report.

The Cameo Foundation is a charitable incorporated organisation (CIO) and a registered charity governed by its constitution dated 1st October 2014.

b. Trustees

The trustees who served during the year and up to the date of this report were Linda Barker (dec'd), Robert Craig and Emily Mailer.

c. Methods of appointment or election of trustees

The management of the charity is the responsibility of the trustees who are elected and co-opted under the terms of the Trust deed.

d. Governance

The charity is administered by its trustees who regularly discuss and implement policy.

Objectives and activities

a. Policies and objectives

The objectives of the charity are to advance charitable purposes as the trustees see fit from time to time, in particular but not limited to the advancement of medical research and health care for the public benefit.

To achieve this the trustees will make grants to such charitable purposes as the trustees consider appropriate.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

Achievements and performance

a. Review of activities

During the year the charity received investment income of £43,674 and made grants of £nil.

The charity's primary assets comprise its holdings of listed investments and cash funds. The trustees are of the opinion that the financial position of the charity at the balance sheet date is sufficient to meet its ongoing objectives.

The trustees are satisfied that the charity has fulfilled its public services obligations and confirm that in accordance with Section 17 of the Charities Act 2011, they have referred to the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning their future grant making activities.

b. Investment policy and performance

Under the terms of the charity's governing document, the trustees have absolute discretion to manage and organise the charity's investments. The trustees have appointed NLP Financial Management as investment management advisors and on appointment granted discretionary powers to NLP Financial Management in order for them to manage the Charity's investments on its behalf.

The charity has a Statement of Investment Principles approved by the trustees. This statement includes the stipulation that in addition to providing income from which the charity can make grants in pursuit of the charity's objectives, the trustees may seek to protect, and ideally grow, the real value (after inflation) of the residual capital for the purposes of making future grants in perpetuity.

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

Any reserves are maintained at the discretion of the trustees. The trustees aim to maintain free reserves at a level that will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds available to cover support and governance costs. The trustees confirm that adequate assets are available to fulfil the obligations of the charity and will continue to review the level of their current and foreseeable expenditure in the light of future investment performance, general economic conditions and implementation of their grant making policies.

c. Financial risk management objectives and policies

The trustees are responsible for the management of risks faced by the charity. All major risks to which the charity may be exposed to have been identified, assessed and controls established as appropriate. Consequently, the trustees are satisfied that the major risks have been mitigated.

THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

d. Principal risks and uncertainties

The trustees consider that principal risk to which the charity is exposed to is investment risk which they have mitigated by having professional investment management advisors manage the charity's investments.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2022.

Responsibilities and basis of report

As the trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. THE CAMEO FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their annual report together with the financial statements of the charity for the ending 31 December 2021.

The trustees confirm that the annual report and the financial statements of the charity comply with the current statutory requirements and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Structure, governance and management

a. Constitution

The Cameo Foundation is a charitable incorporated organisation (CIO) and a registered charity governed by its constitution dated 1st October 2014.

b. Trustees

The trustees who served during the year and up to the date of this report were Linda Barker and Robert Craig.

c. Methods of appointment or election of trustees

The management of the charity is the responsibility of the trustees who are elected and co-opted under the terms of the Trust deed.

d. Governance

The charity is administered by its trustees who regularly discuss and implement policy.

Objectives and activities

a. Policies and objectives

The objectives of the charity are to advance charitable purposes as the trustees see fit from time to time, in particular but not limited to the advancement of medical research and health care for the public benefit.

To achieve this the trustees will make grants to such charitable purposes as the trustees consider appropriate.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

Achievements and performance

a. Review of activities

During the year the charity received investment income of £35,438 and made grants of £26,850.

The charity's primary assets comprise its holdings of listed investments and cash funds. The trustees are of the opinion that the financial position of the charity at the balance sheet date is sufficient to meet its ongoing objectives.

The trustees are satisfied that the charity has fulfilled its public services obligations and confirm that in accordance with Section 17 of the Charities Act 2011, they have referred to the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning their future grant making activities.

b. Investment policy and performance

Under the terms of the charity's governing document, the trustees have absolute discretion to manage and organise the charity's investments. The trustees have appointed NLP Financial Management as investment management advisors and on appointment granted discretionary powers to NLP Financial Management in order for them to manage the Charity's investments on its behalf.

The charity has a Statement of Investment Principles approved by the trustees. This statement includes the stipulation that in addition to providing income from which the charity can make grants in pursuit of the charity's objectives, the trustees may seek to protect, and ideally grow, the real value (after inflation) of the residual capital for the purposes of making future grants in perpetuity.

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

Any reserves are maintained at the discretion of the trustees. The trustees aim to maintain free reserves at a level that will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds available to cover support and governance costs. The trustees confirm that adequate assets are available to fulfil the obligations of the charity and will continue to review the level of their current and foreseeable expenditure in the light of future investment performance, general economic conditions and implementation of their grant making policies.

c. Financial risk management objectives and policies

The trustees are responsible for the management of risks faced by the charity. All major risks to which the charity may be exposed to have been identified, assessed and controls established as appropriate. Consequently, the trustees are satisfied that the major risks have been mitigated.

THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

d. Principal risks and uncertainties

The trustees consider that principal risk to which the charity is exposed to is investment risk which they have mitigated by having professional investment management advisors manage the charity's investments.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the trustees and signed on their behalf by:

Robert Craig

THE CAMEO FOUNDATION

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

Independent examiner's report to the trustees of The Cameo Foundation ('the charity')

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities and applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work or for this report.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

3. Critical accounting estimates and areas of judgment

The preparation of the financial statements requires the trustees to make judgments, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenditure during the year. However, the nature of the estimation means that actual outcomes could differ from those estimates.

Accruals

The charity makes an estimate of accruals at the balance sheet date based on invoices received after the balance sheet date and work undertaken which has not been invoiced based on quotations or estimates of amounts that are due for payment.

Investments

The charity makes an estimate of the market value of listed investments at the balance sheet date based on valuation reports prepared by investment advisors.

THE CAMEO FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2020

The trustees present their annual report together with the financial statements of the charity for the year ending 31 December 2020.

The trustees confirm that the annual report and the financial statements of the charity comply with the current statutory requirements and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Structure, governance and management

a. Constitution

The Cameo Foundation is a charitable incorporated organisation (CIO) and a registered charity governed by its constitution dated 1st October 2014.

b. Trustees

The trustees who served during the year and up to the date of this report were Linda Barker and Robert Craig.

c. Methods of appointment or election of trustees

The management of the charity is the responsibility of the trustees who are elected and co-opted under the terms of the Trust deed.

d. Governance

The charity is administered by its trustees who regularly discuss and implement policy.

Objectives and activities

a. Policies and objectives

The objectives of the charity are to advance charitable purposes as the trustees see fit from time to time, in particular but not limited to the advancement of medical research and health care for the public benefit.

To achieve this the trustees will make grants to such charitable purposes as the trustees consider appropriate.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

Achievements and performance

a. Review of activities

During the year the charity received investment income of £33,677 and made grants of £18,000.

The charity's primary assets comprise its holdings of listed investments and cash funds. The trustees are of the opinion that the financial position of the charity at the balance sheet date is sufficient to meet its ongoing objectives.

The trustees are satisfied that the charity has fulfilled its public services obligations and confirm that in accordance with Section 17 of the Charities Act 2011, they have referred to the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning their future grant making activities.

b. Investment policy and performance

Under the terms of the charity's governing document, the trustees have absolute discretion to manage and organise the charity's investments. The trustees have appointed NLP Financial Management as investment management advisors and on appointment granted discretionary powers to NLP Financial Management in order for them to manage the Charity's investments on its behalf.

The charity has a Statement of Investment Principles approved by the trustees. This statement includes the stipulation that in addition to providing income from which the charity can make grants in pursuit of the charity's objectives, the trustees may seek to protect, and ideally grow, the real value (after inflation) of the residual capital for the purposes of making future grants in perpetuity.

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

Any reserves are maintained at the discretion of the trustees. The trustees aim to maintain free reserves at a level that will provide sufficient funds to respond to applications for grants and ensure that there are sufficient funds available to cover support and governance costs. The trustees confirm that adequate assets are available to fulfil the obligations of the charity and will continue to review the level of their current and foreseeable expenditure in the light of future investment performance, general economic conditions and implementation of their grant making policies.

c. Financial risk management objectives and policies

The trustees are responsible for the management of risks faced by the charity. All major risks to which the charity may be exposed to have been identified, assessed and controls established as appropriate. Consequently, the trustees are satisfied that the major risks have been mitigated.

THE CAMEO FOUNDATION

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2020

d. Principal risks and uncertainties

The trustees consider that principal risk to which the charity is exposed to is investment risk which they have mitigated by having professional investment management advisors manage the charity's investments.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the trustees and signed on their behalf by:

Robert Craig
(Trustee)

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020**

Independent examiner's report to the trustees of The Cameo Foundation ('the charity')

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2020.

Responsibilities and basis of report

As the trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities and applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work or for this report.
