Funds have been raised by the following means;

1. Personal donations – mostly one-off and but increasingly as regular gifts from supporters, family and friends of the Trustees
2. A fundraising event held in the Chairman’s garden in July 2019
3. Donations from online shopping platform Give as you Live and Amazon Smile
4. Sales of notebooks created using children’s art

In all activities Trustees have had full regard to the guidance issued by the Charity Commission on public benefit.

## Grantmaking

The policy and practice of grant making during this year was identical to previous years; ie.

After receiving itemised statements of expenditure incurred by the Sisters of the Community of our Lord, Grahamstown, to meet the costs of education for the children in their care, the equivalent sum has been sent by international transfer or by cash courier to their bank account.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

The key achievement is that, even in the difficult circumstances presented by the covid-19 pandemic, sufficient funds were raised to meet the full cost of educating, for the year 2019 - 2020, the 5 orphaned children in the care of the Sisters of the Community of the Resurrection, Grahamstown, South Africa.

A further transfer of money was made to the interest bearing bank account opened last year. This money will help to ensure that the Trust is building the financial resources for future expenditure as the children get older and the costs of their education inevitably increase from present levels. It is entirely possible that some of the children will be candidates for university and we wish to support such aspiration.

It has not been possible for the Chairman to make her regular visits to South Africa because of the pandemic. Instead she has maintained close contact with the Mother Superior of the Community of the Resurrection and the children via video calls.

**Brief statement of the charity's policy on reserves**

Reserves are currently held on deposit with Future Bright Trust's bankers, who provide free currency transfers. Our policy is to make transfers to our interest bearing account with The Charity Bank Limited when we consider it is prudent to do so.

**Details of any funds materially in deficit**

**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
