Stroud Green Christian Assembly
Trustees' Annual Report
for the year ended 31 December 2022

The trustees present their report and the financial statements of Stroud Green Christian Assembly for the year ended 31 December 2022. The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and the Financial Reporting Standard 102 (FRS 102). The financial Statements are drawn up on the historical cost basis of accounting.

Structure, governance, and management

Stroud Green Christian Assembly is a registered charity (Number 1159679). The church's Constitution and the Memorandum of Practices and Beliefs detail the management and governance of the church. The governing body of the church is the board of trustees, comprising three members. The duties of the trustees are to govern and manage the daily running of the church and to ensure compliance to the legislation of the United Kingdom. The trustees meet quarterly to discuss matters arising from the day to day running of the church. In regard to spiritual matters, the pastor and elders provide guidance and advice as may be necessary from time to time.

Objectives and Activities

The Charity's objects are:

- To advance the Christian faith in accordance with the Membership Fundamentals.
- To advance the Christian religion by means of broadcasting Christian messages of an evangelistic and teaching nature.
- To advance the Christian religion by engaging with diverse members of the public either local or where the occasion dictates nationwide and globally in the propagation of the Christian faith and the establishment of their ongoing wellbeing such that they are themselves able to make their own various contributions to society.

During the year ended 31 December 2022, the Church;

- Held a busy programme of public worship services and activities open to all members of the public to provide for the spiritual needs of the local community. On average there were five public meetings each week, several were conducted online to serve those who were not able to gather at the church premises.
- Continued to focus on teaching the Bible, promoting prayer and fellowship and caring pastorally for the members. In order to do so the church pays a small stipend to the Pastor to enable him to focus on this important work, without a requirement to have full-time paid employment. This stipend is reviewed annually and was maintained this past year.
- Made all sermons and other teaching material freely available on the Internet for wider public benefit.
- Continued to serve the community by providing two Sunday Schools for children, latterly reduced to a fortnightly online meeting since the COVID lockdown.
- Conducted weekly street community work to bring the wider community into contact with the Christian message, and the work of the Charity.
- Continued to maintain the building to enhance its utility to the public to ensure its ongoing compliance to legislation, and to run the building as cost-effectively as possibly.
- Offered all local activities entirely free, making no collection. The costs are funded through voluntary donations of the church.

Achievements and Performance

The trustees confirm that they have complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission and, in particular, the specific guidance on charities for the advancement of religion, specifically that the benefit must be identifiable and must be to the general public.

The church has developed as an active local church in accordance with its objectives. It continues to be recognised as a place where loving and wholesome Biblical teaching can be found, and where individuals can find their spiritual needs freely met. A number of new members have joined over the year, and the ministry of the Charity has reached a large number of people, both in the local area and across the world.

The number of public meetings has been maintained, and has also been matched by a corresponding increase of public events held outside the church and its expanding online ministry, ensuring it remains freely accessible, to the largest number of people. As the church moved online during the COVID lockdown, the church has reached many new people, both churched and unchurched. Since the end of COVID restrictions the church has conducted a mix of online and in-person services to maintain its accessibility for people who find it difficult to attend in person.

Financial review

The Church's finances are in a satisfactory position and the accounts finished with a surplus before interest of £1,884, with an income of £38,730 and expenditure of £36,846. This compares to an income of £27,778 in 2021. The Assembly continues to be dependent on donations made by the Church members and other donors, which for the year ended 31 December 2022 totalled £33,898, an increase of £10,929 compared to the last financial year.

There was an increase in expenditure in a number of areas, including building repairs and maintenance, and replacement of equipment.

The closing bank and cash balances as at 31 December 2022 were £33,835 compared to £31,314 in the previous year, which remains well within tolerance of the Trustees' reserves policy. At the end of the financial year, a provision of £4,832 was made in the accounts relating to its gift aid claim for the year ended 5th April 2022.

The Treasurer is thanked for her thorough work.

Reserves policy

With the nation currently in an inflationary situation, the Trustees decided that a reserve would be retained of £16,500 equivalent to 6 months' current operating costs, excluding repairs and maintenance costs incurred during the year.

As the total funds held at 31 December 2022 was £41,449, it was decided that the above Reserve would not be placed in a separate account.

Stroud Green Christian Assembly

Statement of Trustees' Responsibilities

The law relating to charities requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the trustees on 4 October 2023;

Philip Bray

Stroud Green Christian Assembly

Independent examiner's report on the unaudited financial statements to the trustees of Stroud Green Christian Assembly

I report on the financial statements for the year ended 31 December 2022 as set out on pages 7 to 11.

Respective Responsibilities of the Trustees and Examiner

The charity's trustees consider that an audit is not required for the year (under section 144(2) of the Charities Act 2011 (the Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the Act),
- to follow procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the Act), and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit. Consequently, no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In the course of my examination, I confirm no matter has come to my attention in connection with the examination giving me cause to believe that in any material respect:

- a) accounting records were not kept in respect of the Assembly as required by section 130 of the Act; or
- b) the accounts do not accord with those records; or
- c) the accounts do not comply with the applicable requirements concerning the format and contents of the accounts set out in the Charities (Accounts and Report) Regulations 2008; or
- d) the accounts have not been prepared in accordance with the methods and principles of Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the United Kingdom (FRS 102).

Stroud Green Christian Assembly

Notes to the financial statements for the year ended 31 December 2022

1.1. Accounting convention

1.2. Income

This includes if applicable donations of goods and services 'in kind' to the extent that they represent goods or services that would otherwise have to be purchased.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings
and equipment - 20% Reducing Balance

Unrestricted funds are amounts received for the objects of the Charity, without any conditions attached. Consequently, they are available as general funds.

The Minister of the assembly is the only employee of the Charity.
