4. BACKGROUND AND HISTORY

Durham Pride UK was founded back in 2014 by Mel Metcalf who had started asking why our beautiful County Durham wasn't celebrating and raising awareness for more LGBT+ equality and diversity through a Pride event. Mel formed an events committee with support from Dr Jamie Lawson and Dr Susan Frenk, Principal St Aidan's College at Durham University.

Mel held Pride meetings and was told he couldn't do it by some, that it would only be another student event by others and that there wouldn't any interest by many. Less than 6 months later the first Pride happened on a lovely sunny Thursday evening with an estimated audience of 2,500 and a magnificent mix of people. So, he did it and a wonderful LGBT+ community and its many fabulously supportive friends, families and allies came together to celebrate diversity and put County Durham and Darlington on the LGBT+ map.

5. OUR MISSION STATEMENT

'Working in partnership to celebrate diversity and promote equality for LGBT+ people, their friends, families and allies living and working in Co Durham and Darlington'.

6. OUR VALUES

Values are important to us:

We will work for LGBT+ to feel safe - everyone deserves the right to feel safe and not live-in fear just because of whom they are and how they identify.

We will work and campaign to raise awareness of LGBT+ issues and difficulties living in County Durham and Darlington - helping agencies understand and recognise the needs of the LGBT+ community.

We will work to provide professional high-quality LGBT+ advice and guidance that meet the needs of our members.

We will work to empower the LGBT+ community and always put them at the centre of what we do, going that extra mile to achieve our aims.

We will work to always respect and acknowledge all people are individuals and recognise everyone's unique qualities, abilities and experiences and we will strive to pursue equality in everything we do.

We will always believe and be proud of what we can achieve by providing outstanding services to our members, stakeholders and agencies. These are the values that inspire us to support the LGBT+ community to the best of our ability.

Durham Pride Trustees and supporters give hope, courage and determination to many and we will campaign to raise awareness and improve LGBT+ experiences for individuals and families in County Durham.

These are the values that will make a difference by offering new and creative platforms of reporting, learning and training to eliminate all forms of LGBT+ related discrimination, reducing incidents of same sex domestic/sexual violence and abuse and tackling the destructive effects of Hate Crime for victims.

7. PURPOSE, AIMS AND OBJECTIVES

To promote equality and diversity for the public benefit and in particular the elimination of discrimination on the grounds of sexual orientation and gender identity of those living in County Durham and Darlington and the surrounding areas but not exclusively by:

- a) Raising awareness and educating the public about the issues and difficulties affecting the lives of Lesbian, Gay, Bisexual and Transgender (LGBT+) people.
- b) Cultivating a sentiment in favour of equality and diversity through celebrating the diversity of the LGBT+ community.
- c) Staging an annual LGBT+ festival and smaller events, including regular social events for the LGBT+ community and allies in a safe environment throughout the year.
- d) To preserve and protect the health of LGBT+ people in County Durham and Darlington, in particular but not exclusively those living with HIV and aids by the provision of information and support.

We review our aims, objectives and what we do each year. This review looks at what we have achieved and the outcomes of our work in the previous year. The review evaluates the success of the projects we have provided and the benefits they have brought to the people or services we have supported.

The review also helps us to ensure that our aims, objectives and projects remain focused on our stated purposes. We have referred to guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and when planning our future project delivery. In particular, the Trustees consider how planned projects will contribute to the aims and objectives they have set.

Our focus for the year continued to be the promotion of services available to LGBT+ in County Durham and Darlington. We continued providing and enhancing emergency safe spaces for victims of same sex violence and abuse, a community helpline for victims of hate crime, IDVA/ISVA outreach support, training around same sex domestic/sexual violence and abuse and hate crime awareness. We delivered a large range of Pride related events across County Durham and Darlington.

The strategies we used included promoting the need of services which are reflective of relevant quality standards, we challenged services to deliver on issues relating to LGBT+, we focused upon raising awareness of LGBT+ in the wider community and we provided specialist training to frontline agencies.

Our funding limits the projects we can provide but we continue to support who we can and that is prioritised according to the risk and needs of those seeking help.

All our services are provided free. Durham Pride UK is a fully inclusive charity and equal access to all our projects is an important principle to us. We believe that equal access to our projects and events is vital to our success and will only charge a minimum to cover event costs. The main areas of our charitable activity remain LGBT+ advice and information with the provision of a helpline, a safe space for victims, 1-1 specialist support, specialised training around same sex domestic violence, LGBT+ awareness and combatting Hate Crime.

8. REVIEW OF THE REPORTING YEAR AND ACTIVITIES

Our work promoting and raising awareness for LGBT+ people continues. Durham is becoming recognised as having a more welcoming, inclusive culture with a safe city celebrating diversity and promoting LGBT+ equality. The charities and frontline agencies (our partnership working aspirations) who usually use our annual event to engage with the LGBT+ community have continued to work with us and form a large part of the NEERA network project.

Again, this year Durham Pride UK has delivered specialist training to a range of front-line agencies around same sex domestic violence, raising awareness of LGBT+ issues including same sex rape, sexual violence and LGBT+ sex work. We took part in LGBT History Month as well as World Holocaust Memorial Day. Durham Pride attends the Durham FA Inclusion Advisory Group and CPS hate crime scrutiny panel. We are members of the National Council for Voluntary Organisations and the National LGBT Consortium.

We remain the largest by and for LGBT+ charity in County Durham and proud to represent an estimated 25,000 people with the development of Durham Pride's very own Rainbow Alliance. This is a strategic group looking at mapping and improving services for LGBT+ in County Durham and across the Northeast.

Social Media Durham Prides social media presence has grown with 12000+ people following us and regular TV and radio appearances reaching more than 2 million people, keeping LGBT+ issues on the local agenda, our website keeps a focus on information for the LGBT+ community.

9. PLANS AND PRIORITIES FOR THE FUTURE

Durham Pride UK plans and priorities for the coming year.

- a) Continue to manage and embed the Rainbow Alliance.
- b) We will endeavor to secure funding and will seek further opportunities to develop and deliver innovative projects.

- c) Durham Pride Trustees and members will continue to live the charities values and strive to meet its objectives.

- d) Improve multi-agency work around same sex domestic/sexual violence and abuse utilising joint working ensuring the best service is available to all our LGBT+ community.
- e) Promote and invest in training, developing relationships with external agencies. Value everyone's contribution and what they achieve for LGBT+ through our Rainbow Alliance project.
- f) We will promote our charity as the leading promoter of LGBT+ services in County Durham and involve our members and stakeholders in reviewing what we deliver.
- g) Campaign and raise awareness of hate crime in all its forms highlighting the devastating impact it has on victims particularly within our LGBT+ community.

10. FINANCIAL REVIEW

Durham Pride UK will continue to look for funding to celebrate Pride and will seek further opportunities to develop and deliver new and innovative projects for the benefit of LGBT+. We will continue to work with other agencies ensuring the best service is available to all our members and stakeholders.

- a) Reserve's Policy - The Trustees of Durham Pride UK have considered the charity commission recommendations in respect of holding funds for general use to meet any shortfall in funding and are reflected in this financial statement.
- b) Risk Assessment - The Trustees of Durham Pride UK have considered whether there are any risks to which the charity is exposed as of 31 January 2024. It is the opinion of the Trustees that there is no significant or material risk to which Durham Pride UK is exposed.

11. STATEMENT TO THE RESPONSIBILITY OF TRUSTEES

All the Trustees are aware of their responsibility (Charities Act 1992 and 1993 and subsequent amendments) collectively to keep proper accounting records, to ensure that at any time a statement can be produced showing the up-to-date position of the charity in respect of income and expenditure, assets and liabilities and to produce a set of annual accounts according to the Reporting and Accounting Statement of the Recommended Practice 2005.

Trustees confirm that suitable policies are selected, and they have been applied consistently, have observed the methods of principles in the Charities SORP, have made judgements and estimates that are reasonable and prudent and prepared the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

12. MESSAGE FROM THE CHAIR OF TRUSTEES

Durham Pride continues to grow, and I would just like to thank everyone who has made it the success it is today. We could not have achieved as much without the help of so many from our proud LGBT+ community or indeed the exceptional allies to our cause. Every year we face fresh challenges but we will overcome them, until the day comes that Pride charities like ours are no longer needed.
