READING BLUE COAT AND ARCHBISHOP LAUD CHARITABLE TRUST
TRUSTEES REPORT
FOR THE YEAR ENDED 31 MARCH 2023

TRUSTEES' REPORT

The Trustees present their annual report for the year ended 31 March 2023 under the Charities Act 2011, together with the financial statements for that period and confirm that the latter comply with the requirements of the Act, the Trust Deed and the Charities SORP FRS 102.

Structure, Objects and governance.

The Trust was registered on 14 January 2015 as a Charitable Incorporated Organisation. On 31 March 2015, all the assets and undertaking of the Reading Blue Coat School Foundation (Charity Registration Number 309024) were transferred to the Trust together with those of the Archbishop Laud Non-Educational Charity (Number 307987).

The former Foundation comprised a number of Gifts made over an extended period, of which the earliest and most important were by Richard Aldworth in 1646, Sir Thomas Rich in 1666 and William Malthus in 1700. The Foundation operated under a scheme made by the Secretary of State for Education and Science under the Charities Act 1960 dated 30 April 1964, which consolidated all the underlying gifts, and subsequent amendments.

The first Objects of the Trust, reflecting the Objects of the former Foundation, are:

- (i) to provide premises for the Reading Blue Coat School being a day school near Reading in which religious instruction in accordance with the doctrines of the Church of England shall be given.
- (ii) the award of scholarships, bursaries or maintenance allowances to beneficiaries tenable at the School or at any University or other place of learning who may reside within a ten mile radius of the School.
- (iii) the provision of items, services or facilities at three specified Infants or Primary Schools in Reading known as the National Schools of Reading, as well as any other school within a ten mile radius of the School at the CIO's discretion.

The former Foundation also contained a fund known as the Matheson Scholarship fund which is governed by the Will of the late David M Matheson. This provides for the income of the fund to be first applied to the education of children of Clergy in the Church of England at the Reading Blue Coat School, but in the event of there being no suitable applicants the Trustees have discretion to utilise the income in accordance with the above objects. The Trustees have discretion to utilise the capital of the fund should the income be insufficient to provide the benefits. Whilst the Trustees would resist any such application of capital, the fund is technically under the category of Expendable Endowment.

The second Object of the Trust reflects the objects of the former Archbishop Laud Non-Educational Charity which was constituted by a Deed of Gift dated 26 March 1640. This separate fund is to provide financial assistance to young people between the ages of 8 to 30 inclusive, educated in, residing in, or from the vicinity of Reading, to support them in training for a trade or vocation through the making of grants.

The governance and management of the Trust is carried out in accordance with its constitution. There are four ex-officio trustees who have the power to co-opt not less than five and not more than ten additional trustees. The ex-officio trustees are: the Vicar of the ecclesiastical parish of St Mary, Reading; the Vicar of the ecclesiastical parish of St Laurence, Reading; the Head of the Reading Blue Coat School; and the Bursar of Reading Blue Coat School. Unfortunately, due to other commitments, neither vicar was able to take up these posts during the year. Co-opted trustees serve for a period of five years.

During the year the Trustees conducted a review of the grant making process of the Archbishop Laud Foundation in order to widen the scope of eligible beneficiaries and improve the effectiveness of the grant giving process. The original intentions of the Foundation have been retained.

READING BLUE COAT AND ARCHBISHOP LAUD CHARITABLE TRUST
TRUSTEES REPORT
FOR THE PERIOD ENDED 31 MARCH 2023

Grant making policy

The Charity has three principal grant making objectives:

- (i) The Charity grants money to the Reading Blue Coat School for its bursary scheme. Scholarships and Bursaries are awarded to individual applicants by a Committee of Trustees and Officers of the School who determine the awards of up to 100% of fees following an assessment of educational potential, merit and the financial means of applicants.
- (ii) The Charity makes further grants to the three schools known as the National Schools of Reading as determined by the Trustees on an annual basis.
- (iii) The Charity also makes grants ranging from £300 up to £1,000 to individuals who meet the criteria within the second object of the Trust.

Investment policy

The Trust's funds are invested to produce an attractive financial return with an acceptable level of risk over the long term. The primary investment objective is to generate a high and sustainable annual income (net of investment management fees) to support the grant making objects, whilst striking a balance between generating long-term income and capital returns. With the rental income from the School providing more than 30% of the normal annual income expended, the Trustees are able to accept a medium to higher level of risk with regard to long term investments in order to grow the real capital value of the funds over time. The Trust's constitution provides for the lease to the School of the freehold land, in meeting its first objectives, but otherwise does not place any restriction on the investment policy of the Trustees.

Portfolio investments are managed on a discretionary basis whereby the investment manager has control over the investments within the formal guidelines of the investment policy of the Trust. An investment sub-committee of Trustees sets the investment objectives and risk profile for the Trust and monitors performance. The investment funds are invested in a diversified portfolio of equities, mutual funds, bonds with a prudent cash balance held in order to meet unforeseen bursarial requirements. Whilst the Trustees have chosen not to invest directly into tobacco stocks there are no ethical restrictions on investments.

Reserves policy

The Trustees consider that it is important to maintain and add to reserves when possible, in order to fulfil the first object of the Charity over the long run. In doing so, the Trustees take into account the School's ability to make its own contribution to bursaries, which can be affected by many factors including the economy and the need for investment in new or improved facilities, as they have agreed that the Trust should endeavour to cover, where possible, any shortfall to avoid qualifying pupils being denied support. Through this process, the Charity helps to provide bursarial support to a number of pupils at the school. Fifty pupils are currently in receipt of bursaries.

Review of the Year

In considering its activities for the year the Trustees have had regard to the public benefit guidance issued by the Charity Commission.

Investment Performance

The three investment funds showed a decrease in value over the course of the year.

The General Fund value at year-end was £3,339,994 (2022: £3,564,138)

The Matheson Fund value at year-end was £354,725 (2022: £387,720)

The Archbishop Laud Fund value at year-end was £29,940 (2022: £32,822)

READING BLUE COAT AND ARCHBISHOP LAUD CHARITABLE TRUST
TRUSTEES REPORT
FOR THE PERIOD ENDED 31 MARCH 2023

Investment Performance (continued)

The property assets held by the Charity, namely the freehold land occupied by the School, were professionally re-valued at year-end in 2020 at £1,200,000. The prior year valuation has been carried forward for this year. The rental income from Reading Blue Coat School increased to £60,000 (2022: £56,500).

In addition to the above funds held with the Investment Manager, the Charity also maintained cash balances at the year-end to the value of £191,878. The Trustees have agreed that a minimum sum of £50,000 should be retained on bank deposit to meet any immediate demand on reserves.

After movements in the values of land and investments, the endowed funds of the General Fund stood at £3,921,319 (2022: £4,143,351), the Matheson fund £229,337 (2022: £250,395) and the Archbishop Laud Fund £22,940 (2022: £25,822). These endowed funds will continue to be invested to produce income to meet the Charity's objects.

Achievements, financial review and future plans

In considering its activities for the year the Trustees have had regard to the public benefit guidance issued by the Charity Commission.

Bursaries and Grants

In recent years, the Trustees have entered into an informal arrangement whereby the Charity makes an agreed contribution to the overall cost of bursaries with the School providing the balance. This has enabled 50 (2022: 44) bursaries to be paid to successful applicants in this period. Awards from the General Fund were maintained at £125,000 (2022: £125,000) to the Reading Blue Coat Bursary Scheme. Awards from the Matheson Fund were made at £14,000 (2022: £28,000) for bursarial support of children of Clergy at the school. Grants made to the National Schools of Reading were maintained at £4,500.

Incoming Resources

The Trustees report incoming resources, net of investment management fees and governance costs, of £153,825 (2022: £179,125).

Transfers to Reserves

Restricted Fund Reserves of £127,507 (2022: £141,934) were held in relation to the Matheson Fund and £14,870 (2022: £14,368) held in relation to the Archbishop Laud Fund.

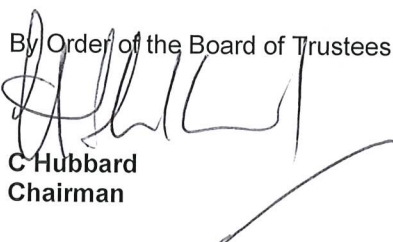

Any annual surplus funds available are held as a School Scholarship Fund. At year-end the Scholarship Fund held an undistributed balance of £757,003 (2022: £733,145).

READING BLUE COAT AND ARCHBISHOP LAUD CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

1. STATEMENT OF ACCOUNTING POLICIES

a) Basis of Accounts Preparation

The accounts have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Reading Blue Coat and Archbishop Laud Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b) Going Concern

The charity has cash resources and has no requirement for external funding. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future.

Having regard to the above, the Trustees believe it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

c) Critical accounting judgements and key sources of estimation uncertainty.

In the application of the charity's accounting policies, which are described in note 1, trustees are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimation and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects the current and future periods.

In the view of the trustees, no assumptions concerning the future or estimation uncertainty affecting the assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

d) Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

READING BLUE COAT AND ARCHBISHOP LAUD CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES (continued)

e) Income

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

The following specific policies are applied to particular categories of income:

- Investment income is included when receivable.
- Incoming resources from charitable trading activity are accounted for when earned.

f) Expenditure

Expenditure is recognised on an accrual basis as each liability is incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them, for example, governance costs.

Charitable expenditure is reported under the following sub headings:

- Scholarships awarded.
- Archbishop Laud Grants
- National Schools of Reading

g) Grants - Scholarships

Scholarships payable are recognised as expenditure in the year in which a binding commitment to make payments is entered into.

h) Fund Accounting

Unrestricted funds held by the charity are those which can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds are where specific conditions are imposed by the donor which restricts the use of unspent funds. The income is taken directly to the relevant restricted funds.

The endowment fund represents those assets which must be held permanently by the charity, principally quoted investments and freehold properties. Income arising on the endowment fund can be used in accordance with the objects of the charity. Any capital gains or losses arising on the investments are attributable to the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

The expendable endowment fund is similar to that of the endowed fund. However, the trustees have the power to apply both capital and income arising on the fund in accordance with the Matheson will. Any capital gains or losses arising on the investments are attributable to the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

READING BLUE COAT AND ARCHBISHOP LAUD CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES (continued)

i) Tangible Fixed Assets

These are represented by freehold land and are held under the revaluation model.

i) Investments

Investments are a form of basic financial instrument and are initially recorded at their transaction value and subsequently valued at closing mid-market value at the Balance Sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

k) Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value

l) Debtors

Debtors are recognised at the settlement amount due after any trade discount offered.

m) Creditors

Creditors and provisions are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

NOTES TO THE FINANCIAL STATEMENT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2023

11. TRUSTEES BENEFITS AND TRANSACTIONS

None of the trustees or any persons connected with them, received any remuneration or reimbursed expenditure during the period.

The Trustee Mr M Swan is employed by Slade Legal as a senior solicitor. Slade Legal have been engaged to provide legal services to the Trust. Accrued costs at the year end in relation to these services were £168.

12. FINANCIAL INSTRUMENTS

	2023	2022
	£	£
Financial assets measured at amortised cost	216,645	191,857
Financial liabilities measured at amortised cost	63,328	62,522

Financial assets measured at amortised cost comprise other debtors and cash equivalents.

Financial liabilities measured at amortised cost comprise other creditors and accruals excluding deferred income.

13. LEASES

The Charity earns rental income by leasing its property to a tenant under non-cancellable operating leases. Leases in which substantially all risks and rewards of ownership are retained by another party, the lessor, are classified as operating leases. Payments, including prepayments, made under operating leases (net of any incentives received from the lessor) are charged to the income statement on a straight-line basis over the period of the lease.

At the balance sheet date, the Charity had contracted with tenants to receive the following future minimum lease payments:

	2023	2022
	£	£
Not later than one year	60,000	60,000
Later than one year and not later than five years	150,000	210,000
Later than five years	-	-
	<u>210,000</u>	<u>270,000</u>

There are no contingent rents recognised as income.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF READING BLUE COAT AND ARCHBISHOP LAUD CHARITABLE TRUST

I report on the accounts of the Trust for the year ended 31 March 2023, which comprise the Statement of Financial Activities, Balance Sheet and associated notes.

This report is made solely to the charity's trustees, as a body, in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity, the charity's members as a body and the charity's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

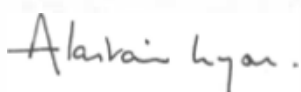

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
