**READING GOSPEL HALL TRUST**  
**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2025**

The Trustees present their Report along with the Financial Statements of the Charity for the Year Ended 5<sup>th</sup> April 2025. The Financial Statements have been prepared in accordance with the accounting policies set out on pages 13 - 14 and comply with the Trust Deed and applicable law.

**Structure, Governance and Management**

**Governing Document**

The Charity is controlled by a Deed of Trust, and constitutes an Unincorporated Charity.

Reading Gospel Hall Trust is constituted by a Deed of Trust dated 10<sup>th</sup> February 1980, subsequent amending Deeds, and most recently by a Deed of Variation dated 28<sup>th</sup> February 2014. The Trust was registered with the Charity Commission for England and Wales on 15<sup>th</sup> January 2015 under Charity Registration Number: 1159954.

**Recruitment and Appointment of New Trustees**

The Trustees who have served during the year and since the year end are set out on page 1. None of the Trustees, nor any person connected with them, received any remuneration or expenses from the Charity in the Year, nor in the preceding financial year.

The Trust has operated three Gospel Halls and Trustees are chosen from among the regular congregation of the halls. New Trustees are nominated by the existing Trustees or by the congregation and must be appointed by unanimous resolution of the congregation. They are selected according to their skills and experience and are expected to use both in furthering the objects of the Charity. Checks are made to ensure the Trustees' eligibility to act and incoming Trustees are made aware of their responsibilities by the existing Trustees, who ensure that new Trustees read the Trust Deed and relevant Charity Commission guidance.

**Wider Network**

The Trustees maintain informal links with Trustees of similar Charities with a view to pooling experience considered useful in pursuing the objects of the Charity. This includes those of the Sarum Hill Gospel Hall Trust, which also operates Gospel Halls in Reading, with which it shares members of its congregation.

**Risk Management**

The Trustees have identified and reviewed the major risks to which the charity is exposed and confirm that they have established systems or procedures to manage and mitigate those risks.

**Objectives and activities**

**Objectives and aims**

The charitable purposes of the Charity are the advancement of the Christian religion for the public benefit, including by the carrying on of the service of God in accordance with the Old and New Testaments of the Holy Bible as followed by those Christians forming part of the world-wide fellowship known as the Plymouth Brethren Christian Church (the "Brethren") and any other charitable purposes connected with Brethren. The core doctrine of the Brethren and proper practices in furtherance of certain aspects of doctrine are summarised in two schedules to the Trust Deed.

**Public benefit**

The Trustees confirm that they have complied with their duty under section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance to charities on public benefit.

**Main Activities and achievements**

The Trust has provided 3 Gospel Halls where religious meetings are held by the local Brethren community. Details of the origins, teachings and way of life of the Brethren can be found on their website - [www.plymouthbrethrenchristianchurch.org](http://www.plymouthbrethrenchristianchurch.org) and in the schedules to the Trust Deed.

The Trust's main achievements this year have been to maintain the Gospel Halls for the continuing use of the congregation and visitors. It has also encouraged works by the congregation, as described below. It has also donated funds to Sarum Hill Gospel Hall Trust in the year, and on 27<sup>th</sup> January 2025 one of the 3 Gospel Halls was transferred to that Trust. It has also contributed to the running costs and other costs of halls owned by that Charity, which has parallel objectives.

**Meetings**

Meetings normally held at the Gospel halls include the Lord's Supper (Communion), Gospel preachings, Bible readings and Bible addresses. There is a structured weekly schedule of meetings and, depending on the particular meeting, between 36 and 675 people normally attend these occasions.

The meetings are attended by the regular congregation and most are open to other properly disposed visitors. The notice board outside the Hall welcomes visitors and displays times of Gospel preachings, along with a telephone number for those seeking further information or help. Gospel tracts, which are distributed by street preachers, also display this information.

Bibles and an extensive range of other Christian reading material are on display at the main hall and visitors are free to help themselves.

**Spreading the Gospel message and the life of a Christian**

The Gospel Halls are a base from which the regular congregation and others who attend the meetings are encouraged to spread the Christian Gospel, in word and deed.

Members of the congregation normally participate in a programme of street preaching and Gospel tracts are provided free of charge by the Charity to such preachers and to be handed out to interested members of the public. Such preachings have taken place weekly, with several preachings during the week.

In addition food packs to a value of £2,215 have been made available to organisations to assist the homeless and poor. Congregation members have also assisted a separate charity, the Rapid Relief Team, which included support to the Ukraine; providing meals and food boxes to local organisations; and ongoing support at numerous events in the area.

A full Public Benefit Report is attached and activities are jointly with the Sarum Hill Gospel Hall Trust.

In carrying out this work, the congregation considers itself to be living out its faith in practice, as particularly exemplified in the following extract from the schedule to the Trust Deed on living a Christian Life:-

1. We seek and are encouraged to live exemplary lives in all our relationships with others in the wider community (including former Brethren), in accordance with the teachings of Holy Scripture (1 Tim 2:2)
2. We regularly go out from our homes to preach on the streets, to distribute Christian literature and engage with the wider community (including former Brethren) in order to present eternal salvation, available to all men by faith in Jesus Christ. (2 Tim 4:2).
3. We seek as members of the public to lead Christian lives as husbands and wives, parents, children, employers, employees and neighbours. (Col 3:22-25, Col 4:1).
4. The preservation and protection of the family unit is fundamental and children are prized as a blessing from God. (Psalm 127:3-5). The elderly are valued members of the community, for whom both their family and the wider community are expected to care.

**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2025 (CONTINUED)**

**Spreading the Gospel message and the life of a Christian (Continued)**

5. Holy Scripture commands us to be good neighbours to others, and deal with all other people (including former Brethren) openly, honestly and fairly and consistent with these principles, we should give our time, talents and money to assist those in need in the wider community, in so far as reasonable given our abilities and our available resources. (Matt 7:12, Matt 22:39, Eph 4:28).

**Volunteers**

Reading Gospel Hall Trust relies on volunteers to carry out the management, administration and, where appropriate, general maintenance work. The Trust has no paid staff or paid Trustees.

**Funding**

Funding is sought through gifts and donations from the congregation. Grants are sometimes received from other charitable trusts with complementary objectives. Gift aid is also claimed on relevant gifts.

**Financial review**

As stated on Page 3, funds were donated to Sarum Hill Gospel Hall Trust in the year of a net amount of £118,087. That Charity has parallel objectives.

In consequence in 2024/2025, the Trust had a Surplus amounting to £285,450 of Incoming Resources against Resources Expended on General Fund (after Depreciation and similar charges of £154,063).

Total voluntary income received this Year was £629,214 compared to £683,660 in the Year to 5<sup>th</sup> April 2024.

Monies held on Bank Accounts at the year end totalled £1,071,007.

All Funds held were Unrestricted Funds.

**Reserves policy**

The Trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments. The Trustees have a programme of raising further funds by way of donations and collections, and if necessary loans, in order to fund intended projects, and to facilitate repayment of existing lending. The congregation is kept regularly informed of needs accordingly.

Free reserves at the year end were £1,076,607.

**Plans for Future Periods**

The Trust plans to continue action to pursue the location of sites for potential further Local Halls, and to assist the Sarum Hill Gospel Hall Trust with the provision of further Gospel Halls by that Trust including finance requirements.

The Trustees plan to continue all the current activities.

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Report of the Trustees and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed require the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those Financial Statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the Financial Statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

All transactions have been reviewed and approved by two Trustees.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF READING GOSPEL HALL TRUST**  
**FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2025**

We have audited the financial statements of Reading Gospel Hall Trust for the year ended 5<sup>th</sup> April 2025 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF READING GOSPEL HALL TRUST**  
**FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2025 (CONTINUED)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of the trustees**

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

**Auditor responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Review of trustees minutes and review of nominal postings for legal and professional fees ensured we identified any regulatory compliance issues and laws the charity must follow in the year and to the date of signing the financial statements.
- The assessment of fraud was considered as low due to the segregation of duties seen. A review of journal entries and consideration of their appropriateness was carried out through the audit.
- During the audit we speak to trustees, test the systems and speak to various members of the finance function to understand the entity's processes and the nature of trade to assist in determining if the financial statements are true and fair.
- Challenging assumptions made by management in making their significant accounting estimates.
- Reviewing financial statement disclosure and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Legacies and Donations are reviewed to ensure no restriction on funds are required to be allocated differently from the common funds.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF READING GOSPEL HALL TRUST**  
**FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2025 (CONTINUED)**

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation (ie. gives a true and fair view).

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**THE READING GOSPEL HALL TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2025**

**1. ACCOUNTING POLICIES**

**1.1 Basis of Financial Statements**

The Financial Statements have been prepared in accordance with Accounting and Reporting by Charities: Second edition of the Statement of Recommended Practice applicable to charities preparing their Accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019; the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and UK Generally Accepted Practice.

The functional currency of the Charity is Sterling (£).

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

**1.2 Judgements and key sources of estimation uncertainty**

**Critical accounting judgements and key sources of estimation uncertainty**

In the application of the charity's accounting policies, trustees are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The critical judgements made by trustees that have a significant effect on the amounts recognised in the financial statements are described below.

**Critical judgements**

In the course of preparing the financial statements, no judgements have been made in the process of applying the charity's accounting policies, other than those involving estimations, that have had a significant effect on the amounts recognised in the financial statements.

**Sources of estimation uncertainty - Useful lives of depreciable assets**

Trustees review their estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to obsolescence that may change the utility of furniture, fittings and equipment.

**1.3 Incoming Resources**

Donations are recognised in the Year in which there is entitlement and probability of receipt and the amount can be measured with reasonable certainty. Income is only deferred when the Charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year. Gift-aid is added to the value of the donations to which it relates.

Donated services are recognised as income and expenditure in the financial statements when organisations or individuals offer their services and support pro bono. The value of these donated services to the Reading Gospel Hall Trust is considered to be equal to market value which would be paid were the services formally procured.
