Financial review

Brief statement of the charity's policy on reserves

During the year, the charity raised donations and fees amounting to £204,406 which is an increase from previous year due to various appeals for projects. The expenditure (including loans repaid £1,400) was £217,890 with grants for charitable projects comprising the biggest expense. This resulted in a surplus of £1,598 which was added to prior year reserves. With loans still payable, there were no reserves remaining in the charity at the end of the period net of liabilities. The trustees intend to raise more funds to meet the ongoing costs for the activities and repay the loans. There is no official policy to set a reserve level, but the trustees will seek to use any surplus charitable funds for future expenditure.

You **may choose** to include additional information, where relevant about:
