Fundraising events were marginally reduced to 11. • The number of grants made to causes was reduced to concentrate on deliverable and sustainable programs, in three different countries including the UK for meaningful public benefit impact • The charity continued to operate with good governance and management practices including: <ul style="list-style-type: none"> ○ Regular trustee and associate meetings held with minutes. ○ Regular subject matter meetings on fundraising, grant making, finance, operations, governance and digital matters. ○ Monthly financial reports issued to track income, expenses grants and performance. ○ Quarterly reports issued on performance trends against key performance indicators |

Financial Review

| | | |
|--|-----------|---|
| Review of the charity's financial position at the end of the period | Para 1.21 | The charity had unrestricted funds of £276,428 at year end, an increase of £109,671 on the previous year. The outlook remains that the charity will continue to make high levels of sustainable grants each year that are a meaningful proportion of net funds raised during the year. |
| Statement explaining the policy for holding reserves stating why they are held | Para 1.22 | The charity policy remains not to forward commit grants funds – grants are made in accordance with grant making policy and when funding is available. As net donations raised are substantially derived from and predicated on events & activities driven actions (as opposed to regular inflows or legacy amounts), there is less certainty of funds availability to forward commit. |
| Amount of reserves held | Para 1.22 | The charity does not have an explicit reserves policy. The charity has no policy to hold financial or other investments to generate income (there is no investment policy required). |
| Reasons for holding zero reserves | Para 1.22 | Donors and supporters make one-off events driven and irregular donations (some larger amounts) for causes with sustainable, ongoing programs and such funds are deployed relatively quickly (given the charity focus on having fewer but sustainable causes), so the business case for maintaining reserves is limited. The charity's ongoing operational expenses are very low compared to annual income resources and it has no fixed overheads, thus negating the need for a reserves base. |
| Details of fund materially in deficit | Para 1.24 | None / not applicable |
| Explanation of any uncertainties about the charity continuing as a going concern | Para 1.23 | The going concern disclosure is set out in the Trustees Report on page 5. There is no reason to believe that the charity will not continue to operate as a going concern |

Trustees Report

For the year ended 31 December 2024

The trustees present their report and financial statements for the year ended 31 December 2024. The trustees have adopted the provisions of the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and Activities

The prevention or relief of poverty, the relief of sickness and the preservation and protection of good health and the advancement of education for the public benefit anywhere in the world by providing grants, items and services to individuals in need and/or charities or other organisations as the trustees may in their absolute determine.

We are a charity for other charities. We seek to support causes that are doing sincere noble work, those that find it difficult to undertake fundraising and those that make effective, impactful use of our grants. We help create sustainable improvements to the lives of people suffering from poverty of health and education. We ensure the maximum amount of any donation reaches the end cause by minimising overheads through use of dedicated volunteers.

We maintain an active, transparent digital presence via the website and social media to engage and communicate with our supporters, causes, donors, sponsors and partners and to promote fundraising events.

Strategy for meeting our charitable purpose

Fundraising to enable One Kind Act to provide Grants for selected causes underpins our charitable purpose. The financial objectives are defined as part of the planning cycle for the year.

At a principal level, we have defined the following categories of commercial fundraising approaches:

- Monthly / Annual Donations
- Sponsors
- One Kind Act run Events
- Non-One Kind Act run Events
- Profile Levers (including marketing and social media)
- Sponsor Partners & Charity Partners

Structure, Governance and Management

- Regular trustee and associate meetings held with minutes.
- Regular subject matter meetings on fundraising, grant making, finance, operations, governance and digital matters.
- Monthly financial reports issued to track income, expenses grants and performance.
- Quarterly reports issued on performance trends against key performance indicators.

One Kind Act

Trustees Report – continued

For the year ended 31 December 2024

Developments, Achievements and Performance

During the year we introduced an increased focus on a fewer number of causes to support – those that we felt were driving greatest impact and increased sustainability. We continued to raise our profile, broaden our techniques of fundraising, providing grants and increasing the number of supporters and donors.

We have managed to achieve:

- 2,067 supporters
- 32 sponsors
- 83 monthly donors
- Profile broadening through website, marketing, social media and publicity at fundraising events.
- 11 fundraising events
- Grants provided to 11 causes in 3 different countries after due diligence undertaken to confirm they adhered to our purpose and grant making policy

Financial Review

Cash reserves at the end of the year are adequate to support the continuation of current activities.

Risk Analysis

The trustees have assessed the major risks to which the charity is exposed to and are satisfied that systems & controls, policies and governance are in place to mitigate exposure to major risks.

One Kind Act

Trustees Report – continued

For the year ended 31 December 2024

Grant making policy

We have a defined structure in awarding grants; the trustees will apply the following principles:

- Applications from any geographical area within UK and overseas are eligible for consideration.
- The trustees will consider each application on their own merits and will make decisions of where and how their funds will be allocated.
- The trustees will make sure that the funds will be applied only if adequate evidence is provided to ensure that amount being applied truly reflects the value of work being carried out.
- The board of trustees will judge each case for a grant or donation against One Kind Act's objects, as stated in the governing document.
- The details of each case will be assessed against the benefit to the public.
- One Kind Act will willingly work in partnership with other organisations to fund initiatives beyond the financial scope of a single consideration.
- The grant/donation size can vary accordingly to the project and the level of need.
- One Kind Act will work towards making sure that any benefit is balanced against any detriment or harm by trying to make sure that we look into making sure that One Kind Act is not causing any damage to the environment, physical or mental health or encouraging hatred towards others.

One Kind Act

Trustees Report - continued

For the year ended 31 December 2024

Going Concern

The accounts have been prepared on a going concern basis. The trustees confirm that they have considered and reviewed the charity's financial position and plans for the foreseeable future including its cashflow position (for at least 12 months from the date the accounts were approved) and conclude there is no reason to believe that the charity will not continue to operate as a going concern.

Statement of Trustees' responsibilities

The trustees of One Kind Act are responsible for preparing the Trustees Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including "The Financial Reporting Standard 102 applicable in the UK and Republic of Ireland"

The law applicable to charities in England and Wales, The Charities Act 2011, Regulations 2008 and the provisions of the trust deed require the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for the period.

In preparing these financial statements, they are required to:

- select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charities SORP;
- state whether applicable accounting standards have been followed subject to any material departure disclosed and explained in the Financial Statements.
- make judgements and estimates that are reasonable and prudent: and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustee's report was approved by the Board of Trustees on 24th October 2025.

to the trustees of One Kind Act
For the year ended 31 December 2024**

I report on the accounts of the Trust for the year ended 31st December 2024 which are set out on pages 7 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 14-5(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examination's Statement

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters.

Independent Examiner's Statement

In connection with our examination, no matter has come to my attention:

1. which gives reasonable cause to believe that in, any material respect, the requirements
 - (a) to keep accounting records in accordance with section 130 of the Charities Act; and
 - (b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**One Kind Act
Independent Examiner's Report
to the trustees of One Kind Act
For the year ended 31 December 2024**

I report on the accounts of the Trust for the year ended 31st December 2024 which are set out on pages 7 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 14-5(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examination's Statement

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters.

Independent Examiner's Statement

In connection with our examination, no matter has come to my attention:

1. which gives reasonable cause to believe that in, any material respect, the requirements
 - (a) to keep accounting records in accordance with section 130 of the Charities Act; and
 - (b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
