**Examiners Report to the Trustees of Talk Direct Charitable Trust. No 1160145**

We have examined the financial statements for the year ended 9 November 2024 as set out on the annexed pages which have been prepared under the historical cost convention and the accounting policies set out below.

**Respective responsibilities of trustees and auditors**

As described below the charity's trustees are responsible for the preparation of the financial statements the charity's trustees consider that an audit is not required for this period under section 144 of the charities act 2011 and that a independent examination is needed. It is our responsibilities to examine the accounts under S145 of the Charities Act and to follow procedures laid down in the general directions given by the charity commission S14595)(b) of the Charity's Act.

**Basis of opinion**

We have conducted our examination in accordance with general directions given by the charity commission S145b of that Act and in accordance with auditing standards issued by the Auditing Practices Board. The examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Opinion**

The examination was planned and performed in order to obtain all the information and explanations which were considered necessary to provide sufficient evidence and reasonable assurance that the financial statements are free from material misstatements whether caused by fraud or other irregularities or errors. In forming this opinion we also evaluated the overall adequacy of the presentation of information in the statements. In our opinion the financial statements give a true and fair view of the state of the charity's affairs as at 9 November 2022 and of its incoming resources and application of resources for the year then ended.
