Report of the Trustees

Greenfield Gospel Hall Trust For the year ended 5 April 2025

The trustees present their report along with the financial statements of the Charity for the year ended 5 April 2025. The financial statements have been prepared in accordance with the accounting policies set out on page 11-12 and comply with the Trust Deed and applicable law.

Structure, Governance and Management

Governing Document

The Charity is an unincorporated trust constituted by a Deed of Trust dated 13 May 2003, most recently amended by Deed of Variation dated 27 February 2014. The trust was registered with the Charity Commission for England and Wales on 27 January 2015 under Charity Registration Number: 1160162

Recruitment and appointment of new Trustees

The Trustees who have served during the year and since the year end are set out on page 3. None of the Trustees, nor any person connected with them, received any remuneration from the Charity in the year ended 5 April 2025. Details regarding the reimbursement of expenses to Trustees are shown in note 7.

The Trust operates two Gospel halls and Trustees are chosen from among the regular congregation of the halls. New Trustees are nominated by the existing Trustees or by the congregation and must be appointed by unanimous resolution of the congregation. They are selected according to their skills and experience and are expected to use both in furthering the objects of the Charity. Checks are made to ensure the Trustees' eligibility to act and incoming Trustees are made aware of their responsibilities by the existing Trustees, who ensure that new Trustees read the Trust Deed and relevant Charity Commission guidance.

Wider Network

The Trustees maintain informal links with similar Charities with a view to pooling experience considered useful in pursuing the objects of the Charity. The Charity also maintains particular links with Frome Valley Gospel Hall Trust with which it shares members of its congregation.

Risk Management

The Trustees have identified and reviewed the major risks to which the charity is exposed and confirm that they have established systems to manage and mitigate those risks.

Objectives and Activities

Objectives and Aims

The charitable purposes of the Charity are the advancement of the Christian religion for the public benefit, including by the carrying on of the service of God in accordance with the Old and New Testaments of the Holy Bible as followed by those Christians forming part of the world-wide fellowship known as the Plymouth Brethren Christian Church (the "Brethren") and any other charitable purposes connected with Brethren. The core doctrine of the Brethren and proper practices in furtherance of certain aspects of doctrine are summarised in two schedules to the Trust Deed.

Public Benefit

The Trustees confirm that they have complied with their duty under section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance to charities on public benefit.

Details of public benefit activities carried out by Greenfield Gospel Hall Trust can be found in the separate appendix to this report.

Main activities and achievements

The Trust provides and maintains two Gospel halls where religious meetings are held by the local Brethren community. Details of the origins, teachings and way of life of the Brethren can be found on the website - www.plymouthbrethrenchristianchurch.org and in the schedules to the Trust Deed.

During the year, the Trust carried out refurbishments to one Gospel hall in view of making the facilities more suitable to the needs of the congregation.

Plans for future periods

Despite the increased cost of energy, the trustees feel that these increased costs are not significantly impacting on the ability of the charity to continue as a going concern.

Meetings

Meetings held at the Gospel halls include the Lord's Supper (Communion), Gospel preachings, Bible readings and Bible addresses. There is a structured weekly schedule of meetings and, depending on the particular meeting, between 40 and 650 people normally attend these occasions.

The meetings are attended by the regular congregation and most are open to other properly disposed visitors. The notice board outside the Hall welcomes visitors and displays the times of Gospel preachings, along with a telephone number for those seeking further information or help. Gospel tracts, which are distributed by street preachers, also display this information.

Bibles and an extensive range of other Christian reading material are on display at the halls and visitors are free to help themselves.

Spreading the Gospel message and the life of a Christian

The Gospel halls are a base from which the regular congregation and others who attend the meetings are encouraged to spread the Christian Gospel, in word and deed.

Members of the congregation participate in a programme of street preaching and Gospel tracts are provided free of charge by the Charity to such preachers to be handed out to interested members of the public.

In carrying out this work, the congregation considers itself to be living out its faith in practice, as particularly exemplified in the following extract from the schedule to the Trust Deed on living a Christian life:

- We seek and are encouraged to live exemplary lives in all our relationships with others in the wider community (including former Brethren), in accordance with the teachings of Holy Scripture (1 Tim 2:2).
- We regularly go out from our homes to preach on the streets, to distribute Christian literature and engage with the wider community (including former Brethren) in order to present eternal salvation, available to all men by faith in Jesus Christ. (2 Tim 4:2).
- We seek as members of the public to lead Christian lives as husbands and wives, parents, children, employers, employees and neighbours. (Col 3:22-25, Col 4:1).
- The preservation and protection of the family unit is fundamental and children are prized as a blessing from God. (Psalm 127:3-5). The elderly are valued members of the community, for whom both their family and the wider community are expected to care.
- Holy Scripture commands us to be good neighbours to others, and deal with all other people (including former Brethren) openly, honestly and fairly and consistent with these principles, we should give our time, talents and money to assist

those in need in the wider community, in so far as reasonable given our abilities and our available resources. (Matt 7:12, Matt 22:39, Eph 4:28)

Funding

Funding is sought through gifts from the congregation and Gift Aid is claimed on eligible donations. Funding is sometimes received from other charitable trusts with complementary objectives.

Financial Review

In the year ended 5 April 2025 the Trust had a deficit of incoming resources over resources expended. This is mostly due to non-monetary items such as depreciation.

Total voluntary income received this year was £104,019 compared to £44,813 in the previous year.

All funds held were unrestricted funds.

Reserves Policy

The Trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs, based on its size and the level of its financial commitments. The Trustees have agreed that the Trust should aim to develop and maintain unrestricted reserves at a minimum level which equates to 12 months' operating costs. This would enable the trust to continue its activities in the event of the sudden loss of funding. However, the members of the congregation have always recognised their responsibility to fund the running costs of the places of worship where they regularly attend. Therefore the Trustees do not ever expect a shortfall in funding to be other than temporary. Free reserves accumulated in excess of the minimum can be used at the discretion of the Trustees for the strategic development of the Trust. The Trustees will review the minimum level of reserves every three months,

Free Reserves at the year end were £90,618 (2024: £83,235).

Statement of Trustees Responsibilities

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. All transactions have been reviewed and approved by two trustees.

Report of the Independent Examiner

Greenfield Gospel Hall Trust For the year ended 5 April 2025

I report to the trustees on my examination of the accounts of the Greenfield Gospel Hall Trust for the year ended 5 April 2025.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking of explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes forming part of the Financial Statements

Greenfield Gospel Hall Trust For the year ended 5 April 2025

1. ACCOUNTING POLICIES

1.1 Basis of financial statements

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, and incorporating update bulletins 1 and 2, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and UK Generally Accepted Accounting Practice.

The functional currency of the charity is sterling (£).

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

1.2 Income

Donations are recognised in the year in which there is entitlement and probability of receipt and the amount can be measured with reasonable certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year. Gift aid is added to the value of the donation to which it relates.

Donated services are recognised as income and expenditure in the financial statements when organisations or individuals offer their services and support pro bono. The value of these donated services to Greenfield Gospel Hall Trust is considered to be equal to market value which would be paid were the service formally procured. This includes services paid for by other trusts.

Investment income is accounted for on a receivable basis.

1.3 Expenditure

Expenditure is included on an accruals basis. Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Charitable activities comprise those costs directly attributable to the fulfilment of the charitable objects.

1.4 Governance and support costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and costs related to statutory requirements. Governance and support costs are allocated to charitable activities on the basis of capacity used.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets (costing more than £100) are stated at cost less depreciation. Freehold land is not depreciated. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Freehold Buildings	2% straight line
Property Improvements	2% straight line
Plant and Machinery	20% straight line
Fixtures and Fittings	20% straight line

1.6 Taxation

The Trust is a registered charity and is not liable to United Kingdom income or corporation tax on charitable activities, provided income falls within the charitable exemptions and is spent on charitable purposes.

1.7 Funds

The general unrestricted fund is free for the Trustees to use for any purposes in furtherance of the trust's charitable objects.

Restricted funds arise from donations to the trust, which are made for a specific purpose. Restricted funds can only be used for the purpose for which funds were given.

1.8 Preparation of consolidated financial statements

The Charity does not have a trading subsidiary.

1.9 Going Concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

1.10 Significant estimates and judgements

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

2. TRUSTEES' REMUNERATION AND EXPENSES

No Trustees received any remuneration or other benefits from an employment with the charity (2024: none). Details regarding the reimbursement of expenses to Trustees are shown in note 7.

3. WAGES AND SALARIES

Report of the Trustees

Greenfield Gospel Hall Trust For the year ended 5 April 2024

The trustees present their report along with the financial statements of the Charity for the year ended 5 April 2024. The financial statements have been prepared in accordance with the accounting policies set out on page 11 and comply with the Trust Deed and applicable law.

Structure, Governance and Management

Governing Document

The Charity is an unincorporated trust constituted by a Deed of Trust dated 13 May 2003, most recently amended by Deed of Variation dated 27 February 2014. The trust was registered with the Charity Commission for England and Wales on 27 January 2015 under Charity Registration Number: 1160162

Recruitment and appointment of new Trustees

The Trustees who have served during the year and since the year end are set out on page 3. None of the Trustees, nor any person connected with them, received any remuneration or expenses from the Charity in the year ended 5 April 2024.

The Trust operates two Gospel halls and Trustees are chosen from among the regular congregation of the halls. New Trustees are nominated by the existing Trustees or by the congregation and must be appointed by unanimous resolution of the congregation. They are selected according to their skills and experience and are expected to use both in furthering the objects of the Charity. Checks are made to ensure the Trustees' eligibility to act and incoming Trustees are made aware of their responsibilities by the existing Trustees, who ensure that new Trustees read the Trust Deed and relevant Charity Commission guidance.

Wider Network

The Trustees maintain informal links with similar charities with a view to pooling experience considered useful in pursuing the objects of the Charity. The Charity also maintains particular links with Frome Valley Gospel Hall Trust with which it shares members of its congregation.

Risk Management

The Trustees have identified and reviewed the major risks to which the charity is exposed and confirm that they have established systems to manage and mitigate those risks.

Objectives and Activities

Objectives and Aims

The charitable purposes of the Charity are the advancement of the Christian religion for the public benefit, including by the carrying on of the service of God in accordance with the Old and New Testaments of the Holy Bible as followed by those Christians forming part of the world wide fellowship known as the Plymouth Brethren Christian Church (the "Brethren") and any other charitable purposes connected with Brethren. The core doctrine of the Brethren and proper practices in furtherance of certain aspects of doctrine are summarised in two schedules to the Trust Deed.

Public Benefit

The Trustees confirm that they have complied with their duty under section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance to charities on public benefit.

Details of public benefit activities carried out by Greenfield Gospel Hall Trust can be found in the separate appendix to this report.

Main activities and achievements

The Trust provides and maintains two Gospel halls where religious meetings are held by the local Brethren community. Details of the origins, teachings and way of life of the Brethren can be found on the website - www.plymouthbrethrenchristianchurch.org and in the schedules to the Trust Deed.

Plans for future periods

Despite the increased cost of energy, the trustees feel that these increased costs are not significantly impacting on the ability of the charity to continue as a going concern.

Meetings

Meetings held at the Gospel halls include the Lord's Supper (Communion), Gospel preachings, Bible readings and Bible addresses. There is a structured weekly schedule of meetings and, depending on the particular meeting, between 40 and 650 people normally attend these occasions.

The meetings are attended by the regular congregation and most are open to other properly disposed visitors. The notice board outside the Hall welcomes visitors and displays the times of Gospel preachings, along with a telephone number for those seeking further information or help. Gospel tracts, which are distributed by street preachers, also display this information.

Bibles and an extensive range of other Christian reading material are on display at the halls and visitors are free to help themselves.

Spreading the Gospel message and the life of a Christian

The Gospel halls are a base from which the regular congregation and others who attend the meetings are encouraged to spread the Christian Gospel, in word and deed.

Members of the congregation participate in a programme of street preaching and Gospel tracts are provided free of charge by the Charity to such preachers to be handed out to interested members of the public.

In carrying out this work, the congregation considers itself to be living out its faith in practice, as particularly exemplified in the following extract from the schedule to the Trust Deed on living a Christian life:

- We seek and are encouraged to live exemplary lives in all our relationships with others in the wider community (including former Brethren), in accordance with the teachings of Holy Scripture (1 Tim 2:2).
- We regularly go out from our homes to preach on the streets, to distribute Christian literature and engage with the wider community (including former Brethren) in order to present eternal salvation, available to all men by faith in Jesus Christ. (2 Tim 4:2).
- We seek as members of the public to lead Christian lives as husbands and wives, parents, children, employers, employees and neighbours. (Col 3:22-25, Col 4:1).
- The preservation and protection of the family unit is fundamental and children are prized as a blessing from God. (Psalm 127:3-5). The elderly are valued members of the community, for whom both their family and the wider community are expected to care.
- Holy Scripture commands us to be good neighbours to others, and deal with all other people (including former Brethren) openly, honestly and fairly and consistent with these principles, we should give our time, talents and money to assist those in need in the wider community, in so far as reasonable given our abilities and our available resources. (Matt 7:12, Matt 22:39, Eph 4:28).

Funding

Funding is sought through gifts from the congregation and Gift Aid is claimed on eligible donations. Funding is sometimes received from other charitable trusts with complementary objectives.

Financial Review

In the year ended 5 April 2024 the Trust had a deficit of incoming resources over resources expended. This is mostly due to non-monetary items such as depreciation.

Total voluntary income received this year was £44,813 compared to £173,654 in the previous year.

All funds held were unrestricted funds.

Reserves Policy

The Trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs, based on its size and the level of its financial commitments. The Trustees have agreed that the Trust should aim to develop and maintain unrestricted reserves at a minimum level which equates to 6 months' operating costs. This would enable the Trust to continue its activities in the event of a sudden loss of funding. However, the members of the congregation have always recognised their responsibility to fund the running costs of the places of worship where they regularly attend. Therefore the Trustees do not ever expect a shortfall in funding to be other than temporary. Free reserves accumulated in excess of the minimum can be used at the discretion of the Trustees for the strategic development of the Trust. The Trustees will review the minimum level of reserves every three months.

Free Reserves at the year end were £83,235 (2023: £137,290)

Statement of Trustees Responsibilities

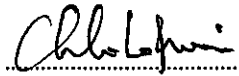

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. All transactions have been reviewed and approved by two trustees.

Report of the Independent Examiner

Greenfield Gospel Hall Trust For the year ended 5 April 2024

I report to the trustees on my examination of the accounts of the Greenfield Gospel Hall Trust for the year ended 5 April 2024.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking of explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes forming part of the Financial Statements

Greenfield Gospel Hall Trust For the year ended 5 April 2024

1. ACCOUNTING POLICIES

1.1 Basis of financial statements

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, and incorporating update bulletins 1 and 2, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and UK Generally Accepted Accounting Practice.

The functional currency of the charity is sterling (£).

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

1.2 Income

Donations are recognised in the year in which there is entitlement and probability of receipt and the amount can be measured with reasonable certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year. Gift aid is added to the value of the donation to which it relates.

Donated services are recognised as income and expenditure in the financial statements when organisations or individuals offer their services and support pro bono. The value of these donated services to Greenfield Gospel Hall Trust is considered to be equal to market value which would be paid were the service formally procured. This includes services paid for by other trusts.

Investment income is accounted for on a receivable basis.

1.3 Expenditure

Expenditure is included on an accruals basis. Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Charitable activities comprise those costs directly attributable to the fulfilment of the charitable objects.

1.4 Governance and support costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and costs related to statutory requirements. Governance and support costs are allocated to charitable activities on the basis of capacity used.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets (costing more than £100) are stated at cost less depreciation. Freehold land is not depreciated. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Freehold buildings	2% straight line
Plant and Machinery	20% straight line
Fixtures and Fittings	20% straight line

1.6 Taxation

The Trust is a registered charity and is not liable to United Kingdom income or corporation tax on charitable activities, provided income falls within the charitable exemptions and is spent on charitable purposes.

1.7 Funds

The general unrestricted fund is free for the Trustees to use for any purposes in furtherance of the trust's charitable objects.

Restricted funds arise from donations to the trust, which are made for a specific purpose. Restricted funds can only be used for the purpose for which funds were given.

1.8 Preparation of consolidated financial statements

The Charity does not have a trading subsidiary.

1.9 Going Concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

1.10 Significant estimates and judgements

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

2. TRUSTEES' REMUNERATION AND EXPENSES

No Trustees received any remuneration or other benefits from an employment with the charity and no Trustees were reimbursed for expenses (2023: none)

3. WAGES AND SALARIES

There are no employees (2023: none)

Report of the Trustees

Greenfield Gospel Hall Trust For the year ended 5 April 2023

The trustees present their report along with the financial statements of the Charity for the year ended 5 April 2023. The financial statements have been prepared in accordance with the accounting policies set out on page 11 and comply with the Trust Deed and applicable law.

Structure, Governance and Management

Governing Document

The Charity is an unincorporated trust constituted by a Deed of Trust dated 13 May 2003, most recently amended by Deed of Variation dated 27 February 2014. The trust was registered with the Charity Commission for England and Wales on 27 January 2015 under Charity Registration Number: 1160162

Recruitment and appointment of new Trustees

The Trustees who have served during the year and since the year end are set out on page 3. None of the Trustees, nor any person connected with them, received any remuneration or expenses from the Charity in the year ended 5 April 2023.

The Trust operates two Gospel halls and Trustees are chosen from among the regular congregation of the halls. New Trustees are nominated by the existing Trustees or by the congregation and must be appointed by unanimous resolution of the congregation. They are selected according to their skills and experience and are expected to use both in furthering the objects of the Charity. Checks are made to ensure the Trustees' eligibility to act and incoming Trustees are made aware of their responsibilities by the existing Trustees, who ensure that new Trustees read the Trust Deed and relevant Charity Commission guidance.

Wider Network

The Trustees maintain informal links with similar charities with a view to pooling experience considered useful in pursuing the objects of the Charity. The Charity also maintains particular links with Frome Valley Gospel Hall Trust with which it shares members of its congregation.

Risk Management

The Trustees have identified and reviewed the major risks to which the charity is exposed and confirm that they have established systems to manage and mitigate those risks.

Objectives and Activities

Objectives and Aims

The charitable purposes of the Charity are the advancement of the Christian religion for the public benefit, including by the carrying on of the service of God in accordance with the Old and New Testaments of the Holy Bible as followed by those Christians forming part of the world-wide fellowship known as the Plymouth Brethren Christian Church (the "Brethren") and any other charitable purposes connected with Brethren. The core doctrine of the Brethren and proper practices in furtherance of certain aspects of doctrine are summarised in two schedules to the Trust Deed.

Public Benefit

The Trustees confirm that they have complied with their duty under section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance to charities on public benefit.

Details of public benefit activities carried out by Greenfield Gospel Hall Trust can be found below:

25th September 2022 - volunteers from the congregation supported the RRT in responding to a request from the Bristol Civil Protection Response Team who were called to a fire on the top storey at Twinnell House, Bristol. Volunteers provided for approximately 50 displaced residents that had been evacuated.

29th November 2022 - volunteers from the congregation again supported the RRT at a "CEO sleepout" charity event at Clifton Rugby club to raise money for the homeless in Bristol.

3rd December 2022 - the Rapid Relief Team were supported by volunteers from the congregation at the "Santa's on Bikes" fundraising event at the Children's Hospice South West.

28th March 2023 - members of the congregation supported the RRT at the Oldbury Power Station in support of the police Public Order Training Exercise.

Main activities and achievements

The Trust provides and maintains two Gospel halls where religious meetings are held by the local Brethren community. Details of the origins, teachings and way of life of the Brethren can be found on the website - www.plymouthbrethrenchristianchurch.org and in the schedules to the Trust Deed.

The trustees have also operated an Emergency Needs fund for the duration of the coronavirus pandemic and any resultant economic downturn. This is providing limited financial assistance by the way of grocery vouchers to households, who have experienced a recent and significant decrease in income due to the pandemic, such that it is likely to impact on the health and/or welfare of members of the household. The trust has appointed a Local Welfare Panel to manage the application process and to administer the vouchers to qualifying applicants.

During the year the Greenfield Gospel Hall Trust, donated two rooms (Wotton Road and Kilgobbin House) to the Frome Valley Gospel Hall Trust (an affiliated trust) for nil consideration pursuant the power contained in clause 2.2(o) of the Trust Deed and section 117(3)(c) of the Charities Act 2011. The donation was completed on 9th January 2023.

Plans for future periods

Despite the increased cost of energy, the trustees feel that these increased costs are not significantly impacting on the ability of the charity to continue as a going concern.

Meetings

Meetings held at the Gospel halls include the Lord's Supper (Communion), Gospel preachings, Bible readings and Bible addresses. There is a structured weekly schedule of meetings and, depending on the particular meeting, between 40 and 650 people normally attend these occasions.

The meetings are attended by the regular congregation and most are open to other properly disposed visitors. The notice board outside the Hall welcomes visitors and displays the times of Gospel preachings, along with a telephone number for those seeking further information or help. Gospel tracts, which are distributed by street preachers, also display this information.

Bibles and an extensive range of other Christian reading material are on display at the halls and visitors are free to help themselves.

Spreading the Gospel message and the life of a Christian

The Gospel halls are a base from which the regular congregation and others who attend the meetings are encouraged to spread the Christian Gospel, in word and deed.

Members of the congregation participate in a programme of street preaching and Gospel tracts are provided free of charge by the Charity to such preachers to be handed out to interested members of the public.

In carrying out this work, the congregation considers itself to be living out its faith in practice, as particularly exemplified in the following extract from the schedule to the Trust Deed on living a Christian life:

- We seek and are encouraged to live exemplary lives in all our relationships with others in the wider community (including former Brethren), in accordance with the teachings of Holy Scripture (1 Tim 2:2).
- We regularly go out from our homes to preach on the streets, to distribute Christian literature and engage with the wider community (including former Brethren) in order to present eternal salvation, available to all men by faith in Jesus Christ. (2 Tim 4:2).
- We seek as members of the public to lead Christian lives as husbands and wives, parents, children, employers, employees and neighbours. (Col 3:22-25, Col 4:1).
- The preservation and protection of the family unit is fundamental and children are prized as a blessing from God. (Psalm 127:3-5). The elderly are valued members of the community, for whom both their family and the wider community are expected to care.
- Holy Scripture commands us to be good neighbours to others, and deal with all other people (including former Brethren) openly, honestly and fairly and consistent with these principles, we should give our time, talents and money to assist those in need in the wider community, in so far as reasonable given our abilities and our available resources. (Matt 7:12, Matt 22:39, Eph 4:28).

Funding

Funding is sought through gifts from the congregation and Gift Aid is claimed on eligible donations. Funding is sometimes received from other charitable trusts with complementary objectives.

Financial Review

In the year ended 5 April 2023 the Trust had a deficit of incoming resources over resources expended. This was mostly due to non-monetary items such as depreciation and the donations of rooms to affiliated trusts.

Total voluntary income received this year was £173,654 compared to £102,102 in the previous year.

All funds held were unrestricted funds.

Reserves Policy

The Trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs, based on its size and the level of its financial commitments. The Trustees have agreed that the Trust should aim to develop and maintain unrestricted reserves at a minimum level which equates to 6 months' operating costs. This would enable the Trust to continue its activities in the event of a sudden loss of funding. However, the members of the congregation have always recognised their responsibility to fund the running costs of the places of worship where they regularly attend. Therefore the Trustees do not ever expect a shortfall in funding to be other than temporary. Free reserves accumulated in excess of the minimum can be used at the discretion of the Trustees for the strategic development of the Trust. The Trustees will review the minimum level of reserves every three months.

Free Reserves at the year end were £137,290 (2022: £66,427)

Statement of Trustees Responsibilities

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. All transactions have been reviewed and approved by two trustees.

Report of the Independent Examiner

Greenfield Gospel Hall Trust For the year ended 5 April 2023

I report to the trustees on my examination of the accounts of the Greenfield Gospel Hall Trust for the year ended 5 April 2023.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking of explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes forming part of the Financial Statements

Greenfield Gospel Hall Trust For the year ended 5 April 2023

1. ACCOUNTING POLICIES

1.1 Basis of financial statements

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, and incorporating update bulletins 1 and 2, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and UK Generally Accepted Accounting Practice.

The functional currency of the charity is sterling (£).

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

1.2 Income

Donations are recognised in the year in which there is entitlement and probability of receipt and the amount can be measured with reasonable certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year. Gift aid is added to the value of the donation to which it relates.

Donated services are recognised as income and expenditure in the financial statements when organisations or individuals offer their services and support pro bono. The value of these donated services to Greenfield Gospel Hall Trust is considered to be equal to market value which would be paid were the service formally procured. This includes services paid for by other trusts.

Investment income is accounted for on a receivable basis.

1.3 Expenditure

Expenditure is included on an accruals basis. Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Charitable activities comprise those costs directly attributable to the fulfilment of the charitable objects.

1.4 Governance and support costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and costs related to statutory requirements. Governance and support costs are allocated to charitable activities on the basis of capacity used.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets (costing more than £100) are stated at cost less depreciation. Freehold land is not depreciated. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Freehold buildings	2% straight line
Plant and Machinery	20% straight line
Fixtures and Fittings	20% straight line

1.6 Taxation

The Trust is a registered charity and is not liable to United Kingdom income or corporation tax on charitable activities, provided income falls within the charitable exemptions and is spent on charitable purposes.

1.7 Funds

The general unrestricted fund is free for the Trustees to use for any purposes in furtherance of the trust's charitable objects.

Restricted funds arise from donations to the trust, which are made for a specific purpose. Restricted funds can only be used for the purpose for which funds were given.

1.8 Preparation of consolidated financial statements

The Charity does not have a trading subsidiary.

1.9 Going Concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

1.10 Significant estimates and judgements

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

2. TRUSTEES' REMUNERATION AND EXPENSES

No Trustees received any remuneration or other benefits from an employment with the charity and no Trustees were reimbursed for expenses (2022: none)

3. WAGES AND SALARIES

There are no employees (2022: none)

Report of the Trustees

Greenfield Gospel Hall Trust For the year ended 5 April 2022

The trustees present their report along with the financial statements of the Charity for the year ended 5 April 2022. The financial statements have been prepared in accordance with the accounting policies set out on page 13 and comply with the Trust Deed and applicable law.

Structure, Governance and Management

Governing Document

The Charity is an unincorporated trust constituted by a Deed of Trust dated 13 May 2003, most recently amended by Deed of Variation dated 27 February 2014. The trust was registered with the Charity Commission for England and Wales on 27 January 2015 under Charity Registration Number: 1160162

Recruitment and appointment of new Trustees

The Trustees who have served during the year and since the year end are set out on page 3. None of the Trustees, nor any person connected with them, received any remuneration or expenses from the Charity in the year ended 5 April 2022.

The Trust operates four Gospel halls and Trustees are chosen from among the regular congregation of the halls. New Trustees are nominated by the existing Trustees or by the congregation and must be appointed by unanimous resolution of the congregation. They are selected according to their skills and experience and are expected to use both in furthering the objects of the Charity. Checks are made to ensure the Trustees' eligibility to act and incoming Trustees are made aware of their responsibilities by the existing Trustees, who ensure that new Trustees read the Trust Deed and relevant Charity Commission guidance.

Wider Network

The Trustees maintain informal links with Trustees of similar Trusts with a view to pooling experience considered useful in pursuing the objects of the Trust. The Trust also maintains particular links with the Siston Gospel Hall Trust, Ashgrove Gospel Hall Trust, Springfield Gospel Hall Trust and Frome Valley Gospel Hall Trust, all of which it shares members of its congregation.

Risk Management

The Trustees have identified and reviewed the major risks to which the charity is exposed and confirm that they have established systems to manage and mitigate those risks.

Objectives and Activities

Objectives and Aims

The charitable purposes of the Charity are the advancement of the Christian religion for the public benefit, including by the carrying on of the service of God in accordance with the Old and New Testaments of the Holy Bible as followed by those Christians forming part of the world-wide fellowship known as the Plymouth Brethren Christian Church (the "Brethren") and any other charitable purposes connected with Brethren. The core doctrine of the Brethren and proper practices in furtherance of certain aspects of doctrine are summarised in two schedules to the Trust Deed.

Public Benefit

The Trustees confirm that they have complied with their duty under section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance to charities on public benefit.

Details of public benefit activities carried out by Greenfield Gospel Hall Trust can be found below:

The Trust works closely with a separate charity, the Rapid Relief Team (RRT) providing volunteers who provide support to emergency services and the community. The trust would have liked to have carried out more public benefit activities during the year but was hindered by the Covid-19 pandemic.

- 6th May 2021 - The Trust provided volunteers to support the RRT at the Joint Services Rope Training Day held at Sandford Quarry near Churchill, North Somerset.

- 25th June 2021 - The Trust provided volunteers to support the RRT at St Peter's Hospice 'Tour de Bristol' cycling event.

- 4th December 2021 - Volunteers from the trust supported the RRT at an event held at the Children's Hospice South West.

Main activities and achievements

The Trust provides and maintains four Gospel halls where religious meetings are held by the local Brethren community. Details of the origins, teachings and way of life of the Brethren can be found on the website - www.plymouthbrethrenchristianchurch.org and in the schedules to the Trust Deed.

The trustees have also operated an Emergency Needs fund for the duration of the coronavirus pandemic and any resultant economic downturn. This is providing limited financial assistance by the way of grocery vouchers to households, who have experienced a recent and significant decrease in income due to the pandemic, such that it is likely to impact on the health and/or welfare of members of the household. The trust has appointed a Local Welfare Panel to manage the application process and to administer the vouchers to qualifying applicants.

During the year the Greenfield Gospel Hall Trust, donated the two rooms on Court Road and The Street to the Frome Valley Gospel Hall Trust (an affiliated trust) for nil consideration pursuant to the power contained in clause 2.2(o) of the Trust Deed and section 117(3)(c) of the Charities Act 2011. The donation was completed on 4th February 2022.

Plans for future periods

With the commencement of lockdown restrictions in the UK the trust ceased using the gospel halls it operates. During the financial year, restrictions were eased sufficiently to allow the congregation to use the gospel halls for the Lord's Supper (Communion). The use of the rooms was conducted in a manner which always complied with the government guidance, and the trust intends to continue using the rooms when it is safe to do so. The trustees do not consider that the Covid-19 pandemic will have any effect on the ability of the trust to continue as a going concern.

Meetings

Meetings held at the Gospel halls include the Lord's Supper (Communion), Gospel preachings, Bible readings and Bible addresses. There is a structured weekly schedule of meetings and, depending on the particular meeting, between 40 and 650 people normally attend these occasions.

The meetings are attended by the regular congregation and most are open to other properly disposed visitors. The notice board outside the Hall welcomes visitors and displays the times of Gospel preachings, along with a telephone number for those seeking further information or help. Gospel tracts, which are distributed by street preachers, also display this information.

Bibles and an extensive range of other Christian reading material are on display at the halls and visitors are free to help themselves.

Spreading the Gospel message and the life of a Christian

The Gospel halls are a base from which the regular congregation and others who attend the meetings are encouraged to spread the Christian Gospel, in word and deed.

Members of the congregation would usually participate in a programme of street preaching where Gospel tracts are provided free of charge by the Charity to such preachers to be handed out to interested members of the public. Due to the Covid-19 pandemic this has not been possible during the financial year, but the congregation aim to continue this once it is safe to do so.

In carrying out this work, the congregation considers itself to be living out its faith in practice, as particularly exemplified in the following extract from the schedule to the Trust Deed on living a Christian life:

- We seek and are encouraged to live exemplary lives in all our relationships with others in the wider community (including former Brethren), in accordance with the teachings of Holy Scripture (1 Tim 2:2).
- We regularly go out from our homes to preach on the streets, to distribute Christian literature and engage with the wider community (including former Brethren) in order to present eternal salvation, available to all men by faith in Jesus Christ. (2 Tim 4:2).
- We seek as members of the public to lead Christian lives as husbands and wives, parents, children, employers, employees and neighbours. (Col 3:22-25, Col 4:1).
- The preservation and protection of the family unit is fundamental and children are prized as a blessing from God. (Psalm 127:3-5). The elderly are valued members of the community, for whom both their family and the wider community are expected to care.
- Holy Scripture commands us to be good neighbours to others, and deal with all other people (including former Brethren) openly, honestly and fairly and consistent with these principles, we should give our time, talents and money to assist those in need in the wider community, in so far as reasonable given our abilities and our available resources. (Matt 7:12, Matt 22:39, Eph 4:28).

Funding

Funding is sought through gifts from the congregation and Gift Aid is claimed on eligible donations. Funding is sometimes received from other charitable trusts with complementary objectives.

Financial Review

In the year ended 5 April 2022 the Trust had a deficit of incoming resources over resources expended. This was mostly due to non-monetary items such as depreciation and the donations of rooms to affiliated trusts.

Total voluntary income received this year was £102,102 compared to £157,113 in the previous year.

All funds held were unrestricted funds.

During the year, loan repayments of £60,000 were made to private individuals. A balance of £10,000 outstanding on a loan was also reclassified as a gift during the financial year.

Reserves Policy

The Trustees have agreed that the Trust should aim to develop and maintain unrestricted reserves at a minimum level which equates to 6 months' operating costs. This would enable the Trust to continue its activities in the event of a sudden loss of funding. However, the members of the congregation have always recognised their responsibility to fund the running costs of the places of worship where they regularly attend. Therefore the Trustees do not ever expect a shortfall in funding to be other than temporary. Free reserves accumulated in excess of the minimum can be used at the discretion of the Trustees for the strategic development of the Trust. The Trustees will review the minimum level of reserves every three months.

Free Reserves at the year end were £66,427 (2021: £nil)

Statement of Trustees Responsibilities

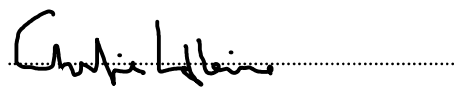

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. All transactions have been reviewed and approved by two trustees.

Auditors' Report

Greenfield Gospel Hall Trust For the year ended 5 April 2022

Opinion

We have audited the financial statements of Greenfield Gospel Hall Trust for the year ended 5 April 2022 which comprise Statement of Financial Activities, Statement of Financial Position and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept sufficient accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 7, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditors under the Charities Act 2011 and report in accordance with regulations made under that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud are detailed below.

Identifying and assessing risks related to irregularities:

We assessed the susceptibility of the charity's financial statements to material misstatement and how fraud might occur, including through discussions with the trustees, discussions within our audit team planning meeting, updating our record of internal controls and ensuring these controls operated as intended. We evaluated possible incentives and opportunities for fraudulent manipulation of the financial statements. We identified laws and regulations that are of significance in the context of the charity by discussions with trustees and updating our understanding of the sector in which the charity operates.

Laws and regulations of direct significance in the context of the charity include the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and guidance issued by the Charity Commission for England and Wales.

Audit response to risks identified:

We considered the extent of compliance with these laws and regulations as part of our audit procedures on the related financial statement items including a review of financial statement disclosures. We reviewed the charity's records of breaches of laws and

regulations, minutes of meetings and correspondence with relevant authorities to identify potential material misstatements arising. We discussed the charity's policies and procedures for compliance with laws and regulations with members of management responsible for compliance.

During the planning meeting with the audit team, the engagement partner drew attention to the key areas which might involve non-compliance with laws and regulations or fraud. We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or knowledge of any actual, suspected or alleged fraud. We addressed the risk of fraud through management override of controls by testing the appropriateness of journal entries and identifying any significant transactions that were unusual or outside the normal course of business. We assessed whether judgements made in making accounting estimates gave rise to a possible indication of management bias. At the completion stage of the audit, the engagement partner's review included ensuring that the team had approached their work with appropriate professional scepticism and thus the capacity to identify non-compliance with laws and regulations and fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes forming part of the Financial Statements

Greenfield Gospel Hall Trust For the year ended 5 April 2022

1. ACCOUNTING POLICIES

1.1 Basis of financial statements

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, and incorporating update bulletins 1 and 2, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and UK Generally Accepted Accounting Practice.

The functional currency of the charity is sterling (£).

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

1.2 Income

Donations are recognised in the year in which there is entitlement and probability of receipt and the amount can be measured with reasonable certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year. Gift aid is added to the value of the donation to which it relates.

Donated services are recognised as income and expenditure in the financial statements when organisations or individuals offer their services and support pro bono. The value of these donated services to Greenfield Gospel Hall Trust is considered to be equal to market value which would be paid were the service formally procured. This includes services paid for by other trusts.

Investment income is accounted for on a receivable basis.

1.3 Expenditure

Expenditure is included on an accruals basis. Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Charitable activities comprise those costs directly attributable to the fulfilment of the charitable objects.

1.4 Governance and support costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and costs related to statutory requirements. Governance and support costs are allocated to charitable activities on the basis of capacity used.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets (costing more than £100) are stated at cost less depreciation. Freehold land is not depreciated. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Freehold buildings	2% straight line
Plant and Machinery	20% straight line
Fixtures and Fittings	20% straight line

1.6 Taxation

The Trust is a registered charity and is not liable to United Kingdom income or corporation tax on charitable activities, provided income falls within the charitable exemptions and is spent on charitable purposes.

1.7 Funds

The general unrestricted fund is free for the Trustees to use for any purposes in furtherance of the trust's charitable objects.

Restricted funds arise from donations to the trust, which are made for a specific purpose. Restricted funds can only be used for the purpose for which funds were given.

1.8 Preparation of consolidated financial statements

The Charity does not have a trading subsidiary.

1.9 Going Concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

1.10 Significant estimates and judgements

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

The trustees do not consider that the Covid-19 pandemic will have any effect on the ability of the trust to continue as a going concern.

2. TRUSTEES' REMUNERATION AND EXPENSES

No Trustees received any remuneration or other benefits from an employment with the charity and no Trustees were reimbursed for expenses (2021: none)

3. WAGES AND SALARIES

There are no employees (2021: none)

GREENFIELD GOSPEL HALL TRUST

REPORT OF THE TRUSTEES

YEAR ENDED 05 APRIL 2021

The Trustees present their report along with the financial statements of the Charity for the year ended 05 April 2021. The financial statements have been prepared in accordance with the accounting policies set out on page ten and comply with the Trust Deed and applicable law.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is an unincorporated trust constituted by a Deed of Trust dated 13 May 2003, most recently amended by Deed of Variation dated 27 February 2014. The Trust was registered with the Charity Commission for England and Wales on 27 January 2015 under Charity Registration Number: 1160162

Recruitment and appointment of new trustees

The Trustees who have served during the year and since the year end are set out on page 2. None of the Trustees, nor any person connected with them, received any remuneration or expenses from the Charity in the year ended 05 April 2021 (2020: £nil).

The Trust operates 6 Gospel halls and Trustees are chosen from among the regular congregation of the halls. New Trustees are nominated by the existing Trustees or by the congregation and must be appointed by unanimous resolution of the congregation. They are selected according to their skills and experience and are expected to use both in furthering the objects of the Charity. Checks are made to ensure the Trustees' eligibility to act and incoming Trustees are made aware of their responsibilities by the existing Trustees, who ensure that new Trustees read the Trust Deed and relevant Charity Commission guidance.

Wider network

The Trustees maintain informal links with Trustees of similar Trusts with a view to pooling experience considered useful in pursuing the objects of the Trust. The Charity also maintains particular links with Siston Gospel Hall Trust, Ashgrove Gospel Hall Trust, Springfield Gospel Hall Trust and Frome Valley Gospel Hall Trust, with which it shares members of its congregation.

Risk management

The Trustees have identified and reviewed the major risks to which the charity is exposed and confirm that they have established systems to manage and mitigate those risks.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charitable purposes of the Charity are the advancement of the Christian religion for the public benefit, including by the carrying on of the service of God in accordance with the Old and New Testaments of the Holy Bible as followed by those Christians forming part of the world-wide fellowship known as the Plymouth Brethren Christian Church (the "Brethren") and any other charitable purposes connected with Brethren. The core doctrine of the Brethren and proper practices in furtherance of certain aspects of doctrine are summarised in two schedules to the Trust Deed.

Public benefit

The Trustees confirm that they have complied with their duty under section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance to charities on public benefit.

Plans for future periods

From 18th March 2020, Greenfield Gospel Hall Trust ceased using the gospel halls which it operates. This was a result of the global Covid-19 pandemic and the general lockdown imposed by the government on 23rd March 2020. The Trust aims to use the gospel halls again once the general lockdown is lifted and it is deemed safe to do so. The trustees do not consider that the Covid-19 pandemic will have any effect on the ability of the Trust to continue as a going concern.

GREENFIELD GOSPEL HALL TRUST

REPORT OF THE TRUSTEES

YEAR ENDED 05 APRIL 2021

Main activities and achievements

The Trust provides and maintains 4 Gospel halls where religious meetings are held by the local Brethren community. Details of the origins, teachings and way of life of the Brethren can be found on the website - www.plymouthbrethrenchristianchurch.org and in the schedules to the Trust Deed.

During the year the trust has continued to maintain the properties which it owns, to facilitate the main purpose of the Christian worship, Bible readings and preaching of the word of God.

A number of members of the congregation regularly attend open-air preachings in cities and towns where they work, preaching the gospel and handing out gospel tracts. Members also assist the Rapid Relief Team, a charity which support local communities in time of need.

The trustees have also established an Emergency Needs fund for the duration of the current pandemic and any resultant economic downturn. This is providing limited financial assistance by the way of grocery vouchers to households, who have experienced a recent and significant decrease in income due to the pandemic, such that it is likely to impact on the health and/or welfare of the members of the household. The trust has appointed a Local Welfare Panel to manage the application process and to administer the vouchers to qualifying applicants.

Meetings

Meetings held at the Gospel halls include the Lord's Supper (Communion), Gospel preachings, Bible readings and Bible addresses. There is a structured weekly schedule of meetings and, depending on the particular meeting, between 40 and 650 people normally attend these occasions.

The meetings are attended by the regular congregation and most are open to other properly disposed visitors. The notice board outside the Hall welcomes visitors and displays the times of Gospel preachings, along with a telephone number for those seeking further information or help. Gospel tracts, which are distributed by street preachers, also display this information.

Bibles and an extensive range of other Christian reading material are on display at the halls and visitors are free to help themselves.

Spreading the Gospel message and the life of a Christian

The Gospel halls are a base from which the regular congregation and others who attend the meetings are encouraged to spread the Christian Gospel, in word and deed.

Members of the congregation participate in a programme of street preaching and Gospel tracts are provided free of charge by the Charity to such preachers to be handed out to interested members of the public.

In addition to street preaching, members of the congregation has contact with prison chaplains to provide gospel tracts and bibles as required. The Trust also operates a programme of providing regular packs of nutritious food and gospel literature to homeless and needy persons through local charities or homeless societies.

In carrying out this work, the congregation considers itself to be living out its faith in practice, as particularly exemplified in the following extract from the schedule to the Trust Deed on living a Christian life:

- We seek and are encouraged to live exemplary lives in all our relationships with others in the wider community (including former Brethren), in accordance with the teachings of Holy Scripture (1 Tim 2:2).

- We regularly go out from our homes to preach on the streets, to distribute Christian literature and engage with the wider community (including former Brethren) in order to present eternal salvation, available to all men by faith in Jesus Christ. (2 Tim 4:2).

- We seek as members of the public to lead Christian lives as husbands and wives, parents, children, employers, employees and neighbours. (Col 3:22-25, Col 4:1).

- The preservation and protection of the family unit is fundamental and children are prized as a blessing from God. (Psalm 127:3-5). The elderly are valued members of the community, for whom both their family and the wider community are expected to care.

- Holy Scripture commands us to be good neighbours to others, and deal with all other people (including former Brethren) openly, honestly and fairly and consistent with these principles, we should give our time, talents and money to assist those in need in the wider community, in so far as reasonable given our abilities and our available resources. (Matt 7:12, Matt 22:39, Eph 4:28).

GREENFIELD GOSPEL HALL TRUST

REPORT OF THE TRUSTEES

YEAR ENDED 05 APRIL 2021

Funding

Funding is sought through gifts from the congregation and Gift Aid is claimed on eligible donations. Funding is sometimes received from other charitable trusts with complementary objectives.

FINANCIAL REVIEW

Financial position

In the year ended 5 April 2021, the Trust had a deficit of incoming resources over resources expended. This was mainly due to non-monetary items such as depreciation. Total voluntary income received this year was £157,113 compared to £180,851 in the previous year.

During the year, loan repayments of £63,000 were made to private individuals.

All funds held were unrestricted funds.

Reserves policy

The Trustees have agreed that the Trust should aim to develop and maintain unrestricted reserves at a minimum level which equates to 6 months' operating costs. This would enable the Trust to continue its activities in the event of a sudden loss of funding. However, the members of the Congregation have always recognised their responsibility to fund the running costs of the places of worship where they regularly attend. Therefore the Trustees do not ever expect a shortfall in funding to be other than temporary. Free reserves accumulated in excess of the minimum can be used at the discretion of the Trustees for the strategic development of the Trust. The Trustees will review the minimum level of reserves every three months.

Free reserves at the year end were £nil.

GREENFIELD GOSPEL HALL TRUST

REPORT OF THE TRUSTEES

YEAR ENDED 05 APRIL 2021

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing those financial statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT EXAMINER
TO THE TRUSTEES OF THE GREENFIELD GOSPEL HALL TRUST
FOR THE YEAR ENDED 05 APRIL 2021

I report to the trustees on my examination of the accounts of the Greenfield Gospel Hall Trust for the year ended 05 April 2021.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

BASIS OF THE INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking of explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1.Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2.The accounts do not accord with those records; or
- 3.The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and faire view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

GREENFIELD GOSPEL HALL TRUST
NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 05 APRIL 2021

1. ACCOUNTING POLICIES

1.1 Basis of financial statements

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, and incorporating update bulletins 1 and 2, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and UK Generally Accepted Accounting Practice.

The functional currency of the charity is sterling (£).

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

1.2 Income

Donations are recognised in the year in which there is entitlement and probability of receipt and the amount can be measured with reasonable certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year. Gift aid is added to the value of the donation to which it relates.

Donated services are recognised as income and expenditure in the financial statements when organisations or individuals offer their services and support pro bono. The value of these donated services to Greenfield Gospel Hall Trust is considered to be equal to market value which would be paid were the service formally procured. This includes services paid for by other trusts.

Investment income is accounted for on a receivable basis.

1.3 Expenditure

Expenditure is included on an accruals basis. Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Charitable activities comprise those costs directly attributable to the fulfilment of the charitable objects.

1.4 Governance and support costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and costs related to statutory requirements. Governance and support costs are allocated to charitable activities on the basis of capacity used.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets (costing more than £100) are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Freehold buildings	2% straight line
Fixtures and fittings	20% straight line
Plant and equipment	20% straight line

1.6 Taxation

The Trust is a registered charity and is not liable to United Kingdom income or corporation tax on charitable activities, provided income falls within the charitable exemptions and is spent on charitable purposes.

1.7 Funds

The general unrestricted fund is free for the Trustees to use for any purposes in furtherance of the trust's charitable objects.

Restricted funds arise from donations to the trust, which are made for a specific purpose. Restricted funds can only be used for the purpose for which funds were given.

1.8 Preparation of consolidated financial statements

The income of the group does not exceed the threshold of £1million and therefore there is no requirement to prepare group accounts.

1.9 Going concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

From 18th March 2020, Greenfield Gospel Hall Trust ceased using the gospel halls which it operates, due to the global Covid-19 pandemic and the general lockdown imposed by the government. The trustees do not consider that the Covid-19 pandemic will have any effect on the ability of the trust to continue as a going concern.

2. TRUSTEES' REMUNERATION AND EXPENSES

No Trustees received any remuneration or other benefits from an employment with the charity and no Trustees were reimbursed for expenses (2020: None).

3. WAGES AND SALARIES

There are no employees (2020: none).
