RISK MANAGEMENT

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been, or will be, established to enable the necessary steps to be taken to lessen these risks.

The main risk to the charity is that membership income decreases which would significantly reduce the level of charitable activity possible.

FUTURE PLANS

The SA-UK Trust Network continues to grow its charitable relationships and increase memberships to enable more charities to connect and learn from each other. It is heartening to note that members tell each other about the Network and new potential members approach the Network by finding it online.

The administrator has taken on the role of managing the social media enabling an ongoing and consistent social media presence.

It is planned to approach the South African Chamber of Commerce, UK to request that they host a joint meeting and, if successful, to try to have these annually.

A strategic planning session is also envisaged, ideally with an outside facilitator, to consider the next phase of the Network's evolution. This is likely to result in more gatherings as this is the most requested option by the members.

STRUCTURE, GOVERNANCE AND MANAGEMENT

SA-UK Trust Network is a UK registered charity and is constituted as a charitable incorporated organisation and therefore governed by a Memorandum and Articles of Association.

The charity is organised so that its directors and trustees meet at various intervals and exercise responsibility for its governance. In the intervening periods the secretary deals with the routine business.

All trustees give their time freely and no trustee remuneration or expenses was paid in the year. In addition, no out of pocket expenses were reimbursed to the trustees and no trustee had any beneficial interest in any contract with the charity during the year.

TRUSTEES RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently; observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations, and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2022

1. ACCOUNTING POLICIES

(a) Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Advantage has been taken of the exemption for charities with income less than £500,000 from preparing a cash flow statement under SORP (FRS 102) Update Bulletin 1 (issued February 2016), which the charity has early adopted.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

(b) Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts the trustees have considered whether in applying the accounting policies required by FRS102 and the Charities SORP FRS102 a restatement of comparative items was required. No restatements were required.

(c) Income

Income is recognised when the charity has entitlement to the funds, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the foundation has been notified in writing of both the amount and settlement date.

(d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

All expenditure is accounted for on an accruals basis, however currently the administration and governance expenditure for the Foundation is paid by the charity.
