Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>Human Relief Mission is relatively a small charity with a high potential to grow, started in 2012 and registered with the charity commission in 2015, with income of around £206756.00 in 2020. All of our trustees are volunteers as well as our Director Administration.</p> <p>At present we are not holding any reserves however, once our funds get to a certain level we shall gradually start reserving a set amount to get to the level of 5000 reserves. The HRM Board of Trustees discussed the following factors in arriving at their reserves policy:</p> <ul style="list-style-type: none"> • Money should only be kept in reserve for specific reasons – whilst it is the HRM policy that we should not hoard but to spend most of the funds on good causes. It is also clear that sensible planning for known events and responsibly for others is important. • It would be prudent to keep an amount of 5000 in case of emergency. • It would also be good to have some funds in reserves to cover future office renovation cost. • The HRM B.O.T have not put any money into reserves in recent years. <p>Policy: HRM B.O.T has agreed a reserves policy of holding 5,000 in reserves to cover the running costs in the event of a major problem. HRM aims to keep approximately 5000 in reserves. To achieve this, we aim to put .1k per year into reserves from income until that level is achieved. Policy of reserves may vary from year to year as per need of the charity.</p>
