**Report of the Trustees**  
**for the Year Ended 31 January 2022**

---

The trustees present their report with the financial statements of the charity for the year ended 31 January 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The objects of the charity are the advancement of the Islamic faith in particular the Islamic faith Sunni Hanafi Brevli Sect in Halifax and in particular but not exclusively by:

- a) the provision of an educational institute and other buildings and premises ancillary thereto for use by all students of the Rabia Institute
- b) the appointment of qualified teachers and support workers
- c) the establishment of such societies and groups to support the emotional, mental and wellbeing of service users
- d) the provision of early years creche and nursery facilities to support the development of children
- e) to arrange exhibitions both nationally and internationally with a view to building relationships with other institutes and scholars and the inviting of scholars to Rabia Institute.

**Public benefit**

Our objectives are set to reflect our faith and community aims. The trustees review the objectives and activities on an annual basis to ensure they continue to reflect our aims. In carrying out this review the trustees have complied with their duties as detailed in the Charities Act 2011 section 17(5) by reviewing the Charity Commissions general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

**Social investments**

The charity aims to promote the Islamic faith in Halifax by providing educational facilities.

**Volunteers**

The charity is grateful for the assistance of 2 volunteers during the year.

**ACHIEVEMENT AND PERFORMANCE**

The Rabia Institute continues to play a central role in the provision of Islamic education for women living in Halifax and surrounding areas. As students have advanced to a higher level of learning, our teaching format has been tailored for smaller class sizes to accommodate one to one support.

Unfortunately the Institute has been impacted by the coronavirus pandemic and was closed for periods with no teaching and at other times reverted to virtual teaching. We started receiving tuition fees again in October 2021 and during the year received grant income in the form of the coronavirus job retention scheme which allowed us to furlough staff..

**FINANCIAL REVIEW**

**Principal funding sources**

The principal funding sources during the period were from tuition fees which recommenced in October 2021 and grant income from the government in the form of the coronavirus job retention scheme which allowed us to furlough staff..

**Reserves policy**

The total reserves of the charity at 31st January 2022 were £5607 (2021 £5012.) Free reserves amounted to £5277 ( 2021 £4298.)

There are no restricted reserves held by the charity.

The policy on unrestricted reserves is that these will be accumulated to meet the future needs of the charity. The trustees intend to increase the free reserves over the coming years.

**Going concern**

The trustees have considered the position regarding going concern particularly in the light of Covid-19.

The trustees have looked at forecasts and are satisfied that the charity has adequate resources to continue to operate for the foreseeable future.

The Institute has sufficient liquid funds to meet its liabilities as they become due and expenditure will not be authorised unless sufficient funds are in place. For these reasons the trustees continue to adopt the going concern basis for preparing these financial statements.

**Report of the Trustees**  
**for the Year Ended 31 January 2022**

---

**FUTURE PLANS**

We are looking forward to resuming normal operations despite the ongoing problems caused by the coronavirus pandemic.

We seek to further strengthen ourselves as the primary provider of Islamic education to females locally, especially to those who would ordinarily find it difficult to access such learning.

Recognising the success of diploma courses, we look forward to reintroducing part time courses and further expanding the teaching opportunities available to our graduates.

Circumstances permitting we are also keen to develop the Institute's extra curricular offerings based on insight and suggestions from current students.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is a charitable incorporated organisation and is controlled by its governing document, its constitution which was adopted on 4th February 2015. The organisation was recognised as a charity on 9th February 2015.

**Recruitment and appointment of new trustees**

There must be a minimum of three and a maximum of six trustees and apart from the first charity trustees, every trustee must be appointed by a resolution passed at a properly convened meeting of the charity trustees.

In selecting individuals for appointment as charity trustees, the trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

**Organisational structure**

The day to day management of the charity is undertaken by the trustees who make all the decisions regarding the operation of the charity.

**Induction and training of new trustees**

A policy is in place for inducting new trustees and training sessions will be given to new trustees to familiarise themselves with the charity and their obligations.

**Key management remuneration**

Remuneration of staff is governed by market rates.

**Related parties**

The only related parties are the trustees and no trustee is remunerated or has any benefit in kind.

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure compliance with all legislation. External risks to funding are monitored to ensure action can be taken on a timely basis to diversify sources of income and cut costs if required.

There are additional risks involved with Covid-19 especially in regard to safeguarding and the trustees are following government guidance and suspended teaching during the lockdown period. They have also taken advantage of the government furlough scheme to cut costs during the pandemic.

These procedures are periodical reviewed to ensure they still meet the needs of the charity.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 23 May 2022 and signed on its behalf by:

A Hamid - Trustee

**Notes to the Financial Statements**  
**for the Year Ended 31 January 2022**

---

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on reducing balance
Computer equipment	- 20% on cost

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

At present there are no restricted funds.

**Financial Instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**Going Concern**

The trustees have considered the position regarding going concern particularly in the light of Covid-19.

The trustees have looked at forecasts and are satisfied that the charity has adequate resources to continue to operate for the foreseeable future.

The Institute has sufficient liquid funds to meet its liabilities as they become due and expenditure will not be authorised unless sufficient funds are in place. For these reasons the trustees continue to adopt the going concern basis for preparing these financial statements.

**Notes to the Financial Statements - continued**  
**for the Year Ended 31 January 2022**

**1. ACCOUNTING POLICIES - continued**

**Grants**

Government grants and third party contributions and donations are recognised as due to the charity when there is reasonable assurance that the charity will comply with any conditions attached to the payments and that the grants or contributions will be received.

Grants recognised as income are presented separately in the notes to the accounts.

**2. DONATIONS AND LEGACIES**
