Independent Examiner's Report to the Trustees of Grayling Charitable Trust

Year ended 31 March 2024

I report to the trustees on my examination of the financial statements of Grayling Charitable Trust ('the charity') for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

1 Income

Donations and investment income are accounted for when receivable.

2 Basis of preparation

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

3 Resources expended

Expenditure is included on a renewals basis.

Donations payable are charged in the year when the offer is conveyed to the recipient except in those cases where the offer is conditional, such donations being recognised as expenditure when the conditions attached are fulfilled. Donations offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

6 Fixed asset investments

Investments are included at closing mid-market value at the balance sheet date. Any gain or loss on valuation is taken to the statement of financial activities. Fixed investment assets realised within twelve months of the balance sheet date are re-classified as current assets.

7 Unrestricted income fund

The Accumulated Income Fund represents income from donations and fixed asset investments and will be applied to making donations to charitable bodies and administering the affairs of the charity. This fund may, at the discretion of the trustees, be expended for capital purposes.

Designated funds form part of unrestricted funds. Amounts are transferred into this fund at the trustees' discretion to cover specific future expenditure by the Charity.

8 Judgements and key sources of estimation uncertainty

There are no estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities.

9 Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

10 Investment property

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure.

Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in income or expenditure.

If a reliable measure of fair value is no longer available without undue cost or effort for an item of investment property, it shall be transferred to tangible assets and treated as such until it is expected that fair value will be reliably measurable on an on-going basis.
