REPORT OF THE TRUSTEES

The Trustees present their annual report and audited financial statements for the year ended the 31st December, 2024.

STRUCTURE GOVERNANCE AND MANAGEMENT

The charity is governed by a CIO Foundation constitution dated 12th February, 2015, as amended on 5th April, 2018 to perform the objects of the trust. The committee is made up of four individuals who are responsible for the day to day management and fundraising activities of the charity

The recruitment, appointment and training of new trustees are conducted by existing trustees.

OBJECTIVES OF THE CHARITY

The Charity's objects are:

- to promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of one or more of the
- * following factors: unemployment; financial hardship; youth or old age; ill health (physical or mental); substance abuse or dependency including alcohol and drugs; discrimination on the grounds of sex, race, disability, ethnic origin, religion, belief, creed, sexual orientation or gender re-assignment; poor educational or skills attainment; relationship and family breakdown; poor housing; criminal record.
- * the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment, focusing on the training and rehabilitation of former criminals or underprivileged people

The objects are met in various ways, particularly through the relief of hardship, by providing items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty and the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment and by supporting individuals to change their lives. We will be promoting social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. In carrying out the objects of the charity, the trustees have had due regard to the Charity Commission's guidance on Public Benefit.

PUBLIC BENEFIT

All of the Charity's activities are undertaken to further our charitable purpose for the benefit of the public. The trustees have had regard to the Charity Commission guidance on public benefit in section four of the Charities Act 2011. The main benefits which have arisen during the year from the organisations aims and activities are detailed in the following sections and in the financial review.

REVIEW OF THE DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

It was noted last year that the Trustees had decided to undertake a strategic review of the charitable giving going forward to determine whether more targeted longer term assistance for specific charitable projects would be more beneficial, and to establish other ways of fulfilling the charitable mandate embodied in the Charity's objectives.

The charity did not receive any support from the Goodwill Solutions Group in 2024, and thus relied on its reserves to continue operations and fund its charitable activity. It is anticipated that the support from the Goodwill Solutions Group will resume in 2025.

The combination of the above two factors means that the Charity had a year of reduced activity whilst it considered its future activities. However, the Charity did make a grant of £5,500 to a local charity the Manna House and continued to fund £15,163 to the Hemmingwell community food bank in Wellingborough, which resulted in more people that are struggling to afford basic necessities being provided with food and other practical support.

As part of its redeveloped focus towards long term social impact benefits, the charity agreed to fund a Northampton University PhD student at a cost of £19,000 during the year to undertake primary research on a Social Impact Framework for the logistics industry. This will help the charity and its primary donor, The Goodwill Solutions Group, measure and assess the impact of its ongoing activities against a rigorous formalised set of metrics. This support is anticipated to last a further two years.

REPORT OF THE TRUSTEES - CONTINUED

REVIEW OF THE DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR (CONTINUED)

In order to try and use the funding received by the Charity to promote long term social impact, it also decided to devote some of its future resources to identifying and supporting Social Entrepreneurs. This work is anticipated to come to fruition during 2026.

FINANCIAL RESULTS FOR THE YEAR

During the year the donations made were £47,244 (2023 - £64,959) to various causes that helped the charity carry out its objects and the furtherance of its public benefit. The level of funds generated totaled £1,300 and so there was a deficit for the year of £46,857 (2023 – surplus £39,755). Given the level of reserves brought forward and carried forward the Trustees content with the position at 31st December, 2024. The reserves at 31st December, 2024 stood at £321,032 (2023 - £367,890).

POLICY ON RESERVES

The level of reserves the charity has are deemed adequate to undertaken the charitable purpose throughout 2024, as with the previous year the Charity received substantial funding to undertake the charitable purpose in the coming year. The Trustees will ensure that the unrestricted fund is sufficient to sustain its operations, should income generating activities be curtailed unexpectedly over the forthcoming year.

RISK ASSESSMENT POLICY

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate their exposure to the major risks.

PLANS FOR FUTURE PERIODS

The Charity’s future plans continue to be using the funds to fulfil their public benefit, which has continued during the year.

TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the method and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the charity (Accounts and Reports) Regulations 2008 and the provision of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE TRUSTEES

OBJECTIVES OF THE CHARITY

The Charity's objects are:

The objects are met in various ways, particularly through the relief of hardship, by providing items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty and the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment and by supporting individuals to change their lives. In carrying out the objects of the charity, the trustees have had due regard to the Charity Commission's guidance on Public Benefit.

PUBLIC BENEFIT

All of the Charity's activities are undertaken to further our charitable purpose for the benefit of the public. The trustees have had regard to the Charity Commission guidance on public benefit in section four of the Charities Act 2011. The main benefits which have arisen during the year from the organisations aims and activities are detailed in the following sections and in the financial review.

REVIEW OF THE DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

The Charity used the prior year funding it received from the Goodwill Solutions Group to continue to support projects throughout 2023 and developed new grant relationships with charities that provide local social impact. In that regard, there were many new grants made to local charities such as Spencer Contract (furniture to families), Save Haven (mental health support), Northampton Town of Sanctuary (refugee support), Better Pathways (disadvantaged children support), Right Resolution (feminine hygiene support), as well as continuing to fund the Hemmingwell community food bank in Wellingborough.

The ongoing projects supported through 2023, enabled through the Goodwill Solutions Group, has resulted in more people that are struggling to afford basic necessities being provided with food and other practical support. The Charity starting also supported a local football team for disadvantaged children, Kingsthorpe Jets FC, by becoming their kit sponsor resulting in the team being able to grow. Spencer Contract is a charity being supported with a £10,000 donation to provide basic furniture to those who are financially struggling and socially excluded. Save Haven is another new charity for the CIO, being supported with over £4k that has resulted in out-of-hours support and counselling for over 18s experiencing mental distress.

There was also continued funding from a special fundraising exercise for Ukraine refugees which resulted in donations of over £2,600 for a convoy of humanitarian aid.

Towards the end of 2023 the charity received a further £100,000 from Goodwill Solutions Group in funding to allow the entity to continue to support projects through 2024. The Trustees were pleased with progress of the Charity and look forward to helping create further positive social impact in the local community during 2024. However, the Trustees also decided to undertake a strategic review of the charitable giving in 2024 to determine whether more targeted assistance for specific charitable projects would be more beneficial.

GOODWILL SOLUTIONS CIC

REGISTERED CHARITY NUMBER: 1160466

REPORT OF THE TRUSTEES - CONTINUED

ACHIEVEMENT AND PERFORMANCE

The Charity received another significant amount of funding during the year from the Goodwill Solutions CIC Group, which allowed it to continue fulfilling and developing its charitable purpose. It does this by funding ongoing internal projects at Goodwill Solutions CIC relating to training, back to work programs, food banks and social exclusion, and also as outlined above by making many new donations to a range of organisations to relieve unemployment, focus on mental health, helping refugees and asylum seekers and promote social inclusion. The continuing number of people helped by the charity is seen as a real achievement by the trustees and the funds carried forward will allow the charity to continue to support individuals and organisations aligned to the charitable objects of this charity, as well as develop new kinds of support.

FINANCIAL RESULTS FOR THE YEAR

During the year the donations made were £64,959 (2022 - £112,701) to various causes that helped the charity carry out its objects and the furtherance of its public benefit. The level of funds generated totaled £105,050 and so there was a surplus for the year, £39,755 (2022 - £152,196). Given the level of reserves brought forward and carried forward the Trustees content with the position at 31st December, 2023. The reserves at 31st December, 2023 stood at £367,890 (2022 - £328,134).

POLICY ON RESERVES

The level of reserves the charity has are deemed adequate to undertaken the charitable purpose throughout 2023, as with the previous year the Charity received substantial funding to undertake the charitable purpose in the coming year. The Trustees will ensure that the unrestricted fund is sufficient to sustain its operations, should income generating activities be curtailed unexpectedly over the forthcoming year.

RISK ASSESSMENT POLICY

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate their exposure to the major risks.

PLANS FOR FUTURE PERIODS

The Charity's future plans continue to be using the funds to fulfil their public benefit, which has continued during the year.

TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. - make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

REPORT OF THE TRUSTEES

The Trustees present their annual report and audited financial statements for the year ended the 31st December, 2022.

STRUCTURE GOVERNANCE AND MANAGEMENT

The charity is governed by a CIO Foundation constitution dated 12th February, 2015, as amended on 5th April, 2018 to perform the objects of the trust. The committee is made up of four individuals who are responsible for the day to day management and fundraising activities of the charity

The recruitment, appointment and training of new trustees are conducted by existing trustees.

OBJECTIVES OF THE CHARITY

The Charity's objects are:

- to promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of one or more of the
- * following factors: unemployment; financial hardship; youth or old age; ill health (physical or mental); substance abuse or dependency including alcohol and drugs; discrimination on the grounds of sex, race, disability, ethnic origin, religion, belief, creed, sexual orientation or gender re-assignment; poor educational or skills attainment; relationship and family breakdown; poor housing; criminal record.
- * the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment, focusing on the training and rehabilitation of former criminals or underprivileged people

The objects are met in various ways, particularly through the relief of hardship, by providing items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty and the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment and by supporting individuals to change their lives. We will be promoting social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. In carrying out the objects of the charity, the trustees have had due regard to the Charity Commission's guidance on Public Benefit.

PUBLIC BENEFIT

All of the Charity's activities are undertaken to further our charitable purpose for the benefit of the public. The trustees have had regard to the Charity Commission guidance on public benefit in section four of the Charities Act 2011. The main benefits which have arisen during the year from the organisations aims and activities are detailed in the following sections and in the financial review.

REVIEW OF THE DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

The Charity used the prior year funding it received from the Goodwill Solutions Group to continue to support projects throughout 2022 and developed new grant relationships with charities that provide local social impact. In that regard, new grants were made to two local domestic abuse charities, a youth mental health charity and a charity supporting disadvantaged parents of new babies, as well as continuing to fund a food bank in Wellingborough (accrued from 2021). A grant was also made to three local Forces Cadet units for training materials and educational development of cadets.

The ongoing projects supported through 2022 that are enabled through the Goodwill Solutions Group to train socially excluded people, resulted in the participants undertaking mental health resilience courses and obtaining a Forklift Truck License and NVQ qualifications. The Charity also continued its funded support to the Police, by way of paying for offices, for them to carry out the very successful work they do regarding early intervention in several programmes specifically targeting youth offender, gang prevention and prevention of anti-social behaviour.

Alternative sources of funding were also achieved. A supplier to one of the Goodwill Group companies donated £10,000 to support our work, and a special fundraising exercise for Ukraine refugees resulted in donations of over £5k for a convoy of humanitarian aid being sent to Ukraine in Autumn 2022.

Towards the end of 2022 the charity received a further £250,000 from Goodwill Solutions Group in funding to allow the entity to continue to support projects through 2023. The Trustees were pleased with progress of the Charity and look forward to helping create further positive social impact in the local community during 2023. However, the Trustees also decided to undertake a strategic review of the charitable giving in 2023 to determine whether more targeted assistance would be more beneficial.

REPORT OF THE TRUSTEES - CONTINUED

ACHIEVEMENT AND PERFORMANCE

The Charity received another significant amount of funding during the year from the Goodwill Solutions CIC Group, which allowed it to continue fulfilling and developing its charitable purpose. It does this by funding ongoing internal projects at Goodwill Solutions CIC relating to training, back to work programs and social exclusion, and also as outlined above by making new donations to a range of organisations to relieve unemployment and promote social inclusion. The continuing number of people helped by the charity is seen as a real achievement by the trustees and the funds carried forward will allow the charity to continue to support individuals and organisations aligned to the charitable objects of this charity as well as develop new kinds of support.

FINANCIAL RESULTS FOR THE YEAR

During the year the donations made were £112,701 (2021 - £108,940) to various causes that helped the charity carry out its objects and the furtherance of its public benefit. The level of funds generated totaled £265,790 and so there was a surplus for the year, £152,196 (2021 - £40,206). Given the level of reserves brought forward and carried forward the Trustees content with the position at 31st December, 2022. The reserves at 31st December, 2021 stood at £328,134 (2021 - £175,939).

POLICY ON RESERVES

The level of reserves the charity has are deemed adequate to undertaken the charitable purpose throughout 2022, as with the previous year the Charity received substantial funding to undertake the charitable purpose in the coming year. The Trustees will ensure that the unrestricted fund is sufficient to sustain its operations, should income generating activities be curtailed unexpectedly over the forthcoming year.

RISK ASSESSMENT POLICY

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate their exposure to the major risks.

PLANS FOR FUTURE PERIODS

The Charity's future plans continue to be using the funds to fulfil their public benefit, which has begun during the year.

TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the method and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the charity (Accounts and Reports) Regulations 2008 and the provision of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE TRUSTEES

The Trustees present their annual report and audited financial statements for the year ended the 31st December, 2021.

STRUCTURE GOVERNANCE AND MANAGEMENT

The charity is governed by a CIO Foundation constitution dated 12th February, 2015, as amended on 5th April, 2018 to perform the objects of the trust. The committee is made up of four individuals who are responsible for the day to day management and fundraising activities of the charity

The recruitment, appointment and training of new trustees are conducted by existing trustees.

OBJECTIVES OF THE CHARITY

The Charity's objects are:

- to promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of one or more of the following factors: unemployment; financial hardship; youth or old age; ill health (physical or mental); substance abuse or dependency including alcohol and drugs; discrimination on the grounds of sex, race, disability, ethnic origin, religion, belief, creed, sexual orientation or gender re-assignment; poor educational or skills attainment; relationship and family breakdown; poor housing; criminal record.
- * the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment, focusing on the training and rehabilitation of former criminals or underprivileged people

The objects are met in various ways, particularly through the relief of hardship, by providing items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty and the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment and by supporting individuals to change their lives. We will be promoting social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. In carrying out the objects of the charity, the trustees have had due regard to the Charity Commission's guidance on Public Benefit.

PUBLIC BENEFIT

All of the Charity's activities are undertaken to further our charitable purpose for the benefit of the public. The trustees have had regard to the Charity Commission guidance on public benefit in section four of the Charities Act 2011. The main benefits which have arisen during the year from the organisations aims and activities are detailed in the following sections and in the financial review.

REVIEW OF THE DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

The Charity used the prior year funding it received from the Goodwill Solutions Group to continue to support projects throughout 2021 and developed new grant relationships with charities that provide local social impact. In that regard, new grants were made to a family centre in a deprived part of Northampton, and to a local autism School, in Wolverton as well as funding a food bank in Wellingborough. A grant was also made to a local Northampton Sea Cadet unit to improve facilities for female members.

The ongoing projects supported through 2021 that are enabled through the Goodwill Solutions Group to train socially excluded people in warehousing and logistics, resulted in the participants obtaining a Forklift Truck License and NVQ qualifications. The Charity also continued its funded support to the Police, by way of paying for offices, in order for them to carry out the very successful work they do regarding early intervention in a number of programmes specifically targeting youth offenders and prevention of anti-social behaviour.

Towards the end of 2021 the charity received a further £150,000 in funding to allow the entity to continue to support projects through 2022. The Trustees were pleased with progress of the Charity and look forward to helping create further positive social impact in the local community during 2022.

REPORT OF THE TRUSTEES

The Trustees present their annual report and audited financial statements for the year ended the 31st December, 2020.

STRUCTURE GOVERNANCE AND MANAGEMENT

The charity is governed by a CIO Foundation constitution dated 12th February, 2015, as amended on 5th April, 2018 to perform the objects of the trust. The committee is made up of four individuals who are responsible for the day to day management and fundraising activities of the charity

The recruitment, appointment and training of new trustees are conducted by existing trustees.

OBJECTIVES OF THE CHARITY

The Charity's objects are:

- to promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. For the purpose of this clause 'socially excluded' means being excluded from society, or parts of society, as a result of one or more of the following factors: unemployment; financial hardship; youth or old age; ill health (physical or mental); substance abuse or dependency including alcohol and drugs; discrimination on the grounds of sex, race, disability, ethnic origin, religion, belief, creed, sexual orientation or gender re-assignment; poor educational or skills attainment; relationship and family breakdown; poor housing; criminal record.
- * the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment, focusing on the training and rehabilitation of former criminals or underprivileged people

The objects are met in various ways, particularly through the relief of hardship, by providing items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty and the relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment and by supporting individuals to change their lives. We will be promoting social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society. In carrying out the objects of the charity, the trustees have had due regard to the Charity Commission's guidance on Public Benefit.

PUBLIC BENEFIT

All of the Charity's activities are undertaken to further our charitable purpose for the benefit of the public. The trustees have had regard to the Charity Commission guidance on public benefit in section four of the Charities Act 2011. The main benefits which have arisen during the year from the organisations aims and activities are detailed in the following sections and in the financial review.

REVIEW OF THE DEVELOPMENT, ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

The Charity used the prior year funding from the Goodwill Solutions Group to continue to support projects throughout 2020 and developed new grant relationships with charities that provide local social impact. In that regard, new grants were made to the charities Beyond Recovery (National prison radio), Spring Family Centre (employability for young BAME in Northampton) and Spring Charity (domestic abuse survivors in Northampton).

The ongoing projects supported through 2020 are enabled through the Goodwill Solutions Group to train socially excluded people in warehousing and logistics, resulting in them obtaining a Forklift Truck License and NVQ qualifications. The Charity also funded support to the Police, by way of paying for offices, in order for them to carry out the very successful work they do regarding early intervention in a number of programmes specifically targeting youth offenders and anti-social behaviour.

Towards the end of 2020 the charity received a further £100,000 in funding to allow the entity to continue to support projects through 2021. The Trustees were pleased with progress of the Charity and look forward to helping create further positive social impact in the local community

REPORT OF THE TRUSTEES - CONTINUED

ACHIEVEMENT AND PERFORMANCE

The Charity received another significant amount of funding during the year, which allowed it to continue fulfilling its charitable purpose, by funding ongoing projects relating to training, back to work programs and social exclusion. It also made new donations to organisations to relieve unemployment and promote social inclusion. The number of people helped by the charity is seen as a real achievement by the trustees and the funds carried forward will allow the charity to continue to support individuals and organisations aligned to the charitable objects of this charity.☐

FINANCIAL RESULTS FOR THE YEAR

During the year the donations made were £82,486 (2019 - £66,400) to various causes that helped the charity carry out its objects and the furtherance of its public benefit. The level of funds generated totaled £100,000 and so there was a surplus for the year, £17,214 (2019 - £33,300). Given the level of reserves brought forward and carried forward the Trustees content with the position at 31st December, 2020. The reserves at 31st December, 2020 stood at £135,733 (2019 - £118,519).

POLICY ON RESERVES

The level of reserves the charity has are deemed adequate to undertaken the charitable purpose throughout 2020, as with the previous year the Charity received substantial funding to undertake the charitable purpose in the coming year. The Trustees will ensure that the unrestricted fund is sufficient to sustain its operations, should income generating activities be curtailed unexpectedly over the forthcoming year.

RISK ASSESSMENT POLICY

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate their exposure to the major risks.

PLANS FOR FUTURE PERIODS

The Charity's future plans continue to be using the funds to fulfil their public benefit, which has begun during the year.

TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the method and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the charity (Accounts and Reports) Regulations 2008 and the provision of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
