Trustees' Annual Report

1st April 2024- 31st March 2025

Charity Number 1160474

Report of the trustees for the year ended 31st March 2025

The trustees present their annual report and financial statements for the charity for the year ended 31st March 2025. The financial statements have been prepared in accordance with the accounting policies as set out in Note 1 to the Accounts and comply with the Statement of Recommended Practice: Accounting and Reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16th July 2014 and the Charities Act 2011.

Objectives and Activities for the Public Benefit

The purpose of the charity is for the advancement of animal welfare. For the public benefit by providing care and veterinary treatment for abandoned, lost and mistreated dogs in West Wales. The trustees confirm that they have referred to the Charity Commission Guidance on public benefit when reviewing the charity aims for the year.

The majority of the dogs have come from the local council as unclaimed strays. We have the contract with Carmarthenshire County Council that the stray dogs are boarded with us at our rescue kennels at Tegfan whilst they serve their 7 days. It is still the policy in the UK that the council have a legal right to put to sleep any unclaimed strays after this time but we do not allow that to happen as once released by the local authorities we take on ownership of the dogs. Whilst they are with us they are assessed, neutered, health checked, vaccinated, wormed and micro chipped before they are rehomed by ourselves under our strict rehoming rules. The purpose aside from saving the lives of the dogs in question, is for the public benefit, as the dogs will no longer be straying on the streets possibly causing a public nuisance. As per the law, all the dogs are microchipped so are easily traceable, all dogs are neutered so can no longer contribute to the massive problem of unwanted dogs and all of our dogs are vaccinated and wormed so will help eradicate the issue of infectious diseases in the canine population. We also aim to educate people about the importance of neutering at fund raising events.

Contributions made by Volunteers

Whilst there is no economic measurement required for the contribution to volunteers, it is important to note the nature of activities they undertake.

Structure, Governance and Management

The charity, West Wales Poundies Dog Rescue ,1160474 was constituted as a CIO in February 2015. The governing document is the Charity Commission Foundation Model.

New trustees are appointed by existing trustee, who examine the skills, knowledge and experience required before appointing a new trustee.

Apart from the first charity trustees, every trustee is appointed for a 3 year term by a resolution passed at a properly convened meeting of the charity trustees. There is no maximum number of trustees but the number must not fall below 3.

All new trustees are given a copy of the governing document and will be given in the future, a copy of the Trustee Annual Report. Job descriptions of the new trustee and key personnel will also be provided. Training and risk assessment are performed as required.

Volunteers, in all capacity, need the trustees' approval on all matters.

On 30th September 2020 the charity completed the purchase of Tegfan Kennels in Llansawel for £300,000 (SA19 7LX). The property is to be run to board and rehome the rescue dogs alongside running part of the kennels as a boarding kennels for members of the public dogs and local council, hence increasing the charity income business. The purchase was funded primarily by a mortgage from the Charity Bank of £205,000 and a bridge loan from WCVA £70,000 , £60,000 of which will be repaid via the SGBF grant scheme.

The charity was previously sponsored by Burns Pet Food who supplied dry food from the rescue kennels. Unfortunately they decided it was not financially viable to carry on supporting the number of rescues they did and subsequently West Wales Poundies lost the sponsorship.

West Wales Poundies Dog Rescue operate 2 charity shops, one in Ammanford SA18 3DB and one in Llandeilo SA19 6EN.

Investment gains and losses This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Grants with performance conditions Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy cost The charity made no redundancy payments during the reporting period.

Deferred income No material item of deferred income has been included in the accounts.

Creditors The charity has creditors which are measured at settlement amounts less any trade discounts

Provisions for liabilities A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

Basic financial instruments The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least

They are valued at cost.

The depreciation rates and methods used are disclosed in note 9.2.

Intangible fixed assets The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5

They are valued at cost.

Heritage assets The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.

They are valued at cost.

Investments Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments

Stocks and work in progress Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

Debtors Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Current asset investments The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.

West Wales Poundies Dog Rescue

Trustees' Annual Report

1st April 2023- 31st March 2024

Charity Number 1160474

Report of the trustees for the year ended 31st March 2024

The trustees present their annual report and financial statements for the charity for the year ended 31st March 2024. The financial statements have been prepared in accordance with the accounting policies as set out in Note 1 to the Accounts and comply with the Statement of Recommended Practice: Accounting and Reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16th July 2014 and the Charities Act 2011.

Objectives and Activities for the Public Benefit

The purpose of the charity is for the advancement of animal welfare. For the public benefit by providing care and veterinary treatment for abandoned, lost and mistreated dogs in West Wales, prior to neutering and placing in animal rescue centres or rehoming in the UK. The trustees confirm that they have referred to the Charity Commission Guidance on public benefit when reviewing the charity aims for the year.

The charity is commonly known as “pound pullers” as the majority of the dogs we save have been taken from the council pounds after they serve the legal 7 days and face being put to sleep. Once released by the local authorities we take them into our kennels at Tegfan, SA19 7LX. Whilst they are with us they are assessed, neutered, health checked, vaccinated, wormed and micro chipped before they are rehomed by ourselves under our strict rehoming rules. The purpose aside from saving the lives of the dogs in question, is for the public benefit, as the dogs will no longer be straying on the streets possibly causing a public nuisance. As per the law, all the dogs are microchipped so are easily traceable, all dogs are neutered so can no longer contribute to the massive problem of unwanted dogs and all of our dogs are vaccinated and wormed so will help eradicate the issue of infectious diseases in the canine population. We also aim to educate people about the importance of neutering at fund raising events.

In the year ending 31st March 2024 we actively rehomed 123 dogs.

Contributions made by Volunteers

Whilst there is no economic measurement required for the contribution to volunteers, it is important to note the nature of activities they undertake.

- Fund raising – we have a dedicated group of volunteers who perform various fund-raising ventures to support the charity.
- Online promotion of the charity
- Help exercising the dogs in our care (under strict supervision and guidance)
- Home checkers
- Rehoming administration
- Charity shop volunteers

The charity, West Wales Poundies Dog Rescue ,1160474 was constituted as a CIO in February 2015. The governing document is the Charity Commission Foundation Model.

New trustees are appointed by existing trustee, who examine the skills, knowledge and experience required before appointing a new trustee.

Apart from the first charity trustees, every trustee is appointed for a 3 year term by a resolution passed at a properly convened meeting of the charity trustees. There is no maximum number of trustees but the number must not fall below 3.

All new trustees are given a copy of the governing document and will be given in the future, a copy of the Trustee Annual Report. Job descriptions of the new trustee and key personnel will also be provided. Training and risk assessment are performed as required.

Volunteers, in all capacity, need the trustees' approval on all matters.

On 30th September 2020 the charity completed the purchase of Tegfan Kennels in Llansawel for £300,000 (SA19 7LX). The property is to be run to board and rehome the rescue dogs alongside running part of the kennels as a boarding kennels for members of the public dogs and local council, hence increasing the charity income business. The purchase was funded primarily by a mortgage from the Charity Bank of £205,000 and a bridge loan from WCVA £70,000 , £60,000 of which will be repaid via the SGBF grant scheme.

The charity is sponsored by Burns Pet Food who alongside adoption packs, supply the rescue with 12 large bags food each month with the option to buy more at a discounted price.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	Yes ✓	No ✓	N/a ✓
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes ✓	No ✓	N/a ✓
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	Yes ✓	No ✓	N/a ✓
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes ✓	No ✓	N/a ✓
Government grants	The charity has received government grants in the reporting period	Yes ✓	No ✓	N/a ✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Yes ✓	No ✓	N/a ✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes ✓	No ✓	N/a ✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes ✓	No ✓	N/a ✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	Yes ✓	No ✓	N/a ✓
Support costs	The charity has incurred expenditure on support costs.	Yes ✓	No ✓	N/a ✓
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	Yes ✓	No ✓	N/a ✓

Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities. Accounts

West Wales Poundies Dog Rescue

Trustees' Annual Report

1st April 2022- 31st March 2023

Charity Number 1160474

Report of the trustees for the year ended 31st March 2023

The trustees present their annual report and financial statements for the charity for the year ended 31st March 2023. The financial statements have been prepared in accordance with the accounting policies as set out in Note 1 to the Accounts and comply with the Statement of Recommended Practice: Accounting and Reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16th July 2014 and the Charities Act 2011.

Objectives and Activities for the Public Benefit

The purpose of the charity is for the advancement of animal welfare. For the public benefit by providing care and veterinary treatment for abandoned, lost and mistreated dogs in West Wales, prior to neutering and placing in animal rescue centres or rehoming in the UK. The trustees confirm that they have referred to the Charity Commission Guidance on public benefit when reviewing the charity aims for the year.

The charity is commonly known as “pound pullers” as the majority of the dogs we save have been taken from the council pounds after they serve the legal 7 days and face being put to sleep. Once released by the local authorities we take them into our kennels at Tegfan, SA19 7LX. Whilst they are with us they are assessed, neutered, health checked, vaccinated, wormed and micro chipped before they are rehomed by ourselves under our strict rehoming rules. The purpose aside from saving the lives of the dogs in question, is for the public benefit, as the dogs will no longer be straying on the streets possibly causing a public nuisance. As per the law, all the dogs are microchipped so are easily traceable, all dogs are neutered so can no longer contribute to the massive problem of unwanted dogs and all of our dogs are vaccinated and wormed so will help eradicate the issue of infectious diseases in the canine population. We also aim to educate people about the importance of neutering at fund raising events.

In the year ending 31st March 2023 we actively rehomed 175 dogs.

Contributions made by Volunteers

Whilst there is no economic measurement required for the contribution to volunteers, it is important to note the nature of activities they undertake.

Structure, Governance and Management

The charity, West Wales Poundies Dog Rescue ,1160474 was constituted as a CIO in February 2015. The governing document is the Charity Commission Foundation Model.

New trustees are appointed by existing trustee, who examine the skills, knowledge and experience required before appointing a new trustee.

Apart from the first charity trustees, every trustee is appointed for a 3 year term by a resolution passed at a properly convened meeting of the charity trustees. There is no maximum number of trustees but the number must not fall below 3. A stipulation of the Charity Bank was that the number of trustees should increase to 4.

All new trustees are given a copy of the governing document and will be given in the future, a copy of the Trustee Annual Report. Job descriptions of the new trustee and key personnel will also be provided. Training and risk assessment are performed as required.

Volunteers, in all capacity, need the trustees' approval on all matters.

On 30th September 2020 the charity completed the purchase of Tegfan Kennels in Llansawel for £300,000 (SA19 7LX). The property is to be run to board and rehome the rescue dogs alongside running part of the kennels as a boarding kennels for members of the public dogs and local council, hence increasing the charity income business. The purchase was funded primarily by a mortgage from the Charity Bank of £205,000 and a bridge loan from WCVA £70,000 , £60,000 of which will be repaid via the SGBF grant scheme.

The charity is sponsored by Burns Pet Food who alongside adoption packs, supply the rescue with 12 large bags food each month with the option to buy more at a discounted price.

Trustees Responsibilities in relation to financial statements

The charity trustees are responsible for preparing the Trustees' Annual Report and Financial Statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs.

In preparing the financial statements the trustees are required to:

- Select suitable accounting policies and apply them consistently
- Observe the methods and principles in the applicable Charities SORP
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed.
- Prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 , and the applicable SORP. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for prevention and detection of fraud and other irregularities.

Approved by the trustees on 30th January 2024 and signed on their behalf by:

West Wales Poundies Dog Rescue

Trustees' Annual Report

1st April 2021- 31st March 2022

Charity Number 1160474

Report of the trustees for the year ended 31st March 2022

The trustees present their annual report and financial statements for the charity for the year ended 31st March 2022. The financial statements have been prepared in accordance with the accounting policies as set out in Note 1 to the Accounts and comply with the Statement of Recommended Practice: Accounting and Reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16th July 2014 and the Charities Act 2011.

Objectives and Activities for the Public Benefit

The purpose of the charity is for the advancement of animal welfare. For the public benefit by providing care and veterinary treatment for abandoned, lost and mistreated dogs in West Wales, prior to neutering and placing in animal rescue centres or rehoming in the UK. The trustees confirm that they have referred to the Charity Commission Guidance on public benefit when reviewing the charity aims for the year.

The charity is commonly known as “pound pullers” as the majority of the dogs we save have been taken from the council pounds after they serve the legal 7 days and face being put to sleep. Once released by the local authorities we take them into our kennels at Tegfan, SA19 7LX. Whilst they are with us they are assessed, neutered, health checked, vaccinated, wormed and micro chipped before they are rehomed by ourselves under our strict rehoming rules. The purpose aside from saving the lives of the dogs in question, is for the public benefit, as the dogs will no longer be straying on the streets possibly causing a public nuisance. As per the law, all the dogs are microchipped so are easily traceable, all dogs are neutered so can no longer contribute to the massive problem of unwanted dogs and all of our dogs are vaccinated and wormed so will help eradicate the issue of infectious diseases in the canine population. We also aim to educate people about the importance of neutering at fund raising events.

In the year ending 31st March 2022 we actively rehomed 160 dogs.

Contributions made by Volunteers

Whilst there is no economic measurement required for the contribution to volunteers, it is important to note the nature of activities they undertake.

Structure, Governance and Management

The charity, West Wales Poundies Dog Rescue ,1160474 was constituted as a CIO in February 2015. The governing document is the Charity Commission Foundation Model.

New trustees are appointed by existing trustee, who examine the skills, knowledge and experience required before appointing a new trustee.

Apart from the first charity trustees, every trustee is appointed for a 3 year term by a resolution passed at a properly convened meeting of the charity trustees. There is no maximum number of trustees but the number must not fall below 3. A stipulation of the Charity Bank was that the number of trustees should increase to 4.

All new trustees are given a copy of the governing document and will be given in the future, a copy of the Trustee Annual Report. Job descriptions of the new trustee and key personnel will also be provided. Training and risk assessment are performed as required.

Volunteers, in all capacity, need the trustees' approval on all matters.

On 30th September 2020 the charity completed the purchase of Tegfan Kennels in Llansawel for £300,000 (SA19 7LX). The property is to be run to board and rehome the rescue dogs alongside running part of the kennels as a boarding kennels for members of the public dogs hence increasing the charity income. Unfortunately, the covid restrictions has curtailed both the boarding and rehoming side of the business. The purchase was funded primarily by a mortgage from the Charity Bank of £205,000 and a bridge loan from WCVA £70,000 , £60,000 of which will be repaid via the SGBF grant scheme.

The charity is sponsored by Burns Pet Food who alongside adoption packs, supply the rescue with 12 large bags food each month with the option to buy more at a discounted price.

West Wales Poundies Dog Rescue

Trustees' Annual Report

1st April 2020- 31st March 2021

Charity Number 1160474

Report of the trustees for the year ended 31st March 2021

The trustees present their annual report and financial statements for the charity for the year ended 31st March 2021. The financial statements have been prepared in accordance with the accounting policies as set out in Note 1 to the Accounts and comply with the Statement of Recommended Practice: Accounting and Reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16th July 2014 and the Charities Act 2011.

Objectives and Activities for the Public Benefit

The purpose of the charity is for the advancement of animal welfare. For the public benefit by providing care and veterinary treatment for abandoned, lost and mistreated dogs in West Wales, prior to neutering and placing in animal rescue centres or rehoming in the UK. The trustees confirm that they have referred to the Charity Commission Guidance on public benefit when reviewing the charity aims for the year.

The charity is commonly known as “pound pullers” as the majority of the dogs we save have been taken from the council pounds after they serve the legal 7 days and face being put to sleep. The dogs are placed into our Emergency Boarding Kennels for assessment, neutering, health check, vaccinations and micro chipping before they are sent to established rescue centres for rehabilitation or are rehomed by ourselves under our strict rehoming rules. The purpose aside from saving the lives of the dogs in question, is for the public benefit, as the dogs will no longer be straying on the streets possible causing a public nuisance. As per the law, all of the dogs are microchipped so are easily traceable, all dogs are neutered so can no longer contribute to the massive problem of unwanted dogs and all of our dogs are vaccinated so will help eradicate the issue of infectious diseases in the canine population. We also aim to educate people about the importance of neutering at fund raising events.

In the year ending 31st March 2021 we actively rehomed 99 dogs. This figure has been impacted by the covid lockdown restrictions.

Contributions made by Volunteers

The charity, West Wales Poundies Dog Rescue ,1160474 was constituted as a CIO in February 2015. The governing document is the Charity Commission Foundation Model.

New trustees are appointed by existing trustee , who examine the skills, knowledge and experience required before appointing a new trustee.

Apart from the first charity trustees, every trustee is appointed for a 3 year term by a resolution passed at a properly convened meeting of the charity trustees. There is no maximum number of trustees but the number must not fall below 3.

All new trustees are given a copy of the governing document and will be given in the future, a copy of the Trustee Annual Report. Job descriptions of the new trustee and key personnel will also be provided. Training and risk assessment are performed as required.

Volunteers, in all capacity, need the trustees' approval on all matters.

On 30th September 2020 the charity completed the purchase of Tegfan Kennels in Llansawel for £300,000 (SA19 7LX). The property is to be run to board and rehome the rescue dogs alongside running part of the kennels as a boarding kennels for members of the public dogs hence increasing the charity income. Unfortunately the covid restrictions has curtailed both the boarding and rehoming side of the business. The purchase was funded primarily by a mortgage from the Charity Bank of £205,000 and a loan from WCVA £70,000 , £60,000 of which will be repaid via the SGBF grant scheme in September 2020.

The charity is sponsored by Burns Pet Food who alongside adoption packs, supply the rescue with 12 large bags food each month.
