The objects of the NUHA Foundation are the advancement of education for the public benefit in such ways as the charity trustees think fit, including but without limitation by designing and running annual competitions such as annual writing competitions open to all anywhere in the world which will:

1. promote original and critical thinking on and interaction around questions of education; and

The main activity undertaken by the NUHA Foundation was to run the Blogging Prizes, namely an annual writing competition designed in accordance with the objects of the charity, as set out above. The Blogging Prizes were held annually from 2011 to 2019, before being interrupted by the Covid-19 pandemic. We hope to resume them again in the next financial/reporting year.

We confirm the trustees had regard to the Charity Commission's guidance on public benefit.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the NUHA Foundation are the advancement of education for the public benefit in such ways as the charity trustees think fit, including but without limitation by designing and running annual competitions such as annual writing competitions open to all anywhere in the world which will:

1. promote original and critical thinking on and interaction around questions of education; and
2. promote the self-confidence of non-native speakers of the language of the competition to write in that language as a means of developing their ability to participate in a global knowledge society.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activity undertaken by the NUHA Foundation was to run the Blogging Prizes, namely an annual writing competition designed in accordance with the objects of the charity, as set out above. The Blogging Prizes were held annually from 2011 to 2019, and interrupted these past two years due to the pandemic. We hope to resume them again in the next financial/reporting year (2022-2023).

We confirm the trustees had regard to the Charity Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

The NUHA Foundation is entirely run by volunteers, without whom we could not function. Their valuable contribution of time, expertise and energy has allowed us to carry out our activities for the public benefit.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

NUHA Foundation's volunteer team was adversely affected by the pandemic, and the main operations continue to be on hold. However, the hope is to resume its activities in the next financial/reporting year (2023-2024).

Section E
