## **The Basketball Foundation**

### **Report of the Trustees for the Year Ended 30 June 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

Our objective is the promotion of community participation in physical activity to aid well-being, employability and community cohesion through the provision of financial and practical support to assist organisations and clubs, using the sport of basketball as the engagement vehicle.

##### **Significant activities**

The Foundation's remit is to provide a national vehicle for the potential national activities of the Foundations of the clubs of the British Basketball League (BBL), (the topflight of professional basketball in the UK, as recognised by the national governing body, the British Basketball Federation (BBF)). Indeed, the Foundation is considered as an important asset to assist the BBL clubs to meet their social and community objectives, which are embodied in the License between the BBF and BBL.

In April 2022 the Foundation commenced work on a new contract which was completed by 31 March 2023. The impact of this project is being evaluated at the time of the Trustees report, with the initial evaluation demonstrating a significant positive impact for a wide ranging variety of stakeholders. The Trustees are confident in the ability of the Foundation to deliver social good using the unique power of basketball and are actively engaged in discussions to secure further contracts.

##### **Public benefit**

The Trustees confirm their compliance with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the Charity's aim and objectives and in planning future activities.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Achievement and performance**

The commencement of the new project along with the associated funding has allowed the Foundation to start to rebuild after a period of inactivity caused by the Covid-19 Pandemic. Further discussions have commenced with funding partners with a view to securing other funding routes that will allow it to continue its mission.

#### **FINANCIAL REVIEW**

##### **Reserves policy**

At present, all funds of the charity are restricted, but that position is under review in light of completion of all contractual activities. As the charity grows and diversifies its income sources, the Trustees will introduce a reserves policy to ensure that there are sufficient unrestricted reserves to cover administrative expenditure.

##### **Going concern**

The Foundation has successfully delivered a fully funded project that completed in March 2023. Given the successful impact of the project so far, combined with the post pandemic recovery environment which means there is demand for projects that tackle inequalities, the Trustees are confident that there will be opportunities to bid for additional funding on related projects from April 2023. The trustees have therefore prepared these financial statements on the basis that the charity is a going concern based on this opportunity.

#### **FUTURE PLANS**

The work to promote the Foundation and its potential to become an integral part of the infrastructure of basketball in Great Britain continue. It is anticipated that these matters will crystallise as part of a wider restructure of the sport of basketball in the UK, including the BBL and that the Foundation will benefit from increased activity and support from the BBL and its clubs. The Trustees remain active in promoting this change, and thereby securing the future trading of the Foundation.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The Basketball Foundation is constituted as a charitable trust limited by guarantee and was registered with the Charity Commission in February 2015 under charity number 1160571. It is governed by the memorandum and articles of association incorporated on 2nd June 2015.

##### **Recruitment and appointment of new trustees**

The minimum number of trustees is three individuals but there is no maximum. The existing trustees are responsible for the recruitment of new trustees who are trained and inducted to ensure they are familiar with their responsibilities.

**The Basketball Foundation**

**Report of the Trustees

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The financial statements have been prepared under the historical cost convention.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

##### **Charitable costs**

Charitable expenditure comprises of those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

##### **Governance costs**

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity.

##### **Allocation and apportionment of costs**

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource.

##### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Company status**
