TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 28 FEBRUARY 2022

The Trustees have pleasure in presenting their report together with the financial statements of the Charity for the year ended 28 February 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The JVenn Foundation is a Charitable Incorporated Organisation (CIO). The Charity Commission registered the CIO on 25th February 2015 (under charity number 1160632). The Foundation's governing document is the Constitution, which establishes the objects and powers of the charity and was signed by the trustees on 23rd February 2015 and amended on 1st November 2016.

The trustees of the Foundation are individuals, who undertake to act in good faith to further the purposes of the CIO. The affairs of the Foundation are managed by the Charity Trustees who are listed on page 3.

In accordance with the Foundation's constitution, there must be at least three and not more than eight trustees. The trustees may appoint new trustees at any time providing, new trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

New trustees are advised of their legal responsibilities, provided with details of opportunities and areas where they may become involved with and given copies of all the Foundation's relevant policies and documents. Trustees are encouraged to attend training courses whenever possible.

The day-to-day management of the Foundation's affairs are carried out by John Cliff.

The trustees annually conduct a review of the major risks to which the charity is exposed. A risk register has been established and is updated periodically.

TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 28 FEBRUARY 2022

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the Foundation are to advance the education of students living or studying in the Hull area in such ways as the trustees think fit, including by:

- Awarding to such persons who are disadvantaged by reason of financial hardship, disability or social circumstances, scholarships, maintenance allowances or grants tenable at any university, college or institution of higher or further education;
- Funding extra-curricular projects involving science, mathematics, technology, humanities, literature, arts or career development programmes in co-operation with schools and sixth form colleges;
- Arranging and funding projects to generate interest in literature and writing.

These objectives form part of the Foundation's constitution.

Significant activities

The Foundation invited applications from potential recipients of bursaries for eligible students starting university or other further educational courses in Autumn 2021.

57 applications were received through local colleges and Social Services and the trustees interviewed a short-list of ten applicants. The Foundation granted five new bursaries of £5,000 each per annum, payable whilst they continue their studies. The successful students are encouraged to support the Foundation by writing blogs and promoting the availability of bursaries.

The Foundation supported fifteen students granted bursaries in previous years. The bursaries for five students ceased during the year, of whom four graduated and one student withdrew from their course.

ACHIEVEMENTS AND PERFORMANCE

Because of the Covid-19 pandemic, in 2021 the Foundation was forced to carry out its operations either remotely or not at all. The first casualties were the presentations we would normally have made at the various colleges in Hull. We are grateful that through their own networks Wyke, Wilberforce and Hull Social Services were able to promote the bursaries to their students. We received a record number of 57 applications including from St Mary's College – the successful students went on to study a range of subjects: English, history, psychology, sports and chemical engineering.

Neither the Smallpeice Trust nor the Hull Women's Centre were able to provide, respectively, their STEM and self-esteem classes but these have resumed since the financial year-end. We are also pleased to be able to support the Read for Good charity which provides books for children hospitalised at Hull Royal Infirmary.

Our annual September award ceremony fell victim to Covid-19 and we will look to reinstate it in some form in 2022.

During the year the Foundation received donations of £125,000 (including Gift Aid of £25,000) and paid out bursaries of £76,667 to twenty students, we also made awards totalling £200 to various students.

For the bursaries awarded in 2022 we have simplified the criteria for eligibility - besides conditions based on age and where the students grow up, students must have a family income below £25,000 each year. However, students who are also from other specific disadvantaged groups are given particular consideration.

The work of the Foundation could not continue without the support of the Trustees, Umber Creative – who manage our IT – and the staff at colleges in Hull, particularly Wyke and Wilberforce. We are grateful to them all.

TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 28 FEBRUARY 2022

PUBLIC BENEFIT

Having regard to the activities and achievements of the Foundation during the year as reported above, the trustees are of the opinion that it has fulfilled its charitable purposes of providing bursaries and grants to advance the education of students living or studying in the Hull area and funding extra-curricular projects.

PUBLIC BENEFIT CONFIRMATION

The trustees confirm that they have complied with the duty in section 17(5) of the Charities Act 2011 with regard to public benefit guidance published by the Charity Commission.

FINANCIAL REVIEW

The annual accounts have been prepared on an accruals basis. An equity investment is shown at market value.

A funding commitment is in place, which would allow the Foundation to provide four bursaries each year to 2030. This assumes the current tax arrangements for charitable organisations and donations continue in line with the commitment of the donors.

The total income received in the year was £128,657 (2021: £127,961) of which £125,000 from donations and Gift Aid (2021: £125,000) and £3,657 was investment income (2021: £2,961). Investment gains were £2,892 (2021: £6,671) meaning there were accumulated unrealised gains of £10,908 (2021: £8,016). Total expenditure amounted to £82,851 (2021: £76,560) of which £80,367 was direct charitable expenditure (2021: £75,750).

PRINCIPAL FUNDING SOURCES

The Foundation's principal source of funding continues to be donations provided by John Cliff and his family.

INVESTMENT POLICY

The majority of the monetary assets are held in CAF Bank current account and fixed term deposits with Shawbrook Bank, Hampshire Trust Bank and Cambridge & Counties Bank. In March 2021 we invested £85,000 in the Hampshire Trust Bank. We hold £80,908 (2021: £78,016) in a managed fund.

RESERVES POLICY

The trustees have a reserve policy of maintaining unrestricted funds sufficient to cover all bursaries committed to, on the basis that all students remain on their educational courses.

At the end of the year, the charity's unrestricted funds stood at £510,411 (2021:£461,713) against future commitments of £114,990 (2021:£119,990) to students currently in receipt of bursaries.

The Trustees will continue to monitor existing activities and expenditure to ensure there is sufficient funding to maintain operations at an acceptable level.

PLANS FOR THE FUTURE

Since the end of the financial year, we have resumed our partnerships with the Hull Women's Centre and the Smallpeice Trust.

Independent Examiner's Report
Year Ended 28 February 2022

Report to the Trustees of The JVenn Foundation

I report on the accounts of The JVenn Foundation for the year ended 28th February 2022, which are set out on pages 12 to 15.

Respective responsibilities of the Trustees and the Independent Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that for this year an audit is not required under Section 144(2) of the Charities Act 2011 (the 2011 Act) but that an independent examination is needed.

It is my responsibility to

- examine the accounts under Section 145 of the 2011 Act,
- follow the procedures laid down in the General Directions given by the Charity Commission under Section 145(5)(b) of the 2011 Act and
- state whether particular matters have come to my attention.

Basis of the Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees of any such matters. The procedures undertaken do not provide all the evidence that would be required for an audit so there is no opinion as to whether the accounts provide a true and fair view. The report is limited to those matters set out in the statement below.

Independent Examiner's Report
Year Ended 28 February 2022

Independent Examiner's Report

In my examination no matter has come to my attention:

- 1) which gives me reasonable cause to believe that, in any material respect, the requirements to
 - keep accounting records in accordance with Section 130 of the 2011 Act and
 - prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
