Para 1.17 and 1.19	This year we continued with our new charity model, moving away from organising and running sail training ourselves to providing funding to enable underprivileged young people to take part in externally organised sail training programmes. We provided funding to enable students to take part in a multi-day Tall Ships programme.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The Trustees worked with our partner school, the London Academy of Excellence(LAE), Tottenham, to provide funding for 15 underprivileged young students to spend 3 days and nights sailing on a Tall Ships voyage around the Solent. The 15 students lived and sailed on board two Challenger 70 yachts, giving them experience of all aspects of life at sea. None of the students had done any sailing before and it was a unique and rewarding experience that gave them a new perspective and life skills. They gained experience of general sailing, racing and chartwork as well as strengthening their teamwork and communication skills. 2 students from each boat were invited to become Tall Ship volunteers and attend future programmes.</p> <p>Our new charity model that was trialled last year has allowed us to provide better value for money and a unique and memorable sailing experience to more disadvantaged young people.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity's financial position is that we have only a small amount of cash remaining as we only did a small fundraising event this year in order to cover the amount needed to fund this year's programme.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Given that the new charity model has very few associated costs beyond the funding we provide for the young people to attend external activities we do not hold reserves.
Amount of reserves held	Para 1.22	£0
Reasons for holding zero reserves	Para 1.22	We do not hold any reserves because, due to the change in how the charity delivers its activities there are no longer any ongoing expenses for the boat or the administration or running of the programmes.
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	If we want to continue to run the charity past 2025 and provide funding for more young people to undertake external sailing activities, we will need to organise some fundraising activities in 2025.
