About Baggy Trousers UK

What We Do

Raise awareness of the signs and symptoms of testicular cancer, actively promoting the benefits of early detection and encouraging boys and men to visit their GP if they detect any of the signs or symptoms.

Deliver engaging awareness talks and showcase awareness exhibitions/stands in public and corporate places, handing out self-help materials such as leaflets, posters and step-by-step checking cards.

Provide financial and peer support to boys and men who have been directly affected by testicular cancer via telephone, email, social media and peer support groups.

What difference do we make?

1. People are becoming more aware of testicular cancer and their health in general.
2. Through personal experiences, we inspire and encourage people to check themselves and visit their GP. This could prevent more serious cases or even death.
3. Provide financial and peer support to those directly affected by testicular cancer, which relieves stress and worry.

Charitable Aims

1. To promote and protect the physical and mental health of sufferers of testicular cancer.
2. To provide financial assistance, support, education and practical advice to those affected by testicular cancer.
3. To advance the education of the general public in all areas relating to testicular cancer.

Mission Statement

"Baggy Trousers UK exists to make a positive impact on the lives of boys and men affected by testicular cancer."

Trustee Board:

- Robert Roughley (Chair)
- Jessica Rae (Treasurer)
- Jack Broadley
- Ian Arnison-Philips – Appointed 25/01/2023

Apart from the first charity trustees, every trustee must be appointed for a term of 1 year by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Policy

Charity reserve: The charity aims to hold 3 months of running costs as a reserve. Currently, all income is invested in our continuous efforts to provide support and educate males on testicular cancer.

Charity expenditure: Cash expenditure supports our key objectives and so the cash that we spend must contribute to providing support to males that have been diagnosed and raising awareness of testicular cancer; this includes all our fundraising, events, activities and charity development.

Equality: We believe in equality in treatment and opportunity regardless of age, sex, religion, culture or colour of skin.

Founding principle: Irrespective of race, religion, age or ability, our founding principle is to educate every person, regarding testicular cancer.

Complaints policy: The Senior Management Team will deal with complaints in the first instance. If this fails to reach a resolution, the board will be advised, and the Chairperson will take over the complaint, where necessary legal advice will be sought.

Registered status: Baggy Trousers UK is a registered charity in England and Wales. Charity number: 1160724.

Trustees' Annual Report

Successful Partnerships and Achievements

This year, we marked a significant milestone for our organisation, thanks to the collaborative efforts with Robinsons Brewery and the Tim Bacon Foundation. We successfully attained our goal of providing therapy sessions for individuals affected by testicular cancer.

This initiative funded 192 one-hour therapy sessions, directly benefiting 32 individuals. Our heartfelt gratitude extends to Robinsons Brewery and the Tim Bacon Foundation for turning a long-term aspiration into a tangible reality.

Challenges and Operational Adjustments

Despite our success in service delivery and awareness campaigns, we faced considerable challenges in fundraising. These financial constraints led to the difficult decision of making our part-time Admin Assistant and Marketing Assistant positions redundant.

The fundraising difficulties also impacted our ability to organise large-scale events comparable to those held pre-pandemic. In response, the trustees reaffirmed our commitment to a managed growth strategy, focusing on balancing incoming funds with expenditures while maximising our impact.

Outreach and Community Engagement

Our outreach efforts were robust, with numerous awareness talks delivered to various companies, both in-person and virtually. Our commitment to providing email and telephone support for those affected by testicular cancer remained steadfast.

We express our sincere appreciation to the individuals and businesses who continued their support this year. Their contributions, encompassing fundraising efforts and donations, were instrumental in advancing our mission.

Public Benefit Through Our Activities

Our digital presence was strengthened through online campaigns and the creation of additional digital resources. These materials, targeted at schools, colleges, universities, and businesses, played a crucial role in raising awareness about testicular cancer, emphasising the importance of regular self-examinations and recognising symptoms.

Thanks to Robinsons Brewery's support, we could fund 192 therapy sessions, offering a crucial support system to those impacted by testicular cancer.

Our online support services, including Zoom sessions, telephone, and email communications, reached approximately 47 individuals, significantly enhancing their mental health and well-being.

Service Utilisation and Impact

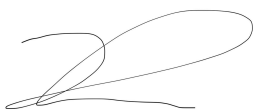

Our efforts resonated particularly in Northwest England, where students from various schools and colleges actively engaged with our awareness campaigns and virtual talks. Our collaboration with the public sector and businesses throughout England and Wales also saw considerable engagement.

The support services we offer have been a vital lifeline for many individuals impacted by testicular cancer, providing them with much-needed assistance and comfort.

Gratitude and Acknowledgment

As we reflect on this year, we are immensely thankful for the support we've received – time, skills, financial contributions and assistance in our daily operations.

Every form of support has been invaluable in our journey to make a difference in the lives of those impacted by testicular cancer.

Notes to the Accounts for the year ending 31st March 2023

1. Accounting Policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The Charity is a Charitable Incorporated Organisation

Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Income received in advance of the provision of specified services it is deferred until the criteria for income recognition is met.

Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity: this is normally upon notification of the interest paid or payable by the bank.

Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for a particular purpose / area of the charity's work or for specific projects.

Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Tangible Fixed Assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Assets over £100 are capitalised. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Computer Equipment - over 3 years

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Trustees Remuneration

None of the Trustees or related parties received any remuneration or benefit from the charity during the year and no expenses were reimbursed.

Employee Costs and Benefits

The charity employed 2 staff during the accounting period for which remuneration amounted to a total of £2,711.

No other benefits were received by staff during the account period. No employee received benefits in excess of £60,000.

About Baggy Trousers UK

What We Do

Raise awareness of the signs and symptoms of testicular cancer, actively promoting the benefits of early detection and encouraging boys and men to visit their GP if they detect any of the signs or symptoms.

Deliver engaging awareness talks and showcase awareness exhibitions/stands in public and corporate places handing out self-help materials such as leaflets, posters and step-by-step checking cards.

Provide financial and peer support to boys and men who have been directly affected by testicular cancer via telephone, email, social media and peer support group.

What difference do we make?

1. People are becoming more aware of testicular cancer and their health in general.
2. Through personal experiences we inspire and encourage people to check themselves and visit their GP, this could prevent more serious cases or even death.
3. Provide financial and peer support to those directly affected by testicular cancer which relieves stress and worry.

Charitable Aims

1. To promote and protect the physical and mental health of sufferers of testicular cancer.
2. To provide financial assistance, support, education and practical advice to those affected by testicular cancer.
3. To advance the education of the general public in all areas relating to testicular cancer.

Mission Statement

“Baggy Trousers UK exists to make a positive impact on the lives of boys and men affected by testicular cancer.”

Trustee Board:

- Jack Broadley (Chair)
- Jessica Rae (Treasurer)
- Mark Lear – Resigned 29/03/2022
- Robert Roughley – Appointed 16/02/2022

Apart from the first charity trustees, every trustee must be appointed for a term of 1 year by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Policy

Charity reserve: The charity aims to hold 3 months running costs as a reserve. Currently, all income is invested into our continuous efforts to provide support and educate males on testicular cancer.

Charity expenditure: Cash expenditure supports our key objectives and so the cash that we spend must contribute to providing support to males that have been diagnosed and raising awareness of testicular cancer; this includes all our fundraising, events, activities and charity development.

Equality: We believe in equality in treatment and opportunity regardless of age, sex, religion, culture or colour of skin.

Founding principle: Irrespective of race, religion, age or ability, our founding principle is to educate every male, and his partner, regarding the various male cancers.

Complaints policy: The Senior Management Team will deal with complaints in the first instance, if this fails to reach a resolution the board will be advised and the Chairperson will take over the complaint, where necessary legal advice will be sought.

Registered status: Baggy Trousers UK is a registered charity in England and Wales. Charity number: 1160724.

Trustees' Annual Report

After scaling back the services provided during the pandemic we were able to use secured funds to begin rebuilding the charities activities, after a good start to the year we were able to employ a part time administrator and marketing assistant to resume activities such as our support services and awareness campaigns.

Our focus was to get back to a point before the pandemic, due to funding we weren't able to organise any of the usual fundraising activities but we were able to carry out a series of online fundraising campaigns which led to a significant increase in donations vs the previous year.

The trustees took the decision to introduce slow growth and balance incoming funds with the expenditure, whilst still having as much impact as possible. We delivered a number of awareness talks to companies both in person and virtually. We continued to provide email and telephone support to those impacted by testicular cancer.

A prosperous partnership with Robinsons Brewery with thanks to the Tim Bacon Foundation, gave us the opportunity to begin planning a therapy service for those impacted by testicular cancer.

We had a number of people that continued to support the work we do, these can be found below. We would like to say a big thank you to all those that fundraised and donated to support the work we do during the year. Here are some of the highlights:

- Daniel Panter raised £330 by not shaving the month of November
- Dale Robertson raised £2,048 from the Berwickers in the Buff Charity Calendar 2022 Fundraiser
- GRM made a donation of £715
- Stephanie Young raffled off one of her handmade upcycled vintage lamps for fathers day and raised £43.89
- Blaine Hancock and a number of his friends were able to do their 100-mile cycling challenge from Long Eaton to Skegness and raised a significant amount on top of what they'd raised before the pandemic
- Joanna Andrews organised a charity football tournament and raised £1,000
- We received a £500 donation from Lenna Onto who creates animations from Balls - of clay
- We received a total of 582 donations via JustGiving totalling £13,029.92 including Gift Aid.
- The team at Specsavers Leigh raised almost £4,000 by taking part in the North West Tough Mudder
- Helen King raised just over £1,000 by taking part in a rowing championship

How our activities deliver public benefit

This year we continued to run online campaigns. We produced additional digital resources that were distributed to schools, colleges, universities and businesses, raising awareness of the signs and symptoms of testicular cancer and the importance of regularly self-checking.

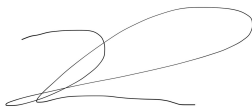

We provided online support via Zoom and telephone to around 38 people impacted by testicular cancer, the support has helped towards improving their mental health and reduced social isolation.

Who used and benefited from our services

Students from schools, colleges and universities in and around the North West of England have engaged with our awareness campaigns and virtual talks. We continued to work closely with the public sector and businesses around England and Wales.

People impacted by testicular cancer have engaged with our support services, albeit virtually, this was a lifeline to some of the people that reached out during the pandemic.

We're forever grateful for everything we have received this year, from time, skills, money and general support with the day to day running of the organisation.

About Baggy Trousers UK

What We Do

Raise awareness of the signs and symptoms of testicular cancer, actively promoting the benefits of early detection and encouraging boys and men to visit their GP if they detect any of the signs or symptoms.

Deliver engaging awareness talks and showcase awareness exhibitions/stands in public and corporate places handing out self-help materials such as leaflets, posters and step-by-step checking cards.

Provide financial and peer support to boys and men who have been directly affected by testicular cancer via telephone, email, social media and peer support group.

What difference do we make?

1. People are becoming more aware of testicular cancer and their health in general.
2. Through personal experiences we inspire and encourage people to check themselves and visit their GP, this could prevent more serious cases or even death.
3. Provide financial and peer support to those directly affected by testicular cancer which relieves stress and worry.

Charitable Aims

1. To promote and protect the physical and mental health of sufferers of testicular cancer.
2. To provide financial assistance, support, education and practical advice to those affected by testicular cancer.
3. To advance the education of the general public in all areas relating to testicular cancer.

Mission Statement

"Baggy Trousers UK exists to make a positive impact on the lives of boys and men affected by testicular cancer."

Trustee Board:

- Jack Broadley (Chair)
- Jessica Rae (Treasurer)
- Mark Lear
- Aaron Gorman - Resigned (6th October 2020)
- Catherine Pettersen - Resigned (26th January 2021)

Apart from the first charity trustees, every trustee must be appointed for a term of 1 year by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Policy

Charity reserve: The charity aims to hold 3 months running costs as a reserve. Currently, all income is invested into our continuous efforts to provide support and educate males on testicular cancer.

Charity expenditure: Cash expenditure supports our key objectives and so the cash that we spend must contribute to providing support to males that have been diagnosed and raising awareness of testicular cancer; this includes all our fundraising, events, activities and charity development.

Equality: We believe in equality in treatment and opportunity regardless of age, sex, religion, culture or colour of skin.

Founding principle: Irrespective of race, religion, age or ability, our founding principle is to educate every male, and his partner, regarding the various male cancers.

Complaints policy: The Senior Management Team will deal with complaints in the first instance, if this fails to reach a resolution the board will be advised and the Chairperson will take over the complaint, where necessary legal advice will be sought.

Registered status: Baggy Trousers UK is a registered charity in England and Wales. Charity number: 1160724.

Trustees' Annual Report

We started this year at the beginning of the global pandemic and very quickly had to adapt our way of working, all of our activities were moved to virtual and any awareness engagements had to be either changed to virtual or cancelled.

We had a number of fundraising events planned during this year, we had to cancel them and fundraisers that had signed up to challenge events were unable to take part due to those events being cancelled. As with many charities during this difficult time, we saw a huge impact to our fundraising and collectively decided to reduce our overheads where possible to ensure the organisation survived the impact of COVID-19 on the charity sector.

The trustees decided to take stock of what we had achieved since setting up in 2014 and put together a working strategy moving forwards around how we want to continue raising awareness and providing support beyond the pandemic.

We had a number of people that continued to support the work we do, these can be found below. We would like to say a big thank you all those that fundraised to support the work we do during the year:

- A total of £1,582 was raised through JustGiving during the year.
- John Hurley raised £275.00 by growing his moustache during the month of November
- Matt, Matt and Michael raised £800.00 in their efforts to take on the Two Ball Rally, unfortunately it was postponed due to COVID-19, they're aiming to continue fundraising throughout the year.
- Cris Sutera raised £385.00
- We received a generous donation from G.E.M.S of £500
- Jack Hinton organised the Baggy Trousers concert which took place on Thursday December 3rd at Above the Stag theatre in London. Raising an amazing £283.25.

How our activities deliver public benefit

This year we ran a series of online campaigns. We produced a digital resource that was distributed to schools, colleges, universities and businesses, raising awareness of the signs and symptoms of testicular cancer and the importance of regularly self-checking.

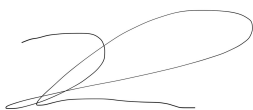

We provided online support via Zoom and telephone to around 35 males impacted by testicular cancer, the support has helped towards improving their mental health and reduced social isolation.

Who used and benefited from our services

Students from schools, colleges and universities in and around the North West of England have engaged with our awareness campaigns and virtual talks. We continued to work closely with the public sector and businesses around England and Wales.

People impacted by testicular cancer have engaged with our support services, albeit virtually, this was a lifeline to some of the people that reached out during the pandemic.

We're forever grateful for everything we have received this year, from time, skills, money and general support with the day to day running of the organisation.

Jessica Rae

Trustee / Treasurer

Approved on behalf of the board of Trustees

A message from our Chair

Whilst the pandemic has had an impact on the amount of impact we could've had we're going into 2021/22 in a strong position, as things begin to get back to some form of normality we're hoping to be able to start introducing in person awareness talks and providing support to those impacted by testicular cancer in person.

We have agreed a plan for the next 12 months which involves slowly rebuilding the organisation, this includes hiring 2 part time staff members, specifically to support with the operations and comms/marketing.

We will be introducing a therapy programme for those impacted by testicular cancer, this will be on a referral basis, we're aiming to have an approved list of counsellors/therapists by September 2021, we can then begin referring people for counselling sessions funded by Baggy Trousers UK. This is with the hope that it will enable people to get the specialist support they need.

We will be doing another round of recruitment for new trustees to help steer the organisation to grow and have a bigger impact.

I know I said this last year but I would like to say it again. The work we do would not be possible without the generosity of everyone that has supported us and all of our wonderful volunteers.

A big thank you from the bottom of my heart as the founder of this charity and I wish you and your families the best of health in the months to come.

A handwritten signature in black ink that reads "J. Bradley". The signature is written in a cursive, flowing style with a long, sweeping underline.

Jack Bradley

Trustee

Approved by the board on ...26/01/2022.....

BaggyTrousersUK
Notes to the Accounts
For the year from 1 April 2020 to 31 March 2021

1 Summary of significant accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income received in advance of the provision of specified services it is deferred until the criteria for income recognition is met.

Donates services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

BaggyTrousersUK
Notes to the Accounts
For the year from 1 April 2020 to 31 March 2021

Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the Charity's work or for specific projects being undertaken by the Charity.

Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Assets over £100 are capitalised

Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Computer equipment	over 3 years
--------------------	--------------

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2 Legal status of the Charity

The Charity is a Charitable Incorporated Organisation.
