ANNUAL REPORT 2024/2025

Introduction

Our Annual Report highlights the differences we have made to the community of Ystradgynlais and neighbouring communities across Powys and Neath Port Talbot during the year 1st April 2024 to 31st March 2025. YVC is a registered charity and we work with volunteers and the third sector to improve the wellbeing of people in Ystradgynlais and neighbouring communities.

Collaborations

We know first-hand that for voluntary organisations to meet the challenges of the future we must work together, to organise and look ahead to prepare for the future. We continue to collaborate and connect with local people, organisations and services through strong partnerships.

Working Partners/ Memberships

PAVO	Powys County Council	Community Dreams	Western Valleys Communities First
WCVA	Job Centre Plus	Legacy in the Community	Community Repair
NPTCVS	Probation Service	POBL	
SCVS	Remploy		

South Wales Stick Makers

We continue to provide a resource to our partners to facilitate activities at the centre - for example workshops for people who want to learn the craft of stick making.

Our CHARITY

Ystradgynlais Volunteer Centre has long been at the heart of the community, providing opportunities for volunteers of all ages and backgrounds to get involved, whether through community projects, events, or day-to-day support. Over the years, the YVC has grown to include a range of initiatives aimed at meeting the diverse needs of the local community.

Ystrad Recycling was one of the centre's earliest projects, the aim is to promote environmental awareness and sustainability. We do this by encouraging our local community to recycle and reduce waste. This initiative has helped the local environment and has also provided those who are passionate about green living with the opportunity to volunteer.

Recognising the need to support families facing food insecurity, **Ystradgynlais Foodbank** was established to provide essential food supplies to individuals and families in crisis. The foodbank relies heavily on volunteers and donations, ensuring that no one in the community goes hungry.

Ti a Fi Café offers a warm, welcoming space for individuals to come together and connect with others. The Café has some amazing volunteers, who do everything from taking orders and serving meals to clearing tables and washing up. There's always a warm welcome and a friendly face.

Adding to the range of projects, the **YVC Shed** was created as a space for people to come together, share skills, and work on practical projects. It offers a supportive environment for those who enjoy hands-on activities, helping to combat social isolation while encouraging creativity and collaboration.

Thanks to these projects, Ystradgynlais Volunteer Centre keeps bringing people together, offering support, and helping to build a strong, connected community.

Chairmans Report

Welcome to the YVC annual report for 2024-2025

As trustees we would like to offer our thanks to the staff and volunteers for their ongoing commitment and dedication to the Centre.

There have been many new developments over the past twelve months or so. For example, the Ti a Fi Cafe continues to grow from day to day and is still attracting new customers as well as regular return visitors. The Christmas lunches were once again a great success as was the Craft Fare. We have succeeded in obtaining Lottery funding to employ extra staff. We will continue to try and develop the café, with a view to applying for funding to employ extra staff as required.

The Men-Shed is now well established and the numbers are growing each week, and it is very good to see the number of ladies that are now attending and working in conjunction with the men. The Shed has also taken on the job of tending the garden raised beds and are growing a variety of vegetables and other products.

During the past year the Centre has purchased a new van, which has been sign written, to improve our image and give us free advertising when the van is out and about collecting and delivering items. Having a new van has expanded our capacity to collect and deliver items both donated and sold. In the past year we have received grant funding from PAVO and Coalfields and the Food Bank was supported by the sum of £500 from the town council.

The activity of the Centre is offering opportunities to develop relationships with new partners and strengthen our relationships with existing ones for long-term sustainable projects.

Going forward, we are making available professional development courses to our staff and are looking at the possibility for Lottery funding to upgrade the building.

I must not overlook giving credit for much of the success of the past year to Keiron, the Centre's Manager. He has always been willing to lend a hand whenever it was needed.

As always, the Board is seeking new members and volunteers to help carry forward all the good work being undertaken by Ystradgynlais Volunteer Centre.

This brief highlight of a selection of activities and developments is to show the overall health and vitality of the Centre and its contribution to the life of the town. There are many more things I could list, but I feel the most important is many thanks for all the incredibly hard work and commitment from staff and volunteers. You should all feel justifiably proud of everything you're achieving.

Gabe Thomas, Chairman

Objectives

- ◇ **To support and promote volunteering** by recruiting, placing, and supporting volunteers within the local community, helping individuals find meaningful opportunities that match their skills and interests.
- ◇ **To strengthen community well-being** by providing services such as the foodbank, furniture recycling, and the YVC Shed, which address social, practical, and economic needs.
- ◇ **To reduce social isolation and improve quality of life** by creating welcoming spaces where people can connect, build friendships, and participate in community projects.
- ◇ **To empower individuals through skills development**, offering volunteering roles and community activities that help build confidence, experience, and employability.
- ◇ **To promote sustainability and environmental awareness** through recycling initiatives, upcycling projects, and responsible resource use within the community.
- ◇ **To collaborate with local agencies and organisations** to provide coordinated support and ensure the needs of vulnerable individuals and families are met effectively.

Volunteering

Ystradgynlais Volunteer Centre creates a community where people can come together through volunteering. We make this happen by showing people how valuable volunteering can be and also offer a wide range of opportunities for everyone to get involved so they can gain skills and experience.

Ystradgynlais Foodbank

The Ystradgynlais Foodbank supports individuals and families experiencing financial hardship by providing essential food and household items. It plays a vital role in tackling food insecurity and promoting the wellbeing of the local community. The service is made possible thanks to a dedicated team of volunteers who give their time each week to keep things running smoothly, as well as the generosity of our supporters whose donations help us continue this important work.

Ti A Fi Cafe

Ti a Fi Café is a fantastic place to come and relax as well as to meet new friends. There is always a warm welcome from our amazing Staff and Volunteers who are always on hand to help. The café serves lovely homemade food and drinks all freshly prepared and cooked on site.

Café Footfall

YVC Shed

The YVC Shed has continued to grow from strength to strength, with membership numbers increasing every month. We're lucky to have a wonderful group of members who join us each week, whether to work on their own projects or simply to enjoy a chat and a cuppa. Over the past few months, they've dedicated their time to creating beautiful Christmas decorations, which were a big hit at the local Christmas fairs.

Buying Social— Ethical and Sustainable

Ystradgynlais Community Recycling is proud to operate as a Social Enterprise.

Social Enterprises are making a positive impact across the world, and our mission is to drive meaningful social change. When you choose to buy from a social enterprise, you're supporting a business that gives back to the community. We help create jobs, improve people's life opportunities, offer training and employment, support local communities, and contribute to protecting the

**Helping
those in
need**

We are regularly called on to support social services and community partners in rehousing a cross section of people from families in crisis, to those needing emergency new housing because of; domestic violence or eviction, to people who are destitute and have had to flee their homelands (immigration) so as to avoid persecution.

We have helped many families in need through the provision of household furniture, bedding, clothing and other support. We also ensure families are signposted to other agencies and support groups for financial and other help. We also make a valued contribution to assist integration of people into the community.

INDEPENDENT EXAMINERS REPORT

YSTRADGYNLAIS VOLUNTEER CENTRE 31ST MARCH 2025

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
- have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

YVC Community Garden

The Community Garden is an excellent facility that offers the opportunity to plant and grow a variety of fruit and vegetables. Last year we had a brilliant crop of various fruit and vegetables.

Unfortunately, this year we have not had any volunteers to manage the plot so we have had to temporarily close it down, we hope to reopen the garden as soon as possible.

Ti A Fi Cafe

Our Community Café is a fantastic place to come and relax as well as meeting new friends. There is always a warm welcome from our superb Staff and Volunteers. The café serves amazing food and drinks at reasonable and affordable prices. All our food is freshly prepared and cooked on site.

YVC Shed

We received a grant in April 2023 from The National Lottery for £10,000 to set up the YVC Shed which we are still in the process of developing. Our volunteer numbers are growing on a weekly basis. The YVC Shed gives the opportunity to both male and female volunteers to come and try their hand at new skills or offer their expertise to others. A few ongoing initiatives are making Welsh love spoons, bird boxes and repairing and upcycling furniture.

Beyond the practical aspects of building and creating, the YVC Shed is also a social space. Members can chat and share stories over a cup of tea or coffee, or participate in social activities like outings and events.

Overall, it is a place where people can find companionship, purpose, and a sense of community. It provides an opportunity for men and women to connect with others, share their skills and knowledge, and make a positive contribution to their community.

Buying Social - Ethical & Sustainable

Ystradgynlais Community Recycling is proud to be a Social Enterprise.

Social Enterprises are changing the world for the better. Our aim is to create positive social change. When you buy from a social enterprise you are choosing to spend your money with a business that is giving something back. A social enterprise helps to create employment, helps to improve peoples life chances, provides training and employment opportunities, support communities and helps the environment.

Helping those in most need

We are regularly called on to support social services and community partners in rehousing a cross section of people from families in crisis, to those needing emergency new housing because of; domestic violence or eviction, to people who are destitute and have had to flee their homelands (immigration) so as to avoid persecution. Over the year we have helped many families in need through the provision of household furniture, bedding, clothing and other support. We also ensure families are signposted to other agencies and support groups for financial and other help. We also make a valued contribution to assist integration of people into the community.

Ethical & Sustainable Purchasing - Buying Preowned Items

We promote conscious purchasing choices to encourage consumers to make environmental choices.

Saves Money

Preowned items are a lot more affordable than purchasing the same or similar product new.

Helps the Environment

Choosing to purchase items that may have ended up being thrown away, even though the item is in perfect condition prevents the amount of waste that reaches our landfill.

Getting more for your money

Taking the time to have a look and explore will allow you to have a wider choice and you may find an item that may be just as good

quality or even better.

Excitement

Everyone loves finding a bargain. It may require a little more time and effort, but nothing beats the feeling of finding an item for a fraction of the price.

INDEPENDENT EXAMINERS REPORT

YSTRADGYNLAIS VOLUNTEER CENTRE 31ST MARCH 2024

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
- have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

ANNUAL REPORT 2022/2023/2024

CHARITABLE INCORPORATED ORGANISATION
REG. No: 1160733

Introduction

Our Annual Report highlights the differences we have made to the community of Ystradgynlais and neighbouring communities across Powys and Neath Port Talbot during the year 1st April 2022 to 31st March 2024.

Who we are

YVC is a registered charity. We work with volunteers and the third sector to improve the wellbeing of people in Ystradgynlais and neighbouring communities. Together we aim to build a rich and vibrant community through our work in volunteering and recycling.

Collaboration

We know first-hand that for voluntary organisations to meet the challenges of the future we must work together, to organise and look ahead to prepare for the future. We continue to collaborate and connect with local people, organisations and services through strong partnerships.

We continue to provide a resource to our partners to facilitate activities at the centre - for example workshops for people who want to learn the craft of stick making.

Trustee's Report

Welcome to YVC Annual Report for 2022-2023-2024

As trustees we would like to offer our thanks to the staff and volunteers for their ongoing commitment and dedication to the Centre.

There have been many new developments over the past twelve months or so. For example, Ti a Fi Cafe has become well established attracting new customers as well as regular return visitors. The Christmas lunches were a great success as was the craft fair. The Mens Shed is now unrecognisable after refurbishment and public workshops have taken place there. New signage and graphics have been installed bringing a strong identity to the centre. We have received grant funding from PAVO and Coalfields and the Food Bank was supported by the sum of £500 from the town council.

The activities of the Centre is offering opportunities to develop relationships with new partners and strengthen our relationships with existing ones for long terming sustainable projects. Going forward, we are making available professional development courses to our staff and are looking at the possibility for Lottery funding to upgrade the building. We are also looking into buying a new van and the community garden being transformed into allotments. As always, the Board is seeking new members and volunteers to help carry forward all the good work being undertaken by Ystradgynlais Volunteer Centre.

This brief highlight of a selection of activities and developments is to show the overall health and vitality of the Centre and its contribution to the life of the town. There are many more things I could list but I feel the most important is many thanks for all the incredibly hard work and commitment from staff and volunteers. You should all feel justifiably proud of everything you're achieving.

Thank you!

Paul Emmanuel

YVC Community Garden

The Community Garden is an excellent facility that offers the opportunity to plant and grow a variety of fruit and vegetables. Last year we had a brilliant crop of various fruit and vegetables.

Unfortunately, this year we have not had any volunteers to manage the plot so we have had to temporarily close it down, we hope to reopen the garden as soon as possible.

Ti A Fi Cafe

Our Community Café is a fantastic place to come and relax as well as meeting new friends. There is always a warm welcome from our superb Staff and Volunteers. The café serves amazing food and drinks at reasonable and affordable prices. All our food is freshly prepared and cooked on site.

YVC Shed

We received a grant in April 2023 from The National Lottery for £10,000 to set up the YVC Shed which we are still in the process of developing. Our volunteer numbers are growing on a weekly basis. The YVC Shed gives the opportunity to both male and female volunteers to come and try their hand at new skills or offer their expertise to others. A few ongoing initiatives are making Welsh love spoons, bird boxes and repairing and upcycling furniture.

Beyond the practical aspects of building and creating, the YVC Shed is also a social space. Members can chat and share stories over a cup of tea or coffee, or participate in social activities like outings and events.

Overall, it is a place where people can find companionship, purpose, and a sense of community. It provides an opportunity for men and women to connect with others, share their skills and knowledge, and make a positive contribution to their community.

Buying Social - Ethical & Sustainable

Ystradgynlais Community Recycling is proud to be a Social Enterprise.

Social Enterprises are changing the world for the better. Our aim is to create positive social change. When you buy from a social enterprise you are choosing to spend your money with a business that is giving something back. A social enterprise helps to create employment, helps to improve peoples life chances, provides training and employment opportunities, support communities and helps the environment.

Helping those in most need

We are regularly called on to support social services and community partners in rehousing a cross section of people from families in crisis, to those needing emergency new housing because of; domestic violence or eviction, to people who are destitute and have had to flee their homelands (immigration) so as to avoid persecution. Over the year we have helped many families in need through the provision of household furniture, bedding, clothing and other support. We also ensure families are signposted to other agencies and support groups for financial and other help. We also make a valued contribution to assist integration of people into the community.

Ethical & Sustainable Purchasing - Buying Preowned Items

We promote conscious purchasing choices to encourage consumers to make environmental choices.

Saves Money

Preowned items are a lot more affordable than purchasing the same or similar product new.

Helps the Environment

Choosing to purchase items that may have ended up being thrown away, even though the item is in perfect condition prevents the amount of waste that reaches our landfill.

Getting more for your money

Taking the time to have a look and explore will allow you to have a wider choice and you may find an item that may be just as good

quality or even better.

Excitement

Everyone loves finding a bargain. It may require a little more time and effort, but nothing beats the feeling of finding an item for a fraction of the price.

INDEPENDENT EXAMINERS REPORT

YSTRADGYNLAIS VOLUNTEER CENTRE 31ST MARCH 2023

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
- have not been met; or

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Introduction

Our Annual Report highlights the differences we have made to the community of Ystradgynlais and neighbouring communities across Powys and Neath Port Talbot during the year 1st April 2021 to 31st March 2022

Trustees' Report

Welcome to YVC annual report for 2021-2022. Last years report highlighted the challenges of Covid which continued to have some impact on the work of the Centre throughout the period of this report. During this post pandemic period, spaces were reorganised and the number of volunteers continued to grow.

As trustees we would like to thank staff and volunteers for their ongoing commitment and dedication to the Centre and are proud to play a key role in supporting members of the local area.

The achievements of YVC during the period 21-22 are set out in this report but we would like to take this opportunity to reflect on the main areas of focus. Before detailing these, we trustees would like to acknowledge the hard work undertaken by Ian Hawkins, Donna Davies, Alison Rodwell, Sally Speedy, Hywel Jopling, Bex Elliott, Sam Howard and Carol Gordon for building firm foundations for the continuing growth of the Centre.

Looking forward we will see further development and consolidation of current achievements at YVC. A new branding identity which better reflects the work and activities at the Centre is being developed. The community cafe and warm bank are developing well as are a variety of public workshops. In these uncertain times, the numbers using the food bank continue to grow as do donations. The location of the food bank is changing within the centre to provide a more discrete service for the public. Working with Community Dreams, more than fifty Christmas hampers were delivered along with gifts for children and adults. The Community Garden is coming on well with produce to be used in the cafe and food bank. The process of opening a Mens Shed has begun. It will be open to all genders and use an existing space within the centre. All these activities will offer opportunities to develop relationships with new partners for long term sustainable projects.

Volunteering

A vibrant and enriched community is where every person feels connected to their community through active participation in volunteer related activities - YVC promotes the value of volunteering and enhances the range and quality of volunteering opportunities and experience.

Our Achievements

I report to the trustees on my examination of the accounts of the above charity for the year ended 31/03/2022

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ANNUAL REPORT 2020/2021

CHARITABLE INCORPORATED ORGANISATION
REG. No: 1160733

Introduction

Our Annual Report highlights the differences we have made to the community of Ystradgynlais and neighbouring communities across Powys and Neath Port Talbot during the year 1st April 2020 to 21st March 2021.

Who we are

YVC is a registered charity. We work with volunteers and the third sector to improve the wellbeing of people in Ystradgynlais and neighbouring communities. Together we aim to build a rich and vibrant community through our work in Volunteering and Recycling.

Collaboration

We know first-hand that for voluntary organisations to meet the challenges of the future we must work together, to organise and look ahead to prepare for the future. We continued to collaborate and connect with local people, organisations and services through strong partnerships.

Trustees' Report

Welcome to YVC annual report for 2020-2021. Last year's report highlighted the challenges of Covid and the pandemic continued to have a significant impact on the work of the centre throughout the period detailed in this report.

As Trustees we would like to thank the staff and our volunteers for their ongoing commitment and dedication to the centre and to the local community. We are proud to have played a key role in supporting members of the local area throughout the period of the pandemic.

The achievements of YVC during the period 2020 /2021 are set out in this report, but we would like to take this opportunity to reflect on the main areas of focus. Before detailing these, as Trustees we would like to acknowledge the hard work undertaken by Ian Hawkins, Donna Davies and Alison Rodwell who worked hard to build firm foundations for the future growth of the centre and much of our work has been to continue the good work they started.

Transformation to improve our services and sustainable future of YVC

The pandemic led to the centre being closed for much of the period covered by this report. This time was used to continue to consolidate and secure the future of the centre. Working practices for staff have continued to evolve and stronger accounting procedures have been developed.

Continuing to enhance the services we offer to the local community. During the height of the pandemic the number of volunteers was increased to build capacity to support the local community. The food bank is now well-established and it is responding well to the increased demand. Christmas 2020 was marked with a day for children to visit, enjoy games and receive gifts. There was a Christmas card competition involving local schools and Christmas hampers were delivered.

Building Capacity & Skills: Board of Trustees & Staff & Building Partnerships

Looking Forward to 2021/2022.

2021/2022 will see further development and the consolidation of achievements at YVC. A new branding ident which better reflects the work and activities at the centre is being considered. The community cafe is developing well as are a variety of public workshops. The location of the food bank is changing within the centre to provide a more discrete service for the public. Work is going ahead on the community garden offering YVC the opportunity to develop relationships with new partners for a long term and sustainable project.

Volunteering

A vibrant and enriched community is where every person feels connected to their community through active participation in volunteer related activities - YVC promotes the value of volunteering and enhances the range and quality of volunteering opportunities and experience.

Our Achievements

A major achievement is the significant improvement in recruiting and placing of volunteers over the reporting period. 140 volunteers were placed. The diversity and support that volunteers provided to local business and community projects has made a real difference.

new volunteers were placed in various volunteering positions in 2020/2021

Buying Social - Ethical & Sustainable

Ystradgynlais Community Recycling is proud to be a Social enterprise.

Social Enterprises are changing the world for the better. Our aim is to create positive social change. When you buy from a social enterprise you are choosing to spend your money with a business that is giving something back. A social enterprises helps to create employment, help to improve people's life chances, provide training and employment opportunities, support communities and help the environment.

Helping those in most need

We are regularly called on to support social services and community partners in rehousing a cross section of people from, families in crisis, to those needing emergency new housing because of; domestic violence, eviction - to people who are destitute and have had to flee their homelands (immigration) so as to avoid persecution. Over the year we have helped many families in need through: the provision of household furniture, bedding, clothes and other support. We also ensure families are signposted to other agencies and support groups for financial and other help. We also make a valued contribution to assist integration people into the community.

Ethical & Sustainable Purchasing - Buying Preowned Items

We promote conscious purchasing choices to encourage consumers to make environmental choices.

Saves Money

Preowned items are a lot more affordable than purchasing the same or similar product new.

Helps the Environment

Choosing to purchase items, that may have ended up being thrown away, even though the item is in perfect condition prevents the amount of waste that reaches our landfill.

Getting more for your money

Taking the time to have a look and explore will allow you to have a wider choice and you may find an item that may be just as good quality or even better.

Excitement

Everyone loves finding a bargain. It may require a little more time and effort, but nothing beats the feeling of finding an item for a fraction of the price.

Our Partners - Corporate Donations

We have a number of partners. We would like to thank in particular our major donations from key partners below.

The recycling and reuse of their donations has diverted several tonnes of waste from landfill.

The Commitment by these large organisations demonstrate their corporate, social and environmental responsibilities to facilitate support at grass root level.

INDEPENDENT EXAMINERS REPORT

YSTRADGYNLAIS VOLUNTEER CENTRE 31ST MARCH 2021

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
