2024 – 2025 End of year report

We are a black led youth organisation that is open to children and young people regardless of race, gender or religion. iiChild stands for the parent and the child and the undiscovered parent in the child.

iiChild has been a registered charity since 2014.

We normally run a weekly Parent and Toddlers' club 'Learn & Play' and youth camp 'Enterprise Against Crime' during school holidays.

Our weekly Thursday morning Toddlers' club is from 10.00 am to 1.30 pm. We form a community by serving parents and children a free lunch. Many Spanish speaking mums also shared abc's and colours in Spanish.

Enterprise Against Crime, the youth Camp runs during the school holidays from Monday to Friday 10.00 am to 4.00 pm for 5 years old to 16 years old.

In 2024, the board of iiChild London paused the weekly parent and toddlers' club and the holiday youth club. The pause was necessary for restructuring the organisation.

For the reason of restructuring the organisation, we did not apply for funding from any of the known funding bodies.

Our aim is to open up in late 2025.
