**STATEMENT OF TRUSTEES RESPONSIBILITIES FOR THE YEAR ENDED 31ST MARCH 2025**

**Trustees Responsibilities**

The law applicable to charities in England and Wales requires the trustees to prepare statements of accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period.

In preparing the financial statements the trustees are required to:

- \* Select suitable accounting policies and apply them consistently
- \* Make judgments and estimates that are reasonable and prudent
- \* State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and:
- \* Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for maintaining proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the statement of accounts comply with the Charities Act 2011.

They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.
