### TRUSTEES

CHRISTINE STANLEY, MICHELLE EASTWOOD, SHIRLEY MEGSON

The charity is constituted and Trustee appointed.

### OBJECTIVES AND ACTIVITIES

Our organisation is voluntary run and managed by a committee of dedicated volunteers who commit their time to supporting adults and children going through life changing and challenging situations, through its equine interaction based therapy/learning programmes.

### ACHIEVEMENTS AND PERFORMANCE

Our services to the public have been drastically reduced throughout this year due to the COVID 19 pandemic, we have followed government and local council guidelines and policies throughout this period to ensure safety to volunteers and public.

Once open and up and running after lockdown, strict covid 19 measures were put into place to ensure smooth and safe running of activities could be resumed.

### ACHIEVEMENT AND PERFORMANCE

Our continued support for other third sector organisations, Engage Leeds, Amitola sheltered housing, NHS Leeds organisations and Wakefield mental health groups has been vital for their clients general wellbeing and mental health over this very difficult time, these programmes have been very popular and extremely beneficial.

Our Young Lives Empowerment programme has been a major success, children have really struggled with mental health over this period and we have supported many children throughout this devastating period. Parents and families attending have reaped the benefits of our services, we supported many children and adults in this period that have been at a loss.

### FINANCIAL REVIEW

Online donations linked to therapy session have really helped keep the charity afloat throughout this difficult time.

Fundraising through our Bonus Ball monthly activity has continued throughout this period and has helped with running costs for our ponies and insurance.

Barry Greene Memorial Trust grant has enabled us to put plans into place to enhance our pony working areas and stabling for summer/autumn 2021.

## OTHER NEWS

January 2021 saw the arrival of 5 miniature rescue ponies, all in terrible condition welcomed into our stables to start their rehabilitation and education to become valued members of our therapy pony team.

We also welcomed a new volunteer to our team, Gracie Taylor who has shown dedication and leadership and has brought a wealth of enthusiasm and skills to our organisation.

Fantastic news for Sukie Smith one of our Young Lives Empowerment programme attendees has gained a place at Craven College, working towards her Equine Management qualifications and is totally enjoying the experience and doing extremely well!!
