Children in the UK are suffering from low mental health. Covid has made this crisis worse.

There is a call to action from the Government for schools to adopt a whole-school approach which has a stronger focus on mental health promotion and the prevention of mental health problems, alongside early interventions for children who have existing or emerging mental health problems to prevent these problems from escalating and the need for specialist support. Teachers understand the need to make mental wellbeing a priority, but they are already overwhelmed and overworked.

Our unique, interconnected provision based on our **5 Keys to Happiness** is designed specifically to improve mental wellbeing, develop essential life skills and increase engagement among children and to de-stress busy teachers by making it easier for them to make a difference. We offer:

1. **Universal support** for all children to promote mental wellbeing and prevent mental health problems - through our online **Activity Library** of 200+ activities, **Wellbeing Programme** with 2 years of assemblies and lessons that cover Relationships Education and Health Education statutory objectives, and **INSIDE OUT Award** which enables schools to implement a culture where the happiness of children is at the heart of school life.
2. **Targeted interventions** exclusively for vulnerable and underperforming children who are at risk of not reaching their full potential - through our offsite **Magical Days Out** at Checkendon Equestrian Centre in the Oxfordshire Chilterns, an Area of Outstanding Natural Beauty with 55 horses and 70 acres of privately owned woodlands. Through a blend of experiential activities around horses, nature and mindfulness, children get the opportunity to:
 - Ride and care for a horse
 - Explore and discover the natural world
 - Gain an appreciation for the natural environment
 - Create nature art
 - Practice mindful breathing and sensing

Children revisit core learning back at school in a developmentally appropriate way through our Activity Library and Wellbeing Programme.

Our **5 Keys to Happiness** evidence-based framework Look Inside, Move Outside, Share More, Be Curious, Be Kind – is relevant and engaging for children to learn and simple for teachers to teach back at school. It is based on the New Economic Foundation's '5 Ways to Wellbeing', scientifically proven to improve wellbeing.

The organisation's Trustees have complied with their duty to have due regard to the Charity Commission's guidance on public benefit in exercising their duties or powers.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The charity benefits from the support of two advisors with a wealth of experience in education, wellbeing, innovation and mindfulness coaching.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Launched our new website with an online Activity Library and Wellbeing Programme.

Curated 200+ activities for our Activity Library and completed 2 years' worth of digital content for teachers as part of our Wellbeing Programme.

Launched an updated version of our newsletter and Wellbeing Guides.

Created a new Pathway Pack for our partner schools.

Created evidence gathering tools to measure the impact of our work.

Created a comprehensive plan to restart Magical Days Out in Spring 2023 after a 3-year Covid-induced pause.

The Inside Out for Children programme continued to have an inspirational and lasting effect on children. Benefits linked to the '5 Keys to Happiness' have included:

Key 1 / Look Inside - Improved self-esteem, resilience, emotional language needs; decreased anxiety. Learned to self-calm, focus and relate to emotions through mindfulness techniques

Key 2 / Move Outside – Learned about local species, habitats and wildlife through nature exploration; experienced non-competitive outdoor play

Key 3 / Share More - Improved social interactions, teamwork, communication and relationship building

Key 4 / Be Curious - Opened minds to exciting and wide experiences.

Key 5 / Be Kind – Improved positivity. Learned responsibility, consideration, kindness and respect

Here are some testimonials gathered through our 'customer discovery' process with lead teachers from our partner schools:

- "I really enjoy using INSIDE OUT. I am always so blown away with the children in my class's knowledge/vocabulary/attitudes. They use language such as 'Mental and physical health', 'Self-care', 'Growth mindset' and always talk about their emotions/weather. I believe that Inside Out has had a massive part to play in this."

Section D

Achievements and performance

- “We have used the activities to run Wellbeing Days this year as we haven't been able to always mix the children for our usual Enrichment days and they have been so successful for the wellbeing of both teachers and children.”
- “It was not just about children’s wellbeing but also staff wellbeing. The simplicity of the tasks meant there was very little preparation needed, time pressures were taken off as the staff just moved to the next activity when they felt the class was ready, there was no set number of activities they had to complete. The wide range of activities meant staff could choose things that they would enjoy too and as time pressures and timetable pressures were removed they felt they could relax and just enjoy spending time with the children.’
- ‘Year 3 class were struggling to deal with their emotions. The Wellbeing Day served to remind them about the weather and how we can welcome all weathers.’”

Pages 1&2 – Section A

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2022**.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
