CHAIR'S REPORT

Our funding had been substantially down this year, compared to previous years, however just before Yvrose visited us in June, she shared a video of her half-built house being devastated by the rains. It was decided to share this with the people she visited whilst in the UK and we had an amazing response, with £6,906 donated just in June so that work to complete the building of the house could be started.

The situation in Haiti is still extremely dangerous and volatile, with sharper price rises, and food shortages. All travel is extremely hazardous, and it has been too dangerous to travel to Port au Prince since June 2022, but they have been able to travel to the Dominican Republic to obtain supplies. It continues to remain too unsafe to send mission trips to Haiti, so the focus of Hope House Haiti (UK) has been to enable Yvrose to visit the UK for three weeks in June, to re-establish contact with her supporters, and maximise funds sent to Haiti in support of the school, Hope Christian Academy, and the family home in Fonds Parisien.

The Student Fund launched in March 2021 has enabled the first eight students from Hope Christian Academy to complete their third year at the University in Port au Prince, with three of the students graduating a year early, due to their hard work, and a further 6 students attending University in Cap Haitian, which is relatively more stable. We have another three students hoping to start University next September. We continue to focus our fundraising for Hope House on meeting their immediate needs such as food, and helping them improve their self-sufficiency for the longer term. We continue to support 100 of the most malnourished in the school daily with a breakfast.

Yvrose's visit June 2025

Yvrose visited us in June this year, it was a very successful trip. Yvrose was able to re-engage with our supporters i.e. CRY and the Round Table, as well as Churches who have supported us for many years. She was also able to establish links with new Churches as well as doing two podcasts.

Medical

We have not been able to offer medical support again this year. We were still not able to travel to Haiti due to the unrest, increased violence, and kidnappings. It remains the same this year; that a UK team could not be organised due to the increased risk of travelling to Hope House.

Education

We have continued to support the school financially; there are currently 520 students attending Hope Christian Academy. We also financed student accommodation for the 6 students in Cap Haitian. The students who are studying with the University at Port au Prince returned to Hope House and continue their studies via the internet, due to the dangers in Port au Prince. Whilst many schools in Haiti have been closed due to the increase in violence on the streets, Hope Christian Academy has been open as much as possible, enabling students to complete their exams. The schools were advised to start their term in October due to the unrest, and will continue their studies for a further month in order to take their examinations.

Pastoral

We continue to offer pastoral support to the founders of Hope House remotely on a regular basis, given we are currently unable to visit them in person. This year we have been able to invite and support the founder of Hope House Haiti UK to promote the charity by visiting the UK. As a result, they have been able to reconnect with our supporters and generate new interest.

Fund raising

Volunteers have raised funds selling a variety of handicrafts, preserves, plants and designer Christmas cards featuring scenes of Haiti, and these were sold during the year and at the Christmas 2024 Open House. This event attracted local craft businesses, and there was a sale of cakes with tea and coffee, which was well supported by the local community and beyond. There were donations for food, and Christmas presents. We continue to be supported by local churches and schools who hold events on our behalf, and continue to receive funds from the CRY charity, which assists in providing food for the most malnourished in the school. In addition, individuals and churches support teacher and university student sponsorship, together with laptops.

CHAIR'S REPORT

We have received a number of anonymous gifts for food in response to the steep rise in the cost of living and food shortages.

The farm

The farm has continued to produce much needed fruit and vegetables for Hope House, who benefit from a much healthier diet. They have had a few problems with the pump for the well and have had to pay a contractor to repair the pump. They have a few laying chickens, sheep and bees, which supports their goal to be self-sufficient, to counteract the food shortages. They have used some of their animals for food and sold a number. They now have a functioning fish farm, they use the fish for their own consumption and for sale. They produce their own bread and peanut butter, which they use for the family, and to support the Breakfast Club. The children at Hope House are able to have a spoonful of honey each day from the honey they produce.

The continued progress that has been made this year would not be possible without the fellow Trustees who have worked tirelessly to support the work of Hope House Haiti (UK).

Yvonne Fulcher
Trustee and Interim Chairperson

HOPE HOUSE HAITI (UK)

TRUSTEES' REPORT FOR THE YEAR ENDED 30 JUNE 2025

The Trustees present their report and financial statements of the Charity for the year ended 30 June 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities Act 2011 and the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS 102).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Structure

Hope House Haiti (UK) is an unincorporated charitable trust and was established by a charitable constitution, adopted on 15 April 2013 and amended on 9 March 2015. The Charity is registered as a charity with the Charity Commission with effect from 13 March 2015, registration number 1160880.

Governance

The Charity's Trustees who held office during the period 1 July 2024 to date, are:

Mrs Joan Baker (Chair – resigned 3 October 2024)

Mrs Yvonne Fulcher (Secretary and interim Chair from 3 October 2024)

Mrs Jean Whiting

Mr Jonathan Masters (Treasurer)

Revd Will Kemp

Mrs Brenda Rossiter (appointed 3 December 2024)

At 30 June 2025 there were 5 Trustees of the Charity. No Trustee receives remuneration from the Charity, and all the Trustees attend regular board meetings. The Trustees have assessed the risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

In appointing new Trustees, the Board reviews and has regard to existing skill sets and any gaps in capability, and recruits accordingly to gain the experience needed for the effective administration of the Charity. Trustee positions are advertised on the Charity's website and in supporter newsletters, interviews are held, references and DBS checks are obtained, and recommendations made to the Trustee Body. On appointment, new Trustees will be inducted by way of meetings with the Chair and Treasurer, and through provision of a copy of the Constitution and the minutes and papers of recent Trustee and AGM meetings.

Objectives

The charitable objectives of the Charity are to relieve financial hardship, sickness and to advance the education of children and young people living in Haiti, in particular but not exclusively by the provision of funds and services to Hope House Tree of Life Ministries (known as Hope House and Hope House Christian Academy). Support provided for children and young people in Haiti include the provision of food, housing, clothing, education, health care and training.

The Trustees confirm that they comply with the duty in section 2(1)(b) that a purpose falls within section 3(1) of The Charities Act 2011 and is for the public benefit. The Trustees confirm that they have complied with the duty under Section 17(5) of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'. The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

ACTIVITIES AND ACHIEVEMENTS

In the financial year ended 30 June 2025, Hope House Haiti (UK) made donations of £66,677 (\$85,086) to Haiti, designated for activities in the work of Hope House Haiti and Hope Christian Academy. Individuals provided funds for staff salaries, food, student tuition and accommodation, repairs to the family home, and for flights to enable Yvrose to visit England. A grant first received in 2018 has been continued, allowing the most seriously malnourished school children to attend a breakfast club.

As an indication of the scale of work carried out in Haiti, it is reported that the charity has helped to:

- Provide education for 520 children at the school through teacher sponsorship.
- Provide a school meal for the school children, when funding and food availability allow.
- Provide a daily breakfast for the most malnourished children in the school and local community.
- Enable 14 students to attend University/Technical College with 3 graduating with degrees.
- Progress upgrades to the family home with the aim of completing the roof and making it waterproof.
- Fly Yvrose from Haiti to England for 3 weeks in June to allow her to engage with supporters.

Since December 2019, the Trustees have deemed it too unsafe to allow any form of travel into Haiti, due to gang warfare and the overall level of unrest. Instead, emphasis has been placed on increasing self-sufficiency (such as development of the farm for food), and using in country resource (such as medical staff to undertake checks of the children). Flying Yvrose to England for 3 weeks also enabled her to reconnect with UK based supporters, and allowed us to meet with her face to face to discuss Haiti and understand the ongoing needs and challenges. The charity continues to engage with supporters through fundraising events, and keeps them updated via newsletters, Facebook and the website.

FINANCIAL REVIEW AND GOING CONCERN

In the year to 30 June 2025, the Charity had total income of £67,006 (2024: £99,819) through individual and corporate sponsorship, donations, gifts in kind, fundraising events and interest on savings. The majority of these funds were provided by individuals, churches, Christian based charities, and fundraising events held in line with government guidelines. A number of donors give through gift aid, with repayments being reclaimed from HMRC every three or four months.

In this same period the Charity had outgoing resources of £71,703 (2024: £72,044). The Charity works on the principle that monies donated should be used at the earliest opportunity for the support of Hope House in Haiti. Funds received are therefore held in a current account with Barclays and two Trustees are required to authorise withdrawals and payments (currently there are three Trustees with online access to the bank account). However, the Trustees decided that £31.8k of funds received in 2024 as a result of the Charity Commission removing the J.E.L.A. Foundation as a registered charity should be released incrementally. These funds are being held in a savings account, and £750 is being released each month for transfer to Haiti.

The Trustees believe that the financial position at 30 June 2025 and the performance of the charity to date is satisfactory. Net assets at 30 June 2025 were £35,323 (2024: £40,261), being entirely cash and cash equivalents. These net assets have been accumulated from funds raised in the UK, after payments have been made for running costs and to support Hope House Haiti. The cash at bank will be utilised along with further funds raised to continue the support of Hope House Haiti in the coming year.

Looking forward, the Charity has sufficient liquidity to continue to maintain its operations and provide ongoing support to Hope House in Haiti. Regular donations, which annually have exceeded 35k for the past 3 years, have proved very stable and along with funds held in the savings account will allow the Charity to remain a going concern for the foreseeable future. As with all charities the future is not certain, and until law and order is restored in Haiti, both travel into and activities within Haiti will be impacted. However, the Trustees have every reason to believe that the Charity remains viable, are making every effort to build on

**TRUSTEES' REPORT
FOR THE YEAR ENDED 30 JUNE 2025**

the success of previous years, and have prepared the financial statements on a going concern basis.

RESERVES POLICY

The Trustees review annually the reserves policy and the level of free reserves, which are shown in the financial statements as "unrestricted funds". The unrestricted funds freely available for the Charity's general purposes were £35,564 at 30 June 2025 (2024: £40,261). The decrease is due to funds received from the J.E.L.A. Foundation via the Charity Commission being released incrementally, as discussed above.

The Trustees agreed to set a reserve level of £3,000: £750 to cover essential administration costs, £750 to cover annual insurance, and £1,500 in reserve to be able to send immediately to Hope Tree of Life Ministries (Hope House Haiti) in the event of a national emergency or natural disaster, prior to an emergency appeal being launched. If the Charity employed staff, or was subject to costs associated with renting premises or maintenance of a fixed asset, the Trustees would recommend setting a reserve level of 3 months operating expenditure.

TRUSTEES' RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards and Statements of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on an ongoing basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper records which disclose with reasonable accuracy the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution. They are also responsible for safeguarding the Charity's assets and hence taking reasonable steps for the prevention and detection of fraud and breaches of law and regulations.

The Trustees are responsible for the maintenance and integrity of the Charity and financial information included on the Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the Trustees on 3 November 2025 and signed on their behalf by:

Yvonne Fulcher
Interim Chair and Trustee

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF HOPE HOUSE HAITI (UK)

I report to the Trustees on my examination of the financial statements of Hope House Haiti (UK) (the Charity) for the year ended 30 June 2025.

Responsibilities and basis of report

As the Trustees of the Charity, you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011, as amended by the Charities Act 2022 ('the 2011 Act').

I report in respect of my examination of the Charity's financial statements as carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the Charity has prepared the financial statements in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn. I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in, any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- the financial statements do not accord with the accounting records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

The financial statements were approved by the Trustees on 3 November 2025 and were signed on their behalf by:

Yvonne Fulcher
Interim Chair and Trustee

Registered charity number: 1160880

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1. Accounting policies

Hope House Haiti (UK) is an unincorporated charity trust registered with the Charity Commission, register number 1160880.

a) Basis of preparation and going concern

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the relevant version of the Charities SORP (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

With no trips planned to Haiti for at least the next year, there are no significant changes expected to UK running costs (which currently are <8% of revenues received). Monthly donations, which predominately come from a loyal base of long-standing supporters, continue to hold up well. The trustees therefore consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

b) Incoming resources

All incoming resources are recognised when the Charity has entitlement to the resources and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of grants, donations (received and pledged) and gifts and is included in full in the Statement of Financial Activities (SOFA) when the Charity has entitlement to the income, the amounts can be quantified with reasonable accuracy and it is virtually certain that the income will be received. Grants, where entitlement is not conditional on the delivery of specific performance by the Charity, are recognised when the Charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the Charity where this can be quantified. Gifts in kind have been included at market value where this can be quantified. The value of service of volunteers has not been included in these accounts.

Income tax recoverable in relation to donations made under Gift Aid is recognised at the time of the receipt.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025**

1. Accounting policies (continued)

c) Resources expended and irrecoverable VAT

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Expenditure on raising funds includes the costs associated with attracting voluntary income. This includes fundraising events and the associated costs.

Charitable activities expenditure comprises those costs incurred by the Charity in the delivery of its activities and service for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Charitable activities include grants payable which are payments made to third parties in the furtherance of the charitable objectives of the Charity.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

d) Cash flow statement

The Charity has taken advantage of the exemption permitted by FRS 102 whereby a cash flow statement need not be prepared by a small entity.

e) Fund accounting

Restricted Funds are funds which are to be used in accordance with specific restrictions imposed by the donor.

The Unrestricted Funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose.

f) Cash at bank and in hand

Cash at bank and cash in hand includes short term highly liquid investments with a short maturity.

HOPE HOUSE HAITI (UK)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

2. Donations

	Unrestricted Funds 2025 £	Restricted Funds 2025 £	Total Funds 2025 £	Total Funds 2024 £
Donations	9,288	45,207	54,495	55,133
Gift Aid	3,139	-	3,139	4,295
Gifts in kind (note 3)	2,500	-	2,500	2,500
	<u>14,927</u>	<u>45,207</u>	<u>60,134</u>	<u>61,928</u>

During 2024, the Charity Commission identified Hope House Haiti (UK) as a suitable recipient for £31,831 of funds that remained after they removed the J.E.L.A. Foundation as a registered charity on 4 January 2024. This amount was shown as a 'Special donation' in the Statement of Financial Activities for last year.

3. Expenditure on charitable activities

Expenditure on charitable activities comprises £66,677 (2024: £68,600) donated and granted to Hope House Haiti in Haiti. General administration expenses are included in the unrestricted funds expenditure on charitable activities, as well as £2,500 (2024: £2,500) of gifts in kind which represents the value of the services provided by the independent examiner for reviewing the financial statements for the year ended 30 June 2025.

4. Trustees' remuneration and expenses

None of the Trustees received any remuneration during the year for services provided to the Charity or received expense reimbursements.

5. Employees

There were no employees of the Charity during the year ended 30 June 2025. All services were carried out by volunteers and the Trustees.

6. Taxation

Hope House Haiti (UK) is a UK registered charity within the definition of section 505 of the Income and Corporation Taxes Act 1988. The Charity's income is therefore exempt from taxation on its charitable activities. Accordingly, there is no income tax charge in these financial statements.

HOPE HOUSE HAITI (UK)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

7. Statement of funds

	Balance at 1 July 2024 £	Incoming Resources for year £	Resources expended for year £	Transfers for year £	Balance at 30 June 2025 £
Analysis of fund movements:					
Restricted Funds	-	47,407	(66,677)	19,270	-
Unrestricted Funds	40,261	19,599	(5,026)	(19,270)	35,564
Total funds	<u>40,261</u>	<u>67,006</u>	<u>(71,703)</u>	<u>-</u>	<u>35,564</u>

The transfer of £19,270 from unrestricted funds to restricted funds has been made to cover a deficit arising in the year on the restricted fund.

8. Analysis of assets and liabilities between funds

	Unrestricted Funds 2025 £	Restricted Funds 2025 £	Total Funds 2025 £
Fund balances at 30 June 2025 are represented by:			
Current assets – cash at bank	35,509	-	35,509
– cash float	55	-	55
Net assets	<u>35,564</u>	<u>-</u>	<u>35,564</u>

Restricted funds are those subject to specific restrictions imposed by donors or which have been raised by the Charity for particular purposes.

9. Related parties

There were no related party transactions in the current year.
