- Affording the knowledge of God to the community at large through evangelistic work and encouraging people to worship with us and seek eternal life salvation through the lord Jesus Christ
- Working with other churches with similar objectives to achieve greater results in enabling and empowering people through the word of God and in offering practical help and assistance to the needy

- Enlightening congregation members and the community at large with the gospel of Jesus Christ through face-to-face evangelism, weekly Radio and TV broadcast, publication of teaching materials on the worldwide web, face to face bible studies and weekly prayer meetings
- Providing necessary support to new converts to grow and develop in their new-found faith through effective pastoral care
- Community wide empowerment projects for the benefit of mankind in the wider community

Trustees Report (continued) for the Year Ended 31st March 2025

In planning our activities for the year, Christ Resurrection Ministries has considered the Commissioner guidance on public benefit and in particular the specific guidance on charities for the advancement of religion. For wider public benefit purposes, the charity in the course of the year has actively engaged in both congregational and community wide activities that are geared towards promoting the social inclusion and empowering people to live a sustainable Christian life. Amongst them are;

- Weekly worship, prayer meetings and bible studies
- Community wide evangelistic outreach and missionary work
- Advancement of the Christian religion by promoting knowledge of salvation through Christ with face-to-face evangelism, publication of teaching materials on the World Wide Web and regular TV and radio broadcast
- Provision of pastoral care for the congregation, local community and new converts to help them live a sustainable life in their new-found faith

In carrying out our activities both within and outside our worship centre, we always ensure that we do not compromise the core principals of our statement of faith as set out in our governing constitution.

CRM Affiliation and Public Benefit Activities

The church is a member of the Evangelical Alliance UK, a national network that supports and represents evangelical churches and organisations across the United Kingdom. The trustees considered this affiliation to provide accountability, shared standards of faith, and access to guidance and resources that support the church's governance, leadership, and mission.

Review of Activities and Performances

We have continually struggled with face-to-face membership growth over the years. However, the lack of membership growth has not hampered our dedication to affect the community we serve. Despite the lack of increase to our face to face regular members, we have continued to provide people in the community at large the opportunity to become members of our church to serve in a ministry dedicated to life changing teachings and support, worship, prayers and global evangelism and community missionary work. The achievements and performances are further elaborated below;

Worship and Prayer

We hold regular prayer and bible studies respectively on Wednesdays and Fridays. The combinations of these meetings has helped members to grow tremendously in their faith and in turn has helped improved their commitment to provide a Godly service to the wider community at large.

Trustees Report (continued) for the Year Ended 31st March 2025

Community Wide Evangelistic and Missionary Work

We have continued with advancing the Christian religion through radio and TV broadcast and through distribution of our church flyers to the local community to encourage people to attend our service and become members of our church.

We are currently in the process of rolling out a community wide new start project aimed at:

- Reaching out to the homeless most especially the single homeless and enabling them to have a new start through help with finding privately rented accommodation, training and life skills
- Empowering the unemployed through provision of advice and assistance, life skills and job-hunting advice, etc.
- Enabling the vulnerable in the society through face-to-face surgery in, advice, mentoring and necessary spiritual guidance
- Facilitating a multi-agency approach in addressing issues affecting the vulnerable in the society through developing a joint working approach with other existing bodies, charities and local support groups

Advancement of the Christian religion

Christ resurrection Ministries during the year dedicated itself to the advancement of the Christian religion by spreading the gospel through media and multimedia channels such as TV, radio, social media and the World Wide Web, especially during the Covid-19 pandemic. The overall objective of the charity is to take the church beyond the four corner walls and actively spread the gospel of Jesus Christ across the globe through effective media ministry and by engaging in various charitable objects that are beneficial to humanity.

Provision of Pastoral care and Food Bank

The Charity puts the welfare of its congregation and the community it serves at the heart of its yearly objectives. During the course of the year, the charity in collaboration with the founder and senior pastor operated food bank for the benefit of members and the community, organised group intercessory prayers for the community and nations and through the communitywide projects, provided advice, assistance and wider support to the public at large on matters relating to homelessness, unemployment and other societal maladies through media links.

The church operates a community food support initiative known as CRM Action. This programme delivers direct public benefit by providing food assistance to the less privilege in the community. It works with other charities that supports in other specific areas such as energy sustainability etc to individuals and families experiencing hardship within the local community. CRM Action is authorised by Lewisham Council and works in partnership with FareShare to facilitate the safe distribution of quality, edible surplus food sourced from manufacturers, retailers, caterers, and other approved suppliers.

Trustees Report (continued) for the Year Ended 31st March 2025

The food support service operates every Sunday and is open to all members of the public without discrimination, including homeless people, single parents, families, and others in need. Food is distributed following church services, ensuring regular access to essential provisions while promoting dignity, inclusion, and community cohesion. The trustees oversee this activity to ensure it is carried out safely, responsibly, and exclusively for public benefit in accordance with the charity's objectives.

Empowering people through joint working relationship with other churches

Through active evangelism and effective networking approach, the charity has over the years managed to form and maintained a meaningful joint working relationship with other ministries that has similar objectives for the purpose of empowering people in the community at large.

The trustees present their annual report together with the unaudited financial statements of the charity for the year ended 31st March 2025. The trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005 and the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed.

The aims and purpose of Christ Resurrection Ministries is to promote the Christian religion through activities and events recommended and approved by the leadership of the charity. It has identified and approved the following as our main aims and purpose:

- To advance education for the benefit of disadvantaged children.

Objectives and Activities

The Charity is committed to enabling and empowering people in the community to serve their purpose through:

- Affording the knowledge of God to the community at large through evangelistic work and encouraging people to worship with us and seek eternal life salvation through the lord Jesus Christ
- Working with other churches with similar objectives to achieve greater results in enabling and empowering people through the word of God and in offering practical help and assistance to the needy
- Congregational community and missionary work including offering practical help, advice and assistance to the homeless, unemployed and others that are less able in the society
- Enlightening congregation members and the community at large with the gospel of Jesus Christ through face to face evangelism, weekly Radio and TV broadcast, publication of teaching materials on the worldwide web, face to face bible studies and weekly prayer meetings

- Community wide empowerment projects for the benefit of mankind in the wider community

Trustees Report (continued) for the Year Ended 31st March 2023

In planning our activities for the year, Christ Resurrection Ministries has considered the Commissioner guidance on public benefit and in particular the specific guidance on charities for the advancement of religion. For wider public benefit purposes, the charity in the course of the year has actively engaged in both congregational and community wide activities that are geared towards promoting the social inclusion and empowering people to live a sustainable Christian life. Amongst them are;

- Weekly worship, prayer meetings and bible studies
- Community wide evangelistic outreach and missionary work
- Advancement of the Christian religion by promoting knowledge of salvation through Christ with face-to-face evangelism, publication of teaching materials on the World Wide Web and regular TV and radio broadcast
- Provision of pastoral care for the congregation, local community and new converts to help them live a sustainable life in their new-found faith

In carrying out our activities both within and outside our worship centre, we always ensure that we do not compromise the core principals of our statement of faith as set out in our governing constitution.

Review of Activities and Performances

We have continually struggled with face-to-face membership growth over the years. However, the lack of membership growth has not hampered our dedication to affect the community we serve. Despite the lack of increase to our face to face regular members, we have continued to provide people in the community at large the opportunity to become members of our church to serve in a ministry dedicated to life changing teachings and support, worship, prayers and global evangelism and community missionary work. The achievements and performances are further elaborated below;

Worship and Prayer

We hold regular prayer and bible studies respectively on Wednesdays and Fridays. The combinations of these meetings has helped members to grow tremendously in their faith and in turn has helped improved their commitment to provide a Godly service to the wider community at large.

Trustees Report (continued) for the Year Ended 31st March 2023

Community wide evangelistic and missionary work

We have continued with advancing the Christian religion through radio and TV broadcast and through distribution of our church flyers to the local community to encourage people to attend our service and become members of our church.

We are currently in the process of rolling out a community wide new start project aimed at:

- Reaching out to the homeless most especially the single homeless and enabling them to have a new start through help with finding privately rented accommodation, training and life skills
- Empowering the unemployed through provision of advice and assistance, life skills and job-hunting advice, etc.
- Enabling the vulnerable in the society through face to face surgery in, advice, mentoring and necessary spiritual guidance
- Facilitating a multi-agency approach in addressing issues affecting the vulnerable in the society through developing a joint working approach with other existing bodies, charities and local support groups

Advancement of the Christian religion

Christ resurrection Ministries during the year dedicated itself to the advancement of the Christian religion by spreading the gospel through media and multimedia channels such as TV, radio, social media and the World Wide Web especially during the Covid-19 pandemic. The overall objective of the charity is to take the church beyond the four corner walls and actively spread the gospel of Jesus Christ across the globe through effective media ministry and by engaging in various charitable objects that are beneficial to humanity.

Provision of Pastoral care

The Charity puts the welfare of its congregation and the community it serves at the heart of its yearly objectives. During the course of the year, the charity in collaboration with the founder and senior pastor operated food bank for the benefit of members and the community, organised group intercessory prayers for the community and nations and through the communitywide projects, provided advice, assistance and wider support to the public at large on matters relating to homelessness, unemployment and other societal maladies through media links.

The aims and purpose of Christ Resurrection Ministries is to promote the Christian religion through activities and events recommended and approved by the leadership of the charity. It has identified and approved the following as our main aims and purpose:

- To spread the gospel of Jesus Christ across the nations through effective face to face evangelism, use of the media including the internet, radio and television and publication of materials or other literatures for the promoting and spreading of the gospel

- To advance education for the benefit of disadvantaged children.

Objectives and Activities

The Charity is committed to enabling and empowering people in the community to serve their purpose through:

- Affording the knowledge of God to the community at large through evangelistic work and encouraging people to worship with us and seek eternal life salvation through the lord Jesus Christ
- Working with other churches with similar objectives to achieve greater results in enabling and empowering people through the word of God and in offering practical help and assistance to the needy
- Congregational community and missionary work including offering practical help, advice and assistance to the homeless, unemployed and others that are less able in the society
- Enlightening congregation members and the community at large with the gospel of Jesus Christ through face to face evangelism, weekly Radio and TV broadcast, publication of teaching materials on the worldwide web, face to face bible studies and weekly prayer meetings
- Providing necessary support to new converts to grow and develop in their new-found faith through effective pastoral care
- Community wide empowerment projects for the benefit of mankind in the wider community

Trustees Report (continued) for the Year Ended 31st March 2022

In planning our activities for the year, Christ Resurrection Ministries has considered the Commissioner guidance on public benefit and in particular the specific guidance on charities for the advancement of religion. For wider public benefit purposes, the charity in the course of the year has actively engaged in both congregational and community wide activities that are geared towards promoting the social inclusion and empowering people to live a sustainable Christian life. Amongst them are;

- Weekly worship, prayer meetings and bible studies
- Community wide evangelistic outreach and missionary work
- Advancement of the Christian religion by promoting knowledge of salvation through Christ with face-to-face evangelism, publication of teaching materials on the World Wide Web and regular TV and radio broadcast
- Provision of pastoral care for the congregation, local community and new converts to help them live a sustainable life in their new-found faith

In carrying out our activities both within and outside our worship centre, we always ensure that we do not compromise the core principals of our statement of faith as set out in our governing constitution.

Review of Activities and Performances

We have continually struggled with face-to-face membership growth over the years. However, the lack of membership growth has not hampered our dedication to affect the community we serve. Despite the lack of increase to our face to face regular members, we have continued to provide people in the community at large the opportunity to become members of our church to serve in a ministry dedicated to life changing teachings and support, worship, prayers and global evangelism and community missionary work. The achievements and performances are further elaborated below;

Worship and Prayer

We hold regular prayer and bible studies respectively on Wednesdays and Fridays. The combinations of these meetings has helped members to grow tremendously in their faith and in turn has helped improved their commitment to provide a Godly service to the wider community at large.

Trustees Report (continued) for the Year Ended 31st March 2022

Community wide evangelistic and missionary work

We have continued with advancing the Christian religion through radio and TV broadcast and through distribution of our church flyers to the local community to encourage people to attend our service and become members of our church.

We are currently in the process of rolling out a community wide new start project aimed at:

- Reaching out to the homeless most especially the single homeless and enabling them to have a new start through help with finding privately rented accommodation, training and life skills
- Empowering the unemployed through provision of advice and assistance, life skills and job-hunting advice, etc.
- Enabling the vulnerable in the society through face to face surgery in, advice, mentoring and necessary spiritual guidance
- Facilitating a multi-agency approach in addressing issues affecting the vulnerable in the society through developing a joint working approach with other existing bodies, charities and local support groups

Advancement of the Christian religion

Christ resurrection Ministries during the year dedicated itself to the advancement of the Christian religion by spreading the gospel through media and multimedia channels such as TV, radio, social media and the World Wide Web especially during the Covid-19 pandemic. The overall objective of the charity is to take the church beyond the four corner walls and actively spread the gospel of Jesus Christ across the globe through effective media ministry and by engaging in various charitable objects that are beneficial to humanity.

Provision of Pastoral care

The Charity puts the welfare of its congregation and the community it serves at the heart of its yearly objectives. During the course of the year, the charity in collaboration with the founder and senior pastor organised provided support to members who were affected by the Covid-19 pandemic, organised group intercessory prayers for the community and nations and through the communitywide projects, provided advice, assistance and wider support to the public at large on matters relating to homelessness, unemployment and other societal maladies through media links.

Trustees Report (continued) for the Year Ended 31st March 2022

Empowering people through joint working relationship with other churches

Through active evangelism and effective networking approach, the charity has over the years managed to form and maintained a meaningful joint working relationship with other ministries that has similar objectives for the purpose of empowering people in the community at large.

Trustees Report (continued) for the Year Ended 31st March 2021

In planning our activities for the year, Christ Resurrection Ministries has considered the Commissioner guidance on public benefit and in particular the specific guidance on charities for the advancement of religion. For wider public benefit purposes, the charity in the course of the year has actively engaged in both congregational and community wide activities that are geared towards promoting the social inclusion and empowering people to live a sustainable Christian life. Amongst them are;

- Weekly worship, prayer meetings and bible studies
- Community wide evangelistic outreach and missionary work
- Advancement of the Christian religion by promoting knowledge of salvation through Christ with face-to-face evangelism, publication of teaching materials on the World Wide Web and regular TV and radio broadcast
- Provision of pastoral care for the congregation, local community and new converts to help them live a sustainable life in their new-found faith

In carrying out our activities both within and outside our worship centre, we always ensure that we do not compromise the core principals of our statement of faith as set out in our governing constitution.

Review of Activities and Performances

We have continually struggled with face to face membership growth over the years. However, the lack of membership growth has not hampered our dedication to affect the community we serve. Despite the lack of increase to our face to face regular members, we have continued to provide people in the community at large the opportunity to become members of our church to serve in a ministry dedicated to life changing teachings and support, worship, prayers and global evangelism and community missionary work. The achievements and performances are further elaborated below;

Worship and Prayer

We hold regular prayer and bible studies respectively on Wednesdays and Fridays. The combinations of these meetings has helped members to grow tremendously in their faith and in turn has helped improved their commitment to provide a Godly service to the wider community at large.

Trustees Report (continued) for the Year Ended 31st March 2021

Community wide evangelistic and missionary work

We have continued with advancing the Christian religion through radio and TV broadcast and also through distribution of our church flyers to the local community to encourage people to attend our service and become members of our church.

We are currently in the process of rolling out a community wide new start project aimed at:

- Reaching out to the homeless most especially the single homeless and enabling them to have a new start through help with finding privately rented accommodation, training and life skills
- Empowering the unemployed through provision of advice and assistance, life skills and job-hunting advice, etc.
- Enabling the vulnerable in the society through face to face surgery in, advice, mentoring and necessary spiritual guidance
- Facilitating a multi-agency approach in addressing issues affecting the vulnerable in the society through developing a joint working approach with other existing bodies, charities and local support groups

Advancement of the Christian religion

Christ resurrection Ministries during the year dedicated itself to the advancement of the Christian religion by spreading the gospel through media and multimedia channels such as TV, radio, social media and the world wide web especially during the Covid-19 pandemic. The overall objective of the charity is to take the church beyond the four corner walls and actively spread the gospel of Jesus Christ across the globe through effective media ministry and by engaging in various charitable objects that are beneficial to humanity.

Provision of Pastoral care

The Charity puts the welfare of its congregation and the community it serves at the heart of its yearly objectives. During the course of the year, the charity in collaboration with the founder and senior pastor organised provided support to members who were affected by the Covid-19 pandemic, organised group intercessory prayers for the community and nations and through the communitywide projects, provided advice, assistance and wider support to the public at large on matters relating to homelessness, unemployment and other societal maladies through media links.

Trustees Report (continued) for the Year Ended 31st March 2021
