Independent Examiners Report

Respective responsibilities of the Trustees' and Examiner

The charity's Trustees (who are also Directors of the Company for Company law purposes) are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 111 of the Charities Act 2011 and that an independent examination is required.

Having established the company is not subject to audit under company law and eligible for an independent examination it is my responsibility to:

Examine the accounts under section 145 of the 2011 Act.

Follow the procedure laid down in the general directions given by the charity commissioners under section 145(5) of the 2011 Act : and

State whether particular matters have come to my attention.

Basis of the independent Examiner's report

My examination was carried out in accordance with the general directions given by the charity commission. An examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any concerning any such matter. The procedures undertaken do not provide all evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiners Report

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements:

To Keep accounting records in accordance with section 386 of the Companies Act 2006: and

To Prepare accounts which accord with the accounting requirements of the companies Act 2006 and with the methods and principals of the statement of Recommended Practice:

Accounting and Reporting by Charities (FRS102 SORP) have to been met or :

2. To which in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

ACCOUNTS

For the year ended

Notes

1. Accounting Policies

Basis of the preparation of the accounts

These financial statements have been prepared under the historical cost convention of the financial reporting standard FRS 102 and the statement of Recommended Practice on Accounting and Reporting (FRS 102 SORP) and in accordance with the provisions applicable to companies subject to the small companies regime under the Companies Act 2006.

As stated in the Charities Act 2011 (Group Accounts) Regulations 2015, and the Charities (Accounts and Reports) Regulations 2008, any parent charity where the aggregate gross income of the group, the parent charity and its subsidiaries, does not exceed £1,000,000 after consolidating adjustments, is not required to prepare group accounts. Accordingly group accounts consolidating the financial statements of the charity and its subsidiary undertaking have not been prepared.

Incoming resources

All material incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

The following specific policies are applied to particular categories of income:

Voluntary Income by way of donations and gifts is included in the SOFA when received.

Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when receivable. Where entitlement is conditional on the delivery of a specific performance, the income is recognised in the SOFA when that performance has been met.

Grants received for specific projects are classed as restricted funds. Grants towards capital expenditure are released to the SOFA when the assets are purchased from a restricted capital fund.

Donated services and facilities are included in the value to the charity where this can be quantified. The value of the service provided by volunteers has not been included in these accounts.

Investment income is included when receivable.

Activities for generating funds are accountable when receivable.

Income from rent and room hire is accounted for when receivable.

Resources Expended

Expenditure is recognised on an accruals basis as a liability is incurred.

Costs of generating funds comprise the cost associated with attracting voluntary income and activities for generating funds.

Charitable activities expenditure comprises those costs incurred by the charity in the delivery of the activities and its services for its beneficiaries. It includes both costs that can be allocated to such activities and those costs of an indirect nature necessary to support them. Expenditure on grants is recorded once the charity has made an unconditional commitment to pay the grant and this is communicated to the beneficiary or the grant has been paid whichever is earlier. The charity has not made any grant commitments of more than one year.

Governance costs include costs associated with meeting the constitutional and statutory requirements of the charity and include the independent Examiners fees and costs linked to the strategic management of the charity.

Costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resources. Cost allocation included an element of judgement and the charity has had to consider the cost benefit of all detailed calculation and record keeping. Directly attributable costs are allocated to the respective cost headings, including support costs where these are directly attributable. Other support costs have been appropriately allocated either on a per capita basis or on an estimated usage basis as considered appropriate.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in the furtherance of the general objectives of the charity.

Restricted funds are to be used for a specific purpose in accordance with the restrictions imposed by donors.

Designated funds are allocated out of unrestricted funds by the trustees for specific purposes. The use of such funds is at the trustee's discretion.

The cost of administering each fund are charged against the relevant fund, together with a fair allocation of management costs.

Transfers between funds are made if required and allowed under the restrictions and conditions of the particular funds involved. Where restricted funds become available for general purposes once certain criteria have been met, the surplus of income received over expenditure incurred is then transferred from restricted to unrestricted funds.

Depreciation

Tangible fixed assets are stated at cost (or deemed cost) less accumulated depreciation the trustees have estimated that the original cost of the land and buildings should be allocated 50% to the land and 50% of the building.

Depreciation is calculated so that assets are written down to their residual value over their anticipated useful economic lives. Depreciation is not charged on Freehold land. Depreciation is provided on other assets using the following annual rates:

Freehold land - Not depreciated
Freehold Buildings - 50 years
Fixtures and fittings - 20% (reducing balance basis)
Motor Vehicles - 20% (straight line basis)

Operating Leases

Rental costs under operating leases are charged to the statement of Financial Activities on a straight line basis over the period of the leases.

Pension Costs

The company has not made any pension contributions into a Defined Benefit Pension Scheme for its employees in the year under review. Contributions to

defined contribution plans are expensed to the Statement of Financial Activities in the period to which they relate.

Taxation

The charity is exempt from tax on income and gains falling within chapter 3 part II of the Corporation Tax Act 2010 or section 256 of the Taxation and Chargeable Gains Act 1992 to the extent that these are applied to the charitable objectives.

Going Concern

The trustees are continuously reviewing the current position and future activities of the charity and consider it appropriate to prepare financial statements on a going concern basis. The trustees are aware of the requirements for sufficient working capital to meet ongoing running costs and are also aware that the charity is currently reliant, to a certain degree, on grant funding received in advance in order to provide working capital to meet ongoing running costs. If this funding in advance was to significantly reduce and sufficient surpluses were not generated then the trustees may need to seek additional finance, which may require the charity's freehold property to be provided as security.
