Thank You

I GOT SHOES

Dear Friends,
We are deeply grateful to every individual and organisation that has championed and invested in the vision of I GOT SHOES charity. Your support and encouragement have fuelled the joy and purpose behind our work.

A special thank you goes to our I GOT SHOES directors, whose wisdom and insight have been instrumental in developing sustainable, long-term solutions. Together, we have witnessed lives transformed—individuals strengthened, hope renewed, and families united empowering the next generation.

As we step into this next season, our vision is to strengthen the foundation of our partnering schools and to expand our senior school scholarships. Imagine the untapped potential of the 85% of students in rural areas who never make it to senior school — not because they lack ability, but because they lack opportunity. Together, let's help rewrite their stories.

Because access to education changes everything!

Penny Seithel - Director / Chair

Penny Seithel

"Shoes don't tell the story - the one who wears them does"

REFERENCE AND ADMINISTRATIVE DETAILS

The Trustees present their report and financial statements for the year ended 31 December 2024. The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from
1 January 2016).

OBJECTIVES

I GOT SHOES exists to help more children access education in Uganda. Through grant-making, we provide shoes and school uniforms, which are stepping stones for children of all abilities and backgrounds, giving them the right to an education.

We've seen that by providing access to education, children and teachers thrive, as do the women in the community. School fees contribute towards teacher salaries. We empower local women by hiring them as tailors to make school uniforms and sportswear. We've seen these women gain confidence as they provide for their families.

In 2024, we focused on four groups in Uganda, helping them build sustainability by strengthening and equipping their systems: Shalom Primary School in Kyotera, Rakai; and Jubilee Care Nursery and Primary School in Kyebando, Kawempe. We also extended our reach to two additional schools — Zion Junior School in Kiwungu, Kamuli, and Grace and Favour Primary School in Lutete, Rakai — further widening the impact of our work.

Through the provision of financial support, scholarships and the provision of materials and facilities for education we are meeting our objectives.

I GOT SHOES charity is voluntarily registered with the Fundraising Regulator in the UK, ensuring compliance and instruction in regard to safe and effective fundraising throughout the year.

The charity operates solely on a volunteer basis from its directors, media team and project manager. We have no paid UK members of staff.
100% of the funds goes to the operation and running of the charity.

ACTIVITIES

HELPING MORE CHILDREN ACCESS EDUCATION

HOW HAVE WE SEEN THIS?

Since 2019, we partnered with our first Ugandan schools: Shalom Primary School in Rakai and Jubilee Revival Nursery and Primary School in Kampala. From the very beginning, our goal was not simply to give a hand-out, but to provide a hand-up.

Thanks to your generosity, hundreds of children are now walking into school with confidence—wearing shoes and uniforms proudly made by skilled local women tailors. Your impact goes even further: you're not just helping more children access education, you're empowering women and communities.

Our vision started with shoes – but with your help, we've equipped schools with a much-needed framework: student classrooms, a main meeting hall, a kitchen, storage facilities, security gates, a head teacher's house, teacher accommodations, new toilet blocks for students and staff, and water tanks. We've supplied desks, books, essential learning materials, and staff support.

As word spread, parents began recommending the schools to others. This, in turn, increased sustainability. New parents willingly contributed school fees even in the form of supplies—such as maize flour, corn, and firewood. Parents were encouraged to take ownership of their children's education. And when challenged to step up—they did!

Jubilee Revival Nursery & Primary School, Kampala, UGANDA

ACTIVITIES

One moment I'll never forget came in March 2024. I stood quietly at the back of Jubilee's main hall, remembering how it looked the very first time I visited. The change was incredible.And in that moment, I knew — our work here was complete. These schools had been equipped, and it was time for us to release and move on by the end of 2024.

With this transition in mind, we began developing partnerships with two more primary schools in rural Uganda: Zion Junior School in Kiwungu, Kamuli, and Grace and Favour Primary School in Lutete, Rakai. We've taken initial steps to visit the new schools, build momentum and establish a groundwork of common values in which to build ahead together.

Shalom Nursery & Primary School, Rakai, UGANDA

Primary School Sponsorship

£70 per year

From this:

ACTIVITIES

Making a difference...

How fantastic it was to have UK teachers, Lara and Grace Pickford — sister-in-laws — give up their half-term break to support staff and students at Shalom School in Rakai. They embraced long, full days and quickly adapted to Ugandan culture, meeting every challenge with warmth and care for the students. Lara introduced the staff to using manipulatives in Mathematics, later reflecting, “being here has renewed my passion and love for teaching again.”

Grace, who teaches Mathematics at a senior school, was pleasantly surprised by the level of work the Shalom students were achieving and helped them prepare for their upcoming PLE (Primary Leaver’s Exam). We are so grateful to both Lara and Grace for sharing their time, skills, and creative resources with the staff and students at Shalom Infant & Primary School.

In 2024, I GOT SHOES provided grants of £34,937 -- 66% of our expenditures, on shoes, school uniforms, scholarships, and school fees for our students. School fees provided 19 teacher and staff wages for both Shalom Primary in Rakai and Jubilee Nursery and Primary in Kyebando. And supplies a daily porridge for each student.

With just £70 you can support a child for an entire year. Thankfully, we’ve kept this cost the same for the past four years. Join us in making a lasting impact in the lives of even more children!

ACTIVITIES

Shalom Nursery & Primary School, Rakai, UGANDA

Primary Leaving Exam (PLE) Results

PLE Results for 2024 were outstanding for Shalom Primary School. The table below shows an increase in both the total number of candidates passing (2021; 9, 2022; 14, 2023; 22, 2024; 20) and the rate of passes as a percentage of total candidates (2021; 82%, 2022; 100%, 2024; 100%). This is highly encouraging. In Uganda, the rate of students leaving primary school increases significantly after year 4. We've seen and the data demonstrates both more children are completing the prescribed 7 years of primary school.

There was a slight dip in 2023, as new students came to Shalom from other districts. We learned they were hoping to receive senior scholarships. However, their lack of foundational skills in English, Math, and Sciences became apparent resulting in the percentage increase in lower divisions and fail rate.

In 2024, I GOT SHOES set new criteria for granting senior scholarships to local students only. In rural areas across Uganda, 85% of primary students do not continue to senior school. This discouraged non-local students from joining in year 7, which successfully increased the percentage of pass rates for the Rakai students.

The school's results have grown increasingly stronger each year. 2024 shows a remarkable change that all students either passed in Div 1 or Div 2. We're incredibly proud of the staff and students who have worked so hard to achieve this.

senior school scholarships

Senior school scholarships
Pictured below are some of our students at Margaret Senior school, Kampala, Uganda. In 2024, 31 senior students were in full-time boarding education – all of this was possible because of your wonderful generosity.This is an 8% increase from the previous year our vision is to strengthen the foundation of our partnering schools and to expand our senior school scholarships. *Imagine the untapped potential of the 85% of students in rural areas who never make it to senior school — not because they lack ability, but because they lack opportunity.* Together, we're rewriting their stories.

Shoes don't tell the story – the one who wears them does.

Senior School Scholarship

£26 per month

senior school students...

On one visit, we were soberly reminded how deeply outside challenges can affect our students' well-being. Among our senior school students, several were struggling with mental health difficulties. We realise the necessity of having touchpoints of early intervention and open communication with students and to their extended families.

They were given support from the deputy head of the school, as well as from Tausi Kuteesa, our I GOT SHOES senior school's coordinator. So many factors can contribute to the long-term success of a student. Liaising with the family and encouraging them to support their child, lessens the anxiety, depression, and isolation that build from feeling unsupported.

Our senior students are the first generation to ever attend education beyond Primary School. In rural areas, the stress and pressure of day-to-day survival often diminish the long-term benefit of education. Thankfully, both have maintained their commitment to study through this difficult time. We've seen an improvement in their demeanour, focus, and energy to keep going for the long haul.

"With early intervention, open communication, and prayerful encouragement, our students are finding renewed strength to keep going—despite the many challenges they face."

"I thank God for the time I have been in secondary school. I have changed my family economically, and spiritually by coming up with ideas for development, helping my mother with tailoring work and preaching the gospel [sharing Jesus love] to my parents and siblings.

I believe education is a treasure to me because I believe for a change for my family and society through my education."
I GOT SHOES Scholarship student Jeska. S3

Financial Review

Resilience was built through new partnerships in the UK and Uganda. We've taken opportunities to share our story at local schools, churches and continue to connect on our social media pages, and releasing our I GOT SHOES updates. Having friends and local partners help with fundraising this year has been a wonderful boost. And we're so grateful!

Total incoming resources for the year were £51,858. The charity's principal source of income is donations received £46,340 and Gift Aid £5,518 making the remaining funds. Total expenditure for the year was £52,901.

2% went to general expenses in the UK, primarly were bank transfer fees. The remaining 98% went directly to the charities work in Uganda. 3.25% went to our Uganda team admin costs.

An independent examiner's report on the accounts was carried out by Phil Harding on 02/09/2025.

We couldn't do this alone! How wonderful to see many individuals and partners who have raised funds for I GOT SHOES. We're thankful, too, for our Champions: monthly partners who have caught the vision and passion to help more children access education in Uganda. You're not just supporting education; you're empowering entire communities.

Our reserves policy:

The charity's reserves policy is to hold sufficient funds to meet our financial commitments and demonstrate our financial sustainability for the future. We currently retain reserves equivalent to 18 months of committed expenditure.

This includes annual increase in tuition for our senior scholarship fees, and a considerable increase in the cost of education in employing teachers, which the school fees help cover their wages. There were no funds in deficit.

STRUCTURE, GOVERNANCE AND MANAGEMENT

I GOT SHOES is a charitable company limited by guarantee without share capital.

The company was established under the Memorandum and Articles of Association dated 20 July 2014.

Directors are selected on the basis of their experience and commitment to the objects of the charity. They are appointed by the Directors by Ordinary Resolution.

The charity's objectives are for the promotion of any charitable purposes according to Christian principles without distinction of race, religion, gender or any other kind with the objective of improving the conditions of life of persons including (but not so as to limit the generality of the foregoing) the relief of sickness and financial hardship, the promotion and preservation of good health including the provision of funds, goods or services of any kind and the advancement of education as the trustees may from time to time think fit.

The trustees, who are also directors for the purposes of company law, are listed in the Reference and Administrative section. New trustees are appointed by the board of trustees in accordance with the Articles of Association. The trustees are also the members and in the event of the company being wound up they are required to contribute an amount not exceeding £1. The Articles of Association require that there be a minimum of three trustees (no maximum).

The trustees help formulate the longer-term strategies for the charity and delegate the day-to-day operations of the charity to the chair, Penny Seithel and Gary Seithel, director. The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

The charity trustees have complied with their duty in section 17(5) of the 2011 Charities Act to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

I GOT SHOES Charity is part of the Skylark International Network. We have engaged with other UK charity leaders who also work in Uganda, gaining insights into due diligence, safeguarding, and the development of sustainable strategies and solutions. Ongoing CPD through 'Working overseas: Risks, Responsibilities and Legal Duties' increasing our focus on safeguarding and understanding our roles in overseas due diligence.

Financial reporting and oversight including mitigating risk is managed at Director level with input from our Finance Director. The Trustee Board usually meets 3-4 times year by Google Meet.

The trustees' report was approved by the Board of Trustees.

Mrs Penny L. Seithel
Director / Chair

Section C Notes to the accounts

Note 1 **Basis of preparation**

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared on an accruals basis on historic cost and there are no investments.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

1.3 Changes to previous accounts

No material changes have been made to accounts for previous years. On page 5 the restricted income figure for the prior year has been separated out from the General Income. There is a small revision of the prior year comparisons on page 6.

Section C Notes to the accounts

Note 2 Accounting policies

INCOMING RESOURCES

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. Additionally, Where the period of the grant falls entirely in the accounting year it is recognised in full, if the period extends beyond the year end, the relevant proportion is deferred.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the time of reclaim receipt.

Contractual income and performance related grants

The charity did not receive any contract income or performance related income or grants.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Stocks and work in progress

These are valued at the lower of cost or market value. Donated food stock is not valued on the balance sheet as the stock is held for free distribution.

Section C Notes to the accounts (cont)

Note 3 Analysis of incoming resources

Incoming resources may be further analysed if this would help the reader of the accounts.

Note 15 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

There are no additional disclosures.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	I GOT SHOES		
On accounts for the year ended	31 DECEMBER 2024	**Charity no (if any)**	1160896
Set out on pages	1-15		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 /12 /2024.**

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

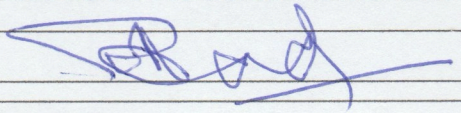

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (~~other than that disclosed below~~ *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

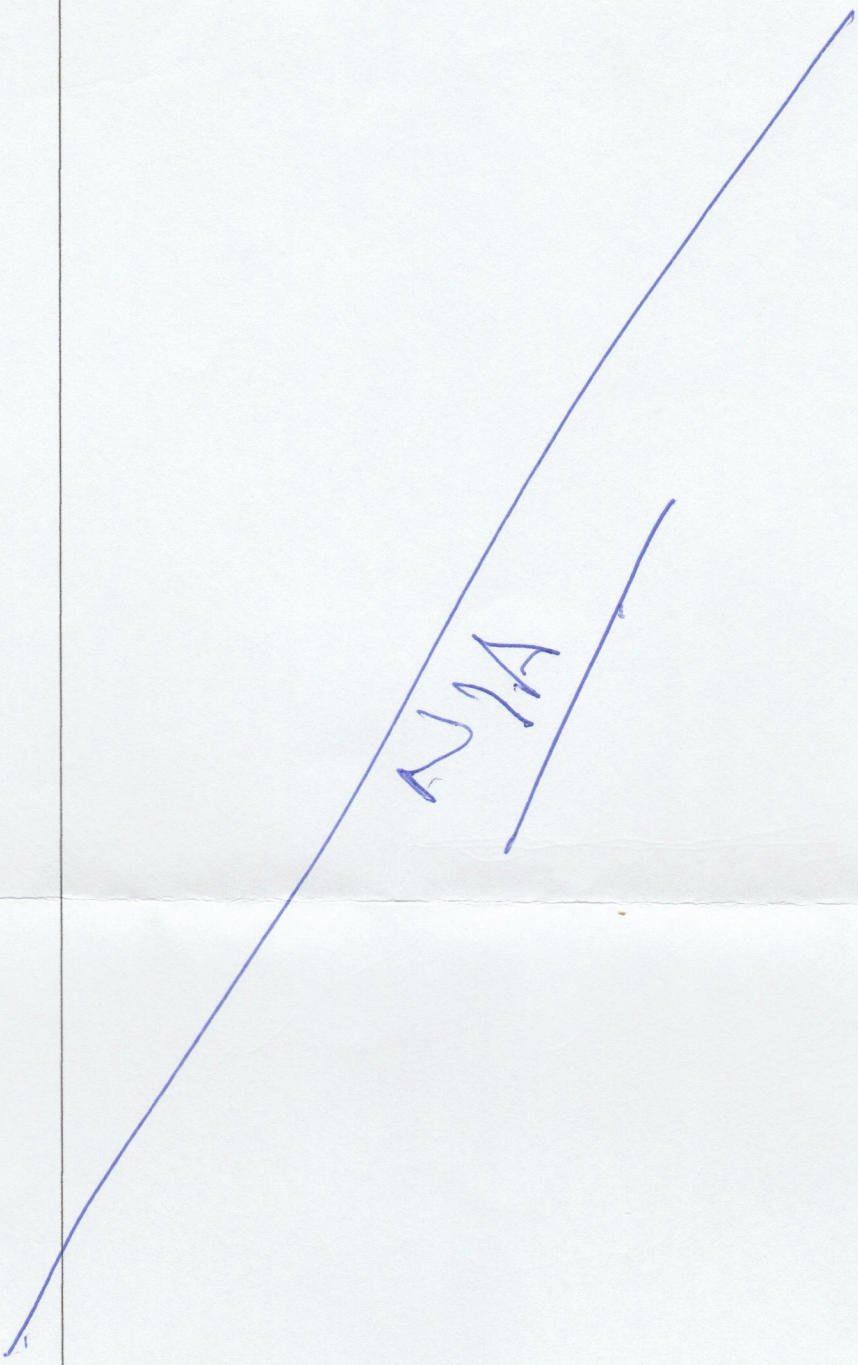

** Please delete the words in the brackets if they do not apply.*

Signed:		**Date:**	02.09.25
Name:	Phillip Harding		
Relevant professional qualification(s) or body (if any):	Company Director		
Address:	14 Dunmore Road Chelmsford CM1 6RY		

Section B Disclosure

Only complete if the examiner needs to highlight matters of concern (see CC32, Independent examination of charity accounts: directions and guidance for examiners).

Give here brief details of any items that the examiner wishes to disclose.

13 Teachers & Staff
Shalom Primary School
Rakai, Uganda

how we used funds ...

School Fees contribute towards teacher wages & children's food

Thank You

Our Directors and I GOT SHOES teams in the UK and Uganda, acknowledge and are incredibly grateful for the support given this year by individuals, monthly partners, churches, and community groups.

And it started with shoes...

Seeing the need in Uganda firsthand, 'dreaming big' seemed too daunting. So, we started small. We provided ten pairs of shoes. That's it. Four years on, through your generosity in 2023, I GOT SHOES grant-making has enabled over 733 students in Secondary, Primary and Infant schools to access education in Uganda.

It's wonderful to see their smiles and watch hope come alive in each student. Our hearts are full of gratitude for each one who has championed with us to impact lives in Uganda. Thank you 🤍

Gary & Penny Seithel - Founders

Name of chief executive or names of senior staff members (Optional information)

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Memorandum and Articles of Association dated 20 July 2014
How the charity is constituted (eg. trust, association, company)	Private company limited by guarantee without share capital
Trustee selection methods (eg. appointed by, elected by)	Directors are selected on the basis of their experience and commitment to the objects of the charity. They are appointed by the Directors by Ordinary Resolution.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The trustees, who are also directors for the purposes of company law, are listed in Section A. New trustees are appointed by the board of trustees in accordance with the Articles of Association. The trustees are also the members and in the event of the company being wound up they are required to contribute an amount not exceeding £1.

The Articles of Association require that there be a minimum of three trustees (no maximum).

The trustees help formulate the longer-term strategies for the charity and delegate the day-to-day operations of the charity to the CEO, Penny Seithel and Gary Seithel, director. The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

The Charity has an informal connection with Skylark International Community and has received governance, trustee training but has no legal connection to them.

Financial reporting and oversight (including risk) is managed at Director level with input from our Finance Director.

The Trustee Board meets 3-4 times year by Zoom.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity's objects are for the promotion of any charitable purposes according to Christian principles without distinction of race, religion, gender or any other kind with the object of improving the conditions of life of persons including (but not so as to limit the generality of the foregoing) the relief of sickness and financial hardship, the promotion and preservation of good health including the provision of funds, goods or services of any kind and the advancement of education as the trustees may from time to time think fit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity trustees have complied with their duty in section 17(5) of the 2011 Charites Act to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

The World Bank reports that 712 million people, nearly 1 in 11 people globally, live on less than $2.15 a day. Sub-Saharan Africa has the highest rate of children living in extreme poverty, reaching 40% in 2022. The charity's operations and objectives are fuelled by the belief that people living in poverty aren't victims, but individuals with creativity, imagination, and power to change their environment when given the opportunity.

I GOT SHOES exists to help more children access education in Uganda. Through grant-making, we provide shoes and school uniforms, which are stepping stones for children of all abilities and backgrounds, giving them the right to an education.

We have learned that globally, undernutrition affects more than 149 million under-five children. In Uganda, about 3 in every 10 children suffer from undernutrition. Through grant-making, I GOT SHOES contribute towards school fees, which helps provide a daily meal for each student.

It is incredibly rewarding to see the joy of children in school daily -- children are no longer made to work in fields or forced to watch younger siblings, but instead are learning to read and write. We see education as a key to equality, opening the doorway to greater opportunity and freedom.

"Literacy empowers and liberates people. Beyond its importance as part of the right to education, literacy improves lives by expanding capabilities which in turn reduces poverty, increases participation in the labour market and has positive effects on health and sustainable development." UNESCO

We've seen that by providing access to education, children and teachers thrive, as do the women in the community. School fees contribute towards teacher salaries. We empower local women by hiring them as tailors to make school uniforms and sportswear. We've seen these women gain confidence as they provide for their families.

Our focus area is linked to two key groups building longevity of relationship and strengthening due diligence and accountability. We currently partner with two schools in Uganda: Shalom Primary School in Kyotera, Rakai District, and Jubilee Care Nursery and Primary School in Kyebando, Kawempe District.

Through the provision of financial support, scholarships and the provision of materials and facilities for education we are meeting our objectives.

I GOT SHOES charity is voluntarily registered with the Fundraising Regulator in the UK, ensuring compliance and instruction in regard to safe and effective fundraising throughout the year.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

IGS has also appointed a local auditor to monitor correct use of funding given to our Ugandan partners. This has been instrumental in tracking funds, verifying costs, validating receipts and minimising cash transactions.

The charity operates solely on a volunteer basis from its trustees and weekly volunteers. We have no paid UK members of staff. 100% of the funds goes to the operations and running of the charity.

Our volunteers include: our Communications and Media team who create and build our social media community across various platforms; our IGS Scholarship Coordinator and our IGS Project Manager, who gives input to our building and construction projects.

We partner with two teams in Uganda who coordinate and manage the day-to-day work of the charity. The charity is grateful for the commitment and work of its Ugandan teams and the support and encouragement of its UK volunteers and trustees.

The Charity does not have any investments, all income is used for operations and any surplus is held on deposit for use in operations.

Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Helping more children access education …
It starts with shoes …

Seeing the need in Uganda firsthand, 'dreaming big' seemed too daunting. So, we **started small**. We provided ten pairs of shoes. That's it. Four years on, through the generosity of our donors and partnerships, in 2023, the grant making has enabled over 733 students in Secondary, Primary and Infant schools to access education in Uganda.

Senior school scholarships
Picture: Our students at Light Academy, Rakai Uganda.
In 2023, 24 students were active in our Senior School Scholarship programme. Of these students, 15 are girls, and 9 are boys. On average, 14% of Ugandan students attend Senior School. Despite these statistics, extended families still pressure older students to return home and help provide for younger siblings. This is their reality. Their immediate needs are pressing to override the long-term gain of education.

Despite resistance, we know each student is learning Christian values with academic and vocational skills. Most of all, they are protected from early marriage or forced labour. Knowing this fuels our work. All 24 students completed their year of study. 21 have progressed to the next level. 3 have graduated!

Senior school scholarships
Celebrating girls … Through our scholarship programme, we are raising awareness that 130 million girls worldwide have no access to education. In Uganda, if funds for school fees are limited, boys will be chosen over girls in a family.

'Educating girls can help pull families and communities out of poverty'.

We are thrilled that three female students have successfully graduated from the I GOT SHOES Senior Scholarship programme. Each have individually completed their two-year vocational training. We've tracked their progress; excitedly, each now earning income in their fields of hairdressing and tailoring.

Upskilling / After graduation …
Anitah* was one of the first to put her skills to use. Initially, she was hired by her vocational school to make uniforms for fellow students. Now in Kampala, Anitah is upskilling her tailoring knowledge from our IGS team of women who make the uniforms for our students. She is currently apprenticing under Justine, our team manager, to learn the entire business process of budgeting, purchasing, and making the uniforms from start to finish.

Anitah's backstory: She grew up in a rural, impoverished community in Rakai District, Uganda. She was older when she sat her PLE (Primary Leaving Exams) and academically struggled. Yet, she desired to learn tailoring and one-day help contribute to the welfare of her family.

Through I GOT SHOES scholarship program her story is very different from many girls in Uganda. The more we learn about gender roles in Uganda it continues to fuel our 'why'. Inequality and gender roles in traditional, male-dominated societies are key barriers to girls receiving education.
* *Pseudonymns used to protect children's identity.

Section D Achievements and performance

Thank you for helping change the narrative for these beautiful lives in Uganda.

Student Spotlight:
We are so proud of Lydia. In her first term reports, she scored Outstanding in most of her subjects – hitting top marks in Mathematics, Chemistry and Physics. She shares, “thank you for providing my school fees, shoes, uniform, books and other services. I am working hard to have a better performance than the year before. I pray to God to help me so I can fulfil my dream of being a pharmacist in the future. I also request you to pray for me that God help me fulfil my dreams and have a bright future”. We’re thankful for our monthly partners whose contributions help keep young students, especially girls, in education.

Successfully supporting senior students: “Firstly, want to take this opportunity to thank you very much for your provision towards me this term. I thank you for the school fees you have paid for me and the pads you provided for me. **I know that if it was not by your help, I would have been home now** because my parents do not manage to afford all that amount you pay for me a term. I appreciate my lovely parents. I thank you very much tor the support! May God bless you so much.” Nakito Sarah, S1 student.

Community Impact:
In 2023, we welcomed Tausi Kutessa to our I GOT SHOES team. She's employed as a grant-supported coordinator in Uganda. Tausi provides excellent financial oversight of school project funds and collaborates with Justine, our production manager, to produce fantastic uniforms at the best cost. Tausi also works as our Senior School's Coordinator. She visits our students, keeps communication flowing, and helps track their academic and vocational progress. We're thrilled to have Tausi on board. Your generosity is making a difference, not only in student's lives but women's as well.

Community Christmas: £1,528 given to support families associated with the school and those needing extra support in the community.

Primary Schools: It’s more than shoes …
Teacher Spotlight: Teacher Winnie & story/quotes.

It is such a joy to be greeted by students, teachers, and parents each time we arrive at our schools: Shalom Infant & Primary School, Rakai and Jubilee Nursery & Primary School in Kampala. Nothing prepares you for the sheer excitement, enthusiasm, and gratitude, especially from the families. **Two completely different cultures jointly transforming the narrative for these beautiful children.**

In 2023, **I GOT SHOES provided grants of £35,454, 68% of our expenditures, on shoes, school uniforms and school fees for our students.** The school fees provide 19 teacher and staff wages for both partnering Primary schools. And supplies a daily meal for each student. With just £70 you can support a child for an entire year. Thankfully, we’ve kept this cost the same for the past four years. Join us in making a lasting impact in the lives of these children!

Section D Achievements and performance

Shalom Primary School:

Foot washing Story: Displaying a cultural shift: children matter.

Before distributing uniforms and shoes, basins were brought to wash the children's feet. It started with Ben, the director of Shalom Primary School, and Gary washing the feet of these beautiful ones.

In John 13, Jesus washed the feet of the disciples. This moving act changed the lives of his followers. Ben prayed for new beginnings and belief to step into their destiny over each child. Teachers and staff joined in. Later, Ben shared, "This will be a story they tell their children one day. Whether it was the head teacher, the Mzungus, or me … **they will remember the blessing spoken over them. And that no one has done this before."**

Impact & Collaboration …
Shalom Main Hall & Kitchen …

Over £21,851 raised for Headteacher's House, Main Hall & Kitchen.

In March 2023, during our visit to Shalom, we saw the staff cooking outside over an open fire during the rainy season. Witnessing this first-hand, we stood under an umbrella with the headteacher and began dreaming together. This moment inspired us to believe in the right partners to help with a Main Hall & Kitchen Building and a Headteacher's House.

Having no dining hall or large meeting room at the school, students and staff eat in the open but are restricted to classrooms in rainy weather. A new kitchen and a multi-purpose hall will help make our children and staff work environment much safer and protected. This all contributes to our children and staff having a brighter future.

With a generous donation of **£10,485 from Low Country Community Church** and more funds from individuals, we were able to begin building the headteacher house in late autumn.

We're incredibly grateful to The **Rotary Club of Brentwood, UK who contributed £5,500** towards our Main Hall and Kitchen at Shalom Primary School in Rakai. These funds provided Solar Panels for the student classrooms as well. **£5,000 also was given by local partners Skylark Community Church Chelmsford.** The hall project has turned out to be huge and has extended into the next year's budget.

Our hearts are full of gratitude for these additions that bring value and inspiration to the students, staff and community.

Section E Financial review

Brief statement of the charity's policy on reserves	The charity's reserves policy is to hold sufficient funds to meet our financial commitments and demonstrate our financial sustainability for the future. We currently retain reserves equivalent to 18 months of committed expenditure. This includes estimated increase in tuition for our senior scholarship fees, and a considerable increase in the cost of education in employing teachers, which the school fees help cover their wages.
Details of any funds materially in deficit	None were in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Resilience was built during the year through new partnership development, raised awareness through speaking at civic and community groups, increased social media coverage, adding more monthly partners, and collaboration with community and church groups.

We're thankful for many individuals and partners who have raised funds for I GOT SHOES. We're thankful, too, for local partners who have championed our heart to keep children in education in Uganda. **Becket Keys Secondary School in Brentwood, who raised over £1,787** on their non-uniform days 👏. We loved meeting one student who recently raised £100 by sharing with ten friends about I GOT SHOES, each then contributing £10. How inspiring to see local students helping change the narrative for peers across the world ✨

Thank you to **Oglesby Union children for raising £960** for I GOT SHOES at their 'Surf's Up' children's club this summer 🤍

We're touched by the generosity of members and friends of **Saint Nicolas Church, Ingrave and St Stephen's, Brentwood** for raising £478 to purchase 32 pairs of shoes for our Ugandan children. After we visited their church to thank them, one member was moved to do another fundraiser. A special thank you to Eric F. who stepped out and decided to raise additional funds for I GOT SHOES by playing hymns at the church. He raised over £646 going towards more Senior School Scholarships.

Total incoming resources for the year were £70,252. The charity's principal source of income is donations received £59,907. Grant Aid of £5,179 and Gift Aid £5,166 making the remainder funds. Total expenditure for the year was £52,313. 3% went to the cost of running the charity, of which 1.6% were bank transfer fees. The remaining 97% went directly to the charities work in Uganda. More funds were raised this year for building a 2100 ft main hall and kitchen for Shalom Primary School, which use of funds and construction will continue in 2024.

An independent examiner's report on the accounts was carried out by P Harding on _____. Financial statements attached.

Section F Other optional information

The Directors, Ugandan teams, and UK volunteers acknowledge and are incredibly grateful the support given in the current year by individual sponsors, community groups and churches. Seeing lives changed and communities transformed by strengthening the infrastructure of schools, supporting staff and helping more children access education has been wonderful to witness. The donations to I GOT SHOES charity helps us see first-hand lives changed. We are so grateful for the monthly supporters, and individual donors that have come on board this year. We truly could not do this without your support. Thank you!

Section G Declaration

Section C Notes to the accounts

Note 1 **Basis of preparation**

***This section should be completed by all charities**.*

1.1 Basis of accounting

These accounts have been prepared on an accruals basis on historic cost and there are no investments.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years.

Section C Notes to the accounts

Note 2 Accounting policies

INCOMING RESOURCES

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. Additionally, Where the period of the grant falls entirely in the accounting year it is recognised in full, if the period extends beyond the year end, the relevant proportion is deferred.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the time of reclaim receipt.

Contractual income and performance related grants

The charity did not receive any contract income or performance related income or grants.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Stocks and work in progress

These are valued at the lower of cost or market value. Donated food stock is not valued on the balance sheet as the stock is held for free distribution.

Note 15 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

There are no additional disclosures.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	I GOT SHOES		
On accounts for the year ended	31 DECEMBER 2023	**Charity no (if any)**	1160896
Set out on pages	1-15		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2023**.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

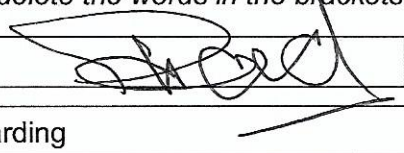

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*

Signed:		**Date:**	
Name:	Phillip Harding		
Relevant professional qualification(s) or body (if any):	COMPANY DIRECTOR		
Address:	14 Dunmore Road Chelmsford CM1 6RY		

Section B Disclosure

Only complete if the examiner needs to highlight matters of concern (see CC32, Independent examination of charity accounts: directions and guidance for examiners).

Give here brief details of any items that the examiner wishes to disclose.

Thank You ...

The Directors acknowledge and are incredibly grateful for the support given in the current year by individual sponsors, community groups and churches. The donations to I GOT SHOES help us see the lives of the vulnerable and their families transformed. Three years ago, we started by giving just ten pairs of shoes. We've now seen over 528 students step into education from your generosity.

While we would love to contain the ever-increasing numbers, we know hundreds of hearts and families are being touched. Yes, it is challenging and stretching, yet we would not want it any other way.

We're grateful for your part. Together, we can help more children access education. Thank you!

Penny Seithel

"We believe that every life has inherent worth. Those living in poverty are not victims but individuals with creativity, imagination and power to change their environment when given the opportunity."

Objectives & Activities

Our focus area is linked to two particular groups to create longevity of relationship and continue strengthening due diligence and accountability.

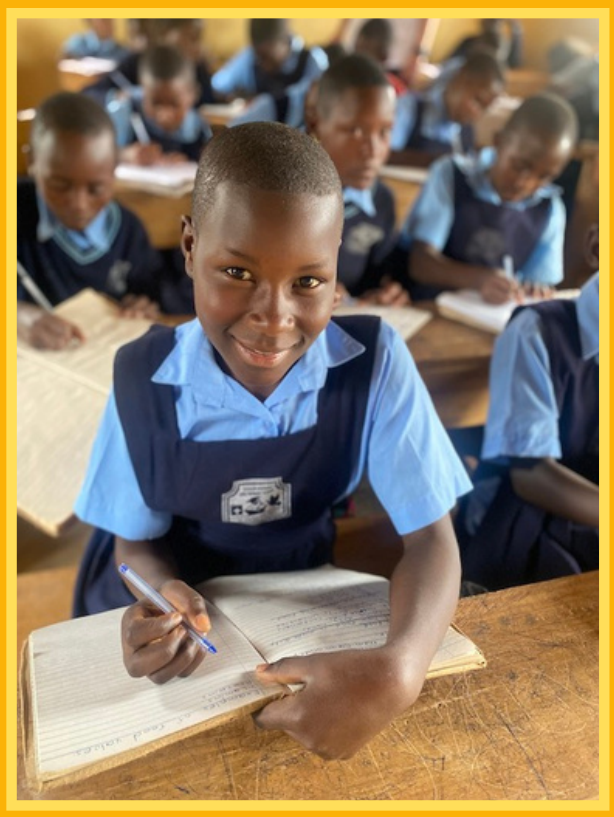

We currently partner with two schools in Uganda: Shalom Primary School in Kyotera, Rakai District, and Jubilee Care Nursery and Primary School in Kyebando, Kawempe District.

We are taking extra steps to tackle injustice by helping those with limited or no opportunity to get access to education in Uganda.

We have seen that owning a pair of shoes can change a child's life.

We see education as a key to equality, opening the doorway to greater opportunity and freedom.

How we help ...

£15 shoes

£20 school uniform

£35 school fees

Making a difference

Through the provision of financial support, scholarships and the provision of materials and facilities for education we are meeting our objectives.

Objectives & Activities

The charity's objectives are for the promotion of any charitable purposes according to Christian principles without distinction of race, religion, gender or any other kind of discrimination. Our objectives include improving the conditions of life of individuals, the relief of sickness and financial hardship, the promotion and preservation of good health. We do this through the provision of funds, goods or services of any kind and the advancement of education as the trustees may from time to time think fit.

£70 provides shoes, uniform and school fees for a student for 1 year!

**The charity operates solely on a volunteer basis from its trustees and weekly volunteers. We have no paid UK members of staff.
100% of the funds goes to the operation and running of the charity.**

Our Ugandan team help coordinate and manage the day-to-day work of the charity. They oversee the outworking of the schools and projects. The charity is grateful for the commitment and work of its Ugandan team and the support and encouragement of its UK volunteers and trustees.

The charity trustees have complied with their duty in section 17(5) of the 2011 Charities Act to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

How we serve

Primary School Sponsorship

£70 per year

Senior School Scholarship

£26 per month

Registered with FUNDRAISING REGULATOR

I GOT SHOES charity is voluntarily registered with the Fundraising Regulator in the UK, ensuring compliance and instruction in regard to safe and effective fundraising during Covid-19.

Helping more children access education ...

After 83 weeks, schools opened across Uganda in January 2022. Our students were bursting with excitement, even tears from mothers, for children to be in school again and to receive school uniforms and SHOES. Additional staff was hired to meet the demands of surging numbers, and students arrived excited for a bright future! We have met our target of sponsorship in 2022 for 354 students in Shalom Primary School in Rakai and 150+ students in Jubilee Nursery & Primary School.

Senior School Spotlight

Meet *Faith* one of our scholarship students! She is the first to attend senior school in her family. Her best subjects are English and Sciences. The second term really tested Faith's abilities as she struggled with her health fighting malaria and ended up in hospital. Sadly, it also meant Faith missed her exams.

Yet, as her health grew stronger, she was determined and kept working hard. Her desire is to help others through pursuing a career in medicine. Faith has managed to complete this year with a B average! We're so proud of her effort and courage.

Faith is just one of many students who would not be in education if it wasn't for your support. Thank you for helping make their dreams become a reality.

*Pseudonyms are used to protect children's identity.

Impacting lives...

I GOT SHOES fulfilled a large-scale target in 2022 by not only sustaining but increasing the number of students involved in our Scholarship Programme. In rural Uganda, 85% of children will attend primary school but education typically stops there. The percentage drops drastically to 14% of those attending senior academic or vocational school due to the costs. We are incredibly grateful for our monthly partners whose contributions help keep young students -- especially girls in education.

We are ecstatic that 15 out of 24 Senior students are girls! We know gaining academic and vocational skills in a Christian environment will make a significant difference in their lives. Through our scholarship programme, we are raising awareness that over 130 million girls worldwide have no access to education, forcing young girls to marry, becoming young mothers trapped in poverty, or worse. Each have had challenges to overcome to continue to expand their knowledge, and pursue their dreams but are thriving and we're cheering them on! We continue to build stronger links with our Senior schools, keeping regular contact and encouraging each student to keep going strong.

"Thank you for all you've done for my family and friends. My own parents wouldn't have been able to provide my school fees but you were able to sacrifice all you have for us. I pray you will continue providing for me as God provides for you."

Shalom Primary School, Rakai Uganda

Impact & Collaboration

Shalom Nursery Building ...

In March 2022, Shalom Primary School received an official license to operate as a school recognised by the Ministry of Education in Uganda. With this came opportunities to collaborate with individuals, community, and church groups. Over £10,557 was raised to help with new requirements. The first project entailed converting an open shelter with dirt floors that was being used as a classroom, to a 4-classroom nursery block.

The school has brought life to the village. We see the teachers, students and families full of gratitude, and, most of all, hope for this next generation.

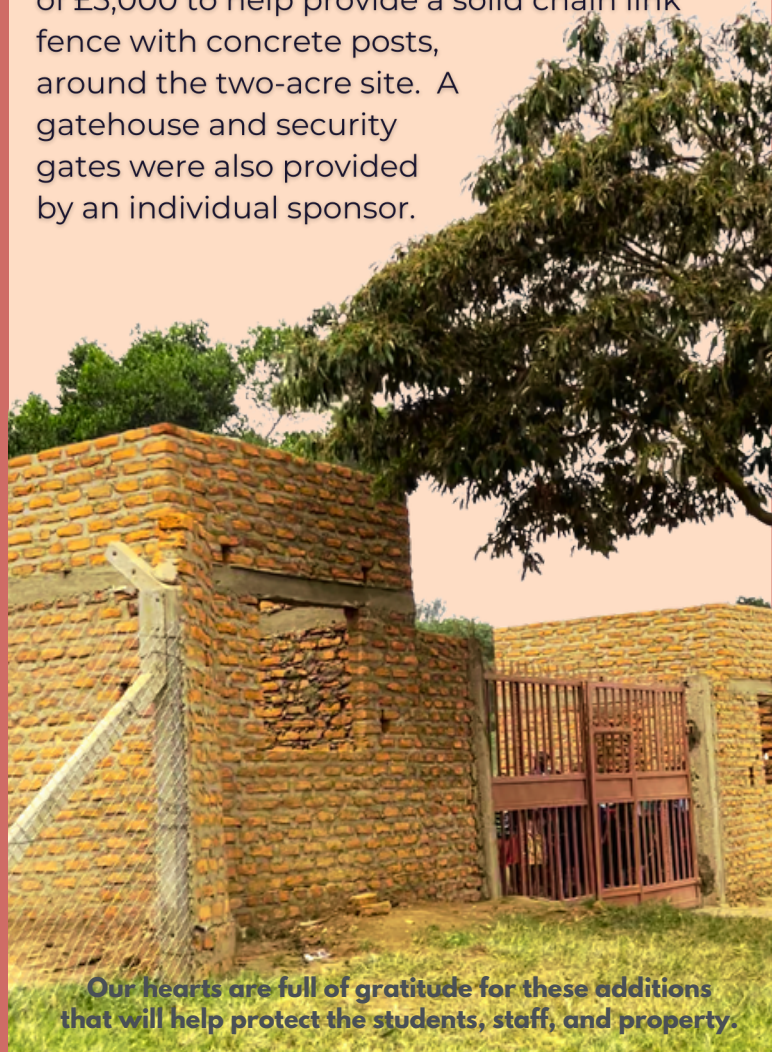

This helped tremendously with the increasing number of younger students. The work was completed over weekends and during school holidays, as not to interfere with classes and ensuring student safety. With a generous grant from **Low Country Community Church, SC,** we were able to complete the building: Concrete floors, internal walls, roof, windows, and doors all create a new, inspiring learning environment.

Over £10,557
raised for nursery building
& school gate

School Fence & Gatehouse ...

Security for Shalom Primary School was our next priority. The local school inspectors were concerned there was no fence around the site that would keep intruders out and prevent young children from wandering off. Herdsmen were even driving their cattle through the middle of the school property!

We're incredibly grateful to **The Rotary Club of Brentwood, UK** for a grant of £3,000 to help provide a solid chain link fence with concrete posts, around the two-acre site. A gatehouse and security gates were also provided by an individual sponsor.

Our hearts are full of gratitude for these additions that will help protect the students, staff, and property.

Community Impact

Children in Uganda overcome huge obstacles to stay in education. Our sponsorship and scholarship programmes are providing shoes, uniform, and school fees. In 2022, over £29,628 went towards accomplishing this. School fees help towards teacher and staff salaries and ensure each child is given one hot meal a day.

Our Ugandan Project Manager, Justine, coordinated uniforms and shoes for over 500+ students throughout the year. I GOT SHOES is passionate about equality. We hire local women tailors to make the school uniforms. Our hearts are that each woman would see her value and worth in who they are made to be.

Community Impact

Local pastors Ben & Justine Tumwebaze head up our Uganda Team. They long to see sustainable change and we are incredibly thankful to work with them. They have given sacrificial investments in training leaders, supporting the vulnerable, and creating opportunities for orphans and single-parent families.

I will never forget one conversation with our partners. My Western mindset reeled off this question, 'Why would you seemingly overcrowd the schools?' The reply came, 'Everyone deserves a chance.' So many are illiterate; they long to know how to read and write. Eventually, it affects the community, even the church. How can they ever learn to study the Bible themselves?' We are giving them a 'reasonable opportunity'.

I GOT SHOES
Christmas, basins were filled with essential food supplies for over 100 families associated with our two schools. £1,560 was given to this appeal.

Financial Review

Resilience was built during the year through increased awareness of the needs through social media coverage, and individual and group donations.

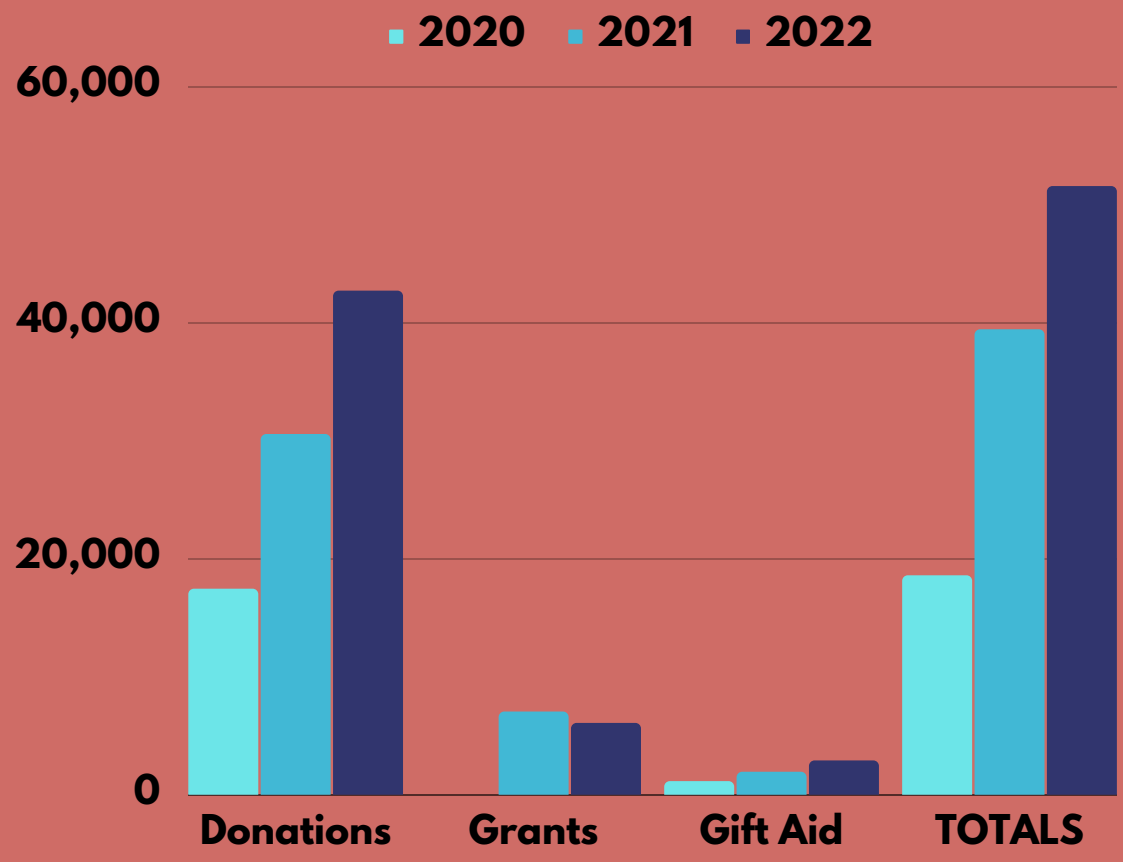

Total incoming resources for the year were £51,521. The charity's principal source of income is donations received £42,662. Grant Aid of £6,001 and Gift Aid £2,859 making the remainder funds. Total expenditure for the year was £42,321. Less than 1.4% went to the cost of running the charity, the remaining 98.6% went directly to the work in Uganda.

Our reserves policy:

The charity's reserves policy is to hold sufficient money in reserve to enable it to meet increases in school fees and the considerable increase in the cost of education in employing teachers, which currently the school fees cover their wages.

There were no funds in deficit.

An independent examiner's report on the accounts was carried out by P Harding on 21/6/2023. Financial statements attached.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	I GOT SHOES		
On accounts for the year ended	31 DECEMBER 2022	**Charity no (if any)**	1160896
Set out on pages	1-15		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2022.**

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*

Structure, governance and management

Trustees who manage the charity:

Penny L Seithel - Director/ Chair
Gary B Seithel - Director
Peter M Stern - Director
Stephen W St James - Director
Nicola A Sims - Director
Paul Leaman - Director
Kayleigh Seithel - Director

Amanda R Jackson - Ambassador / Strategist

Description of the charity's trusts:

Memorandum and Articles of Association dated 20 July 2014.

Directors are selected on the basis of their experience and commitment to the objectives of the charity. They are appointed by the Directors by Ordinary Resolution.

The trustees, who are also directors for the purposes of company law, are listed above. New trustees are appointed by the board of trustees in accordance with the Articles of Association. The trustees are also the members and in the event of the company being wound up they are required to contribute an amount not exceeding £1.

The Articles of Association require that there be a minimum of three trustees (no maximum).

The trustees help formulate the longer-term strategies for the charity and delegate the day-to-day operations of the charity to the CEO, Penny Seithel and Gary Seithel, director.

The Charity has an informal connection with Skylark International Community and has received governance, trustee training but has no legal connection to them.

Financial reporting and oversight (including risk) is managed at Director level with input from our Finance Director.

The Trustee Board met termly by Zoom during the year.

Section C Notes to the accounts

Note 1 **Basis of preparation**

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared on an accruals basis on historic cost and there are no investments.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years.

Section C Notes to the accounts

Note 2 Accounting policies

INCOMING RESOURCES

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. Additionally, Where the period of the grant falls entirely in the accounting year it is recognised in full, if the period extends beyond the year end, the relevant proportion is deferred.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the time of reclaim receipt.

Contractual income and performance related grants

The charity did not receive any contract income or performance related income or grants.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Stocks and work in progress

These are valued at the lower of cost or market value. Donated food stock is not valued on the balance sheet as the stock is held for free distribution.

Section C Notes to the accounts (cont)

Note 3 Analysis of incoming resources

Incoming resources may be further analysed if this would help the reader of the accounts.

Note 15 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

There are no additional disclosures.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	I GOT SHOES		
On accounts for the year ended	31 DECEMBER 2022	**Charity no (if any)**	1160896
Set out on pages	1-15		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2022.**

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

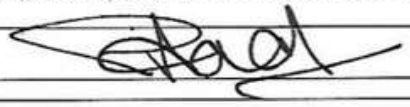

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*

I GOT SHOES Senior School Scholarship Students

Thank You ...

The Directors acknowledge and are incredibly grateful the support given in the current year by individual sponsors, community groups and churches. The donations to I GOT SHOES help us see lives of the vulnerable and their families transformed.

And we've seen what a difference, no matter how small, that doing something is better than nothing! We are so grateful for the monthly supporters, and individual donors that have come on board this year. We truly could not do this without your support.

Thank you!

Penny Seithel

"We believe that every life has inherent worth. Those living in poverty are not victims but individuals with creativity, imagination and power to change their environment when given the opportunity."

Objectives & Activities

Our focus area is linked to two particular groups to create longevity of relationship and continue strengthening due diligence and accountability.

We currently partner with two schools in Uganda: Shalom Primary School in Kyotera, Rakai District, and Jubilee Care Nursery and Primary School in Kyebando, Kawempe District.

We are taking extra steps to tackle injustice by helping those with limited or no opportunity to get access to education in Uganda.

We have seen that owning a pair of shoes can change a child's life.

We see education as a key to equality, opening the doorway to greater opportunity and freedom.

How we help ...

£15 shoes

£20 school uniform

£35 school fees

Making a difference

Through the provision of financial support, scholarships and the provision of materials and facilities for education we are meeting our objectives.

Objectives & Activities

£70 provides shoes, uniform and school fees for a student for 1 year!

The charity's objects are for the promotion of any charitable purposes according to Christian principles without distinction of race, religion, gender or any other kind with the object of improving the conditions of life of persons including (but not so as to limit the generality of the foregoing) the relief of sickness and financial hardship, the promotion and preservation of good health including the provision of funds, goods or services of any kind and the advancement of education as the trustees may from time to time think fit.

The charity operates solely on a volunteer basis from its trustees and weekly volunteers. We have no paid members of staff.
100% of the funds goes to the operation and running of the charity.

We partner with a team of volunteers to help in Uganda who coordinate and manage the day-to-day work of the charity. The charity is grateful for the commitment and work of its Ugandan team and the support and encouragement of its UK volunteers and trustees

The charity trustees have complied with their duty in section 17(5) of the 2011 Charities Act to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

How we serve

Primary School Sponsorship

Senior School Scholarships

Registered with FUNDRAISING REGULATOR

I GOT SHOES charity is voluntarily registered with the Fundraising Regulator in the UK, ensuring compliance and instruction in regard to safe and effective fundraising during CoVid-19.

Primary School Sponsorship

Through the generosity of donors and monthly sponsors, together, we are making a difference in over 400 children's lives.

As lockdown in Uganda ended December 2021, anticipation built for schools to fully reopen after two years closed. We have met our target of 150 children sponsored for education in Jubilee Care Nursery & Primary School, Kyebando and 250 children at Shalom Primary School, Rakai.

Senior School Scholarships

Meet *Naomi* one of our scholarship students! She was asked why she wanted to continue studying; here is a snippet of the handwritten letter we received!

"To begin with, I would love to continue studying because studies will lead me to success; I hope to study Arts and Sciences and also history. I hope to do so because they will make me a great woman in the future. Secondly, I am good at music, dance and drama. I was also a debate prefect and an English prefect. Lastly after my studies, I would like to become a lawyer and a great businesswoman. With those, I really appreciate you for sponsoring me. May the Lord bless you and protect you."

*Pseudonyms are used to protect children's identity.

Impact 2021

I GOT SHOES first major target in January 2021 was continuing provision for 14 residential students and staff at Shalom Primary school, Rakai District, Uganda. Our P7 students began preparing for their Primary Leaving Exams and both teachers and students worked extremely hard together! Despite the Ugandan Ministry of Education reopening schools for exam students, less than 30 percent of them across the country returned. We were thankful to have this opportunity to support these 14 students who confidently sat their P7 exams.

One of the most exciting achievements in 2021 for I GOT SHOES, was founding our scholarship programme. We are passionate for children to have the opportunity to continue scholastically and vocationally once leaving Primary school. 13 of our residential students, along with 4 others from our school in Kampala, have continued to Senior school through our scholarship programme.

We are ecstatic that 12 of these students are girls, believing this opportunity will make a difference in their lives.

Scholarship Programme

Through our scholarship programme, we are raising awareness that over 130 million girls worldwide have no access to education, forcing young girls to marry, becoming young mothers trapped in poverty, or worse.

Impact & Collaboration

Over £10,530
was raised to finish classroom

Shalom Classroom Building ...

As the other students remained off-site, we primarily focused on finishing the facilities at Shalom Primary School. Over £10,530 was raised to do this! The first project entailed building a substantial toilet block to replace a collapsed latrine. Next, a derelict smaller classroom building needed structural repairs: including new windows, doors, and support beams. Internally, walls were plastered and painted.

The school is beautiful, and the local village can hardly believe its transformation.

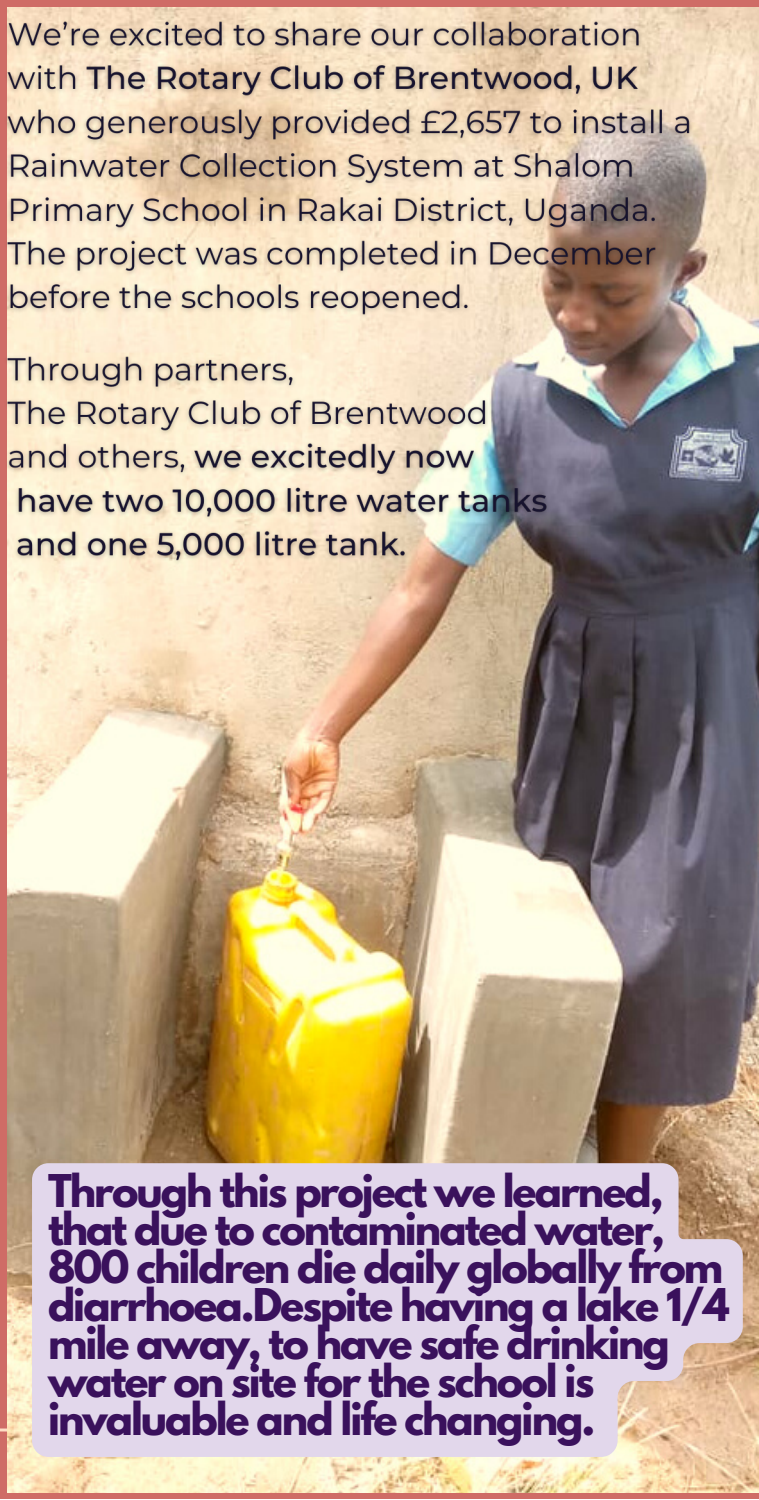

This has brought such hope and encouragement to the wider community.

With a generous grant from our partners at **LCC, Low Country Community, SC,** in the large educational block, dirt classroom floors were replaced with concrete, walls next plastered and painted. A veranda was added to the structure to provide shelter and strength to the overhanging roof.

Water Tanks ...

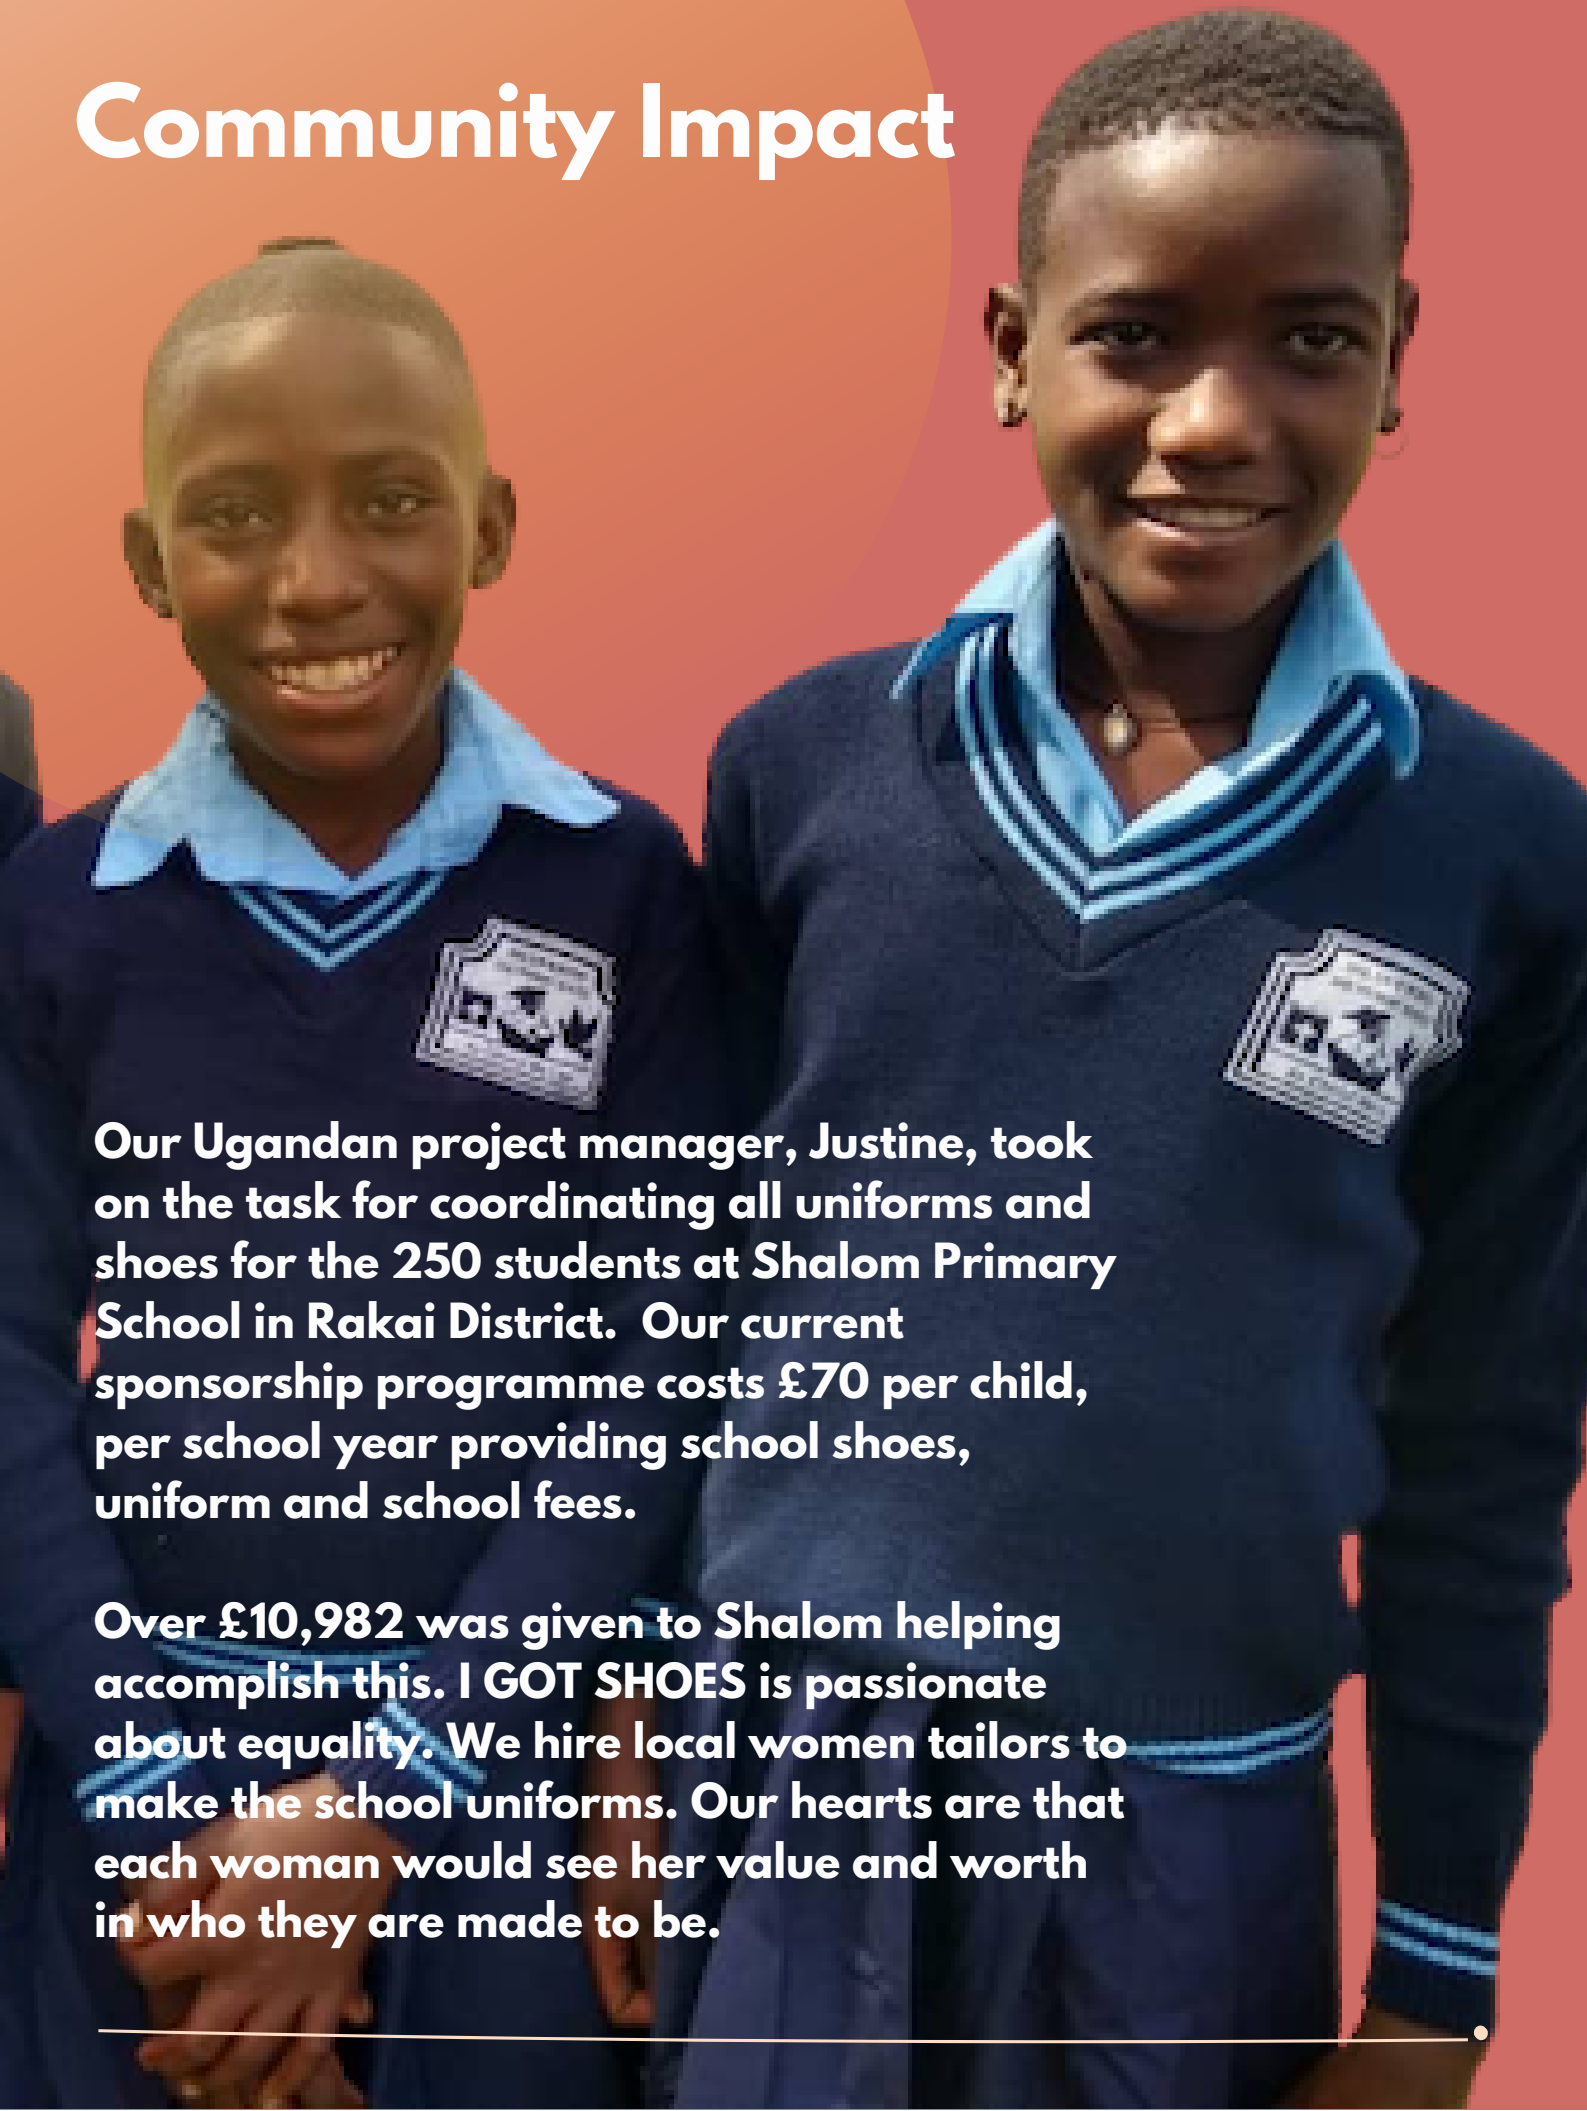

We're excited to share our collaboration with **The Rotary Club of Brentwood, UK** who generously provided £2,657 to install a Rainwater Collection System at Shalom Primary School in Rakai District, Uganda. The project was completed in December before the schools reopened.

Through partners, The Rotary Club of Brentwood and others, **we excitedly now have two 10,000 litre water tanks and one 5,000 litre tank.**

Through this project we learned, that due to contaminated water, 800 children die daily globally from diarrhoea.Despite having a lake 1/4 mile away, to have safe drinking water on site for the school is invaluable and life changing.

Community Impact

Our Ugandan project manager, Justine, took on the task for coordinating all uniforms and shoes for the 250 students at Shalom Primary School in Rakai District. Our current sponsorship programme costs £70 per child, per school year providing school shoes, uniform and school fees.

Over £10,982 was given to Shalom helping accomplish this. I GOT SHOES is passionate about equality. We hire local women tailors to make the school uniforms. Our hearts are that each woman would see her value and worth in who they are made to be.

Community Impact

I GOT SHOES extended Covid relief to local families as Uganda entered a second lockdown in June 2021. £864 provided rice, beans, maize flour to 55 of our families associated with the two schools. Our Rakai teachers tutored students in their homes and remained connected to vulnerable families.

At Christmas, basins were filled with essential food supplies for over 100 families associated with our two schools. £1,505 was given to this appeal.

Structure, governance and management

Trustees who manage the charity:

Penny L Seithel - Director/ Chair
Gary B Seithel - Director
Peter M Stern - Director
Stephen W St James - Director
Nicola A Sims - Director
Paul Leaman - Director
Kayleigh Seithel - Director

Amanda R Jackson - Ambassador / Strategist

Description of the charity's trusts:

Memorandum and Articles of Association dated 20 July 2014.

Directors are selected on the basis of their experience and commitment to the objects of the charity. They are appointed by the Directors by Ordinary Resolution.

The trustees, who are also directors for the purposes of company law, are listed above. New trustees are appointed by the board of trustees in accordance with the Articles of Association. The trustees are also the members and in the event of the company being wound up they are required to contribute an amount not exceeding £1.

The Articles of Association require that there be a minimum of three trustees (no maximum).

The trustees help formulate the longer-term strategies for the charity and delegate the day-to-day operations of the charity to the CEO, Penny Seithel and Gary Seithel, director.

The Charity has an informal connection with Skylark International Community and has received governance, trustee training but has no legal connection to them.

Financial reporting and oversight (including risk) is managed at Director level with input from our Finance Director.

The Trustee Board met termly by Zoom during the year.

Financial Review

Resilience was built during the year through increased awareness of the needs through social media coverage, and individual and group donations.

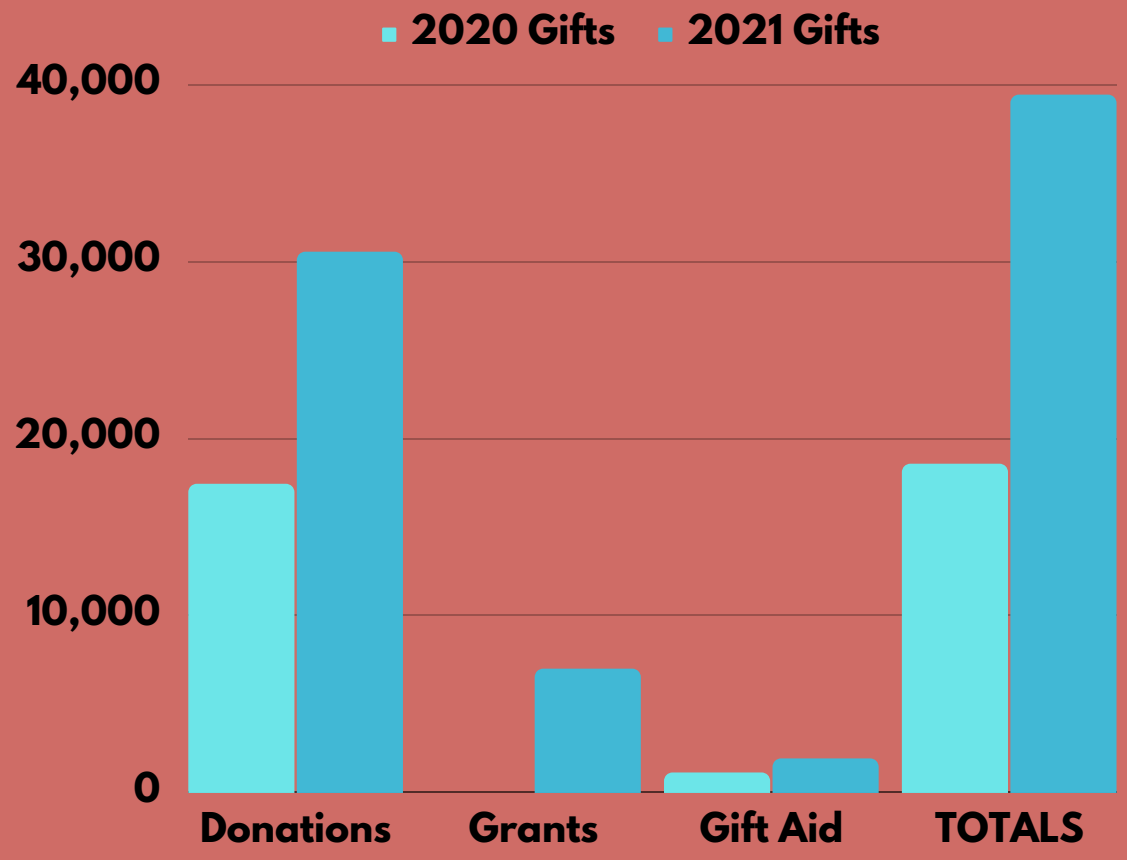

Total incoming resources for the year were £39,399. The charity's principal source of income is donations received £30,529. Grant Aid of £6,952 and Gift Aid £1,918 making the remainder funds. Total expenditure for the year was £30,021. Less than 2% went to the cost of running the charity, the remaining 98% went directly to our work in Uganda.

Our reserves policy:

The charity's reserves policy is to hold sufficient money in reserve to enable it to meet increases in school fees and the considerable increase in the cost of education in employing teachers, which the school fees cover their wages.

There were no funds in deficit.

An independent examiner's report on the accounts was carried out by P Harding on 25/2/2022. Financial statements attached.

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	I GOT SHOES		
On accounts for the year ended	31st December 2021	**Charity no (if any)**	1160896
Set out on pages	1 - 15		

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
   - to keep accounting records in accordance with section 130 of the Charities Act; and
   - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

   have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C Notes to the accounts

Note 1 **Basis of preparation**

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared on an accruals basis on historic cost and there are no investments.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years.

Section C Notes to the accounts

Note 2 Accounting policies

INCOMING RESOURCES

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. Additionally, Where the period of the grant falls entirely in the accounting year it is recognised in full, if the period extends beyond the year end, the relevant proportion is deferred.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the time of reclaim receipt.

Contractual income and performance related grants

The charity did not receive any contract income or performance related income or grants.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Stocks and work in progress

These are valued at the lower of cost or market value. Donated food stock is not valued on the balance sheet as the stock is held for free distribution.
