Thank You

Dear Friends,
We are deeply grateful to every individual and organisation that has championed and invested in the vision of I GOT SHOES charity. Your support and encouragement have fuelled the joy and purpose behind our work.

A special thank you goes to our I GOT SHOES directors, whose wisdom and insight have been instrumental in developing sustainable, long-term solutions. Together, we have witnessed lives transformed—individuals strengthened, hope renewed, and families united empowering the next generation.

As we step into this next season, our vision is to strengthen the foundation of our partnering schools and to expand our senior school scholarships. Imagine the untapped potential of the 85% of students in rural areas who never make it to senior school — not because they lack ability, but because they lack opportunity. Together, let's help rewrite their stories.

Because access to education changes everything!

OBJECTIVES

I GOT SHOES exists to help more children access education in Uganda. Through grant-making, we provide shoes and school uniforms, which are stepping stones for children of all abilities and backgrounds, giving them the right to an education.

We've seen that by providing access to education, children and teachers thrive, as do the women in the community. School fees contribute towards teacher salaries. We empower local women by hiring them as tailors to make school uniforms and sportswear. We've seen these women gain confidence as they provide for their families.

In 2024, we focused on four groups in Uganda, helping them build sustainability by strengthening and equipping their systems: Shalom Primary School in Kyotera, Rakai; and Jubilee Care Nursery and Primary School in Kyebando, Kawempe. We also extended our reach to two additional schools — Zion Junior School in Kiwungu, Kamuli, and Grace and Favour Primary School in Lutete, Rakai — further widening the impact of our work.

Through the provision of financial support, scholarships and the provision of materials and facilities for education we are meeting our objectives.

I GOT SHOES charity is voluntarily registered with the Fundraising Regulator in the UK, ensuring compliance and instruction in regard to safe and effective fundraising throughout the year.

**The charity operates solely on a volunteer basis from its directors, media team and project manager. We have no paid UK members of staff.
100% of the funds goes to the operation and running of the charity.**

ACTIVITIES

HELPING MORE CHILDREN ACCESS EDUCATION

HOW HAVE WE SEEN THIS?

Since 2019, we partnered with our first Ugandan schools: Shalom Primary School in Rakai and Jubilee Revival Nursery and Primary School in Kampala. From the very beginning, our goal was not simply to give a hand-out, but to provide a hand-up.

Thanks to your generosity, hundreds of children are now walking into school with confidence—wearing shoes and uniforms proudly made by skilled local women tailors. Your impact goes even further: you're not just helping more children access education, you're empowering women and communities.

Our vision started with shoes – but with your help, we've equipped schools with a much-needed framework: student classrooms, a main meeting hall, a kitchen, storage facilities, security gates, a head teacher's house, teacher accommodations, new toilet blocks for students and staff, and water tanks. We've supplied desks, books, essential learning materials, and staff support.

As word spread, parents began recommending the schools to others. This, in turn, increased sustainability. New parents willingly contributed school fees even in the form of supplies—such as maize flour, corn, and firewood. Parents were encouraged to take ownership of their children's education. And when challenged to step up—they did!

2024

ACTIVITIES

One moment I'll never forget came in March 2024. I stood quietly at the back of Jubilee's main hall, remembering how it looked the very first time I visited. The change was incredible. And in that moment, I knew — our work here was complete. These schools had been equipped, and it was time for us to release and move on by the end of 2024.

With this transition in mind, we began developing partnerships with two more primary schools in rural Uganda: Zion Junior School in Kiwungu, Kamuli, and Grace and Favour Primary School in Lutete, Rakai. We've taken initial steps to visit the new schools, build momentum and establish a groundwork of common values in which to build ahead together.

ACTIVITIES

Making a difference...

How fantastic it was to have UK teachers, Lara and Grace Pickford — sister-in-laws — give up their half-term break to support staff and students at Shalom School in Rakai. They embraced long, full days and quickly adapted to Ugandan culture, meeting every challenge with warmth and care for the students. Lara introduced the staff to using manipulatives in Mathematics, later reflecting, “being here has renewed my passion and love for teaching again.”

Grace, who teaches Mathematics at a senior school, was pleasantly surprised by the level of work the Shalom students were achieving and helped them prepare for their upcoming PLE (Primary Leaver’s Exam). We are so grateful to both Lara and Grace for sharing their time, skills, and creative resources with the staff and students at Shalom Infant & Primary School.

In 2024, I GOT SHOES provided grants of £34,937 -- 66% of our expenditures, on shoes, school uniforms, scholarships, and school fees for our students. School fees provided 19 teacher and staff wages for both Shalom Primary in Rakai and Jubilee Nursery and Primary in Kyebando. And supplies a daily porridge for each student.

With just £70 you can support a child for an entire year. Thankfully, we’ve kept this cost the same for the past four years. Join us in making a lasting impact in the lives of even more children!

Primary Leaving Exam (PLE) Results

PLE Results for 2024 were outstanding for Shalom Primary School. The table below shows an increase in both the total number of candidates passing (2021; 9, 2022; 14, 2023; 22, 2024; 20) and the rate of passes as a percentage of total candidates (2021; 82%, 2022; 100%, 2024; 100%). This is highly encouraging. In Uganda, the rate of students leaving primary school increases significantly after year 4. We've seen and the data demonstrates both more children are completing the prescribed 7 years of primary school.

There was a slight dip in 2023, as new students came to Shalom from other districts. We learned they were hoping to receive senior scholarships. However, their lack of foundational skills in English, Math, and Sciences became apparent resulting in the percentage increase in lower divisions and fail rate.

In 2024, I GOT SHOES set new criteria for granting senior scholarships to local students only. In rural areas across Uganda, 85% of primary students do not continue to senior school. This discouraged non-local students from joining in year 7, which successfully increased the percentage of pass rates for the Rakai students.

The school's results have grown increasingly stronger each year. 2024 shows a remarkable change that all students either passed in Div 1 or Div 2. We're incredibly proud of the staff and students who have worked so hard to achieve this.

Pictured below are some of our students at Margaret Senior school, Kampala, Uganda. In 2024, 31 senior students were in full-time boarding education – all of this was possible because of your wonderful generosity. This is an 8% increase from the previous year our vision is to strengthen the foundation of our partnering schools and to expand our senior school scholarships. *Imagine the untapped potential of the 85% of students in rural areas who never make it to senior school — not because they lack ability, but because they lack opportunity.* Together, we're rewriting their stories.

ACTIVITIES

senior school students...

On one visit, we were soberly reminded how deeply outside challenges can affect our students' well-being. Among our senior school students, several were struggling with mental health difficulties. We realise the necessity of having touchpoints of early intervention and open communication with students and to their extended families.

They were given support from the deputy head of the school, as well as from Tausi Kuteesa, our I GOT SHOES senior school's coordinator. So many factors can contribute to the long-term success of a student. Liaising with the family and encouraging them to support their child, lessens the anxiety, depression, and isolation that build from feeling unsupported.

Our senior students are the first generation to ever attend education beyond Primary School. In rural areas, the stress and pressure of day-to-day survival often diminish the long-term benefit of education. Thankfully, both have maintained their commitment to study through this difficult time. We've seen an improvement in their demeanour, focus, and energy to keep going for the long haul.

“I thank God for the time I have been in secondary school. I have changed my family economically, and spiritually by coming up with ideas for development, helping my mother with tailoring work and preaching the gospel [sharing Jesus love] to my parents and siblings.

“With early intervention, open communication, and prayerful encouragement, our students are finding renewed strength to keep going—despite the many challenges they face.”

Financial Review

Resilience was built through new partnerships in the UK and Uganda. We've taken opportunities to share our story at local schools, churches and continue to connect on our social media pages, and releasing our I GOT SHOES updates. Having friends and local partners help with fundraising this year has been a wonderful boost. And we're so grateful!

Total incoming resources for the year were £51,858. The charity's principal source of income is donations received £46,340 and Gift Aid £5,518 making the remaining funds. Total expenditure for the year was £52,901.

2% went to general expenses in the UK, primarily were bank transfer fees. The remaining 98% went directly to the charities work in Uganda. 3.25% went to our Uganda team admin costs.

An independent examiner's report on the accounts was carried out by Phil Harding on 02/09/2025.

We couldn't do this alone! How wonderful to see many individuals and partners who have raised funds for I GOT SHOES. We're thankful, too, for our Champions: monthly partners who have caught the vision and passion to help more children access education in Uganda. You're not just supporting education; you're empowering entire communities.

Our reserves policy:

The charity's reserves policy is to hold sufficient funds to meet our financial commitments and demonstrate our financial sustainability for the future. We currently retain reserves equivalent to 18 months of committed expenditure.

This includes annual increase in tuition for our senior scholarship fees, and a considerable increase in the cost of education in employing teachers, which the school fees help cover their wages. There were no funds in deficit.

Accounting policies

INCOMING RESOURCES

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. Additionally, Where the period of the grant falls entirely in the accounting year it is recognised in full, if the period extends beyond the year end, the relevant proportion is deferred.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the time of reclaim receipt.

Contractual income and performance related grants

The charity did not receive any contract income or performance related income or grants.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Stocks and work in progress

These are valued at the lower of cost or market value. Donated food stock is not valued on the balance sheet as the stock is held for free distribution.
