**FINANCIAL REVIEW**

**Reserve Policy**

It is the policy of the charity to maintain unrestricted funds, at a level which the trustees think appropriate, after considering the future commitments of the charity and the likely costs of the charity for the next year.

As at 31 May 2022 the charity had negative reserves. The trustees are actively considering the steps to take to generate surpluses in the future. The accounts are prepared on a going concern basis based on the continued provision of financial support by the charity's creditors.

**Grant making policy**

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

The trustees are approached for donations by a wide variety of charitable institutions operating all over England. The trustees consider all requests which they receive and make donations based on the level of funds available.

**Investment Powers and Policy and Objectives**

Under the memorandum and articles of association, the charity has the power to make any investment, which the trustees see fit. The trustees regularly review the charity's position and needs in respect of the investment policy.

**Risk Management**

The trustees have identified and reviewed the major risks to which the charity is exposed, in particular those related to the operations and finance of the charity, and are satisfied that systems are in place to manage those risks.

**PLANS FOR FUTURE PERIODS**

The trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that an appropriate level of reserves is maintained.

**SMALL COMPANY PROVISIONS**

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.
