

*Our guide to action for the New Year remains in line with our business plan, as it was last year, to ensure our financial stability; so we can continue to provide services to the public benefit, in line with our charitable status and aims, as well as continue to provide valuable work for our staff teams, across the Organisation. Beyond finance, without which nothing else works, we will still focus on checking we have the basics right, our staffing, sites and premises and the interface with families and the wider community. In the reporting year we were also time poor across the Organisation, everyone had to work extra hard to cover for absences, deal with extra regulation and the daily issues to be overcome, whilst still in the midst of the pandemic; we can only hope this burden lessens in the new year.*

Last Year we did not replace the trustee who had to stand down, as it proved too difficult in the midst of the continuing pandemic. With the aid of Zoom calls and some hybrid meetings our 7 remaining trustees kept the Organisation on course. Ordinarily Trustees have to balance personal and working lives around their unpaid work for our Charity but last year there was the added pressure of the pandemic, making it at times even more difficult and challenging – thank-you to all.

### **Chair's Report**

This report is an executive summary with key facts, for a fuller report see the sections related to Managers lead responsibilities, aligned to the statutory requirements of the Early Years Foundation Stage, with other operational areas overseen by the Trust. Contributions reflect on what happened last year but also what we hope to achieve in the future. There have been no serious incidents to report over the period to 31/08/21.

We started the year 2020/21 with 221 children on roll, next year this number is set to increase. At Alveston around 60% of nursery places are likely to be grant funded in the new year, Broad Street 70% and Quinton 55%. It is usual to analyse trends but, like the previous year, the pandemic has skewed our numbers to the extent that comment is not useful. Over the year we again had a number of children on the 2help scheme and received some extra funding for additional needs, plus additional one off grants from the County Integrated Disability Service. The grant received at Quinton was used to purchase some lovely new equipment, suitable for use by all children, whereas the grant for Broad Street was to improve access through the front garden. At Broad Street the year was the last as a term time only purely sessional nursery; as soon as the summer term ended the work began to clear areas, so the building work could begin and be completed in the limited time of the holiday. We were fortunate to have well motivated people involved, to finish just in time and to receive a sizeable grant from the County Early Years, enabling us to do much more of the work, split into stages, than we would have been able to do from our own resources.

Staff numbers were lower at 36 at the start of the year in 20/21, through natural turnover, so we avoided the need for any redundancies; as a healthy number on roll did not translate to the normal amount of sessions taken. Parents took a cautious approach to their bookings but as restrictions lessened demand increased, it was hard to balance this need when recruiting became more difficult, a problem that has followed us into the new year. Generally this situation affected most sectors, with a contracted workforce, the Brexit effect and some still on furlough, but was particularly acute in ours, along with other health and caring professionals. Working so hard for little recognition, it is small wonder there has been a scarcity of recruits, but we did manage to increase numbers by the end of the year and in anticipation of the expansion at Broad Street. We still had 3 Early Years Professionals and the majority of staff qualified to level III or above, some with degrees, plus some at level II, bank staff and 2 trainees, with unqualified or alternatively qualified in various support roles. There are 3 Time to Talk champions, 2 WlnckS awards (Warwickshire Inclusion Kitemark scheme), 1 Makaton accreditation, and we have a forest school leader.

HR support remained contracted out to an external company and most cleaning requirements were also externally met. We banked with Lloyds and Nick Frost from AIMS Accountants provided a financial service, which will continue. The Legal and General pension scheme met all regulatory requirements. A new and very different 5 year business plan was drawn up, focussing on recovery, with all site development and action plans tied in with it, under the broad headings given in the introduction – staffing, sites and premises and families and communities. There were operational and document changes last year including preparing for the changes to the Early Years Foundation Stage statutory requirements. All areas of the requirements were reviewed by lead managers, reporting directly to the Trust; our Reserves policy was looked at carefully by trustees and the affordability of the Broad Street Project.

## **Information & Records - Pippa Evans**

As with all operational areas, information & record keeping has suffered a bit from the time restraints caused by the pandemic. However key documents & policies were updated, in-particularly those relating to Covid-19. Documents are available via on-site office computers and some still on the Aversure locker. This area still requires a major overhaul but the last 2 years of Covid -19 have delayed this action. Managers need to continue to check with each other to ensure they use the most up to date documents.

The Master Operational Plan folder and the storage(now control) of information policy was last fully reviewed in December 2019 before PJE started maternity leave, the folder was passed onto LMF to review, actions were identified and adjustments made. Karen has kept a handle on Safeguarding and was able to update the Trust + provide annual Trustee training and onsite training requirements have been kept up to date. Fee information was updated for parents for the start of term, updated fees were uploaded to our website, along with the annual updates needed. Broad Street will be creating a new pricing structure in relation to their new operating hours next year.

We started to store our archived documents upstairs at Broad Street – but we must ensure this is completed annually and we continue to back up office PCs to external hard drives. Future planning will be to install purpose-built shelving at BS to store archived documents. It would be sensible that Admin Assistants do some appropriate training to support their roles such as GDPR, Health & Safety etc – online could be sourced. Our dispute with Shred-it to recycle confidential paperwork after a confidentiality breach on their part (paperwork relating to another organisation found in empty bag delivered to site) continues. They finally took away the document locker and are currently not actively chasing us for money, but they do still send us a monthly statement of what they think we owe them. We have made very clear that we do not owe them anything having made a final payment when the document locker was taken away.

## **Suitable People – Sam Allison**

Aversure continued to provide our HR and Health & Safety support and we used their services throughout the year for all personnel matters. Staffing was particularly challenging as the recruitment of qualified staff has become increasingly difficult right across the sector. We therefore had to rely on agency block bookings in order to maintain ratio's in addition to the usual cover for annual leave and sickness.

The staff team at Broad Street remained constant throughout the year with a few changes toward the end of the summer, due to the planned expanded provision, with a cook, an admin assistant and a full time level 2. In the new year, whilst occupancy at Broad Street is steadily increasing, the team will be able to support their colleagues at Quinton during the challenges brought through Covid, self isolation and recruitment. At Quinton we started the year with dual managers, later becoming the Office and Curriculum Managers when we also took on a Deputy. In the new year with the office Manager having to go on early Maternity leave an experienced member of staff from Broad Street has taken on the role of Relief Manager supported by our Operational Lead and a new part time admin assistant.

Alveston's team have remained relatively constant with the few staff changes. The difficulty in recruitment was also been felt at Alveston but they have the advantage of a more accessible location and so managed to attract more with the required qualifications. The team at Alveston also included 5 members of qualified and unqualified bank staff to provide cover where needed to minimise the use of agency.

## **Training – Sam Allison**

Essential staff training continued to be provided by Warwickshire Early Years through 'Zoom' or 'Teams'. Other than essential training CPD has been hindered throughout the last year with staff teams being stretched during recruitment or periods of cover due to sickness/self isolation. We continued with our in house training on individual site training days but took the decision not to have full staff training events due to the potential risk of cross site infections impacting on the Organisation as a whole.

## **Learning & Development – Sam Allison**

Over the year Learning & Development within our settings continued to bring its own set of challenges due to the ever changing restrictions brought by Covid. We did not compromise in our classroom planning, evaluating and observations with staff using creativity to deliver an exciting and varied curriculum regardless of the barriers. The biggest challenge was the parent partnership as we were not able to offer the face to face experiences that we usually share with parents. We kept important links through telephone or Zoom parent appointments and telephone 'feedback' when day to day updates were necessary. We did as much as we could when restrictions eased, replacing video 'show rounds' with in person, out of hours visits. Some summer events took place out of doors with socially distanced sports days/leavers events. We discovered that not being able to hold Learning & Development meetings in each other's settings has resulted in some mismatch across the Learning & Development practice across the Organisation; however this is being addressed as a priority as we move forward in the new year.

### **Safeguarding and Welfare with SEND – Karen Millar**

DSL training was kept up to date in the Organisation ensuring there were two Designated Safeguarding Leads on each site; to provide support and guidance to the staff team and take responsibility for liaising with the LSPs, Local Safeguarding Partners, (formally Local Safeguarding Children's Boards). Staff continued to have regular training, outsourced online and during our training days to ensure they are confident to report concerns and do so using the appropriate procedure.

Ratios were maintained by sharing staff across the Organisation and using a local agency to support our permanent teams. This teams were made up of both full time and part time, term time only and all year round members. The majority of the staff hold relevant qualifications, assisted by trainees.

Policies regarding medicines for children and staff were implemented correctly and menus ensured that meals were healthy, varied and balanced. The accident and incident forms worked well and are filed in numbered order to make it easy to identify patterns and concerns. All three sites are looking to tighten procedures around existing injuries as they are not always disclosed when the children are dropped off and discovered by the staff during the session. We will work together as an Organisation and with the parents to improve this. Outings have recommenced on a small scale, visiting local outdoor areas.

All three sites continued to support children with special educational needs and disabilities in the settings, despite the challenges of staffing, so sadly we had to cut back on 1-1 support. Care plans, Time to Talks, Welcomm assessments, individual education and health care plans were all completed to ensure that, where additional support was needed, it was identified and actioned at the earliest opportunity.

### **Premises and Equipment – Michelle Smiton**

Annual checks for fire and electrical equipment, alarms, risk assessments, gas boilers and PAT testing were all carried out at each site as required. Alveston completed their 5-year electrical check resulting in a new office fuse board. It was not possible to do overall Health and Safety Audits (H&S) with site visits needed, due to the restrictions implemented due to Covid-19. We have relied on individual sites keeping on top of their own H&S but, by Spring next year, I will reinstate these visits and checks. Maintenance schedules will also be checked and updated more regularly.

MDK cleaning were back cleaning sites and Alveston employed an additional cleaner. Electricity continued to be supplied by EON for Alveston and then also for Broad Street whilst Quinton remained with Opus Electricity. Refuse collections remained the same as previous years with Broad Street using Bromsgrove District Council, Quinton with Grundon and Alveston negotiated a much cheaper deal to remain with Biffa. Arguably we did have insurance protection against temporary closures, due to Covid-19, but when we investigated claiming, the complications of providing proofs and the large hike in our premium, had we claimed, meant on balance it was not worth it. When we came to renew our policy we found that all companies had written in exclusions for the pandemic so we have continued with Towergate.

A large project was completed at Broad Street to expand their facilities and increase occupancy. Repairs at Alveston included exterior weather proofing and painting and new lino in the messy room classroom. At Quinton the Saniflow filter in the toilet and taps were replaced. Other small maintenance across the 3 sites were completed as required. Small equipment was purchased as needed.

### **Marketing**

As in the previous year direct marketing was not relevant, though we did announce via existing parents, Broad Street school's newsletter and Facebook posts, the impending expansion at Broad Street.

Maintaining our standards and reputation was of the greatest importance, especially with sometimes difficult messages to give to parents. Temporary closures due to Covid isolation rules, asking that children were kept at home, if there was any doubt about their fitness, and all the access and engagement rules made it harder to keep relationships as good as before the pandemic. Parent communication remained key with regular updates and keeping parents informed using email, newsletters and Eylog.

Updates to parent information, including the website were done but not as comprehensively as we would have liked, as everyone was so busy, but we want to improve on this next year.

### **Finance – Pippa Evans**

Financial concerns caused by the pandemic were at the forefront; occupancy, income, staff costs, running costs have all been hugely affected. Grouping in bubbles had a big effect on how we could operate and additional income from OOSC dropped right back during lockdowns, self-isolation or at some points was just not viable; our Quinton site was particularly affected, significant staffing issues having a big effect.

Overall, we had a positive result as with careful management of the situation we finished the year in an 'ok'

position and similarly the new Autumn term has been better than expected. A reduction in income during lockdown periods and refunds to parents for closures were a big hit to our income but streamlining sessions and simplifying how we operated maximised our invoiced income versus staff costs. On a positive note, we did see an increase in the hourly rates for the Early Years Funding for 2021/22 from 1st April 2021 and we hope to see a further increase in April 2022. It was not possible to create meaningful budgets for 2020/21 and we had to be careful with spending, however necessary repairs were carried out at all 3 sites and stocks replenished for the start of the new year. We were also delighted, with some funding from the County Council, enabling us to complete more of our Broad Street project than anticipated during the summer, that has put us in a great position for the start of the new academic year.

Staff costs remained high, expensive agency costs have been unavoidable with staff shortfalls particularly as recruitment has been so difficult over the last year. The cushion of the furlough scheme was faded out, but we did continue to benefit whilst it was active, as needed, though changes to Covid rules meant managing the situation in latter months was a little easier. We cannot predict what is to come but we will continue to head back towards paying the real living wage, if we can, splitting our annual pay rise for 2021/22 into 2 separate increases to spread the cost. We felt it was crucial that staff feel recognised for the work they do as we seemed to be the forgotten sector during the lockdown periods.

On site bank access for managers continued to work fine and the Alveston Admin Assistant with support from Managers & our Accountant carried out our monthly wage & PAYE payments, pension uploads & distributed payslips. Our onsite book-keeping and Organisation financial scrutiny has suffered due to time being so stretched, but for the new year admin assistants will be employed at all 3 sites to spread the load and LMF has been keeping an overall eye on things with PJE available via email to offer support to Managers/answer any questions. Moving forward repairs & purchases need to be reported and/or completed by the end of July to allow time for end of year accounting, as this does cause us problems. This will need organising properly next year by SA & Managers.

## Note 2 Accounting policies

## 2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> <li>the charity becomes entitled to the resources;</li> <li>it is more likely than not that the trustees will receive the resources; and</li> <li>the monetary value can be measured with sufficient reliability.</li> </ul>	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Government grants	The charity has received government grants in the reporting period	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.  The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.  Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.  Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.  Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Donated services and facilities	Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.  Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.	Yes	No	N/a
		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

On accounts for the year  
ended

31 AUGUST 2021

Charity no  
(if any)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 August 2021**.

Responsibilities and  
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent  
examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the ICAEW.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
