THE GLORIANA TRUST

REPORT OF THE TRUSTEES

The directors of the charitable company (“the charity”) are its Trustees for the purpose of charity law and throughout this report are collectively referred to as its Trustees. The Trustees present their report together with the financial statements for the year ended 5th April, 2025. The Annual Report serves the purpose of both a Trustees' report and a Directors' Report under company law. The Trustees confirm that the Annual Report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January, 2019).

LEGAL AND ADMINISTRATION

The Gloriana Trust is a company limited by guarantee and a registered charity governed by its memorandum and articles of association. The charity was registered with the Charity Commission on 19th March, 2015 under number 1160986 and was incorporated on 14th October, 2014 under number 09263126.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees are governed by the company's memorandum and articles of association which states:

- there shall be a minimum of three Trustees and no maximum number;
- Trustees are appointed for an initial three year term of office and may be reappointed for two further terms of three years and, exceptionally, for one further term of three years.

All of the Trustees have an active involvement in decisions regarding the day-to-day operations of the charity and are considered to be the key management of the charity.

PRINCIPAL OBJECTIVES AND ACTIVITIES

The objects of the charity are:

- the preservation, restoration, enhancement, protection, maintenance, repair, transportation (by water, land or air) and berthing (afloat or ashore) of the Queen's Row Barge *Gloriana* ;
- the promotion of public access to the Queen's Row Barge *Gloriana* , and the promotion of public knowledge, appreciation and understanding of its design, construction, mechanics as well as any scientific, technical and craft features associated with its construction, maintenance or operation;
- the education of the public by the promotion of public knowledge appreciation and understanding of the historic and cultural aspects of the Queen's Row Barge *Gloriana* , the history of the River Thames and British maritime history, pageantry and heritage, as well as by the provision of training to the public in traditional boat building skills, fixed seat rowing skills and/or in such other skills or subjects as the Trustees shall from time to time see fit; and
- such other Charitable Purposes associated with the history of the River Thames, British maritime history, the Queen's Row Barge *Gloriana* and/or other rowing craft or vessels worthy of preservation as the Trustees shall from time to time see fit.

The Trustees confirm when reviewing the Trustees' report, aims, objectives and activities that they have compiled with the duty in Section 17 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission including public benefit.

THE GLORIANA TRUST

REPORT OF THE TRUSTEES

FINANCIAL REVIEW

The charity achieved a surplus of £58,495 after impairment losses of £70,843 (2024 - deficit of £917,275 after impairment losses of £930,099). The Trustees anticipate that in the future the charity will be in a position to fund all of its activities from donations including charitable donations and use any excess incoming resources

RESERVES POLICY

The charity's reserve policy is to accumulate unrestricted funds sufficient to sustain all the activities of the charity for at least a year due to the long term commitment required by the charity's activity and the ever present uncertainty of continued sponsorship.

Free reserves retained for use by the charity are deemed to be those that are readily realisable, other than funds which are restricted or designated for particular purposes, and are represented by cash at bank.

The charity's reserves at the year end amounted to £1,699,564 (2024 - £1,641,069), representing retained unrestricted reserves.

RISK POLICY

The Trustees are responsible for the management of the risks faced by the charity. Risks are identified and assessed and controls are established throughout the year. A formal review of the charity's risk management process is undertaken on an annual basis.

The key controls used by the charity include formal agendas and minutes for all Trustee meetings, comprehensive planning, budgeting and accounting and clear authorisation and approval levels of all expenditure. Controls over operation of the charity's bank account and periodic reviews of the adequacy of insurance of the charity's fixed assets are considered to be adequately managed.

Through the risk management processes established, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed. The major risks to which the charity is exposed as identified by the Trustees have been reviewed and systems have been established to mitigate those risks.

PLANS FOR THE FUTURE

The Trustees were deeply saddened by the death of HM Queen Elizabeth II in 2022. *Gloriana* will remain "The Queen's Rowbarge" and its association with HM Queen Elizabeth II. It is expected that *Gloriana* will continue her current roles and be available for the use of HM King Charles III and the Royal Household.

The annual future events programme is based on a combination of ceremonial, public and private outings. Since her launch *Gloriana* has developed a key role in river based ceremonial events throughout the year. These place *Gloriana* at the centre of attention on the river and are considered to be critical to her ongoing promotion and place in the public perception as "The Queen's Rowbarge".

The private outings are generally arranged to suit individual requirements and fit in round the public commitments. To date they have been limited to charities with a connection to the Royal Household.

A full programme of future events and a detailed history of the *Gloriana* together with news and opportunities to support the *Gloriana* is shown on the official website www.glorianaqrb.org.uk.

THE GLORIANA TRUST

FUNDRAISING

The charity does not raise funds publicly, but is nevertheless mindful of the Code issued by the Fundraising Regulator and will implement the Code should the charity decide to raise funds publicly in the future. Responsibilities and basis of report

As the charity's Trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

THE GLORIANA TRUST

NOTES TO THE FINANCIAL STATEMENTS

5TH APRIL, 2025

1 ACCOUNTING POLICIES

- **Charity information**

The Gloriana Trust is a company limited by guarantee and a registered charity governed by its memorandum and articles of association. The registered office is situated at 136 Kensington Church Street, London, W8 4BH. The charitable objectives of the Trust are set out on page 2.

- **Basis of preparation of accounts**

The financial statements have been prepared in accordance with the Charities SORP (FRS102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January, 2019), and the Companies Act 2006.

The organisation meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

In addition these financial statements have been prepared under the historical cost conversion.

The charity, together with its subsidiary, (details of which are set out below and in note 5) form a small group and are exempt from preparing consolidated accounts under the relevant provisions of the Companies Act 2006 and the Charities SORP.

- **Going concern**

In assessing the charity's ability to continue as a going concern, the Trustees have considered the liquidity position and reviewed anticipated funding commitments for the foreseeable future. A Trustee has indicated his intention to fund the Trust for a year from the date of approval of these financial statements.

For this reason, the Trustees have continued to adopt the going concern basis in preparing the financial statements.

- **Income**

Income is recognised in the period in which the charity has entitlement to the income, it is probable that it will be received and when the amount can be measured with reasonable certainty.

- i **Voluntary income**

The charity receives donations from a number of organisations and other sources. Income from these donations is included in income when it is receivable.

- ii **Interest**

Bank interest receivable is credited to the Statement of Financial Activities when it is received by the charity.

Governance costs include costs which are directly attributable to the day to day running of the charity and procedures necessary for compliance with statutory requirements.

- **Tangible fixed assets**

Tangible fixed assets represent the historic cost of H.M. The Queen's Row Barge *Gloriana*. In view of its status as a national heritage asset, no depreciation has been provided thereon.

- **Investments**

Gloriana Services Limited, a wholly-owned subsidiary company of the charity, operated the day-to-day activities of the *Gloriana*, until December 2024. It is envisaged that in future periods sufficient income will be accumulated each year by the charity to cover running costs.

- **Funds**

Unrestricted funds comprise those funds which the Trustees are free to use in accordance with the charity's objects.

- **Estimates and judgements**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider there to be any material estimates and judgements.

- **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments, including trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

THE GLORIANA TRUST

REPORT OF THE TRUSTEES

FINANCIAL REVIEW

The charity achieved a surplus for the year of £100,535 (2022 - £173,613). The charity invested a further amount totalling £100,000 (2022 - £180,000) into the value of its wholly-owned subsidiary, Gloriana Services Limited. The Trustees anticipate that in the future the charity will be in a position to fund all of its activities from donations including charitable donations from its wholly-owned trading subsidiary and use any excess incoming resources to fund further projects.

RESERVES POLICY

The charity's reserve policy is to accumulate unrestricted funds sufficient to sustain all the activities of the charity for at least a year due to the long term commitment required by the charity's activity and the ever present uncertainty of continued sponsorship.

Free reserves retained for use by the charity are deemed to be those that are readily realisable, other than funds which are restricted or designated for particular purposes, and are represented by cash at bank.

The charity's reserves at the year end amounted to £2,558,344 (2022 - £2,457,809), representing retained unrestricted reserves.

RISK POLICY

The Trustees are responsible for the management of the risks faced by the charity. Risks are identified and assessed and controls are established throughout the year. A formal review of the charity's risk management process is undertaken on an annual basis.

The key controls used by the charity include formal agendas and minutes for all Trustee meetings, comprehensive planning, budgeting and accounting and clear authorisation and approval levels of all expenditure. Controls over operation of the charity's bank account and periodic reviews of the adequacy of insurance of the charity's fixed assets are considered to be adequately managed.

Through the risk management processes established, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed. The major risks to which the charity is exposed as identified by the Trustees have been reviewed and systems have been established to mitigate those risks.

PLANS FOR THE FUTURE

The Trustees were deeply saddened by the death of HM Queen Elizabeth II on 8th September, 2022. *Gloriana* will remain 'The Queen's Rowbarge' and its association with HM Queen Elizabeth II. It is expected that *Gloriana* will continue her current roles and be available for the use of HM King Charles III and the Royal Household.

The annual future events programme is based on a combination of ceremonial, public and private outings. Since her launch *Gloriana* has developed a key role in river based ceremonial events throughout the year. These place *Gloriana* at the centre of attention on the river and are considered to be critical to her ongoing promotion and place in the public perception as "The Queens Rowbarge".

THE GLORIANA TRUST

REPORT OF THE TRUSTEES

PLANS FOR THE FUTURE (continued)

The private outings are generally arranged to suit individual requirements and fit in round the public commitments. To date they have been limited to charities with a connection to the Royal Household.

A full programme of future events and a detailed history of the *Gloriana* together with news and opportunities to support the *Gloriana* is shown on the official website www.glorianaqrb.org.uk.

GOING CONCERN

At 5th April, 2023, the charity has net current liabilities of £75,971. Within current liabilities is an amount of £78,000 due to a Trustee. The accounts have been prepared on a going concern basis, which the Trustees believe to be appropriate, as they have received written support from the relevant Trustee that the balance will not be recalled within 12 months of the approval of the accounts.

FUNDRAISING

The charity does not raise funds publicly, but is nevertheless mindful of the Code issued by the Fundraising Regulator and will implement the Code should the charity decide to raise funds publicly in the future. There were no complaints received with regards to funds raised by the charity in the year.

I report to the charity Trustees on my examination of the accounts of the company for the year ended 5th April, 2023.

Responsibilities and basis of report

As the charity's Trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

29 January, 2024

The accompanying notes form an integral part of these financial statements.

THE GLORIANA TRUST**NOTES TO THE FINANCIAL STATEMENTS****5TH APRIL, 2023****1. ACCOUNTING POLICIES****• Basis of preparation of accounts**

The financial statements have been prepared in accordance with the Statement of Recommended Practice for Charities (SORP 2015) (Second Edition, effective 1st January, 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The organisation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

In addition these financial statements have been prepared under the historical cost conversion.

The charity, together with its subsidiary, (details of which are set out below and in note 5) form a small group and are exempt from preparing consolidated accounts under the relevant provisions of the Companies Act 2006 and the Charities SORP.

• Going concern

In assessing the charity's ability to continue as a going concern, the Trustees have considered the liquidity position and reviewed anticipated funding commitments for the foreseeable future. The Trustees believe that the charity is adequately placed to manage its business risks successfully and meet its liabilities as they fall due.

For this reason, the Trustees have continued to adopt the going concern basis in preparing the financial statements.

• Income

Income is recognised in the period in which the charity has entitlement to the income, it is probable that it will be received and when the amount can be measured with reasonable certainty.

i. Voluntary income

The charity receives donations from a number of organisations and other sources. Income from these donations is included in income when it is receivable.

ii. Interest

Bank interest receivable is credited to the Statement of Financial Activities when it is received by the charity.

THE GLORIANA TRUST

NOTES TO THE FINANCIAL STATEMENTS

5TH APRIL, 2023

1. ACCOUNTING POLICIES (continued)

- **Expenditure**

Expenditure is included in the statement of financial activities when incurred and includes VAT.

i. Direct charitable expenditure

Direct charitable expenditure comprises those costs directly attributable to furthering the charitable work to the charity. Direct charitable expenditure is recognised in the year to which it is attributable.

ii. Governance costs

Governance costs include costs which are directly attributable to the day to day running of the charity and procedures necessary for compliance with statutory requirements.

- **Tangible fixed assets**

Tangible fixed assets represent the historic cost of H.M. The Queen's Row Barge *Gloriana*. In view of its status as a national heritage asset, no depreciation has been provided thereon.

- **Investments**

Gloriana Services Limited, a wholly-owned subsidiary company of the charity, operates the day-to-day activities of the *Gloriana*, pays the running costs and receives contributions to operating expenses. It is envisaged that in future periods sufficient income will be accumulated each year to cover running costs and to pay its profits to the charity by way of a charitable donation.

- **Funds**

Unrestricted funds comprise those funds which the Trustees are free to use in accordance with the charity's objects.

- **Estimates and Judgements**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Although these estimates are based on the Trustees' best knowledge of the amount, events or actions, actual results ultimately differ from these estimates. The Trustees do not consider there to be any material estimates and judgements.

- **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments, including trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

THE GLORIANA TRUST**NOTES TO THE FINANCIAL STATEMENTS****5TH APRIL, 2023****1. ACCOUNTING POLICIES (continued)**

- **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

- **Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

- **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due

REPORT OF THE TRUSTEES

FINANCIAL REVIEW

The charity achieved a surplus for the year of £173,613 (2021 - £19,882). The Trustees anticipate that in the future the charity will be in a position to fund all of its activities from donations including charitable donations from its wholly-owned trading subsidiary and use any excess incoming resources to fund further projects.

RESERVES POLICY

The charity's reserve policy is to accumulate unrestricted funds sufficient to sustain all the activities of the charity for at least a year due to the long term commitment required by the charity's activity and the ever present uncertainty of continued sponsorship.

Free reserves retained for use by the charity are deemed to be those that are readily realisable, other than funds which are restricted or designated for particular purposes, and are represented by cash at bank.

The charity's reserves at the year end amounted to £2,457,809 (2021 - £2,284,196), representing retained unrestricted reserves.

RISK POLICY

The Trustees are responsible for the management of the risks faced by the charity. Risks are identified and assessed and controls are established throughout the year. A formal review of the charity's risk management process is undertaken on an annual basis.

The key controls used by the charity include formal agendas and minutes for all Trustee meetings, comprehensive planning, budgeting and accounting and clear authorisation and approval levels of all expenditure. Controls over operation of the charity's bank account and periodic reviews of the adequacy of insurance of the charity's fixed assets are considered to be adequately managed.

Through the risk management processes established, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed. The major risks to which the charity is exposed as identified by the Trustees have been reviewed and systems have been established to mitigate those risks.

PLANS FOR THE FUTURE

The Trustees were deeply saddened by the death of HM Queen Elizabeth II on 8th September, 2022. *Gloriana* will remain 'The Queen's Rowbarge' and its association with HM Queen Elizabeth II. It is expected that *Gloriana* will continue her current roles and be available for the use of HM King Charles III and the Royal Household.

The annual future events programme is based on a combination of ceremonial, public and private outings. Since her launch *Gloriana* has developed a key role in river based ceremonial events throughout the year. These place *Gloriana* at the centre of attention on the river and are considered to be critical to her ongoing promotion and place in the public perception as "The Queens Rowbarge".

THE GLORIANA TRUST**INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF****THE GLORIANA TRUST**

I report to the charity Trustees on my examination of the accounts of the company for the year ended 5th April, 2022.

Responsibilities and basis of report

As the charity's Trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The accompanying notes form an integral part of these financial statements.

THE GLORIANA TRUST**NOTES TO THE FINANCIAL STATEMENTS****5TH APRIL, 2022****1. ACCOUNTING POLICIES****• Basis of preparation of accounts**

The financial statements have been prepared in accordance with the Statement of Recommended Practice for Charities (SORP 2015) (Second Edition, effective 1st January, 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The organisation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

In addition these financial statements have been prepared under the historical cost conversion.

The charity, together with its subsidiary, (details of which are set out below and in note 5) form a small group and are exempt from preparing consolidated accounts under the relevant provisions of the Companies Act 2006 and the Charities SORP.

• Going concern

In assessing the charity's ability to continue as a going concern, the Trustees have considered the liquidity position and reviewed anticipated funding commitments for the foreseeable future. The Trustees believe that the charity is adequately placed to manage its business risks successfully and meet its liabilities as they fall due.

For this reason, the Trustees have continued to adopt the going concern basis in preparing the financial statements.

• Income

Income is recognised in the period in which the charity has entitlement to the income, it is probable that it will be received and when the amount can be measured with reasonable certainty.

i. Voluntary income

The charity receives donations from a number of organisations and other sources. Income from these donations is included in income when it is receivable.

ii. Interest

Bank interest receivable is credited to the Statement of Financial Activities when it is received by the charity.

THE GLORIANA TRUST

NOTES TO THE FINANCIAL STATEMENTS

5TH APRIL, 2022

1. ACCOUNTING POLICIES (continued)

- **Expenditure**

Expenditure is included in the statement of financial activities when incurred and includes VAT.

i. **Direct charitable expenditure**

Direct charitable expenditure comprises those costs directly attributable to furthering the charitable work to the charity. Direct charitable expenditure is recognised in the year to which it is attributable.

ii. **Governance costs**

Governance costs include costs which are directly attributable to the day to day running of the charity and procedures necessary for compliance with statutory requirements.

- **Tangible fixed assets**

Tangible fixed assets represent the historic cost of H.M. The Queen's Row Barge *Gloriana*. In view of its status as a national heritage asset, no depreciation has been provided thereon.

- **Investments**

Gloriana Services Limited, a wholly-owned subsidiary company of the charity, operates the day-to-day activities of the *Gloriana*, pays the running costs and receives contributions to operating expenses. It is envisaged that in future periods sufficient income will be accumulated each year to cover running costs and to pay its profits to the charity by way of a charitable donation.

- **Funds**

Unrestricted funds comprise those funds which the Trustees are free to use in accordance with the charity's objects.

- **Estimates and Judgements**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Although these estimates are based on the Trustees' best knowledge of the amount, events or actions, actual results ultimately differ from these estimates. The Trustees do not consider there to be any material estimates and judgements.

- **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments, including trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

THE GLORIANA TRUST

• **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
