FOR ENGLAND AND WALES

Trustees' Annual Report for the period

Charity name: SOS Romanian Rescues SouthWest

Charity registration number: 1160999

From 01/10/2023 to 30/9/2024

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The purpose of the charity is to relieve the suffering of dogs in Romania that are in need of care and attention and to build safe and healthy environments for them.</p> <p>We also try to educate the public in all matters pertaining to animal welfare and particularly the prevention of cruelty and suffering of dogs in Romania.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>We offer financial help to our long-standing Romanian rescuers in order to rescue as many dogs as possible from public kill shelters and the streets, providing food, veterinary treatment and ongoing care. We also help with the cost of neutering in order to reduce the over population of dogs in the country.</p> <p>Our main aim in the past has been to find homes in the UK for rescued dogs and we also fund/sponsor dogs that cannot be brought to the UK. This includes dogs that are elderly, recovering from an illness or have been in a shelter for a long time that need extra care and possibly veterinary treatment in their declining years.</p>

		<p>Some dogs brought to the UK may need additional care and ongoing medical treatment, even following adoption and we continue to support these financially.</p> <p>However, due to personal reasons, we no longer have the rescue centre premises in Somerset. This, along with movement restrictions brought into effect in 2022 meant that we did not bring any dogs in to the UK in the last year and we have now been concentrating on the welfare of dogs remaining in Romania.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>All trustees of the charity have read the guidance of public benefit issued by the Charity Commission and have regard to this guidance, where relevant, during our regular trustee meetings.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The dogs have historically been imported into the UK and taken to our own rescue centre in Somerset once our rescuers have prepared them for travel. This included being vaccinated, tested, microchipped and passports arranged.</p> <p>Since we have been unable to do this for the last year, we have concentrated mainly on the care of dogs in Romania as well as supporting existing owners of dogs that are already in the UK that may need medical care or just ongoing advice.</p> <p>In addition to neutering and emergency care on an adhoc basis for dogs found on the streets and/or in shelters, we will continue a regular neutering programme with a local vet in Romania which we hope to increase if funds are available.</p> <p>This year we have paid just under £3,000 to our Romanian vet for neutering of dogs where their owners cannot afford to pay for this to be done along with neutering or street dogs.</p> <p>Donations of £2,547 have been made to provide food and shelter for dogs in public shelters and on the streets.</p>

		<p>The cost of veterinary care in the UK for dogs rescued this year has totalled £1,095 which is lower again this year due to no dogs arriving in the UK and less dogs needing additional medical care.</p> <p>We have social media pages where adopters share videos, photos and provide advice and support to each other. We also continue to offer support and advice after adoption, where needed.</p> <p>We also provide a facility for supporters to make donations to Romania through us. We simply accept donations and forward them straight to a particular rescuer or cause as requested by the donator.</p>

I report to the charity trustees on my examination of the accounts of the Company for the year ended ~~30/09/2024~~

Responsibilities and
basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). examiner's statement

[The company's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
