Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	For the benefit to the public to relieve the suffering of abandoned and ex-racing greyhounds and to promote humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage. • To re-home the greyhounds in line with Makants' strict re-homing policy. • To educate the public regarding responsible dog ownership and to offer comprehensive help to all adopters of ex racing greyhounds
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	In order to maintain the day to day care for its rescued ex-racing greyhounds, Makants' charitable trustees supported by a team of exceptionally dedicated volunteers raise funds by way of store collections, car boot sales, auctions, raffles and other activities, such as summer and Christmas fairs and local dogs shows. In addition, a raft of other tasks are undertaken by the trustees and volunteers such as administration, social media communications/updates, re-homing checks, fostering dogs, transporting dogs for veterinary care and attendance at fund raising events. Raising awareness of the plight of racing greyhounds and educating the public about responsible dog ownership with an offer of comprehensive help to all adopters is an integral part of Makants' work and this is woven into all its activities. By way of example, volunteers are welcomed each day to assist with the collective group walk which ensures each kennelled dog receives appropriate daily exercise, can be assessed in a group situation and allows individuals to 'get to know' the breed and the work undertaken by Makants;

		this support is invaluable on many levels. Experience to date has shown that in many instances, the rescue of an ex-racing greyhound is an acute situation whereby third parties will make the dog available to Makants at short notice with no financial donation. Dogs that are taken in are often in need of basic care and veterinary treatment, with some inevitably having more complex medical needs such as epilepsy, impacted vertebrae, gum disease, chronic fracture injuries or amputated toes giving rise to joint/mobility issues and tail injuries; all of which Makants has experienced and dealt with. Makants implements a strategy of spaying and neutering all greyhounds within two weeks of rescue unless the dog is prior neutered, in season or the veterinary surgeon advises otherwise, in which case spaying or neutering will be undertaken when advised by the veterinary surgeon irrespective of whether the dog is kennelled, fostered or adopted. A positive focus is placed on assessing and rehabilitating each and every dog received so they may be successfully rehomed and enjoy a normal life – a healthy dog is never euthanized and this is Makants' promise to each and every dog that it receives. Each dog's adoption is conditional and subject to the new owner entering into a written adoption agreement with Makants, whereby the new owner agrees: • to guarantee the health and wellbeing of the dog. • to maintain yearly vaccination boosters. • not to allow the dog to stray unsupervised. • to ensure the dog wears a collar at all times with owner's details and the disc Makants provides. not to pass the dog to any third party without Makants' written consent. • to abide by Makants' spaying & neutering policy. to allow a representative from Makants to visit to ensure the dog's welfare and care is appropriate. • any breach of the contract allows Makants to reclaim the dog. Each adoption is subject to the satisfactory completion of a vetting process to ensure the prospective home offered by a new owner meets the needs of the dog. Makants' charitable trustees are aware of the statutory declaration and guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Makants has been able to maintain a highly motivated team of volunteers who have ensured that the care of its rescued ex-racing greyhounds has been of prime importance and a consistent achievement during the past year. During its financial year 2024/25, Makants has: • rescued and rehomed 38 ex-racing greyhounds in line with its strict re-homing policy and been able to offer comprehensive help to all adopters. It is to the credit of all those who volunteer their support that Makants' was able to achieve this rehoming rate. • This demonstrates (despite the Cost of living crisis and a general lower level of interest in adoption) a positive annual rehoming rate from 2022/23 (74 rescued and rehomed ex racing greyhounds) 2021/22 (76 rescued and rehomed ex racing greyhounds)2020/21 (74 rescued and rehomed ex-racing greyhounds), 2019/20 (73 rescued and rehomed ex-racing greyhounds), 2018/19 (83 rescued and rehomed ex-racing greyhounds), 2017/18 (91 rescued and rehomed ex-racing greyhounds which included by exception the rescue, vaccination etc and successfully rehoming of a brooding bitch and all of her litter of 9 greyhound puppies (4 weeks old)), 2016/17 (72 rescued and rehomed ex-racing greyhounds) and 2015/16 (57 rescued

		and rehomed ex-racing greyhounds) which reflects the dedicated commitment supporting this charity. • made continuous necessary maintenance improvements to its existing kennel facilities. This included the upgrading of all kennels , the inclusion of an enrichment room to enhance our rehoming process , ensuring our rescue greyhounds have the best possibility of being rehomed , the car park facility was upgraded and the new drainage system was completed in order to comply with kennel regulations • promoted humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage. • been able to educate the public regarding responsible and safe dog ownership, not least by its attendance at many public events where information has been made available and members of the public have been able to seek guidance and advice and necessary equipment such as leads, harnesses, coats and muzzles (if required) but also online.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Makants, as a growing voluntary charity working directly to improve the welfare of ex-racing greyhounds, aims to achieve its objective to at least maintain and, if possible, increase its cash reserve of £235,074 to ensure: • it can maintain an appropriate contingency fund (equivalent to 12 months' operating costs) is maintained to support, sustain, improve and assure continuity of future operations. • it can fund any exceptional and urgent welfare rescues which may require exceptional and costly funding for veterinary treatment and feeding care. • it can continue to accept more complex rescues where the ex-racing greyhound may require extended rehabilitation and kennelling rather than selecting only those greyhounds that may be more easily rehomed. • it can accumulate (in a high interest deposit account) a cash deposit towards its long-term strategic aim to purchase of a suitable property for Makants' kennels to be permanently located at.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or

Trustees' Annual Report for the period

From 1 Sept 2022 Period start date To 31 Aug 2023 Period end date

Charity name: Makants Greyhound Rescue NW

Charity registration number: 1161079

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	For the benefit to the public to relieve the suffering of abandoned and ex-racing greyhounds and to promote humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage. • To re-home the greyhounds in line with Makants' strict re-homing policy. • To educate the public regarding responsible dog ownership and to offer comprehensive help to all adopters of ex racing greyhounds
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	In order to maintain the day to day care for its rescued ex-racing greyhounds, Makants' charitable trustees supported by a team of exceptionally dedicated volunteers raise funds by way of store and street collections, car boot sales, auctions, raffles and other activities, such as summer and Christmas fairs and local dogs shows. In addition, a raft of other tasks are undertaken by the trustees and volunteers such as administration, social media communications/updates, re-homing checks, transporting dogs for veterinary care and attendance at fund raising events. Raising awareness of the plight of racing greyhounds and educating the public about responsible dog ownership with an offer of comprehensive help to all adopters is an integral part of Makants' work and this is woven into all its activities. By way of example, volunteers are welcomed each day to assist with the collective group walk which ensures each kennelled dog receives appropriate daily exercise, can be assessed in a group situation and allows individuals to 'get to know' the breed and the work undertaken by Makants;

		this support is invaluable on many levels. Experience to date has shown that in many instances, the rescue of an ex-racing greyhound is an acute situation whereby third parties will make the dog available to Makants at short notice with no financial donation. Dogs that are taken in are often in need of basic care and veterinary treatment, with some inevitably having more complex medical needs such as epilepsy, impacted vertebrae, gum disease, chronic fracture injuries or amputated toes giving rise to joint/mobility issues and tail injuries; all of which Makants has experienced and dealt with. Makants implements a strategy of spaying and neutering all greyhounds within two weeks of rescue unless the dog is prior neutered, in season or the veterinary surgeon advises otherwise, in which case spaying or neutering will be undertaken when advised by the veterinary surgeon irrespective of whether the dog is kennelled or adopted. A positive focus is placed on assessing and rehabilitating each and every dog received so they may be successfully rehomed and enjoy a normal life – a healthy dog is never euthanized and this is Makants' promise to each and every dog that it receives. Each dog's adoption is conditional and subject to the new owner entering into a written adoption agreement with Makants, whereby the new owner agrees: • to guarantee the health and wellbeing of the dog. • to maintain yearly vaccination boosters. • not to allow the dog to stray unsupervised. • to ensure the dog wears a collar at all times with owners' details and the disc Makants provides. not to pass the dog to any third party without Makants' written consent. • to abide by Makants' spaying & neutering policy. to allow a representative from Makants to visit to ensure the dog's welfare and care is appropriate. • any breach of the contract allows Makants to reclaim the dog. Each adoption is subject to the satisfactory completion of a vetting process to ensure the prospective home offered by a new owner meets the needs of the dog. Makants' charitable trustees are aware of the statutory declaration and guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Makants has been able to maintain a highly motivated team of volunteers who have ensured that the care of its rescued ex-racing greyhounds has been of prime importance and a consistent achievement during the past year. During its financial year 2022/23, Makants has: • rescued and rehomed 49 ex-racing greyhounds in line with its strict re-homing policy and been able to offer comprehensive help to all adopters. It is to the credit of all those who volunteer their support that Makants' was able to achieve this rehoming rate. • This demonstrates (despite the Cost of living crisis) a consistent, positive annual rehoming rate from 2021/22 76 2020/21 (74 rescued and rehomed ex-racing greyhounds), 2019/20 (73 rescued and rehomed ex-racing greyhounds), 2018/19 (83 rescued and rehomed ex-racing greyhounds), 2017/18 (91 rescued and rehomed ex-racing greyhounds which included by exception the rescue, vaccination etc and successfully rehoming of a brooding bitch and all of her litter of 9 greyhound puppies (4 weeks old)), 2016/17 (72 rescued and rehomed ex-racing greyhounds) and 2015/16 (57 rescued and rehomed ex-racing greyhounds) which reflects the dedicated commitment supporting this charity. • made continuous necessary maintenance improvements to its existing kennel facilities. This included the upgrading of

		all kennels , the inclusion of an enrichment room to enhance our rehoming process , ensuring our rescue greyhounds have the best possibility of being rehomed , the car park facility was upgraded and the new drainage system was completed in order to comply with kennel regulations • promoted humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage. • been able to educate the public regarding responsible and safe dog ownership, not least by its attendance at many public events where information has been made available and members of the public have been able to seek guidance and advice and necessary equipment such as leads, harnesses, coats and muzzles (if required) but also online. In December 2022 we were successful in securing support for one year from Burns Pet Nutrition as their Charity of the Year. This support was invaluable as we were awarded a supply of high quality dog food for the year December 2022 to December 2023, completely free of charge.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Makants, as a growing voluntary charity working directly to improve the welfare of ex-racing greyhounds, aims to achieve its objective to at least maintain and, if possible, increase its cash reserve of £203,208 to ensure: • it can maintain an appropriate contingency fund (equivalent to 12 months' operating costs) is maintained to support, sustain, improve and assure continuity of future operations. • it can fund any exceptional and urgent welfare rescues which may require exceptional and costly funding for veterinary treatment and feeding care. • it can continue to accept more complex rescues where the ex-racing greyhound may require extended rehabilitation and kennelling rather than selecting only those greyhounds that may be more easily rehomed. • it can accumulate (in a high interest deposit account) a cash deposit towards its long-term strategic aim to purchase of a suitable property for Makants' kennels to be permanently located at.

Para 1.20	Makants has been able to maintain a highly motivated team of volunteers who have ensured that the care of its rescued ex-racing greyhounds has been of prime importance and a consistent achievement during the past year. During its financial year 2021/22, Makants has: • rescued and rehomed 76 ex-racing greyhounds in line with its strict re-homing/fostering policy and been able to offer comprehensive help to all adopters/fosterers. It is to the credit of all those who volunteer their support that Makants' was able to achieve this rehoming rate. • This demonstrates (despite the continuing pandemic) a consistent, positive annual rehoming rate from 2020/21 (74 rescued and rehomed ex-racing greyhounds), 2019/20 (73 rescued and rehomed ex-racing greyhounds), 2018/19 (83 rescued and rehomed ex-racing greyhounds), 2017/18 (91 rescued and rehomed ex-racing greyhounds which included by exception the rescue, vaccination etc and successfully rehoming of a brooding bitch and all of her litter of 9 greyhound puppies (4 weeks old)), 2016/17 (72 rescued and rehomed ex-racing greyhounds) and 2015/16 (57 rescued and rehomed ex-racing greyhounds) which reflects the dedicated commitment supporting this charity. • made continuous necessary maintenance improvements to its existing kennel facilities. This included the upgrading of all kennels , the

		inclusion of an enrichment room to enhance our rehoming process , ensuring our rescue greyhounds have the best possibility of being rehomed , the carpark facility was upgraded and the new drainage system was completed in order to comply with kennel regulations • promoted humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage. • been able to educate the public regarding responsible and safe dog ownership, not least by its attendance at many public events where information has been made available and members of the public have been able to seek guidance and advice and necessary equipment such as leads, harnesses, coats and muzzles (if required) but also online.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Makants, as a growing voluntary charity working directly to improve the welfare of ex-racing greyhounds, aims to achieve its objective to at least maintain and, if possible, increase its cash reserve of c £203,635 to ensure: • it can maintain an appropriate contingency fund (equivalent to 12 months' operating costs) is maintained to support, sustain, improve and assure continuity of future operations. • it can fund any exceptional and urgent welfare rescues which may require exceptional and costly funding for veterinary treatment and feeding care. • it can continue to accept more complex rescues where the ex-racing greyhound may require extended rehabilitation and kennelling rather than selecting only those greyhounds that may be more easily rehomed. • it can accumulate (in a high interest deposit account) a cash deposit towards its long-term strategic aim to purchase of a suitable property for Makants' kennels to be permanently located at.

Makants is an independent specialist ex-racing greyhound rescue registered charity funded wholly by donations. Its charitable activities do not support or promote regulated and/or unregulated greyhound racing and/or any associated activities.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- *For the benefit to the public to relieve the suffering of abandoned and ex-racing greyhounds and to promote humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage.*

- *To re-home/foster the greyhounds in line with Makants' strict re-homing/fostering policy.*

- *To educate the public regarding responsible dog ownership and to offer comprehensive help to all adopters/fosterers of ex racing greyhounds.*

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the charity commission on public benefit)

In order to maintain the day to day care for its rescued ex-racing greyhounds, Makants' charitable trustees supported by a team of exceptionally dedicated volunteers raise funds by way of store and street collections, car boot sales, auctions, raffles and other activities, such as summer and Christmas fairs and local dogs shows. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020 & 2021, Makants' volunteers continued to fund raise by holding online auctions and other socially distanced activities.***

In addition, a raft of other tasks are undertaken by the trustees and volunteers such as administration, social media communications/updates, re-homing checks, fostering dogs, transporting dogs for veterinary care and attendance at fund raising events. Raising awareness of the plight of racing greyhounds and educating the public about responsible dog ownership with an offer of comprehensive help to all adopters/fosterers is an integral part of Makants' work and this is woven into all its activities. By way of example, volunteers are welcomed each day to assist with the collective group afternoon walk which ensures each kennelled dog receives appropriate daily exercise, can be assessed in a group situation and allows individuals to 'get to know' the breed and the work undertaken by Makants; this support is invaluable on many levels. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020 & 2021 - and to the credit of all those who volunteer their support, these tasks were able to continue throughout to the extent permissible by the government.***

Experience to date has shown that in many instances, the rescue of an ex-racing greyhound is an acute situation whereby third parties will make the dog available to Makants at short notice with no financial donation. Dogs that are taken in are often in need of basic care and veterinary treatment, with some inevitably having more complex medical needs such as epilepsy, impacted vertebrae, gum disease, chronic fracture injuries or amputated toes giving rise to joint/mobility issues and tail injuries; all of which Makants has experienced and dealt with.

Makants implements a strategy of spaying and neutering all greyhounds within two weeks of rescue unless the dog is prior neutered, in season or the veterinary surgeon advises otherwise, in which case spaying or neutering will be undertaken when advised by the veterinary surgeon irrespective of whether the dog is kennelled, fostered or adopted. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020 & 2021, Makants' strategy of spaying and neutering all rescued greyhounds continued.***

A positive focus is placed on assessing and rehabilitating each and every dog received so they may be successfully rehomed and enjoy a normal life – a healthy dog is never euthanized and this is Makants' promise to each and every dog that it receives. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020 & 2021, Makants' kept its promise to every dog.***

Each dog's adoption is conditional and subject to the new owner entering into a written adoption agreement with Makants, whereby the new owner agrees:

- *to guarantee the health and wellbeing of the dog.*
- *to maintain yearly vaccination boosters.*
- *not to allow the dog to stray unsupervised.*
- *to ensure the dog wears a collar at all times with owners details and the disc Makants provides.*
- *not to pass the dog to any third party without Makants' written consent.*
- *to abide by Makants' spaying & neutering policy.*

- *to allow a representative from Makants to visit to ensure the dog's welfare and care is appropriate.*
- *any breach of the contract allows Makants to reclaim the dog.*

Each adoption is subject to the satisfactory completion of a vetting process to ensure the prospective home offered by a new owner meets the needs of the dog.
It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020 & 2021, Makants' was able to maintain its conditional adoption protocol.

Makants' charitable trustees are aware of the statutory declaration and guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

As a self-funding charity, Makants relies heavily on its team of local volunteers to raise funds to cover the day to day running costs of the rescue and promote its charitable values.

Makants has a strict policy that all rescued dogs are fully assessed, neutered, vaccinated and micro-chipped prior to rehoming; in addition, specialist veterinary treatment can be required from time to time. This is where the majority of its fund raising is spent.

Makants operates independently however is in communication with other greyhound rescues i.e. Birmingham Greyhound Protection and mutually collaborates in emergency situations to assist in the best interests of the greyhound(s) involved.

Makants values the significant and generous support given on many levels by all its volunteers, the local community and the donations received from two generous benefactors; all contributions are appreciated and gratefully received.

Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Makants has been able to maintain a highly motivated team of volunteers who have ensured that the care of its rescued ex-racing greyhounds has been of prime importance and a consistent achievement during the past year.

During its financial year 2020/21, Makants has:

- *rescued and rehomed **74** ex-racing greyhounds in line with its strict re-homing/fostering policy and been able to offer comprehensive help to all adopters/fosterers. **It is to the credit of all those who volunteer their support that Makants' was able to achieve this rehoming rate given the pandemic and associated government restrictions, including a period of lockdown in 2020 & 2021.***
- *This demonstrates **(despite the continuing pandemic)** a consistent, positive annual rehoming rate from 2019/20 (**73** rescued and rehomed ex-racing greyhounds), 2018/19 (**83** rescued and rehomed ex-racing greyhounds), 2017/18 (**91** rescued and rehomed ex-racing greyhounds which included by exception the rescue, vaccination etc and successfully rehoming of a brooding bitch and all of her litter of 9 greyhound puppies (4 weeks old)), 2016/17 (**72** rescued and rehomed ex-racing greyhounds) and 2015/16 (**57** rescued and rehomed ex-racing greyhounds) which reflects the dedicated commitment supporting this charity.*
- *made continuous necessary maintenance improvements to its existing kennel facilities. This included the installation of CCTV (at a cost of £2,800) throughout the kennelling facility due to onsite security concerns with cameras fitted to enhance the safety of the kennelled greys.*
- *promoted humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage.*
- *been able to educate the public regarding responsible and safe dog ownership, not least by its attendance at many public events where information has been made available and members of the public have been able to seek guidance and advice and necessary equipment such as leads, harnesses, coats and muzzles (if required) but also online.*

Section D Achievements and performance

Section E Financial review

Brief statement of the charity's policy on reserves	*Makants, as a growing voluntary charity working directly to improve the welfare of ex-racing greyhounds, aims to achieve its objective to at least maintain and, if possible, increase its cash reserve of c £212,645 to ensure:* • *it can maintain an appropriate contingency fund (equivalent to 12 months' operating costs) is maintained to support, sustain, improve and assure continuity of future operations.* • *it can fund any exceptional and urgent welfare rescues which may require exceptional and costly funding for veterinary treatment and feeding care.* • *it can continue to accept more complex rescues where the ex-racing greyhound may require extended rehabilitation and kennelling rather than selecting only those greyhounds that may be more easily rehomed.* • *it can accumulate (in a high interest deposit account) a cash deposit towards its long-term strategic aim to purchase of a suitable property for Makants' kennels to be permanently located at.*
Details of any funds materially in deficit	*None*

Makants is an independent specialist ex-racing greyhound rescue registered charity funded wholly by donations and fundraising by volunteers.

Its charitable activities do not support or promote regulated and/or unregulated greyhound racing and/or any associated activities.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- *For the benefit to the public to relieve the suffering of abandoned and ex-racing greyhounds and to promote humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage.*
- *To re-home/foster the greyhounds in line with Makants' strict re-homing/fostering policy.*

- *To educate the public regarding responsible dog ownership and to offer comprehensive help to all adopters/fosterers of ex racing greyhounds.*

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the charity commission on public benefit)

In order to maintain the day to day care for its rescued ex-racing greyhounds, Makants' charitable trustees supported by a team of exceptionally dedicated volunteers raise funds by way of store and street collections, car boot sales, auctions, raffles and other activities, such as summer and Christmas fairs and local dogs shows. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020, Makants' volunteers continued to fund raise by holding online auctions and other socially distanced activities.***

In addition, a raft of other tasks are undertaken by the trustees and volunteers such as administration, social media communications/updates, re-homing checks, fostering dogs, transporting dogs for veterinary care and attendance at fund raising events. Raising awareness of the plight of racing greyhounds and educating the public about responsible dog ownership with an offer of comprehensive help to all adopters/fosterers is an integral part of Makants' work and this is woven into all its activities. By way of example, volunteers are welcomed each day to assist with the collective group afternoon walk which ensures each kennelled dog receives appropriate daily exercise, can be assessed in a group situation and allows individuals to 'get to know' the breed and the work undertaken by Makants; this support is invaluable on many levels. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020 - and to the credit of all those who volunteer their support, these tasks were able to continue throughout to the extent permissible by the government.***

Experience to date has shown that in many instances, the rescue of an ex-racing greyhound is an acute situation whereby third parties will make the dog available to Makants at short notice with no financial donation. Dogs that are taken in are often in need of basic care and veterinary treatment, with some inevitably having more complex medical needs such as epilepsy, impacted vertebrae, gum disease, chronic fracture injuries or amputated toes giving rise to joint/mobility issues and tail injuries; all of which Makants has experienced and dealt with.

Makants implements a strategy of spaying and neutering all greyhounds within two weeks of rescue unless the dog is prior neutered, in season or the veterinary surgeon advises otherwise, in which case spaying or neutering will be undertaken when advised by the veterinary surgeon irrespective of whether the dog is kennelled, fostered or adopted. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020, Makants' strategy of spaying and neutering all rescued greyhounds continued.***

A positive focus is placed on assessing and rehabilitating each and every dog received so they may be successfully rehomed and enjoy a normal life – a healthy dog is never euthanized and this is Makants' promise to each and every dog that it receives. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020, Makants' kept its promise to every dog.***

Each dog's adoption is conditional and subject to the new owner entering into a written adoption agreement with Makants, whereby the new owner agrees:

- *to guarantee the health and wellbeing of the dog.*
- *to maintain yearly vaccination boosters.*
- *not to allow the dog to stray unsupervised.*
- *to ensure the dog wears a collar at all times with owners details and the disc Makants provides.*

- *not to pass the dog to any third party without Makants' written consent.*
- *to abide by Makants' spaying & neutering policy.*
- *to allow a representative from Makants to visit to ensure the dog's welfare and care is appropriate.*
- *any breach of the contract allows Makants to reclaim the dog.*

Each adoption is subject to the satisfactory completion of a vetting process to ensure the prospective home offered by a new owner meets the needs of the dog. ***It is noteworthy that during the pandemic and associated government restrictions, including a period of lockdown, in 2020, Makants' was able to maintain its conditional adoption protocol.***

Makants' charitable trustees are aware of the statutory declaration and guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

As a self-funding charity, Makants relies heavily on its team of local volunteers to raise funds to cover the day to day running costs of the rescue and promote its charitable values.

Makants has a strict policy that all rescued dogs are fully assessed, neutered, vaccinated and micro-chipped prior to rehoming; in addition, specialist veterinary treatment can be required from time to time. This is where the majority of its fund raising is spent.

Makants operates independently however is in communication with other greyhound rescues i.e. Greyhound Gap and mutually collaborates in emergency situations to assist in the best interests of the greyhound(s) involved.

Makants values the significant and generous support given on many levels by all its volunteers and the local community; all contributions are appreciated.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Makants has been able to maintain a highly motivated team of volunteers who have ensured that the care of its rescued ex-racing greyhounds has been of prime importance and a consistent achievement during the past year.

During its financial year 2019/20, Makants has:

- *rescued and rehomed **73** ex-racing greyhounds in line with its strict re-homing/fostering policy and been able to offer comprehensive help to all adopters/fosterers. **It is to the credit of all those who volunteer their support that Makants' was able to achieve this rehoming rate given the pandemic and associated government restrictions, including a period of lockdown in 2020 where (i) an increased number of dogs were placed in emergency foster placements to ease the strain on kennel requirements and (ii) rehoming had to be temporarily suspended.***
- *This demonstrates a consistent, positive annual rehoming rate from 2018/19 (**83** rescued and rehomed ex-racing greyhounds), 2017/18 (**91** rescued and rehomed ex-racing greyhounds which included by exception the rescue, vaccination etc and successfully rehoming of a brooding bitch and all of her litter of 9 greyhound puppies (4 weeks old)), 2016/17 (**72** rescued and rehomed ex-racing greyhounds) and 2015/16 (**57** rescued and rehomed ex-racing greyhounds) which reflects the dedicated commitment supporting this charity.*
- *made continuous necessary maintenance improvements to its existing kennel facilities. Two additional storage containers were purchased, one to be used as an office/safe meeting space and the other as a storage space for the fundraising team. Further the refurbishment of the 'overspill' top kennel block was able to be completed during the lockdown period of the pandemic and a formal opening of the kennel block will take place when Covid safe to do so.*
- *promoted humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage.*
- *been able to educate the public regarding responsible and safe dog ownership, not least by its attendance at many public events where information has been made available and members of the public have been able to seek guidance and advice and necessary equipment such as leads, harnesses, coats and muzzles (if required) but also online.*

Section D Achievements and performance

Section E Financial review

Brief statement of the charity's policy on reserves

Makants, as a growing voluntary charity working directly to improve the welfare of ex-racing greyhounds, aims to achieve its objective to at least maintain and, if possible, increase its cash reserve of c £160,277 to ensure:

- *it can maintain an appropriate contingency fund (equivalent to 12 months' operating costs) is maintained to support, sustain, improve and assure continuity of future operations.*
- *it can fund any exceptional and urgent welfare rescues which may require exceptional and costly funding for veterinary treatment and feeding care.*
- *it can continue to accept more complex rescues where the ex-racing greyhound may require extended rehabilitation and kennelling rather than selecting only those greyhounds that may be more easily rehomed.*
- *it can accumulate (in a high interest deposit account) a cash deposit towards its long-term strategic aim to purchase of a suitable property for Makants' kennels to be permanently located at.*

The Trustees wish to express their thanks to all those who contribute to the charity and, in particular, a generous donor who donated a significant sum of £10,000 to be used to benefit the rescued greyhounds whilst in kennels and awaiting rehoming.
